**DO YOU OR SOMEONE YOU KNOW
NEED HELP WITH HOME MAINTENANCE?**

Twin Cities Habitat for Humanity's A Brush With Kindness program serves struggling homeowners who live in the Twin Cities 7 county metro area whose home needs paint, maintenance and general restoration work.

Homeowners are eligible if:

- The home is owner occupied and you have lived in the home for at least two years.
- You make a combined household income that is below 60% of the area median income.
- You are unable to get work completed by yourself.

For more info on eligibility requirements call the number below to determine if you qualify.

Examples of work we do:

- Interior and exterior painting and carpentry work, including accessibility modifications. Larger health and safety projects, such as roof replacements and electrical and plumbing work are considered depending on program funding and resources.

Call us for further details.

Work Occurs Year-Round:

- Volunteers from businesses, churches, and service organizations do most of the work with the use of tools and materials provided by Habitat for Humanity and other generous donors.
- Homeowners are asked to partner with A Brush With Kindness based upon their ability.
