

Anticipated Project Schedule

JANUARY 2022 - APRIL 2022: Preliminary Design

MARCH 2022: Open House #1

MAY 2022 - JANUARY 2023: Final Design/Right of Way Acquisition

FALL 2022: Open House #2

MARCH 2023 - NOVEMBER 2023: Bidding and Construction

Project Purpose & Need

- Update the corridor to reflect current traffic volumes and implement the recommendation of Ramsey County's 4-to-3 Lane Conversion Study
- Provide multi-modal connectivity along Old Highway 8
- Provide a permanent signal system at the Old Highway 8 & County Road E intersection
- Extend 8th Avenue to 5th Street NW
- Improve operations and safety of Old Highway 8 and County Road D intersection

Project Goals

- Reconfigure Old Highway 8 to a 3-lane roadway with shared left turn lane
- Upgrade pedestrian facilities to be ADA compliant and improve safety of pedestrian crossings of Old Highway 8
- Improve stormwater quality within the project area
- Minimize impacts to adjacent properties and private utilities
