### **AOA Circuit Training**

Increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper-body strength work with hand-held weights, elastic tubing with handles and a ball is alternated with low-impact aerobics work. A chair is used for standing support, stretching and relaxation exercises.

*Instructor: TBD Min. 6 Max. 20*

### **AOA Fitness**

Enjoys a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles and ball are offered for resistance and a chair is used for seated or standing support.

*Instructor: TBD Min. 6 Max. 20*

### **Barre Pilates Fusion**

Combines barre work from ballet to work on postural strength and alignment, followed by a series of standing leg work, focusing on legs, hips and core using the ballet barre for balance. Finally we blend the stabilization, strength and flexibility from mat Pilates to complete a full body workout.

*Instructor: Colleen Min. 6 Max. 12*

### **Cardio Strength Intervals (CSI)**

Incorporates intervals of cardio endurance and muscle conditioning to create a fitness training experience. Improve your metabolism while increasing your power and endurance with simple cardio and muscle strengthening movements.

*Instructor: Colleen Min. 6 Max. 12*

### **Core & More**

This class combines exercises for your back, abs, backside and legs. These exercises help with stabilization, mobility and flexibility and will aid in falls prevention. Exercises will be done from standing and seated positions as well as floor work on a mat.

*Instructor: Kathy Min. 6 Max. 12*

### **Mat Pilates**

This is a highly effective conditioning method that works your "power-house" muscles. Pilates help to realign the spine to decrease tension or body aches, increase flexibility and strengthen the body from the inside out.

*Instructor: Colleen Min. 6 Max. 12*

### **Stretch & Tone**

Energize your life with this total fitness program designed especially for older adult participants who want to remain healthy, flexible and active. This is a n ideal fitness program which combines the benefits of stretching exercises, rhythmic movements and muscle tone with weights.

*Instructor: Kathy Min. 6 Max. 20*

## Chair Yoga

This gentle form of yoga is practiced sitting on a chair or using a chair for support during standing poses. Chair yoga is especially suitable for older adults, people with balance or coordination issues, and those with disabilities. Chair yoga helps increase flexibility, lung capacity, circulation and strength, improves balance, and relieves stress. The class incorporates breathing exercises, stretching, yoga postures, and final relaxation.

*Instructor: Colleen Min. 6 Max. 12*

## Yoga Flow

Link breath with movement during variations of Sun Salutations, followed by seated and lying postures that increase strength and flexibility. Great for the yogi who has some experience and looking for a more rigorous combination of postures.

*Instructor: Angela Min. 6 Max. 12*

## Gentle Yoga

Classic standing, seated and lying postures along with breath work are included in this class. Great for the beginner or more experienced yogi who would like to slow things down and have the option for the support of a chair.

*Instructor: Anne Min. 6 Max. 12*

## Hatha Yoga

This class will focus on yoga basics while practicing physical posture with slower moving poses and breath control. Experience preferred but not required. Participants must be comfortable moving onto and up from the floor.

*Instructor: Angela, Michele Min. 6 Max. 12*

## SilverSneakers® Classic

Classic enjoys a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles, and a SilverSneakers ball are offered for resistance and a chair is used for seated or standing support.

*Instructor: Kathy, Colleen Min. 6 Max. 20*

## SilverSneakers® Circuit Training

Combine fun with fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper-body strength work with hand-held weights, elastic tubing with handles and a SilverSneakers ball is altered with low-impact aerobics choreography. A chair is used for standing support, stretching and relaxation exercises.

*Instructor: Kathy, Colleen Min. 6 Max. 12*

## Water Aerobics

Everyone is welcome, whether you are looking for cross training, injury rehab, prenatal or postnatal exercise, arthritic-fibromyalgia or multiple sclerosis friendly activities. Enjoy the benefits of this aerobic workout that uses the resistance of water to increase cardiovascular endurance and burns calories by working both large and small muscle groups without putting extra pressure on joints. Swimming is not a required skill to participate. Drop-In fee \$10 per class, payable to lifeguard/instructor on duty.

*Instructor: Emily Min. 6 Max. 15*
