DIRECTOR’S PREFACE
The New Brighton Department of Public Safety Police Division Law Enforcement Policy Manual establishes clear expectations and practical guidance for the daily operations of this organization.

As a living document, updates and changes will be made as appropriate to the policies of this manual to maintain compliance with federal and state laws, along with adopting current best practices in modern policing.

Each member of this agency has an obligation to become familiar with this manual.

Our behavior as law enforcement professionals must reflect the department’s mission statement while abiding by the policies of this document.

While operating within the parameters of these policies, members are encouraged to use the manual as an aid in their decision making and to be creative problem solvers in working with our community.

We are grateful for the services that you provide to the City of New Brighton and believe that the adoption of this manual will enhance your efficiency and effectiveness in delivering the very best policing to our community.

Thank you for your dedication to this manual, the department, and ultimately the people that we collectively serve.

Anthony S. Paetznick
Director of Public Safety
LAW ENFORCEMENT CODE OF ETHICS
As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against abuse or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or abuse and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.
MISSION STATEMENT
The New Brighton Department of Public Safety, in partnership with the community, is dedicated to protect, serve, and educate. We value and promote a respect for human dignity by ensuring a common goal of a safe community.

Chapter 1 - Law Enforcement Role and Authority
Law Enforcement Authority

100.1 PURPOSE AND SCOPE
The purpose of this policy is to affirm the authority of the members of the New Brighton Department of Public Safety to perform their functions based on established legal authority.

100.2 PEACE OFFICER POWERS
Licensed officers of this department are peace officers pursuant to Minn. Stat. § 626.84 Subd. 1.

100.2.1 ARREST AUTHORITY WITHIN THE JURISDICTION OF THE NEW BRIGHTON DEPARTMENT OF PUBLIC SAFETY
Arrest authority of a full-time officer or part-time officer extends to any place within the jurisdiction of the department when (Minn. Stat. § 629.34, Subd. 1 and Minn. Stat. § 629.40):

(a) Made pursuant to a warrant.
(b) The person is being arrested for a felony.
(c) The person is being arrested for a non-felony crime that was attempted or committed in the officer’s presence.
(d) The person is being arrested for a non-felony crime that was not attempted or committed in the officer’s presence but an arrest is permitted by statute (e.g., domestic abuse, restraining order, and no contact order violations).
(e) The person is a juvenile committed to the custody of the commissioner of corrections and committed a felony after he/she escaped from custody (Minn. Stat. § 609.485).
(f) There is reasonable cause to believe that the person to be arrested has committed or attempted to commit theft from a merchant (Minn. Stat. § 629.366).

The arrest authority of a part-time peace officer is applicable only while on-duty (Minn. Stat. § 629.34, Subd. 1(b)).

100.2.2 ARREST AUTHORITY OUTSIDE THE JURISDICTION OF THE NEW BRIGHTON DEPARTMENT OF PUBLIC SAFETY
Full- and part-time, on-duty officers may make an arrest outside the jurisdiction of the New Brighton Department of Public Safety (Minn. Stat. § 629.40):

(a) Anytime the officer may by law make an arrest for a criminal offense committed within the jurisdiction of the New Brighton Department of Public Safety, and the person to be arrested escapes from custody or flees out of the officer’s jurisdiction.
(b) Whenever the officer is authorized by a court order.
(c) Under the same conditions as if the officer was in the jurisdiction of the department, whenever the officer is acting in the course and scope of employment.

A full-time officer’s warrantless arrest authority when off-duty and outside the jurisdiction of the department is limited to circumstances that would permit the officer to use deadly force under Minn. Stat. § 609.066 (see the Use of Force Policy) (Minn. Stat. § 629.40, Subd. 4). Under any
other circumstances, the full-time off-duty officer is limited to the same power as are members of the general public.

An officer making an arrest should, as soon as practicable after making the arrest, notify the agency having jurisdiction where the arrest was made.

100.2.3 GRANTING AUTHORITY TO OTHERS
An officer may summon the aid of private persons when making an arrest pursuant to a warrant (Minn. Stat. § 629.30).

100.3 INTERSTATE PEACE OFFICER POWERS
Peace officer powers may be extended within other states:

(a) As applicable under interstate compacts and memorandums of understanding in compliance with the laws of each state.

(b) When an officer enters Iowa or Wisconsin in fresh pursuit of a felony subject (Iowa Code § 806.1; Wis. Stat. § 976.04).

(c) When an officer enters North Dakota or South Dakota in pursuit of a subject who committed any offense (N.D.C.C. § 29-06-05; SDCL 23A-3-9; SDCL 23A-3-10).

Whenever an officer makes an arrest in another state, the officer shall take the offender to a magistrate or judge in the county where the arrest occurred as soon as practicable (Iowa Code § 806.2; N.D.C.C. § 29-06-06; SDCL 23A-3-12; Wis. Stat. § 976.04).

100.4 POLICY
It is the policy of the New Brighton Department of Public Safety to limit its members to only exercise the authority granted to them by law.

While this department recognizes the power of peace officers to make arrests and take other enforcement action, officers are encouraged to use sound discretion in the enforcement of the law. This department does not tolerate abuse of law enforcement authority.

100.5 CONSTITUTIONAL REQUIREMENTS
All members shall observe and comply with every person's clearly established rights under the United States and Minnesota Constitutions.
Chief Executive Officer

101.1 PURPOSE AND SCOPE
The Minnesota Legislature acting through the Minnesota Board of Peace Officer Standards and Training (POST Board) has mandated that all peace officers employed within the State of Minnesota shall hold a POST Board license (Minn. Stat. § 626.846).

101.1.1 CHIEF LAW ENFORCEMENT OFFICER REQUIREMENTS
Any chief law enforcement officer of this department, as defined in Minn. R. Ch. 6700.0100, shall as a condition of employment hold a license as a peace officer with the POST Board (Minn. R. 6700.0800; Minn. R. 6700.0501). The peace officer license shall be renewed every three years as required by Minn. R. 6700.1000.
Oath of Office

102.1 POLICY
It is the policy of the New Brighton Department of Public Safety that, when appropriate, department members affirm the oath of their office as an expression of commitment to the constitutional rights of those served by the Department and the dedication of its members to their duties (Minn. Stat. § 358.05).

102.2 PURPOSE AND SCOPE
Officers of this department are sworn to uphold the federal and state constitutions and to enforce federal, state and local laws.

102.3 OATH OF OFFICE
Upon employment, all employees shall be required to affirm, sign and date the oath of office expressing commitment and intent to respect constitutional rights in discharging the duties of the position, regardless of whether law mandates such an oath. The oath shall be as follows:

I, (employee name), do solemnly swear that I will support the Constitution of the United States and the Constitution of the State of Minnesota, and that I will faithfully discharge the duties of (applicable position or office) within and for the City of New Brighton and State of Minnesota.

102.4 MAINTENANCE OF RECORDS
Oaths mandated by law shall be filed as required by law (Minn. Stat. § 387.01; Minn. Stat. § 387.14). Other oaths shall be maintained consistent with other personnel employment records.

103.1 PURPOSE AND SCOPE
The manual of the New Brighton Department of Public Safety is hereby established and shall be referred to as the Policy Manual or the manual. The manual is a statement of the current policies, rules and guidelines of this department. All members are to conform to the provisions of this manual.

All prior and existing manuals, orders and regulations that are in conflict with this manual are rescinded, except to the extent that portions of existing manuals, procedures, orders and other regulations that have not been included herein shall remain in effect, provided that they do not conflict with the provisions of this manual.

103.2 POLICY
Except where otherwise expressly stated, the provisions of this manual shall be considered as guidelines. It is recognized that the work of law enforcement is not always predictable and circumstances may arise which warrant departure from these guidelines. It is the intent of this manual to be viewed from an objective standard, taking into consideration the sound discretion entrusted to members of this department under the circumstances reasonably available at the time of any incident.

103.2.1 DISCLAIMER
The provisions contained in the Policy Manual are not intended to create an employment contract nor any employment rights or entitlements. The policies contained within this manual are for the internal use of the New Brighton Department of Public Safety and shall not be construed to create a higher standard or duty of care for civil or criminal liability against the City, its officials or members. Violations of any provision of any policy contained within this manual shall only form the basis for department administrative action, training or discipline. The New Brighton Department of Public Safety reserves the right to revise any policy content, in whole or in part.

103.3 AUTHORITY
The Director of Public Safety shall be considered the ultimate authority for the content and adoption of the provisions of this manual and shall ensure compliance with all applicable federal, state and local laws. The Director of Public Safety or the authorized designee is authorized to issue General Orders, which shall modify those provisions of the manual to which they pertain. General Orders shall remain in effect until such time as they may be permanently incorporated into the manual.

The principles of unity of command ensure efficient supervision and control within the Department. Generally, each employee shall be accountable to one supervisor at any time for a given assignment or responsibility. Except where specifically delegated authority may exist by policy or special assignment (e.g., Canine, SWAT), any supervisor may temporarily direct any subordinate if an operational necessity exists.

200.3.3 ORDERS
Members shall respond to and make a good faith and reasonable effort to comply with the lawful order of superior officers and other proper authority.

200.3.4 UNLAWFUL AND CONFLICTING ORDERS
No member is required to obey any order that outwardly appears to be in direct conflict with any federal law, state law or local ordinance. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or confer with a higher authority. Responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal. Unless it would jeopardize the safety of any individual, members who are presented with an order that is in conflict with a previous order, department policy or other directive, shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the order is intended to countermand the previous order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting order after having given the issuing supervisor the opportunity to correct the conflict are not held accountable for disobedience of the order or directive that was initially issued.

The person countermanding the original order shall notify, in writing, the person issuing the original order, indicating the action taken and the reason therefore.
Emergency Operations Plan

201.1 PURPOSE AND SCOPE
The City has prepared, in compliance with the Minnesota Emergency Management Act of 1996 (Minn. Stat. § 12.09), an Emergency Operations Plan Manual. This manual is for the guidance and use by all employees in the event of a major disaster, civil disturbance, mass arrest or other emergency event. The manual provides for a strategic response by all employees and assigns specific responsibilities in the event the plan is activated.

201.2 ACTIVATING THE EMERGENCY OPERATIONS PLAN
The Emergency Operations Plan can be activated in a number of ways. For the Police Department, the Director of Public Safety, the highest ranking official on-duty or an on-scene responder may activate the Emergency Operations Plan in response to a major emergency.

201.2.1 RECALL OF PERSONNEL
In the event that the Emergency Operations Plan is activated, all employees of the New Brighton Department of Public Safety are subject to immediate recall. Employees may also be subject to recall during extraordinary circumstances as deemed necessary by the Director of Public Safety or the authorized designee.

Failure to promptly respond to an order to report for duty may result in discipline.

201.3 LOCATION OF MANUALS
The manual for employees is available in, the department network folder of the municipal computer system and a hard copy is in the Emergency Operations Center (EOC).

201.4 PLAN TRAINING
The Department shall provide training in the Emergency Operations Plan for all supervisors and other appropriate personnel. All supervisors should familiarize themselves with the Emergency Operations Plan and the roles police personnel will play when the plan is implemented.
Training

202.1 PURPOSE AND SCOPE
It is the policy of this department to administer a training program that will meet the standards of POST continuing education and provide for the professional growth and continued development of its personnel. By doing so, the Department seeks to ensure its personnel possess the knowledge and skills necessary to provide a professional level of service that meets the needs of the public.

202.2 PHILOSOPHY
The Department seeks to provide ongoing training and encourages all personnel to participate in advanced training and formal education on a continual basis. Training is provided within the confines of funding, requirements of a given assignment, staffing levels and legal mandates. Whenever reasonably possible, the Department will use courses certified by the Minnesota Board of Peace Officer Standards and Training (POST) or other regulatory or nationally recognized entities.

202.3 OBJECTIVES
The objectives of the Training Program are to:

(a) Enhance the level of law enforcement service to the public.
(b) Increase the technical expertise and overall effectiveness of Department personnel.
(c) Provide for continued professional development of Department personnel.
(d) Assist in compliance with POST rules and regulations concerning law enforcement training.

202.4 TRAINING PLAN
It is the responsibility of the Deputy Director in charge of training to develop, review, update and maintain a training plan and to ensure that mandated basic, in-service and Department-required training is completed by all employees. The plan shall include a systematic and detailed method for recording and logging of all training for all personnel. While updates and revisions may be made to any portion of the training plan at any time it is deemed necessary, the Deputy Director shall review the entire training plan on an annual basis. The plan will include information on curriculum, training material, training facilities, course and student scheduling. The plan will address State required minimum mandated training for licensing of peace officers or hiring of non-licensed employees. The plan will also include training for volunteers that is determined to be relevant and helpful to their actions as volunteers for the Department.

Training listed may be provided in basic training programs. The Deputy Director is responsible for ensuring members of the Department have been trained as required.
Training

202.4.1 STATE MANDATED TRAINING
State training requirements include, but are not limited to, 48 hours of POST-approved law enforcement related courses every three years.

This training must include completion of use of force training every year based on the Department’s Use of Force Policy and the learning objectives provided by POST (Minn. Stat. § 626.8452 Subd. 3).

In addition, all officers must complete an eight hour course in emergency vehicle operations and vehicle pursuits as set forth in the Vehicle Pursuit Policy.

202.4.2 TRAINING PROCEDURES

(a) All employees assigned to attend training shall attend as scheduled unless previously excused by their immediate supervisor. Excused absences from mandatory training should be limited to the following:
   1. Court appearances
   2. Vacation
   3. Sick leave
   4. Physical limitations preventing the employee’s participation.
   5. Emergency situations

(b) When an employee is unable to attend mandatory training, that employee shall:
   1. Notify his/her supervisor as soon as possible.
   2. Document his/her absence in a memorandum to his/her supervisor.
   3. Make arrangements through his/her supervisor and the Deputy Director to attend the required training on an alternate date.

202.5 TRAINING RECORDS
The Deputy Director is responsible for the creation, filing and storage of all training records in compliance with POST standards. Training records shall be retained as long as the employee's personnel file is retained.

202.6 REPORTING TRAINING TO POST
The New Brighton Department of Public Safety will be responsible for P.O.S.T. Board license renewal while the individual officers will be responsible for ensuring he/she has met all training requirements during the licensing period.

202.7 DAILY TRAINING BULLETINS
The Lexipol Daily Training Bulletins (DTBs) are contained in a web-accessed system that provides training on the New Brighton Department of Public Safety policy manual and other important
Training topics. Generally, one training bulletin is available for each day of the month. However, the number of DTBs may be adjusted by the administrator of Lexipol policy manual.

Personnel assigned to participate in DTBs shall only use login credentials assigned to them by the Deputy Director. Personnel should not share their password with others and should frequently change their password to protect the security of the system. After each session, employees should logoff the system to prevent unauthorized access. The content of the DTBs is copyrighted material and shall not be shared with others outside of the Department.

Employees who are assigned to participate in the DTB program should complete each DTB at the beginning of their shift, or as otherwise directed by their supervisor. Employees should not allow uncompleted DTBs to build up over time. Personnel may be required to complete DTBs missed during extended absences (e.g., vacation, medical leave) upon returning to duty. Although the DTB system can be accessed from any Internet active computer, employees shall only take DTBs as part of their on-duty assignment unless directed otherwise by a supervisor.

Supervisors will be responsible for monitoring the progress of personnel under their command to ensure compliance with this policy.

202.8 CLASSROOM DISCRIMINATION
The Deputy Director in charge of training shall ensure that procedures for the investigation and resolution of allegations of classroom discrimination are developed and implemented, and include the required elements (Minn. R. 6700.0900; Minn. R. 6700.0902).
Administrative Communications

203.1 PURPOSE AND SCOPE
Administrative communications of this department are governed by the following policies.

203.2 PERSONNEL ORDERS
Personnel Orders may be issued periodically by the Director of Public Safety or designee, to announce and document all promotions, transfers, hiring of new personnel, separations, individual and group awards and commendations or other changes in status. Such orders are personnel data under Minn. Stat. § 13.43 and shall be treated accordingly.

203.3 CORRESPONDENCE
In order to ensure that the letterhead and name of the Department are not misused, all official external correspondence shall be on Department letterhead. All Department letterhead shall bear the signature element of the Director of Public Safety. Official correspondence and use of letterhead requires approval of a supervisor. Department letterhead may not be used for personal use or purposes.

Internal correspondence should use appropriate memorandum forms. These may be from line employee to employee, supervisor to employee or any combination of employees.

203.4 SURVEYS
All surveys made in the name of the Department shall be authorized by the Director of Public Safety, his/her designee or a Deputy Director.

203.5 OTHER COMMUNICATIONS
General Orders and other communications necessary to ensure the effective operation of the Department shall be promulgated by the Director of Public Safety, his/her designee or Deputy Directors.
Retired Officer Concealed Firearm Permit

204.1 PURPOSE AND SCOPE
The purpose of this policy is to outline the process and conditions associated with the issuance, revocation and denial of a concealed firearm permit (CFP) for retired officers of this department.

204.2 FIREARM PERMIT
A retired employee of this department may only carry a firearm if granted a permit to do so as specified in Minn. Stat. § 624.714 and associated statutes.

204.3 FEDERAL AUTHORIZATION
Retired officers of this department, qualified pursuant to 18 USC § 926C, may be authorized to carry a concealed firearm in Minnesota and other states. Such authorization requires that retired officers comply with each element of 18 USC § 926C. These elements include carrying photographic identification issued by the Department and certification from the Department or the State that the retiree has been tested and certified within the past year to meet the training and qualification standards for active law enforcement officers of the Department or the standards established by the State of Minnesota.

It is the responsibility of the retired officer to obtain certification and documentation necessary for federal authorization and to comply with all concealed carry requirements if such authorization is desired.

204.4 AGENCY REQUIREMENTS
It is the policy of the New Brighton Department of Public Safety to allow qualified retired members leaving in "good standing" with a minimum of 10 years service to carry handguns as specified in Minnesota Statue 624.714 and pursuant to 18 USC-926C.

Good standing means, at the time of retirement, the officer was not facing disciplinary action that would have resulted in his/her termination for misconduct or unfitness for office.

All retired officers wishing to obtain a "Retired Officer Concealed Firearm Permit" will be required to successfully complete the state mandated firearms qualification while under the direction of an active New Brighton Police Firearms Instructor. Besides requiring a passing score on the shoot, the retired officer must be able to display safe handling of such firearm. The retired officer may qualify with more than one firearm and will be responsible for the purchasing of the ammunition for each weapon. The firearms instructor will keep a file of each qualified officer including the date, course of fire, qualification score and type (with serial number) of firearm used to qualify.

Qualified retired officers will be required to sign a waiver of liability of the New Brighton Department of Public Safety for all acts taken related to carrying a concealed firearm. The waiver will acknowledge their personal responsibility as a private person for all acts taken when carrying a
Retired Officer Concealed Firearm Permit

concealed firearm. Such disclaimer shall also release the New Brighton Department of Public Safety from any claim or action of law resulting from any injury or accident during the described firearms qualification activities.

Retired officer identification cards: In the case of retired officers who have met all of the conditions set for in this policy and who have met the Certification requirements of the Minnesota Department of Public Safety Firearms Standards, the New Brighton Department of Public Safety will issue a photographic certification identification card that will indicate the expiration date of the card. The date will be one calendar year after the qualification. The identification cards are the property of the New Brighton Department of Public Safety.
Handgun Purchase and Transfer Permit

205.1 PURPOSE AND SCOPE
The Director of Public Safety is given the statutory authority to issue a permit to purchase or transfer a pistol to persons within the community. This policy provides a written process for the application and issuance of such permits.

205.2 APPLICATION PROCESS
To apply for a permit to purchase or transfer a pistol, the applicant must complete and submit a signed and dated Minnesota Uniform Firearm Application/Receipt to the Department (Minn. Stat. § 624.7131, Subd. 1). These forms shall be freely available to members of the community at locations determined by the Director of Public Safety. Applications are also available on the internet (Minn. Stat. § 624.7131, Subd. 3).

Incomplete applications are not suitable for processing and may not be accepted.

The Department shall provide the applicant a dated receipt upon the presentation of the application (Minn. Stat. § 624.7131, Subd. 1).

205.3 INVESTIGATION
The Department shall conduct an investigation of the applicant to determine if he/she is eligible for a permit (Minn. Stat. § 624.7131, Subd. 2). The investigation shall include no less than:

(a) A check of criminal histories, records, and warrants regarding the applicant through Minnesota crime information systems, the national criminal record repository, and the National Instant Criminal Background Check System.

(b) A reasonable effort to check other available state and local record-keeping systems.

(c) A check for any commitment history through the Minnesota Department of Human Services of the applicant.

205.4 GROUNDS FOR DISQUALIFICATION
The Director of Public Safety shall only deny a permit to an applicant when the applicant is prohibited by Minn. Stat. § 624.713 from possessing a pistol or semiautomatic military-style assault weapon (Minn. Stat. § 624.7131, Subd. 4).

205.5 GRANTING OR DENIAL OF PERMIT
The Director of Public Safety shall issue a transferee permit or deny the application within seven days of application for the permit. The Director of Public Safety shall provide an applicant with written notification of a denial and the specific reason for the denial. The permits and their renewal shall be granted free of charge (Minn. Stat. § 624.7131, Subd. 5).

A permit holder whose permit was denied may seek a judicial review by filing a petition in the district court for the county in which the application was submitted (Minn. Stat. § 624.7131, Subd. 8).
205.6 VOIDING PERMIT
The permit becomes void at the time that the holder becomes prohibited from possessing a pistol under Minn. Stat. § 624.713, in which event the holder is required to return the permit within five days to the Department (Minn. Stat. § 624.7131, Subd. 2).
Chapter 3 - General Operations
Use of Force

300.1 PURPOSE AND SCOPE
This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial and reasonable manner.

300.1.1 DEFINITIONS
Definitions related to this policy include:

Deadly force  Force which the actor uses with the purpose of causing, or which the actor should reasonably know creates a substantial risk of causing, death or great bodily harm. The intentional discharge of a firearm, other than a firearm loaded with less lethal munitions and used by a peace officer within the scope of official duties, in the the direction of another person, or at a vehicle in which another person is believed to be, constitutes deadly force. “Less lethal munitions means projectiles which are designed to stun, temporarily incapacitate, or cause temporary discomfort to a person. “Peace officer” has the meaning as given in Minnesota Statute section 626.84 Sub. 1.

Force - The application of physical techniques or tactics, chemical agents or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed or restrained.

300.2 POLICY
The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

The Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE
Any officer present and observing another officer using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force. An officer who observes another employee use force that exceeds the degree of force permitted by law should promptly report these observations to a supervisor.
300.3 USE OF FORCE
Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the tools, weapons or methods provided by the Department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST
An officer may use reasonable force (Minn. Stat. § 609.06 and Minn. Stat. § 629.33):

(a) In effecting a lawful arrest.
(b) In the execution of a legal process.
(c) In enforcing an order of the court.
(d) In executing any other duty imposed by law.
(e) In preventing the escape, or to retake following the escape, of a person lawfully held on a charge or conviction of a crime.
(f) In restraining a person with a mental illness or a person with a developmental disability from self-injury or injury to another.
(g) In self defense or defense of another.

An officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance of the person being arrested; nor shall such officer be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest or to prevent escape or to overcome resistance.
300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE
When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit. These factors include, but are not limited to:

(a) Immediacy and severity of the threat to officers or others.
(b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time.
(c) Officer/subject factors (age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
(d) The effects of drugs or alcohol.
(e) Subject’s mental state or capacity.
(f) Proximity of weapons or dangerous improvised devices.
(g) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.
(h) The availability of other options and their possible effectiveness.
(i) Seriousness of the suspected offense or reason for contact with the individual.
(j) Training and experience of the officer.
(k) Potential for injury to officers, suspects and others.
(l) Whether the person appears to be resisting, attempting to evade arrest by flight or is attacking the officer.
(m) The risk and reasonably foreseeable consequences of escape.
(n) The apparent need for immediate control of the subject or a prompt resolution of the situation.
(o) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
(p) Prior contacts with the subject or awareness of any propensity for violence.
(q) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES
Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

(a) The degree to which the application of the technique may be controlled given the level of resistance.
Use of Force

(b) Whether the person can comply with the direction or orders of the officer.
(c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.4 USE OF FORCE TO SEIZE EVIDENCE
In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the New Brighton Department of Public Safety for this specific purpose.

300.4 DEADLY FORCE
Use of deadly force is justified in the following circumstances under MN Statute 609.066:

(a) An officer may use deadly force to protect him/herself or others from what he/she reasonably believes would be an imminent threat of death or great bodily harm.
(b) An officer may use deadly force to effect the arrest or capture, or prevent the escape, of a person whom the peace officer knows or has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force.
(c) An officer may use deadly force to effect the arrest or capture, or prevent the escape, of a person whom the peace officer knows or has reasonable grounds to believe has committed or attempted to commit a felony if the peace officer reasonably believes that the person will cause death or great bodily harm if the person's apprehension is delayed.

300.5 REPORTING THE USE OF FORCE
Any use of force by a member of this department shall be documented promptly, completely and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis and related purposes, the Department may require the completion of additional report forms, as specified in department policy, procedure or law.

300.5.1 NOTIFICATION TO SUPERVISORS
Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:
Use of Force

(a) The application caused a visible injury.

(b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.

(c) The individual subjected to the force complained of injury or continuing pain.

(d) The individual indicates intent to pursue litigation.

(e) Any application of an TASER® device or control device.

(f) Any application of a restraint device other than handcuffs, shackles or belly chains.

(g) The individual subjected to the force was rendered unconscious.

(h) An individual was struck or kicked.

(i) An individual alleges any of the above has occurred.

300.6 MEDICAL CONSIDERATION

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until he/she can be medically assessed.

Based upon the officer’s initial assessment of the nature and extent of the subject’s injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain (sometimes called “excited delirium”), or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.
300.7  SUPERVISOR RESPONSIBILITY
When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

(a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.

(b) Ensure that any injured parties are examined and treated.

(c) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.

(d) Identify any witnesses not already included in related reports.

(e) Review and approve all related reports.

(f) Determine if there is any indication that the subject may pursue civil litigation.

1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.

(g) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy non-compliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1  SHIFT SERGEANT RESPONSIBILITY
The Shift Sergeant shall review each use of force by any personnel within his/her command to ensure compliance with this policy and to address any training issues.

300.8  TRAINING
Officers will receive training on this policy, including the learning objectives as provided by POST, at least annually (Minn. Stat. § 626.8452, Subd. 3).

300.9  USE OF FORCE ANALYSIS
At least annually, the Patrol Deputy Director or designee should prepare an analysis report on use of force incidents. The report should be submitted to the Director of Public Safety. The report should not contain the names of officers, suspects or case numbers, and should include:
Use of Force

(a) The identification of any trends in the use of force by members.
(b) Training needs recommendations.
(c) Equipment needs recommendations.
(d) Policy revision recommendations.
Handcuffing and Restraints

301.1 PURPOSE AND SCOPE
This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

301.2 POLICY
The New Brighton Department of Public Safety authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy and department training. Restraint devices shall not be used to punish, to display authority or as a show of force.

301.3 USE OF RESTRAINTS
Only members who have successfully completed New Brighton Department of Public Safety-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include, but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

301.3.1 RESTRAINT OF DETAINEEs
Situations may arise where it may be reasonable to restrain an individual who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to assure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

301.3.2 RESTRAINT OF PREGNANT PERSONS
Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure self or others, or damage property.
Handcuffing and Restraints

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, officers, or others.

301.3.3 RESTRAINT OF JUVENILES
A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer or damage property.

301.3.4 NOTIFICATIONS
Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during transportation to the jail.

301.4 HANDCUFFS OR PLASTIC CUFFS
Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person’s hands to ensure officer safety.

In most situations handcuffs should be applied with the hands behind the person’s back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the individual or may cause unreasonable discomfort due to the person’s size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

301.5 SPIT HOODS
Spit hoods/masks/socks are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Officers should provide assistance during the movement of restrained individuals due to the potential for impaired or distorted vision on the part of the individual. Officers should avoid putting individuals wearing spit hoods with other detainees.
Handcuffing and Restraints

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated including hair, head and clothing prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

301.6 AUXILIARY RESTRAINT DEVICES
Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

301.7 LEG RESTRAINT DEVICES
Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest or transportation. Only restraint devices approved by the department shall be used.

In determining whether to use the leg restraint, officers should consider:

(a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a suspect.

(b) Whether it is reasonably necessary to protect the suspect from his/her own actions (e.g., hitting his/her head against the interior of the patrol unit, running away from the arresting officer while handcuffed, kicking at objects or officers).

(c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol unit).

301.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS
When applying leg restraints the following guidelines should be followed:

(a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.

(b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
(c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person’s ability to breathe.

(d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on his/her stomach.

(e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.

(f) When transported by ambulance/paramedic unit, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

301.8 REQUIRED DOCUMENTATION
If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Officers should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

   (a) The factors that led to the decision to use restraints.
   (b) Supervisor notification and approval of restraint use.
   (c) The types of restraint used.
   (d) The amount of time the person was restrained.
   (e) How the person was transported and the position of the person during transport.
   (f) Observations of the person’s behavior and any signs of physiological problems.
   (g) Any known or suspected drug use or other medical problems.

301.9 TRAINING
Subject to available resources, the Deputy Director should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

   (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
   (b) Response to complaints of pain by restrained persons.
   (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.
   (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.
Control Devices

302.1 PURPOSE AND SCOPE
This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

302.2 POLICY
In order to control subjects who are violent or who demonstrate the intent to be violent, the New Brighton Department of Public Safety authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

302.3 ISSUING, CARRYING AND USING CONTROL DEVICES
Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Director of Public Safety or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When feasible, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

302.4 RESPONSIBILITIES

302.4.1 USE OF FORCE INSTRUCTOR'S RESPONSIBILITIES
The Use of Force Instructor shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Use of Force Instructor or the designated instructor for a particular control device.

302.4.2 USER RESPONSIBILITIES
All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Use of Force Instructor for disposition.
Control Devices

302.5 BATON GUIDELINES
The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel assigned to patrol shall carry the baton on their person. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

302.6 AEROSOL SUBJECT RESTRAINT (ASR) GUIDELINES
As with other control devices, ASR and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Pepper projectiles and ASR should not be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

302.6.1 ASR SPRAY
Uniformed personnel assigned to patrol shall carry ASR on their person. Plainclothes and non-field personnel may carry ASR as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

302.6.2

302.6.3 TREATMENT FOR EXPOSURE TO ASR/CHEMICAL AGENTS
Persons who have been sprayed with or otherwise affected by the use of ASR/chemical agents should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

302.7 POST-APPLICATION NOTICE
When ever an ASR/chemical agent has been introduced into a residence, building interior, vehicle or other enclosed area, officers should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that clean up will be at the owner’s expense. Information regarding the method of notice and the individuals notified should be included in related reports.
Control Devices

302.8 LESS LETHAL IMPACT MUNITIONS (LLIMS) GUIDELINES
This department is committed to reducing the potential for violent confrontations. LLIMs, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

302.8.1 DEPLOYMENT AND USE
Only department-approved LLIMs shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option. LLIMs are also a viable option for dealing with vicious animals.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

(a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
(b) The suspect has made credible threats to harm him/herself or others.
(c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.
(d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

Officers should advise dispatch via the radio when LLIMs is discharged and request that a supervisor immediately respond to the scene.

302.8.2 DEPLOYMENT CONSIDERATIONS
Before discharging projectiles, the officer should consider such factors as:

(a) Distance, shot placement and angle to target.
(b) Type of munitions employed.
(c) Type and thickness of subject’s clothing.
(d) The subject’s proximity to others.
(e) The location of the subject.
(f) Whether the subject’s actions dictate the need for an immediate response and the use of control devices appears appropriate.
Control Devices

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer’s recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

Medical personnel should be summoned for suspects shot with a LLIMs round and be seen at a hospital prior to booking even if the suspect is refusing medical attention.

All deployed LLIMs projectiles and casing should be placed into evidence if the projectile is able to be located.

Photos should be taken of the impact site whether or not the impact site has a visible injury and placed into the case file.

302.8.3 SAFETY PROCEDURES
The launcher is specifically designated for use with LLIMs projectiles and will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect the launcher and LLIMs projectiles at the beginning of each shift to ensure that the launcher is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not deployed, the launcher will be unloaded and properly and securely stored in the vehicle. When deploying the fllauncher, the officer shall visually inspect the LLIMs projectiles to ensure that they are in proper working condition.

302.9 TRAINING FOR CONTROL DEVICES
The Deputy Director shall ensure that all personnel who are authorized to carry a control device have been properly trained to carry the specific control device and are retrained as necessary. Officers will receive training on the use of issued control devices and this policy, including the learning objectives as provided by POST, at least annually (Minn. Stat. § 626.8452, Subd. 3).

(a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
Control Devices

(b) All training and proficiency for control devices will be documented in the officer’s training file.

(c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency’s Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this agency’s Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.

302.10 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.
Conducted Energy Device

303.1 PURPOSE AND SCOPE
This policy provides guidelines for the issuance and use of the TASER® device.

303.2 POLICY
The TASER device is intended to control a violent or potentially violent individual, while minimizing the risk of serious injury. The appropriate use of such a device should result in fewer serious injuries to officers and suspects.

303.3 ISSUANCE AND CARRYING TASER DEVICES
Only members who have successfully completed department-approved training may be issued and carry the TASER device.

TASER devices are issued for use during a member’s current assignment. Those leaving a particular assignment may be required to return the device to the department’s inventory.

Officers shall only use the TASER device and cartridges that have been issued by the Department.

Members carrying the TASER device should perform a spark test on the unit prior to every shift.

   (a) All TASER devices shall be clearly and distinctly marked to differentiate them from the duty weapon and any other device.

   (b) Officers shall be responsible for ensuring that their issued TASER device is properly maintained and in good working order.

   (c) Officers should not hold both a firearm and the TASER device at the same time.

303.4 VERBAL AND VISUAL WARNINGS
A verbal warning of the intended use of the TASER device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

   (a) Provide the individual with a reasonable opportunity to voluntarily comply.

   (b) Provide other officers and individuals with a warning that the TASER device may be deployed.

If, after a verbal warning, an individual is unwilling to voluntarily comply with an officer’s lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, display the electrical arc (provided that a cartridge has not been loaded into the device), or the laser in a further attempt to gain compliance prior to the application of the TASER.
Conducted Energy Device

device. The aiming laser should never be intentionally directed into the eyes of another as it may permanently impair his/her vision.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the TASER device in the related report.

303.6 DOCUMENTATION
Officers shall document all TASER device discharges on individuals in the related report. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, laser activation and arcing the device will also be documented on the report form.

303.6.1 REPORTS
The officer should include the following in the arrest/crime report:

(a) Identification of all personnel firing TASER devices
(b) Identification of all witnesses
(c) Medical care provided to the subject
(d) Observations of the subject’s physical and physiological actions
(e) Any known or suspected drug use, intoxication or other medical problems

303.7 MEDICAL TREATMENT
Consistent with training and absent extenuating circumstances, only appropriate trained personnel should remove TASER device probes from a person’s body. Used TASER device probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by TASER device probes or who have been subjected to the electric discharge of the device shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

(a) The person is suspected of being under the influence of controlled substances and/or alcohol.
(b) The person may be pregnant.
(c) The person reasonably appears to be in need of medical attention.
(d) The TASER device probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
(e) The person requests medical treatment.
Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications (i.e., more than 15 seconds) shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the TASER device.

303.8 SUPERVISOR RESPONSIBILITIES
When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the TASER device may be used. A supervisor should respond to all incidents where the TASER device was activated.

A supervisor should review each incident where a person has been exposed to an activation of the TASER device. The device’s onboard memory should be downloaded through the data port by the deploying officer and saved with the related case file. Photographs of probe sites should be taken and witnesses interviewed.

303.9 TRAINING
Personnel who are authorized to carry the TASER device shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the TASER device as a part of their assignment for a period of six months or more shall be recertified by the department-approved TASER device instructor prior to again carrying or using the device.

Officers who have been issued the TASER device will receive training on this policy, including the learning objectives as provided by POST, at least annually (Minn. Stat. § 626.8452, Subd. 3).

A reassessment of an officer’s knowledge and/or practical skill may be required at any time if deemed appropriate by the Deputy Director. All training and proficiency for TASER devices will be documented in the officer’s training file.

Command staff, supervisors and investigators should receive TASER device training as appropriate for the investigations they conduct and review.

Officers who do not carry TASER devices should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Deputy Director is responsible for ensuring that all members who carry TASER devices have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of TASER devices during training could result in injury to personnel and should not be mandatory for certification.

The Deputy Director should ensure that all training includes:
Conducted Energy Device

(a) A review of this policy.
(b) A review of the Use of Force Policy.
(c) Performing weak-hand draws or cross-draws to reduce the possibility of unintentionally drawing and firing a firearm.
(d) Target area considerations, to include techniques or options to reduce the unintentional application of probes near the head, neck, chest and groin.
(e) Handcuffing a subject during the application of the TASER device and transitioning to other force options.
(f) De-escalation techniques.
(g) Restraint techniques that do not impair respiration following the application of the TASER device.
Officer-Involved Shootings and Deaths

304.1 PURPOSE AND SCOPE
The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of other action of an officer.

In other incidents not covered by this policy, the Director of Public Safety may decide that the investigation will follow the process provided in this policy.

304.2 POLICY
The policy of the New Brighton Department of Public Safety is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

304.3 TYPES OF INVESTIGATIONS
Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer’s actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

304.4 CONTROL OF INVESTIGATIONS
Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

304.4.1 CRIMINAL INVESTIGATION OF SUBJECT ACTIONS
The investigation of any possible criminal conduct by the subject is controlled by the agency in whose jurisdiction the suspect’s crime occurred. For example, the New Brighton Department of Public Safety would control the investigation if the suspect’s crime occurred in New Brighton.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Director of Public Safety and with concurrence from the other agency.
304.4.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS
The control of the criminal investigation into the involved officer’s conduct during the incident will be determined by the employing agency’s protocol. When an officer from this department is involved, the criminal investigation will be handled according to the Police Use of Deadly Force Investigations policy of the Minnesota Bureau of Criminal Apprehension that takes precedence if it conflicts with the provisions of this manual.

304.4.3 ADMINISTRATIVE INVESTIGATION
Regardless of where the incident occurs, the administrative investigation of each involved officer is controlled by the respective employing agency.

304.4.4 POST ADMINISTRATIVE INVESTIGATIONS
The Minnesota POST Board may require an administrative investigation based on a complaint alleging a violation of a statute or rule that the board is empowered to enforce. An officer-involved shooting may result in such an allegation. Any such complaint assigned to this department shall be completed and a written summary submitted to the POST executive director within 30 days of the order for inquiry (Minn. Stat. § 214.10 Subd. 10).

304.5 INVESTIGATION PROCESS
The following procedures are guidelines used in the investigation of an officer-involved shooting or death:

304.5.1 UNINVOLVED OFFICER RESPONSIBILITIES
Upon arrival at the scene of an officer-involved shooting or death, the first uninvolved NBDPS officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

(a) Secure the scene and identify and eliminate hazards for all those involved.
(b) Take reasonable steps to obtain emergency medical attention for injured individuals.
(c) Request additional resources from the Department or other agencies.
(d) Coordinate a perimeter or pursuit of suspects.
(e) Check for injured persons and evacuate as needed.
(f) Brief the supervisor upon arrival.

304.5.2 SUPERVISOR RESPONSIBILITIES
Upon arrival at the scene, the first uninvolved NBDPS supervisor should ensure completion of the duties as outlined above, plus:

(a) Attempt to obtain a brief overview of the situation from any uninvolved officers.

1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
(b) If necessary, the supervisor may administratively order any NBDPS officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.

1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.

2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.

(c) Provide all available information to the Shift Sergeant and Emergency Communications Center. If feasible, sensitive information should be communicated over secure networks.

(d) Take command of and secure the incident scene with additional NBDPS members until properly relieved by another supervisor or other assigned personnel or investigator.

(e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.

1. Each involved NBDPS officer should be given an administrative order not to discuss the incident with other involved officers or NBDPS members pending further direction from a supervisor.

2. It is preferred that involved officer(s) keep their weapons holstered. When feasible, if the weapon used is a long gun or another weapon, the officer(s) should keep the weapon with them until it can be recovered by the investigating agency. All weapons should be either holstered or placed on “safe”, and should not be unloaded or manipulated in any other way.

304.5.3 SHIFT SERGEANT RESPONSIBILITIES
Upon learning of an officer-involved shooting or death, the Shift Sergeant shall be responsible for coordinating all aspects of the incident until he/she is relieved by the Director of Public Safety or a Deputy Director.

All outside inquiries about the incident shall be directed to the Shift Sergeant.

304.5.4 NOTIFICATIONS
The following persons shall be notified as soon as practicable:

- Director of Public Safety
- Deputy Director
- Outside agency investigators
- Psychological/peer support personnel
• Chaplain
• Medical Examiner (if necessary)
• Involved officer’s agency representative (if requested)
• Public Information Officer

304.5.5 INVOLVED OFFICERS
The following shall be considered for the involved officer:

(a) Any request for legal or union representation will be accommodated.
   1. Involved NBDPS officers shall not be permitted to meet collectively or in a group
      with an attorney or any representative prior to providing a formal interview or
      report.
   2. Requests from involved non-NBDPS officers should be referred to their
      employing agency.

(b) Discussions with licensed attorneys will be considered privileged as attorney-client
    communications.

(c) Discussions with agency representatives/employee groups will be privileged only as
    to the discussion of non-criminal information.

(d) A licensed mental health professional shall be provided by the Department to each
    involved NBDPS officer. A licensed psychotherapist may also be provided to any other
    affected NBDPS members, upon request.
   1. Interviews with a licensed mental health professional will be considered
      privileged.
   2. An interview or session with a licensed mental health professional may take
      place prior to the member providing a formal interview or report. However,
      involved members shall not be permitted to consult or meet collectively or in
      a group with a licensed mental health professional prior to providing a formal
      interview or report.
   3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty
      Policy).

(e) Communications with peer counselors are privileged and shall not be disclosed
    without the permission of the involved officer. The peer counselor, however, may
disclose information that he/she reasonably believes indicates that the officer may be
a danger to self or others, as long as the information is used only for the purpose of
eliminating the danger. Such information or opinion is not admissible in any personnel
or occupational licensing matter involving the officer (Minn. Stat. § 181.973).

Care should be taken to preserve the integrity of any physical evidence present on the involved
officer’s equipment or clothing, such as blood or fingerprints, until investigators or lab personnel
can properly retrieve it.
Officer-Involved Shootings and Deaths

Each involved NBDPS officer shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Shift Sergeant to make schedule adjustments to accommodate such leave.

304.6 CRIMINAL INVESTIGATION
At the request of this agency, the Minnesota Bureau of Criminal Apprehension (MN BCA) is responsible for the criminal investigation into the circumstances of any officer-involved shooting or death.

If available, investigative personnel from this department may be assigned to partner with investigators from outside agencies to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

(a) NBDPS supervisors should not participate directly in any voluntary interview of NBDPS officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.

(b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer’s statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.

(c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.

(d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

304.6.1 REPORTS BY INVOLVED NBDPS OFFICERS
In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved NBDPS officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved NBDPS officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.
Officer-Involved Shootings and Deaths

Nothing in this section shall be construed to deprive an involved NBDPS officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

304.6.2 WITNESS IDENTIFICATION AND INTERVIEWS
Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available law enforcement personnel for the following:

(a) Identification of all persons present at the scene and in the immediate area.
   1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
   2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, attempts to identify the witness prior to his/her departure should be made whenever feasible.

(b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
   1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness.

(c) Promptly contacting the suspect’s known family and associates to obtain any available and untainted background information about the suspect’s activities and state of mind prior to the incident.

304.6.3 INVESTIGATIVE PERSONNEL
Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. Department investigators will be assigned to work with investigators from the MN BCA and may be assigned to separately handle the investigation of any related crimes not being investigated by the MN BCA.

All related department reports, except administrative and/or privileged reports, will be forwarded to the designated supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Deputy Director.
304.7 ADMINISTRATIVE INVESTIGATION

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of involved NBDPS officers to determine conformance with department policy. This investigation will be conducted under the supervision of the Internal Affairs Unit and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws (Personnel Complaints Policy; Minn. Stat. § 626.89).

(a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening in accordance with the drug and alcohol testing guidelines in the Drug- and Alcohol-Free Workplace Policy adopted under the authority of Minn. Stat. § 181.950 to Minn. Stat. § 181.957. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.

(b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.

1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.

(c) In the event that an involved officer has elected not to provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information (Minn. Stat. § 626.89).

1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer’s physical and psychological needs have been addressed before commencing the interview.

2. The interview must be taken at the NBDPS or at a place agreed to by the interviewer and the involved officer.

3. The interview must be of reasonable duration and provide the involved officer reasonable periods for rest and personal necessities. When practicable, the interview must be held during the involved officer’s regularly scheduled work shift. If not, the involved officer must be compensated at his/her current pay rate.

4. If requested, the officer shall have the opportunity to select an uninvolved representative or an attorney, or both, to be present during the interview. However, in order to maintain the integrity of each individual officer’s statement, involved officers shall not consult or meet with a representative collectively or in groups prior to being interviewed.

5. Administrative interviews shall be recorded electronically or otherwise by the investigator. The officer may also record the interview. A complete copy or transcript of the interview must be provided to the involved officer upon written request without charge or undue delay.
6. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, he/she should be given his/her Garrity rights and ordered to provide full and truthful answers to all questions. The officer shall be informed in writing or on the record that the interview will be for administrative purposes only and that the statement cannot be used criminally.

7. The Internal Affairs Unit shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.

8. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.

9. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

304.8 CIVIL LIABILITY RESPONSE
A member of this department may be assigned to work exclusively under the direction of the legal counsel for the Department to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

304.9 AUDIO AND VIDEO RECORDINGS
Consistent with MN BCA policy, any officer involved in a shooting or death shall not be permitted to review available Mobile Audio/Video (MAV), body-worn video, or other video or audio recordings prior to providing a voluntary statement.

Any MAV, body-worn and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or MN BCA, as appropriate.

304.10 DEBRIEFING
Following an officer-involved shooting or death, the New Brighton Department of Public Safety should conduct a critical incident/stress debriefing.

304.10.1 CRITICAL INCIDENT/STRESS DEBRIEFING
A critical incident/stress debriefing should occur as soon as practicable. The Administration Deputy Director is responsible for organizing the debriefing. Notes and recorded statements should not be taken because the sole purpose of the debriefing is to help mitigate the stress-related effects of a traumatic event (Minn. Stat. § 181.973).
**Officer-Involved Shootings and Deaths**

The debriefing is not part of any investigative process. Care should be taken not to release or repeat any communication made during a debriefing unless otherwise authorized by policy, law or a valid court order.

Attendance at the debriefing shall only include those members of the Department directly involved in the incident, which can include support personnel (e.g., dispatchers, other non-sworn). Family or other support personnel may attend with the concurrence of those involved in the incident. The debriefing shall be closed to the public and should be closed to all other members of the Department, including supervisory and Internal Affairs Unit personnel.

**304.11 MEDIA RELATIONS**

Any media release shall be prepared with input and concurrence from the supervisor and department representative responsible for each phase of the investigation. Releases will be available to the Shift Sergeant, Deputy Director and Public Information Officer in the event of inquiries from the media.

No involved NBDPS officer shall make any comment to the media unless he/she is authorized by the Director of Public Safety or a Deputy Director.

Department members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

**304.12 REPORTING**

If an officer discharges a firearm in the course of duty, the Director of Public Safety shall notify the Commissioner of Public Safety within 30 days of the reason for and the circumstances surrounding the discharge of the firearm (Minn. Stat.§ 626.553).
Firearms

305.1 PURPOSE AND SCOPE
This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized to carry firearms.

305.1.1 AUTHORIZATION TO CARRY FIREARMS
All licensed personnel shall successfully complete department training regarding the use of force, deadly force and the use of firearms before being issued a firearm or being authorized to carry a firearm in the course of their duties (Minn. Stat. § 626.8452, Subd. 3; Minn. Stat. § 626.8463).

305.2 POLICY
The New Brighton Department of Public Safety will equip its members with firearms to address the risks posed to the public and department members by violent and sometimes well-armed persons. The Department will ensure firearms are appropriate and in good working order and that relevant training is provided as resources allow.

305.3 AUTHORIZED FIREARMS, AMMUNITION AND OTHER WEAPONS
Members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by the Firearms Instructor/Armorer. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized department range.

All other weapons not provided by the department, including, but not limited to, edged weapons, chemical or electronic weapons, impact weapons or any weapon prohibited or restricted by law or that is not covered elsewhere by policy, may not be carried by members in the performance of their official duties without the express written authorization of the Director of Public Safety. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

305.3.1 HANDGUNS
The authorized department-issued handgun is the Smith & Wesson M&P .45.

305.3.2 PATROL RIFLES
The authorized department-issued patrol rifle is the M4.

Members may deploy the patrol rifle in any circumstance where the member can articulate a reasonable expectation that the rifle may be needed. Examples of some general guidelines for deploying the patrol rifle may include, but are not limited to:

(a) Situations where the member reasonably anticipates an armed encounter.
Firearms

(b) When a member is faced with a situation that may require accurate and effective fire at long range.

(c) Situations where a member reasonably expects the need to meet or exceed a suspect's firepower.

(d) When a member reasonably believes that there may be a need to fire on a barricaded person or a person with a hostage.

(e) When a member reasonably believes that a suspect may be wearing body armor.

(f) When authorized or requested by a supervisor.

(g) When needed to euthanize an animal.

When not deployed, the patrol rifle shall be properly secured consistent with department training in a locking weapons rack in the patrol vehicle.

305.3.3 PERSONALLY OWNED DUTY FIREARMS
Members desiring to carry an authorized but personally owned duty firearm must receive written approval from the Director of Public Safety or the authorized designee. Once approved, personally owned duty firearms are subject to the following restrictions:

(a) The firearm shall be in good working order.

(b) The firearm shall be inspected by the Firearms Instructor prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.

(c) Prior to carrying the firearm, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the firearm functions properly.

(d) Members shall provide written notice of the make, model, color, serial number and caliber of the firearm to the Firearms Instructor, who will maintain a list of the information.

305.3.4 AUTHORIZED SECONDARY HANDGUN
Members desiring to carry department or personally owned secondary handguns are subject to the following restrictions:

(a) The handgun shall be in good working order

(b) Only one secondary handgun may be carried at a time.

(c) The purchase of the handgun and ammunition shall be the responsibility of the member unless the handgun and ammunition are provided by the Department.

(d) The handgun shall be carried concealed at all times and in such a manner as to prevent unintentional cocking, discharge or loss of physical control.

(e) The handgun shall be inspected by the Firearms Instructor prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
(f) Prior to carrying the secondary handgun, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the handgun functions properly.

(g) Members shall provide written notice of the make, model, color, serial number and caliber of a secondary handgun to the Firearms Instructor, who will maintain a list of the information.

305.3.5 AMMUNITION
Members shall carry only department-authorized ammunition for their department issued service sidearm. Members shall be issued fresh duty ammunition in the specified quantity for all department-issued firearms during the member’s firearms qualification. Replacements for unserviceable or depleted ammunition issued by the Department shall be dispensed by the Firearms Instructor when needed, in accordance with established policy.

Members carrying personally owned authorized firearms of a caliber differing from department-issued firearms shall be responsible for obtaining fresh duty ammunition.

305.4 EQUIPMENT
Firearms carried on- or off-duty shall be maintained in a clean, serviceable condition. Maintenance and repair of authorized personally owned firearms are the responsibility of the individual member.

305.4.1 REPAIRS OR MODIFICATIONS
Each member shall be responsible for promptly reporting any damage or malfunction of an assigned firearm to a supervisor or the Firearms Instructor.

Firearms that are the property of the Department or personally owned firearms that are approved for department use may be repaired or modified only by a person who is department-approved and certified as an armorer or gunsmith in the repair of the specific firearm. Such modification or repair must be authorized in advance by the Firearms Instructor.

Any repairs or modifications to the member’s personally owned firearm shall be done at his/her expense and must be approved by the Firearms Instructor.

305.4.2 HOLSTERS
Only department-approved holsters shall be used and worn by members. Members shall periodically inspect their holsters to make sure they are serviceable and provide the proper security and retention of the handgun.

305.4.3 TACTICAL LIGHTS
Tactical lights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Firearms Instructor. Once the approved tactical lights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.
305.4.4 OPTICS OR LASER SIGHTS
Optics or laser sights may only be installed on a firearm personally owned by the officer which will be carried on- and/or off-duty after they have been examined and approved by the Firearms Instructor. Any approved sight shall only be installed in strict accordance with manufacturer specifications. Once approved sights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

Except in an approved training situation, a member may only sight in on a target when the member would otherwise be justified in pointing a firearm at the target.

305.5 SAFE HANDLING, INSPECTION AND STORAGE
Members shall maintain the highest level of safety when handling firearms and shall consider the following:

(a) Members shall not unnecessarily display or handle any firearm.

(b) Members shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the Firearms Instructor. Members shall not dry fire or practice quick draws except as instructed by the Firearms Instructor or other firearms training staff.

(c) Members shall not clean, repair, load or unload a firearm anywhere in the Department, except where clearing barrels are present or in the shooting range as directed by a firearms instructor.

(d) Members shall not place or store any firearm or other weapon on department premises except where the place of storage is locked. The arresting officer(s) shall not carry a firearm into the jail section or any part thereof when securing or processing an arrestee, but shall place all firearms in a secured location. Members providing access to the jail section to persons from outside agencies are responsible for ensuring firearms are not brought into the jail section when in use.

(e) Members shall not use any automatic firearm, heavy caliber rifle, gas or other type of chemical weapon or firearm from the armory, except with approval of a supervisor.

(f) Any firearm authorized by the Department to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the Department or a Firearms Instructor approved by the Department for inspection and repair. Any firearm deemed in need of repair or service by the Firearms Instructor will be immediately removed from service. If the firearm is the member’s primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

305.5.1 INSPECTION AND STORAGE
Handguns shall be inspected regularly and upon access or possession by another person. UMPs and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and loaded
**Firearms**

with approved ammunition. Inspection of the UMP and rifle shall be done while standing outside of the patrol vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Personally owned firearms may be safely stored in lockers at the end of the shift. Department-owned firearms shall be stored in the appropriate equipment storage room. Handguns may remain loaded if they are secured in an appropriate holster. UMPs and rifles shall be unloaded in a safe manner and then stored in the appropriate equipment storage room.

305.5.2 STORAGE AT HOME
Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit department-issued firearms to be handled by anyone not authorized by the Department to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Minn. Stat. § 609.666; Minn. Stat. § 609.378).

305.5.3 ALCOHOL AND DRUGS
Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication or has taken any combination thereof that would tend to adversely affect the member’s senses or judgment.

305.6 FIREARMS TRAINING AND QUALIFICATIONS
All members who carry a firearm while on-duty are required to successfully complete all mandatory training with their duty firearms. In addition to mandatory training, all members will qualify at each of the mandatory firearms trainings with their duty firearms (Minn. Stat. § 626.8452). Officers will also receive training on this policy, including the learning objectives as provided by POST, at least annually (Minn. Stat. 626.8452, Subd. 3). Members will qualify with off-duty and secondary firearms at least once a year. Training and qualifications must be on an approved range course.

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations including low-light shooting.

305.6.1 NON-CERTIFICATION OR NON-QUALIFICATION
If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status or scheduling conflict, that member shall submit a memorandum to his/her immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

(a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.

(b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
(c) No range credit will be given for the following:

1. Unauthorized range make-up
2. Failure to meet minimum standards or qualify after remedial training

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

305.7 FIREARM DISCHARGE
Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy.

In all other cases, written reports shall be made as follows:

(a) If on-duty at the time of the incident, the member shall follow officer-involved shooting protocols unless the firearms discharge was a result of an accidental discharge where no injuries were recorded. In the case of a accidental discharge, the officer shall notify his/her Supervisor immediately.

(b) If off-duty at the time of the incident, a written report shall be submitted or recorded statement provided no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

305.7.1 DESTRUCTION OF ANIMALS
Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, TASER® device, oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.

305.7.2 INJURED ANIMALS
With the approval of a supervisor, a member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

305.7.3 REPORTING FIREARMS DISCHARGE
The Director of Public Safety shall notify the Commissioner of Public Safety within 30 days of an on-duty firearm discharge, except when the discharge is in the course of training or destruction of
Firearms

animals (described in this policy). The notification shall contain information concerning the reason for and circumstances surrounding the discharge (Minn. Stat. § 626.553).

305.8 FIREARMS INSTRUCTOR DUTIES
The range will be under the exclusive control of the Firearms Instructor. All members attending will follow the directions of the Firearms Instructor. The Firearms Instructor will maintain a roster of all members attending the range and will submit the roster to the Deputy Director after each range date.

The range shall remain operational and accessible to department members during hours established by the Department.

The Firearms Instructor has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The Firearms Instructor has the authority to deem any department-issued or privately owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm; it will not be returned to service until inspected and approved by the Firearms Instructor.

The Firearms Instructor has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry.

The Firearms Instructor shall document every mandatory shoot as to the nature of the shoot and the members who attended the mandatory shoot. Those members who were not able to attend the shoot will be responsible for working with the Firearms instructors to make the shoot up. The Firearms Instructor should keep accurate records of all training shoots, qualifications, repairs, maintenance or other records as directed by the Deputy Director.

305.9 FLYING WHILE ARMED
The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to personnel who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

(a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.

(b) Officers must carry their New Brighton Department of Public Safety identification card, bearing the officer’s name, a full-face photograph, identification number, the officer's signature and the signature of the Director of Public Safety or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver’s license, passport).
Firearms

(c) The New Brighton Department of Public Safety must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer’s travel. If approved, TSA will send the New Brighton Department of Public Safety an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.

(d) An official letter signed by the Director of Public Safety authorizing armed travel may also accompany the officer. The letter should outline the officer’s need to fly armed, detail his/her itinerary and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.

(e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.

(f) It is the officer’s responsibility to notify the air carrier in advance of the intended armed travel. This notification can be accomplished by early check-in at the carrier’s check-in counter.

(g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of his/her assigned seat.

(h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.

(i) Officers should resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative or other management representative of the air carrier.

(j) Officers shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

305.10 CARRYING FIREARMS OUT OF STATE
Qualified, active, full-time officers of this department are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

(a) The officer shall carry his/her New Brighton Department of Public Safety identification card whenever carrying such weapon.

(b) The officer is not the subject of any current disciplinary action.

(c) The officer may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.

(d) The officer will remain subject to this and all other department policies (including qualifying and training).
Firearms

Officers are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base or park. Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.
Vehicle Pursuits

306.1 PURPOSE AND SCOPE
Vehicle pursuits expose innocent citizens, law enforcement officers and fleeing violators to the risk of serious injury or death. The primary purpose of this policy is to provide officers with guidance in balancing the safety of the public and themselves against law enforcement’s duty to apprehend violators of the law. Another purpose of this policy is to minimize the potential for pursuit-related collisions. Vehicular pursuits require officers to exhibit a high degree of common sense and sound judgment. Officers must not forget that the immediate apprehension of a suspect is generally not more important than the safety of the public and pursuing officers (Minn. Stat. § 626.8458 Subd. 1).

306.1.1 PHILOSOPHY
Deciding whether to pursue a motor vehicle is a critical decision that must be made quickly and under difficult and unpredictable circumstances. In recognizing the risk to public safety created by vehicle pursuits, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a vehicle pursuit due to the risk involved. This includes circumstances where Department policy would permit the initiation or continuation of the pursuit. It is recognized that vehicle pursuits are not always predictable and decisions made pursuant to this policy will be evaluated according to the totality of the circumstances reasonably available at the time of the pursuit (Minn. Stat. § 626.8458 Subd. 1).

Officers must remember that the most important factors to the successful conclusion of a pursuit are proper self-discipline and sound professional judgment. Officers conduct during the course of a pursuit must be objectively reasonable; that is, what a reasonable officer would do under the circumstances. An individual’s unreasonable desire to apprehend a fleeing suspect at all costs has no place in professional law enforcement pursuit (Minn. Stat. § 626.8458 Subd. 2 (2)).

306.2 DEFINITIONS
Definitions related to this policy include:

**Blocking or vehicle intercept** - A slow-speed coordinated maneuver where two or more law enforcement vehicles simultaneously intercept and block the movement of a suspect vehicle, the driver of which may be unaware of the impending enforcement stop, with the goal of containment and preventing a pursuit. Blocking is not a moving or stationary road block.

**Boxing-in** - A tactic designed to stop a violator’s vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

**Pursuit Intervention Technique (PIT)** - A low-speed maneuver intended to terminate the pursuit by causing the violator's vehicle to spin out and come to a stop.

**Ramming** - The deliberate act of impacting a violator's vehicle with another vehicle to functionally damage or otherwise force the violator's vehicle to stop.
Vehicle Pursuits

Roadblocks - A tactic designed to stop a violator's vehicle by intentionally placing a vehicle or other immovable object in the path of the violator's vehicle.

Spikes or tack strips - A device that extends across the roadway and is designed to puncture the tires of the pursued vehicle.

Vehicle pursuit - An event in which a peace officer initiates a vehicular stop and a driver resists the signal or order to stop by increasing speed, taking evasive action or otherwise refusing to stop the vehicle.

306.3 OFFICER RESPONSIBILITIES
It is the policy of this department that a vehicle pursuit shall be conducted with at least one flashing red warning lamp visible from the front and a siren that is sounded when necessary to warn pedestrians or other drivers (Minn. Stat. § 169.17 and Minn. Stat. § 169.68).

Operating an emergency vehicle in a pursuit with emergency lights and siren does not relieve the operator of an authorized emergency vehicle of the duty to drive with due regard for the safety of all persons, and does not protect the driver from the consequences of a reckless disregard for the safety of others.

306.3.1 WHEN TO INITIATE A PURSUIT
Officers are authorized to initiate a pursuit when it is reasonable to believe that a suspect is attempting to evade arrest or detention by fleeing in a vehicle that has been given a signal to stop by a peace officer.

The following factors individually and collectively shall be considered in deciding whether to initiate or continue a pursuit (Minn. Stat. § 626.8458 Subd. 2(2); Minn. R. § 6700.2701):

(a) Seriousness of the known or reasonably suspected crime and its relationship to community safety.

(b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to officers, innocent motorists and others.

(c) Apparent nature of the fleeing suspect (e.g., whether the suspect represents a serious threat to public safety).

(d) The identity of the suspect has been verified and there is comparatively minimal risk in allowing the suspect to be apprehended at a later time.

(e) Safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic (e.g., school zones) and the speed of the pursuit relative to these factors.

(f) Pursuing officer's familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the dispatcher/supervisor, and the driving capabilities of the pursuing officers under the conditions of the pursuit.
(g) Weather, traffic and road conditions that unreasonably increase the danger of the pursuit when weighed against the risks resulting from the suspect’s escape.

(h) Performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit.

(i) Vehicle speeds.

(j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders and hostages).

(k) Age of the suspect and occupants.

(l) Availability of other resources, such as aircraft assistance.

(m) The police unit is carrying passengers other than on-duty police officers. Pursuits should not be undertaken with a prisoner in the pursuit vehicle.

306.3.2 WHEN TO TERMINATE A PURSUIT
Pursuits should be discontinued whenever the totality of objective circumstances known or which reasonably ought to be known to the officer or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect’s escape.

The above factors on when to initiate a pursuit are expressly included herein and will apply equally to the decision to discontinue as well as the decision to initiate a pursuit. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists, themselves and the public when electing to continue a pursuit. In the context of this policy, the term “terminate” shall be construed to mean discontinue or to stop chasing the fleeing vehicle.

In addition to the factors listed above, the following factors should be considered when deciding whether to terminate a pursuit (Minn. Stat. § 626.8458 Subd. 2 (2); Minn. R. § 6700.2701):

(a) Distance between the pursuing officers and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time or distance.

(b) Pursued vehicle’s location is no longer definitely known.

(c) Officer’s pursuit vehicle sustains damage or a mechanical failure that renders it unsafe to drive.

(d) Pursuit vehicle suffers an emergency equipment failure that causes the vehicle to no longer qualify for emergency operation use.

(e) Extended pursuits of violators for misdemeanors not involving abuse or risk of serious harm (independent of the pursuit) are discouraged.

(f) Hazards to uninvolved bystanders or motorists.
Vehicle Pursuits

(g) If the identity of the offender is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit, officers should strongly consider discontinuing the pursuit and apprehending the offender at a later time.

(h) When directed to terminate the pursuit.

(i) When radio communications are broken or inadequate.

(j) When the danger that the continued pursuit poses to the public, the officers or the suspect is too great, balanced against the risk of allowing the suspect to remain at large.

306.3.3 SPEED LIMITS
The speed of a pursuit is a factor that should be evaluated on a continuing basis by the officer and supervisor. Evaluation of vehicle speeds shall take into consideration public safety, officer safety and the safety of the occupants of the fleeing vehicle.

Should high vehicle speeds be reached during a pursuit, officers and supervisors shall also consider these factors when determining the reasonableness of the speed of the pursuit:

(a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.

(b) Pursuit speeds have exceeded the driving ability of the officer.

(c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation unsafe.

306.4 PURSUIT UNITS
Pursuit units should be limited to three vehicles (two units and a supervisor). However, the number of units involved will vary with the circumstances (Minn. R. § 6700.2701 (B)).

An officer or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it appears that the number of officers involved would be insufficient to safely arrest the suspect(s). All other officers shall stay out of the pursuit but should remain alert to its progress and location. Any officer who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road.

Distinctively marked patrol vehicles should replace unmarked vehicles involved in a pursuit whenever practicable.

306.4.1 VEHICLES WITHOUT EMERGENCY EQUIPMENT
Vehicles not equipped with red light and siren are prohibited from initiating or joining in any pursuit. Officer(s) in such vehicles may provide support to pursuing units as long as their vehicle is operated in compliance with all traffic laws.

306.4.2 PRIMARY UNIT RESPONSIBILITIES
The initial pursuing officer will be designated as the primary pursuit unit and will be responsible for the conduct of the pursuit unless it is unable to remain reasonably close enough to the violator’s
Vehicle Pursuits

vehicle. The primary responsibility of the officer initiating the pursuit is the apprehension of the suspect(s) without unreasonable danger to him/herself or other persons (Minn. Stat. § 626.8458 Subd. 2 (4)).

The primary unit should notify Emergency Communications Center, commencing with a request for priority radio traffic, that a vehicle pursuit has been initiated, and as soon as practicable provide information including, but not limited to:

(a) Reason for the pursuit.
(b) Location and direction of travel.
(c) Speed of the fleeing vehicle.
(d) Description of the fleeing vehicle and license number, if known.
(e) Number of occupants.
(f) The identity or description of the known occupants.
(g) Weather, road and traffic conditions.
(h) Identity of other agencies involved in the pursuit.
(i) Information concerning the use of firearms, threat of force, injuries, hostages or other unusual hazards.
(j) Request for medical assistance for any person injured in the course of the pursuit (Minn. Stat. § 626.8458 Subd. 2 (6); Minn. R. § 6700.2701).

Unless relieved by a supervisor or secondary unit, the officer in the primary unit shall be responsible for broadcasting the progress of the pursuit. Unless circumstances reasonably indicate otherwise, the primary unit should relinquish the responsibility of broadcasting the progress of the pursuit to a secondary unit or aircraft joining the pursuit to minimize distractions and allow the primary unit to concentrate foremost on safe pursuit tactics (Minn. R. § 6700.2701).

306.4.3 SECONDARY UNITS RESPONSIBILITIES
The second officer in the pursuit is responsible for the following (Minn. R. § 6700.2701):

(a) Immediately notifying the dispatcher of entry into the pursuit.
(b) Remaining at a safe distance behind the primary unit unless directed to assume the role of primary officer, or if the primary unit is unable to continue the pursuit.
(c) Broadcasting the progress of the pursuit unless the situation indicates otherwise.
(d) Serve as backup to the primary unit once the subject has been stopped.

306.4.4 PURSUIT DRIVING TACTICS
The decision to use or not use specific driving tactics requires the same assessment of considerations outlined in the factors to be considered concerning pursuit initiation and
Vehicle Pursuits

termination. The following are tactics for units involved in the pursuit (Minn. Stat. § 626.8458 Subd. 2 (3)):

(a) Officers, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.

(b) Officers may proceed past a red, or stop signal, or stop sign but only after slowing down and utilizing a flashing red lamp or siren as may be necessary for safe operation (Minn. Stat. § 169.03, Subd. 2).

(c) As a general rule, officers should not pursue a vehicle driving the wrong way on a roadway, highway, or freeway (Minn. Stat. § 169.03). In the event the pursued vehicle does so, the following tactics should be considered:

1. Request assistance from an available air unit.
2. Maintain visual contact with the pursued vehicle by paralleling on the correct side of the roadway.
3. Request other units to observe exits available to the suspects.

(d) Notify the Minnesota State Patrol or other law enforcement agency if it appears the pursuit may enter their jurisdiction.

(e) Officers involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit, and a clear understanding of the maneuver process exists between the involved officers.

306.4.5 TACTICS/PROCEDURES FOR UNITS NOT INVOLVED IN THE PURSUIT
Officers are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Officers should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.

Non-pursuing personnel needed at the termination of the pursuit should respond in a non-emergency manner, observing the rules of the road unless the circumstances dictate otherwise.

The primary unit, secondary unit and supervisor should be the only units operating under emergency conditions (emergency lights and siren) unless other units are assigned to the pursuit or as approved by the supervisor.

306.4.6 PURSUIT TRAILING
In the event the initiating unit from this agency relinquishes control of the pursuit to another unit or jurisdiction, that initiating unit may, with permission of a supervisor, trail the pursuit to the termination point in order to provide necessary information and assistance for the arrest of the suspect(s).

The term "trail" means to follow the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing
Vehicle Pursuits

unit will maintain sufficient distance from the pursuit units so as to clearly indicate an absence of participation in the pursuit.

306.4.7 AIRCRAFT ASSISTANCE
When available, aircraft assistance should be requested. Once the air unit has established visual contact with the pursued vehicle, the primary and secondary ground units should consider whether the participation of an aircraft warrants their continued involvement in the pursuit (Minn. Stat. § 626.8458 Subd. 2 (4)).

The pursuing officer should utilize the air support to get details of upcoming traffic congestion, road hazards or other pertinent information which would be useful in the determination of the level of risk involved in the pursuit.

306.5 SUPERVISORY CONTROL AND RESPONSIBILITIES
It is the policy of this department that available supervisory and management control will be exercised over all vehicle pursuits involving officers from this department (Minn. Stat. § 626.8458 Subd. 2 (4); Minn. R. § 6700.2701).

The field supervisor of the officer initiating the pursuit, or if unavailable, an uninvolved officer will be responsible for the following:

(a) Upon becoming aware of a pursuit, immediately notify involved officers and Emergency Communications Center of supervisory presence and ascertaining all reasonably available information to continuously assess the situation and risk factors associated with the pursuit in order to ensure that the pursuit is conducted within established Department guidelines.

(b) Engage in the pursuit, when appropriate, to provide on-scene supervision.

(c) Exercise management and control of the pursuit even if not engaged in it.

(d) Ensure that no more than the number of required law enforcement units needed are involved in the pursuit under the guidelines set forth in this policy.

(e) Direct that the pursuit be terminated if, in his/her judgment, it is not justified to continue the pursuit under the guidelines of this policy.

(f) Ensure that aircraft assistance is requested if available.

(g) Ensure that the proper radio channel is being used.

(h) Ensure the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave the jurisdiction of this agency.

(i) Control and manage NBDPS units when a pursuit enters another jurisdiction.

(j) Prepare a post-pursuit critique and analysis of the pursuit for training purposes.
Vehicle Pursuits

306.5.1 SHIFT SERGEANT/SHIFT SUPERVISOR RESPONSIBILITIES
Upon becoming aware that a pursuit has been initiated, the shift supervisor should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The shift supervisor has the final responsibility for the coordination, control and termination of a vehicle pursuit and shall be in overall command (Minn. Stat. § 626.8458 Subd. 2 (4); Minn. R. § 6700.2701).

The Shift Sergeant/shift supervisor shall review all pertinent reports for content and forward them to the Deputy Director.

306.6 COMMUNICATIONS
If the pursuit is confined within the City limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or communications dispatcher. If the pursuit leaves the jurisdiction of this department or such is imminent, involved units should, whenever available, switch radio communications to an emergency channel most accessible by participating agencies and units (Minn. R. § 6700.2701).

306.6.1 EMERGENCY COMMUNICATIONS CENTER RESPONSIBILITIES
Upon notification that a pursuit has been initiated, Emergency Communications Center will be responsible for the following (Minn. Stat. § 626.8458 Subd. 2 (4)):

(a) Coordinate pursuit communications of the involved units and personnel.
(b) Notify and coordinate with other involved or affected agencies as practicable.
(c) Ensure that a field supervisor is notified of the pursuit.
(d) Assign an incident number and log all pursuit activities.
(e) Broadcast pursuit updates as well as other pertinent information as necessary.
(f) Notify the Shift Sergeant as soon as practicable.

306.6.2 LOSS OF PURSUED VEHICLE
When the pursued vehicle is lost, the primary unit should broadcast pertinent information to assist other units in locating the vehicle. The primary unit will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

306.7 INTER-JURISDICTIONAL CONSIDERATIONS
When a pursuit enters another agency's jurisdiction, the primary officer or supervisor, taking into consideration distance traveled, unfamiliarity with the area and other pertinent facts, should determine whether to request the other agency to assume the pursuit. Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary officer or supervisor ensure that notification is provided to the dispatcher and to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist (Minn. Stat. § 626.8458 Subd. 2 (5); Minn. R. § 6700.2701).
Vehicle Pursuits

If a pursuit from another agency enters the Department’s jurisdiction, Emergency Communications Center should update the on-duty supervisor.

306.7.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY
New Brighton Department of Public Safety officers will discontinue the pursuit when another agency has assumed the pursuit unless continued assistance of the New Brighton Department of Public Safety is requested by the agency assuming the pursuit or with supervisor approval. Upon discontinuing the pursuit, the primary unit may proceed upon request, with or at the direction of a supervisor, to the termination point to assist in the investigation.

The role and responsibilities of officers at the termination of a pursuit initiated by this department shall be coordinated with appropriate consideration of the units from the agency assuming the pursuit.

Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific.

306.7.2 PURSUITS EXTENDING INTO THIS JURISDICTION
The agency that initiates a pursuit shall be responsible for conducting the pursuit. Units from this department should not join a pursuit unless specifically requested to do so by the agency whose peace officers are in pursuit. The exception to this is when a single unit from the initiating agency is in pursuit or with supervisor approval. Under this circumstance, a unit from this department may join the pursuit until sufficient units from the initiating agency join the pursuit.

When a request is made for this department to assist or take over a pursuit from another agency that has entered this jurisdiction, the supervisor should consider these additional following factors:

(a) Ability to maintain the pursuit.

(b) Circumstances serious enough to continue the pursuit.

(c) Adequate staffing to continue the pursuit.

(d) The public’s safety.

(e) Safety of the pursuing officers.

As soon as practicable, a supervisor or the Shift Sergeant should review a request for assistance from another agency. The Shift Sergeant or supervisor, after consideration of the above factors, may decline to assist in or assume the other agency’s pursuit.

Assistance to a pursuing outside agency by officers of this department will terminate at the City limits provided that the pursuing peace officers have sufficient assistance from other sources or with supervisory approval to continue. Ongoing participation from this department may continue only until sufficient assistance is present.
Vehicle Pursuits

In the event that a pursuit from another agency terminates within this jurisdiction, officers shall provide appropriate assistance to peace officers from the outside agency including, but not limited to, scene control, coordination and completion of supplemental reports and any other assistance requested or needed.

306.8 PURSUIT INTERVENTION
Pursuit intervention is an attempt to terminate the ability of a suspect to continue to flee in a motor vehicle through tactical application of technology, road spikes, blocking, boxing, PIT (Pursuit Intervention Technique), ramming or roadblock procedures.

306.8.1 WHEN USE AUTHORIZED
In deciding whether to use intervention tactics, officers/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards arising from the use of each tactic to the public, the officers and persons in or on the pursued vehicle. With these risks in mind, the decision to use any intervention tactic should be reasonable in light of the circumstances apparent to the officer at the time of the decision (Minn. Stat. § 626.8458 Subd. 2; Minn. R. § 6700.2701).

It is imperative that officers act within legal bounds using good judgment and accepted practices.

306.8.2 USE OF FIREARMS
Nothing in this section shall be construed to prohibit any officer from using a firearm to stop a suspect from using a vehicle as a deadly weapon.

306.8.3 INTERVENTION STANDARDS
Any pursuit intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the officers, the public or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of force, including deadly force, and are subject to Department policies guiding such use. Officers who have not received Department-approved training in the application and use of any intervention tactic or equipment shall consider these facts and requirements prior to deciding how, when, where and if an intervention tactic should be employed.

(a) Blocking or vehicle intercept should only be considered in cases involving drivers who pose a threat to public safety. If an officers reasonably believes that attempting a conventional enforcement stop will likely result in the driver attempting to flee in the vehicle then a blocking technique may be considered. A blocking technique may also be considered for drivers who have a physical, mental or chemical impairment.

The following conditions should be considered when weighing the use of a blocking technique:

1. The need to immediately stop the suspect vehicle or prevent it from leaving substantially outweighs the risks of injury or death to occupants of the suspect vehicle, officers or other members of the public.
2. All other reasonable intervention techniques have failed or reasonably appear ineffective.

3. Employing the blocking maneuver does not unreasonably increase the risk to officer safety.

4. The target vehicle is stopped or traveling at a low speed.

5. At no time should civilian vehicles be used to deploy this technique.

(b) Only those officers trained in the use of the PIT will be authorized to use this procedure upon consideration of the circumstances and conditions presented at the time, including the potential for risk of injury to officers, the public and occupants of the pursued vehicle.

(c) Ramming a fleeing vehicle should be done only after other reasonable tactical means at the officer's disposal have been exhausted. This tactic should be reserved for situations where there does not appear to be another reasonable alternative method. This policy is an administrative guide to direct officers in their decision-making process before ramming another vehicle. When ramming is used as a means to stop a fleeing vehicle, the following factors should be present:

1. The suspect is an actual or suspected felon, who reasonably appears to represent a serious threat to the public if not apprehended.

2. The suspect is driving with willful or wanton disregard for the safety of other persons or is driving in a reckless and life-endangering manner.

3. If there does not reasonably appear to be a present or immediately foreseeable serious threat to the public, the use of ramming is not authorized.

(d) The use of a boxing technique must be carefully coordinated with all involved units, taking into consideration the circumstances and conditions apparent at the time, as well as the potential risk of injury to officers, the public and occupants of the pursued vehicle.

(e) Spike strips should be deployed only when it is reasonably apparent that only the pursued vehicle will be affected by their use. Prior to the deployment of spike strips, the officer shall notify pursuing units and the supervisor of the intent and location. Officers should carefully consider the limitations of such devices as well as the potential risks to officers, the public and occupants of the pursued vehicle. If the pursued vehicle is a vehicle transporting hazardous materials or a school bus transporting children officers and supervisors should weigh the potential consequences against the need to immediately stop the vehicle. Spike strips will not be used on a fleeing motorcycle.
Because roadblocks involve a potential for serious injury or death to occupants of the pursued vehicle if the suspect does not stop, the intentional placement of roadblocks in the direct path of a pursued vehicle is generally discouraged and should not be deployed without prior approval of a supervisor, and only then under extraordinary conditions when all other reasonable intervention techniques have failed or reasonably appear ineffective and the need to immediately stop the pursued vehicle substantially outweighs the risks of injury or death to occupants of the pursued vehicle, officers or other members of the public. If deployed, an avenue of escape must be made available.

306.8.4 CAPTURE OF SUSPECTS
Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Officers shall use only that amount of force that reasonably appears necessary under the circumstances to properly perform their lawful duties. Unless relieved by a supervisor, the primary officer should coordinate efforts to apprehend the suspect(s) following the pursuit. Officers should consider safety of the public and the involved officers when formulating plans to contain and capture the suspect.

306.9 REPORTING AND REVIEW REQUIREMENTS
All appropriate reports shall be completed to comply with appropriate local and state regulations. The Director of Public Safety or the Director's designee and the Office Supervisor shall ensure the appropriate forms are filed with the Department of Public Safety within 30 days (Minn. Stat. § 626.5532):

(a) The primary officer shall complete appropriate crime/arrest reports.
(b) The primary officer or supervisor shall complete the appropriate pursuit report.
(c) After receiving copies of reports, logs and other pertinent information, the Director of Public Safety or designee shall conduct or assign the completion of a post-pursuit review as appropriate to the circumstances.
(d) Annually, the Director of Public Safety should direct a documented review and analysis of Department vehicle pursuits to minimally include policy suitability, policy compliance and training needs.

306.9.1 REGULAR AND PERIODIC PURSUIT TRAINING
In addition to initial and supplementary training on pursuits, all licensed non-exempt employees will participate, no less than annually, in regular and periodic training on this policy and the importance of vehicle safety and protecting the public at all times. Training will include a recognition of the need to balance the known offense and the need for immediate capture against the risks to officers and others.
Vehicle Pursuits

The Deputy Director shall ensure the frequency and content of emergency vehicle operations and vehicle pursuit training meets or exceeds that required by law (Minn. Stat. § 626.8458 Subd. 5; Minn. R. § 6700.2702).

306.9.2 POLICY REVIEW
Each licensed member of this department shall certify in writing that they have received, read and understand this policy initially and upon any amendments.

306.9.3 YEARLY CERTIFICATION
This policy shall be reviewed and certified to the state annually that it complies with requirements of any new or revised model policy adopted by the state (Minn. Stat. § 626.8458 Subd. 3).

306.9.4 PUBLIC DISCLOSURE
Copies of the current pursuit policy shall be made available to the public on request.
Officer Response to Calls

307.1 PURPOSE AND SCOPE
The State of Minnesota finds that emergency vehicle operations are an integral part of law enforcement’s commitment to public safety. This policy provides for the safe and appropriate response to all emergency and non-emergency situations (Minn. Stat. § 626.8458, Subd. 1).

307.2 RESPONSE TO CALLS

307.2.1 RESPONSE TO EMERGENCY CALLS
Officers responding to an emergency call shall proceed immediately as appropriate. Officers responding to an emergency call shall sound the siren or display at least one lighted red light to the front of the vehicle. Whenever practicable, during an emergency call response the officer should continuously operate emergency lighting equipment and sound the siren (Minn. Stat. § 169.03 et seq.; Minn. Stat. § 169.17).

Responding with a red light, emergency lighting and/or siren does not relieve the operator of an authorized emergency vehicle or a law enforcement vehicle of the duty to drive with due regard for the safety of all persons and does not protect the driver from the consequences of his/her reckless disregard for the safety of others. The use of any other warning equipment without emergency lights and siren does not provide an exemption under Minnesota law (Minn. Stat. § 169.17).

Officers should only respond with a red light, emergency lights and/or siren when circumstances reasonably indicate an emergency response is appropriate. Officers not responding with a red light, emergency lights and/or siren shall observe all traffic laws.

307.2.2 LIGHTING EXEMPTION OF LAW ENFORCEMENT VEHICLES
An officer may operate a vehicle without lights as otherwise required while performing law enforcement duties when the officer reasonably believes that operating the vehicle without lights is necessary to investigate a criminal violation or suspected criminal violation of state laws, rules or orders, or local laws, ordinances or regulations. The operation of a vehicle without lights must be consistent with the standards adopted by Minnesota Peace officer Standards and Training Board (POST) (Minn. Stat. § 169.541 and 86B.511).

307.3 REQUESTING EMERGENCY ASSISTANCE
Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an imminent threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen. Where a situation has stabilized and emergency response is not required, the requesting officer shall promptly notify Emergency Communications Center.

If circumstances permit, the requesting officer should give the following information:

- The unit number
Officer Response to Calls

- The location
- The reason for the request and type of emergency
- The number of units required

307.3.1 NUMBER OF UNITS PARTICIPATING
Normally, only those units reasonably necessary should respond to an emergency as an emergency call response. The Shift Sergeant or the field supervisor should monitor all emergency responses and reduce or enhance the response as warranted.

307.4 RESPONSIBILITIES OF RESPONDING OFFICERS
Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. During a response to an emergency call officers may (Minn. Stat. § 169.03; Minn. Stat. § 169.17):

(a) Proceed cautiously past a red or stop signal or stop sign but only after slowing down and utilizing a red light or siren as may be necessary for safe operation.

(b) Exceed any speed limits, provided this does not endanger life or property.

(c) Disregard regulations governing direction of movement or turning in specified directions as authorized by law.

(d) Disregard regulations governing parking or standing when using a warning lamp.

The decision to continue an emergency call response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. An officer shall also discontinue an emergency call response when directed by a supervisor or as otherwise appropriate.

When emergency vehicles are on the scene of an emergency and pose any hazard, or when the vehicle operators seek exemption to park, stop or stand contrary to any law or ordinance pursuant to Minn. Stat. § 169.541, adequate warning lights shall be operated whenever practicable.

307.5 FAILURE OF EMERGENCY EQUIPMENT
If the emergency equipment on the vehicle should fail to operate, the officer must terminate the emergency call response and respond accordingly. The officer shall notify the Shift Sergeant, field supervisor or Emergency Communications Center of the equipment failure so that another unit may be assigned to the emergency response.

307.6 TRAINING
The Deputy Director shall ensure the frequency and content of emergency vehicle operations training meets or exceeds that required by law (Minn. Stat. § 626.8458).
307.7 POLICY
It is the policy of this department to appropriately respond to emergency and nonemergency calls for service or requests for assistance, whether these are dispatched or self-initiated.
Domestic Abuse

308.1 PURPOSE AND SCOPE
The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic abuse through vigorous enforcement and to address domestic abuse as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic abuse.

308.1.1 DEFINITIONS
Definitions related to this policy include:

Court order - All forms of orders related to domestic abuse, that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

Domestic abuse - Commission of any of the following if committed against a family or household member by another family or household member (Minn. Stat. § 518B.01, Subd. 2):

(a) Actual or fear of imminent physical harm, bodily injury, or assault
(b) Threats of violence with intent to terrorize as specified by Minn. Stat. § 609.713, Subd.1.
(c) Criminal sexual conduct (Minn. Stat. § 609.342 to Minn. Stat. § 609.3451)
(d) Interference with an emergency call as specified by Minn. Stat. § 609.78, Subd.2.

308.2 POLICY
The New Brighton Department of Public Safety’s response to incidents of domestic abuse and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic abuse is criminal behavior. It is also the policy of this department to facilitate victims’ and offenders’ access to appropriate civil remedies and community resources whenever feasible.

308.3 OFFICER SAFETY
The investigation of domestic abuse cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

308.4 INVESTIGATIONS
The following guidelines should be followed by officers when investigating domestic abuse cases:

(a) Calls of reported, threatened, imminent or ongoing domestic abuse and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
Domestic Abuse

(b) When practicable, officers should obtain and document statements from the victim, the suspect and any witnesses, including children, in or around the household or location of occurrence.

(c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.

(d) When practicable and legally permitted, video or audio record all significant statements and observations.

(e) All injuries should be photographed, regardless of severity, taking care to preserve the victim’s personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Investigation Section in the event that the injuries later become visible.

(f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.

(g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement and make an arrest or seek an arrest warrant if appropriate.

(h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence.

(i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.

(j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:

1. Marital status of suspect and victim.
2. Whether the suspect lives on the premises with the victim.
3. Claims by the suspect that the victim provoked or perpetuated the violence.
4. The potential financial or child custody consequences of arrest.
5. The physical or emotional state of either party.
6. Use of drugs or alcohol by either party.
7. Denial that the abuse occurred where evidence indicates otherwise.
8. A request by the victim not to arrest the suspect.
9. Location of the incident (public/private).
10. Speculation that the complainant may not follow through with the prosecution.
11. The racial, cultural, social, professional position or sexual orientation of the victim or suspect.

308.4.1 IF A SUSPECT IS ARRESTED
If a suspect is arrested, officers should:

(a) Advise the victim that there is no guarantee the suspect will remain in custody.
(b) Provide the victim’s contact information to the jail staff to enable notification of the victim upon the suspect’s release from jail (Minn. Stat. § 629.72 Subd. 6).

308.4.2 IF NO ARREST IS MADE
If no arrest is made, the officer should:

(a) Advise the parties of any options, including but not limited to:
   1. Voluntary separation of the parties.
   2. Appropriate resource referrals (e.g., Crime Victim Information card, counselors, friends, relatives, shelter homes, ).

(b) Document the resolution in a report.

308.5 VICTIM ASSISTANCE
Victims may be traumatized or confused. Officers should:

(a) Recognize that a victim’s behavior and actions may be affected.
(b) Provide the victim with the department’s domestic abuse information handout, even if the incident may not rise to the level of a crime.
(c) Alert the victim to any available victim advocates, shelters and community resources.
(d) Stand by for a reasonable amount of time when an involved person requests law enforcement assistance while removing essential items of personal property.
(e) Seek medical assistance as soon as practicable for the victim if he/she has sustained injury or complains of pain.
(f) Ask the victim whether he/she has a safe place to stay. Assist in arranging to transport the victim to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.
(g) Make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
Domestic Abuse

(h) Seek or assist the victim in obtaining an emergency order if appropriate.

308.6 DISPATCH ASSISTANCE
The call shall be received, processed and dispatched in accordance with the Policy and other guidance documents of the Ramsey County Emergency Communications Center related to the processing of domestic violence calls.

308.7 FOREIGN COURT ORDERS
Various types of orders may be issued in domestic abuse cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

308.8 VERIFICATION OF COURT ORDERS
Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and, where appropriate and practicable:

(a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
(b) Check available records or databases that may show the status or conditions of the order.
(c) Contact the issuing court to verify the validity of the order.
(d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

308.9 LEGAL MANDATES AND RELEVANT LAWS
Minnesota law provides for the following:

308.9.1 STANDARDS FOR ARRESTS
Officers investigating a domestic abuse report should consider the following:

(a) An officer has the authority to arrest a person without a warrant, including at the person’s residence, if the peace officer has probable cause to believe that the person has, within the preceding 72 hours, exclusive of the day probable cause was
Domestic Abuse

established, assaulted, threatened with a dangerous weapon, or placed in fear of immediate bodily harm any person covered by the “family or household member” definition, even if the assault did not rise to the level of a felony or did not take place in the presence of the peace officer (Minn. Stat. § 629.34; Minn. Stat. § 629.341).

(b) Officers should generally not make dual arrests but may make an arrest of a primary aggressor. Where there are allegations that each party assaulted the other, the officer shall determine whether there is sufficient evidence to conclude that one of the parties was the primary aggressor based on the following criteria and the officer’s judgment (Minn. Stat. § 629.342, Subd. 2):

1. Comparative extent of any injuries inflicted
2. Fear of physical injury because of past or present threats
3. Actions taken in self-defense or to protect oneself
4. History of domestic abuse perpetrated by one party against the other
5. Existence or previous existence of an order for protection

(c) An officer shall not issue a citation in lieu of arrest and detention to an individual charged with any of the following offenses (Minn. Stat. § 629.72):

1. Stalking
2. Domestic abuse
3. Violation of an order for protection
4. Violation of a domestic abuse no contact order

(d) The Shift Sergeant will determine whether a person arrested on a charge of stalking any person, domestic abuse, violation of an order for protection, violation of a domestic abuse no contact order, or violation of a court-ordered transfer of firearms will be held in custody or be issued a citation in lieu of continued detention and released after booking. The person shall be held in custody whenever the Shift Sergeant determines that it reasonably appears the release of the person (Minn. Stat. § 629.72):

1. Poses a threat to the alleged victim or another family or household member.
2. Poses a threat to public safety.
3. Involves a substantial likelihood that the arrested person will fail to appear at subsequent proceedings.

(e) Officers shall arrest and take into custody, without a warrant, a person whom the peace officer has probable cause to believe has violated a court order issued pursuant to Minn. Stat. § 518B.01 or Minn. Stat. § 629.75. Such an arrest shall be made even if the violation of the order did not take place in the presence of the peace officer, if the officer can verify the existence of the order. If the person is not released on citation in lieu of continuing detention, the person shall be held in custody for these violations for at least 36 hours unless released by a court (Minn. Stat. § 518B.01; Minn. Stat. § 629.75).

(f) An arrest for a violation of an order of protection may be made regardless of whether the excluded party was invited back to the residence (Minn. Stat. § 518B.01, Subd. 18).
Domestic Abuse

(g) Following an arrest, an officer should contact the local domestic abuse program by phone as soon as possible and provide the name and address of the victim and a brief factual account of events associated with the action.

(h) An officer shall arrest and take into custody a person whom the officer has probable cause to believe has violated a harassment restraining order, pursuant to Minn. Stat. § 609.748, if the officer can verify the existence of the order.

(i) Officers are authorized to make an arrest without a warrant when there is probable cause to believe the person has violated the provisions of any other no contact or restraining order issued by a court, even if the offense did not rise to the level of a felony (Minn. Stat. § 629.34). While conducting a domestic abuse investigation officers shall attempt to verify whether there has been a court order issued.

(j) Officers should consider whether other offenses have been committed that may not qualify as a domestic abuse including, but not limited to, burglary, felony assault, other threats of violence, kidnapping, false imprisonment, witness tampering, trespassing, criminal damage to property, disorderly conduct, or assault.

308.9.2 REPORTS AND RECORDS

(a) Officers should include information related to the following in a report, as applicable (Minn. Stat. § 629.341):

1. Names, addresses, telephone numbers of all involved persons
2. Condition of clothing
3. Description of the scene, including any property damage
4. Evidence of physical injury, including strangulation
5. Presence of elderly victims or persons with disabilities
6. Facts related to any person who may have been a primary aggressor
7. Excited utterances of the victim and the suspect
8. Demeanor of the victim and the suspect
9. Medical records, including the victim’s statements to paramedics, nurses and doctors
10. Detailed statements of interviews of witnesses, including children, who may have been present, noting any language barriers
11. A detailed explanation of the reasons for the officer’s decision not to arrest or seek an arrest warrant
12. Evidence of any prior domestic abuse, related convictions, including dates
13. Any existing orders for protection, harassment restraining order or no contact orders
Domestic Abuse

14. Identifying information of a specific court order violated, including county of origin, the file number and the provision allegedly violated

(b) Domestic abuse reports should be forwarded to the appropriate prosecutor for review and consideration of criminal charges, even when no arrest is made or warrant requested.

(c) If a child was present at the scene of a domestic abuse incident or was the victim of domestic abuse, the officer should determine whether the child has been subjected to physical abuse, sexual abuse or neglect, and comply with the mandatory reporting requirements of Minn. Stat. § 626.556.

1. The officer shall also attempt to verify whether there has been an order for protection issued under Minn. Stat. § 260C.201 and take appropriate action.

(d) Fees will not be charged for the release of reports related to domestic abuse, as directed in Minn. Stat. § 13.82.

308.9.3 SERVICE OF COURT ORDERS
Officers, when reasonably safe and in a position to do so, shall serve copies or short forms of court orders as directed in Minn. Stat. § 518B.01 and Minn. Stat. § 609.748.

308.9.4 COURT-ORDERED FIREARM SURRENDERS
Although not required, this department generally will accept firearms surrendered by a court order from an abusing party or defendant. A decision to refuse a surrendered firearm should be approved by a supervisor.

Firearms will normally be surrendered at the New Brighton Department of Public Safety; however, when encountering someone in the field who wishes to surrender a firearm, officers should make reasonable efforts to accommodate the request.

Surrendered firearms should be collected and submitted to the Evidence Room in accordance with the Evidence Room Policy.
Search and Seizure

309.1 PURPOSE AND SCOPE
Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for New Brighton Department of Public Safety personnel to consider when dealing with search and seizure issues.

309.2 POLICY
It is the policy of the New Brighton Department of Public Safety to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

309.3 SEARCHES
The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.
309.4 SEARCH PROTOCOL
Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances reasonably permit:

(a) Members of this department will strive to conduct searches with dignity and courtesy.
(b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
(c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
(d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
(e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:
   1. Another officer or a supervisor should witness the search.
   2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

309.5 DOCUMENTATION
Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

• Reason for the search
• Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
• What, if any, injuries or damage occurred
• All steps taken to secure property
• The results of the search, including a description of any property or contraband seized
• If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.
Temporary Custody of Juveniles

310.1 PURPOSE AND SCOPE
This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the New Brighton Department of Public Safety (34 USC § 11133; Minn. Stat. § 260B.176; Minn. Stat. § 260C.176).

This policy does not apply to secure detention facilities, shelter care facilities, or the juvenile portion of an adult facility authorized to hold juveniles, but rather applies to the temporary custody of a juvenile before a juvenile is released, delivered to a court, or delivered to any of these other facilities (Minn. Stat. § 260B.176, Subd. 3; Minn. Stat. § 260C.176, Subd. 3).

310.1.1 DEFINITIONS
Definitions related to this policy include:

**Custodian** or **Guardian** - A person who is under a legal obligation or who is in fact providing care and support for a minor (Minn. Stat. § 260B.007, Subd. 13; Minn. Stat. § 260C.007, Subd. 10).

**Juvenile non-offender** - An abused, neglected, dependent, or alien juvenile who may be legally held for his/her own safety or welfare. This includes those held as runaways (Minn. Stat. § 260C.175), truancy violators (Minn. Stat. § 260C.143), and juveniles 15 years old or younger in custody related to their engaging in prostitution or related activities (Minn. Stat. § 260B.007 Subd. 6(c)). This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for his/her protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person.

**Juvenile offender** - A juvenile 17 years of age or younger who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense). It also includes possession of a handgun in violation of Minn. Stat. § 624.713 (28 CFR 31.303). This does not include a juvenile petty offender under Minn. Stat. § 260B.007.

**Non-secure custody** - When a juvenile is held in the presence of an officer or other custody employee at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring, and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation.

**Secure custody** - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object.

Examples of secure custody include:

(a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.

(b) A juvenile handcuffed to a rail.
Temporary Custody of Juveniles

(c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
(d) A juvenile being processed in a secure booking area when a non-secure booking area is available.
(e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
(f) A juvenile placed in a cell within the adult temporary holding area whether or not the cell door is locked.
(g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

Sight and sound separation - Located or arranged to prevent physical, visual, or auditory contact.

Status offender - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include underage possession of tobacco or curfew violation. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. Juvenile petty offenders taken into custody should be considered a status offender for purposes of this policy (Minn. Stat. § 260B.007; Minn. Stat. § 260B.143).

310.2 POLICY
The New Brighton Department of Public Safety is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the New Brighton Department of Public Safety. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer or release.

310.3 JUVENILES WHO SHOULD NOT BE HELD
Juveniles who exhibit any of the following conditions should not be held at the New Brighton Department of Public Safety:

(a) Unconscious
(b) Seriously injured
(c) A known suicide risk or obviously severely emotionally disturbed
(d) Significantly intoxicated
(e) Extremely violent or continuously violent

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation.

These juveniles should not be held at the New Brighton Department of Public Safety unless they have been evaluated by a qualified medical and/or mental health professional.
Temporary Custody of Juveniles

If the officer taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release or a transfer is completed.

310.3.1 SUICIDE PREVENTION OF JUVENILES IN CUSTODY
The arresting officer should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill him/herself or any unusual behavior that may indicate the juvenile may harm him/herself while in custody.

310.4 CUSTODY OF JUVENILES
Officers should take custody of a juvenile and temporarily hold the juvenile at the New Brighton Department of Public Safety when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the New Brighton Department of Public Safety without authorization of the arresting officer's supervisor or the Shift Sergeant.

Any juvenile taken into custody shall be released to the care of the juvenile’s parent or other responsible adult, or transferred to a juvenile custody facility or to other authority as soon as practicable, and in no event shall a juvenile be held beyond four hours from the time of his/her entry into the New Brighton Department of Public Safety (34 USC § 11133).

310.4.1 CUSTODY OF JUVENILE NON-OFFENDERS
Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the New Brighton Department of Public Safety. Custodial arrangements should be made for non-offenders as soon as reasonably possible (Minn. Stat. § 260B.175; Minn. Stat. § 260C.143; Minn. Stat. § 260C.176). Juvenile non-offenders may not be held in secure custody (34 USC § 11133).

Juveniles detained for truancy violations may be (Minn. Stat. § 260C.143):

(a) Transported to the juvenile’s home and released to a parent or guardian.
(b) Transported to the juvenile’s school of enrollment and delivered to the school superintendent or a teacher.
(c) Transported to a child truancy center under Minn. Stat. § 260A.04, Subd. 3.

310.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS
Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders may not be held in secure custody (34 USC § 11133).
Temporary Custody of Juveniles

310.4.3 CUSTODY OF JUVENILE OFFENDERS
Juvenile offenders should be held in non-secure custody while at the New Brighton Department of Public Safety unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally juvenile offenders may be taken into custody under the authority of Minn. Stat. § 260B.175 when a court order authorizes the custody, when the juvenile has committed an offense that would warrant the arrest of an adult or it is reasonably believed that the child has violated the terms of probation, parole or other field supervision.

An officer who takes a juvenile offender of any age or gender into custody or could take the juvenile into custody under Minn. Stat. § 260B.175 is authorized to perform a protective pat-down search of the juvenile offender in order to protect the officer's safety (Minn. Stat. § 260B.175 Subd. 4).

The parent, guardian or custodian of the juvenile shall be notified as soon as possible when a juvenile offender is taken into custody. Juvenile offenders shall be released to the custody of a parent, guardian, custodian or other suitable person unless there is reason to believe that the juvenile would (Minn. Stat. § 260B.176):

(a) Endanger him/herself or others.
(b) Not return for a court hearing.
(c) Run away from or otherwise not remain in the care or control of his/her parent, guardian or custodian.
(d) Face immediate endangerment to his/her health or welfare. A juvenile offender is not released to a parent, guardian, custodian or other suitable person, the officer taking the juvenile offender into custody shall notify the court as soon as possible of the detention of the juvenile and the reasons for detention (Minn. Stat. § 260B.176).

310.4.4 SCHOOL NOTIFICATION
Minnesota law requires that the Director of Public Safety or the authorized designee notify the superintendent or chief administrative officer of a juvenile’s school of an incident occurring within our jurisdiction if (Minn. Stat. § 260B.171, Subd. 5):

(a) There is probable cause to believe a juvenile has committed an offense that would be a crime if committed as an adult, where the victim is a student or staff member and the notice is reasonably necessary for the protection of the victim.
(b) There is probable cause to believe a juvenile has committed certain serious crimes regardless of whether the victim is a student or staff member.
(c) The juvenile is taken into protective custody and methamphetamine manufacture or storage is involved (see the Child Abuse Policy for guidelines) (see also, Minn. Stat. § 260C.171)

However, the department is not required to notify the school if it is determined that notice would jeopardize an ongoing investigation.
310.5 ADVISEMENTS
When a juvenile is taken into custody on a warrant the juvenile and his/her parent, guardian or custodian, if present, shall immediately be informed of the existence of the warrant for immediate custody and, as soon as practicable, of the reasons why the juvenile is being taken into custody (Minnesota Rules of Juvenile Delinquency Procedure 4.03, Subd. 10).

If it is determined that a juvenile taken into custody is going to be placed into a secure detention facility or a shelter care facility, the officer shall advise both the juvenile and the juvenile’s parent, guardian or custodian as soon as possible (Minn. Stat. § 260B.176 Subd. 3; Minn. Stat. § 260C.176 Subd. 3):

(a) Of the reasons for custody and the reasons for placement.

(b) Of the location of the facility unless there is reason to believe that disclosure would place the juvenile’s health and welfare in immediate endangerment. If so, the disclosure shall not be made (Minn. Stat. § 260B.176 Subd. 5).

(c) That the juvenile’s parent, guardian or custodian and attorney or guardian ad litem may make an initial visit to the facility at any time. Subsequent visits may also be made on a reasonable basis.

(d) That the juvenile may telephone parents and an attorney or guardian ad litem immediately after being admitted to the facility and thereafter on a reasonable basis.

(e) That the juvenile may not be detained for acts under Minn. Stat. § 260B.007 Subd. 6 for longer than 36 hours excluding weekends and holidays unless a petition has been filed pursuant to Minn. Stat. § 260B.178.

(f) That the juvenile may not be detained under Minn. Stat. § 260C.175 Subd. 1, clause (1) or (2), item (ii) longer than 72 hours at a shelter care facility excluding weekends and holidays unless a petition has been filed pursuant to Minn. Stat. § 260C.178.

(g) That the juvenile may not be detained for acts under Minn. Stat. § 260B.007 Subd. 6 for longer than 24 hours in an adult jail or municipal lockup excluding weekends and holidays or longer than six hours if the adult jail or municipal lockup is a standard metropolitan statistical area, unless a petition has been filed pursuant to Minn. Stat. § 260B.178 and a motion made to refer the juvenile for adult prosecution.

(h) Of the date, time and place of the detention hearing, if this information is available.

(i) That the juvenile and the juvenile’s parent, guardian or custodian have the right to be present and to be represented by counsel at the detention hearing and that if they cannot afford counsel it will be appointed at public expense.

310.6 JUVENILE CUSTODY LOGS
Any time a juvenile is held in custody at the Department the custody shall be promptly and properly documented in the temporary holding facility log, including:
**Temporary Custody of Juveniles**

(a) Identifying information about the juvenile being held.
(b) Date and time of arrival and release from the New Brighton Department of Public Safety.
(c) Shift Sergeant notification and approval to temporarily hold the juvenile.
(d) Any charges for which the juvenile is being held and classification of the juvenile as a juvenile offender, status offender or non-offender.
(e) Any changes in status.
(f) Time of all welfare checks.
(g) Any other information that may be required by other authorities, such as compliance inspectors or a local juvenile court authority.

310.7 **NO-CONTACT REQUIREMENTS**

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Department (34 USC § 11133). There should also be sight and sound separation between non-offenders and juvenile or status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the New Brighton Department of Public Safety shall maintain a constant, immediate presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact.

310.8 **TEMPORARY CUSTODY REQUIREMENTS**

Members and supervisors assigned to monitor or process any juvenile at the New Brighton Department of Public Safety shall ensure the following:

(a) The Shift Sergeant should be notified if it is anticipated that a juvenile may need to remain at the New Brighton Department of Public Safety more than four hours.
(b) A staff member of the same sex shall supervise personal hygiene activities and care such as changing clothing or using the restroom without direct observation to allow for privacy.
(c) Personal visual checks and significant incidents/activities shall be noted on the log.
(d) There shall be no viewing devices such as peep holes or mirrors of which the juvenile is not aware. Therefore an employee should inform a juvenile under his/her care that the juvenile will be monitored at all times unless he/she is using the toilet. This does not apply to surreptitious and legally obtained recorded interrogations.
(e) Juveniles shall have reasonable access to toilets and wash basins.
Temporary Custody of Juveniles

(f) Food should be provided if a juvenile has not eaten within the past four hours or is otherwise in need of nourishment including any special diet required for the health of the juvenile.

(g) Juveniles shall have reasonable access to a drinking fountain or water.

(h) Juveniles shall have reasonable opportunities to stand and stretch, particularly if handcuffed or restrained in any way.

(i) Juveniles should have privacy during family, guardian and/or lawyer visits.

(j) Juveniles should be permitted to remain in their personal clothing unless the clothing is taken as evidence or is otherwise unsuitable or inadequate for continued wear while in custody.

(k) Blankets should be provided as reasonably necessary.

(l) Adequate shelter, heat, light and ventilation should be provided without compromising security or enabling escape.

(m) Juveniles shall have adequate furnishings including suitable chairs or benches.

(n) Juveniles shall have the right to the same number of telephone calls as an adult in custody.

(o) No discipline may be administered to any juvenile nor may juveniles be subjected to corporal or unusual punishment, humiliation or mental abuse.

310.9 USE OF RESTRAINT DEVICES
Juvenile offenders may be handcuffed in accordance with the Handcuffing and Restraints Policy. A juvenile offender may be handcuffed at the New Brighton Department of Public Safety when the juvenile presents a heightened risk. However non-offenders and status offenders should not be handcuffed unless they are combative or threatening.

Restraints shall only be used after less restrictive measures have failed and with the approval of the Shift Sergeant/Supervisor. Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others.

Juveniles in restraints shall be kept away from other unrestrained juveniles or monitored in such a way as to protect the juvenile from abuse.

310.10 PERSONAL PROPERTY
The officer taking custody of a juvenile offender or status offender at the New Brighton Department of Public Safety shall ensure a thorough search of the juvenile’s property is made and all property is removed from the juvenile especially those items that could compromise safety, such as pens, pencils and belts.

The personal property of a juvenile should be placed in a property bag. The property should be inventoried in the juvenile’s presence and sealed into the bag. The property should be kept in a
Temporary Custody of Juveniles

monitored or secure location until the juvenile is released from the custody of the New Brighton Department of Public Safety.

310.11 SECURE CUSTODY
Only juvenile offenders 14 years of age or older may be placed in secure custody (Minn. Stat. § 260B.181). Shift Sergeant approval is required before placing a juvenile offender in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to him/herself or others.

Members of this department should not use secure custody for convenience when non-secure custody is or later becomes a reasonable option.

When reasonably practicable, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody rather than the use of a locked enclosure. An employee must be present at all times to ensure the juvenile’s safety while secured to a stationary object.

Generally, juveniles should not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter. Supervisor approval should be documented.

310.11.1 LOCKED ENCLOSURES
A thorough inspection of the area shall be conducted before placing a juvenile into the enclosure. A second inspection shall be conducted after removing the juvenile. Any damage noted to the room should be photographed and documented in the crime report.

The following requirements shall apply to a juvenile offender who is held inside a locked enclosure:

(a) The juvenile shall constantly be monitored by an audio/video system during the entire custody.

(b) Juveniles shall have constant auditory access to department members.

(c) Initial placement into and removal from a locked enclosure shall be logged.

(d) Random personal visual checks of the juvenile by a staff member shall occur no less than every 15 minutes.
   1. All checks shall be logged.
   2. The check should involve questioning the juvenile as to his/her well-being (sleeping juveniles or apparently sleeping juveniles should be awakened).
   3. Requests or concerns of the juvenile should be logged.

(e) Males and females shall not be placed in the same locked room.

(f) Juvenile offenders should be separated according to severity of the crime (e.g., felony or misdemeanor).
(g) Restrained juveniles shall not be mixed in a cell or room with unrestrained juveniles.

310.12 SUICIDE ATTEMPT, DEATH OR SERIOUS INJURY OF A JUVENILE
The Shift Sergeant/Supervisor will ensure procedures are in place to address the suicide attempt, death or serious injury of any juvenile held at the New Brighton Department of Public Safety. The procedures will address:

(a) Immediate notification of the on-duty supervisor, Director of Public Safety and Criminal Investigations Section Supervisor.

(b) Notification of the parent, guardian or person standing in loco parentis, of the juvenile.

(c) Notification of the appropriate prosecutor.

(d) Evidence preservation.

310.13 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS
No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent and does consent to an interview or interrogation.

310.14 RESTRICTION ON PHOTOGRAPHING
Photographing of juveniles taken into custody will only occur with the consent of the juvenile court, except when the photograph is taken related to a violation of driving while impaired or is taken pursuant to the laws of arrest (Minn. Stat. § 260B.171 Subd. 5; Minn. Stat. § 260B.175; Minn. Stat. § 169A.20).
Adult Abuse

311.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for New Brighton Department of Public Safety members as required by law (Minn. Stat. § 626.557).

311.1.1 DEFINITIONS
Definitions related to this policy include (Minn. Stat. § 626.5572):

Adult abuse - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult’s care, or any other act that would mandate reporting or notification to a social service agency or law enforcement.

311.2 POLICY
The New Brighton Department of Public Safety will investigate all reported incidents of alleged adult abuse and ensure proper reporting and notification as required by law.

311.3 MANDATORY NOTIFICATION
Members of the New Brighton Department of Public Safety shall notify the entity responsible for receiving such reports when they have reason to believe that a vulnerable adult is being or has been maltreated, or has sustained a physical injury which is not reasonably explained. Members shall also report suspected negligent care by a service or health care provider that resulted in injury or harm requiring the care of a physician (Minn. Stat. § 626.557).

For purposes of notification, a vulnerable adult is a person age 18 or older who has physical, mental or emotional disabilities that make it difficult for the person to care for or to protect him/herself from maltreatment. It also refers to adults who reside at a facility, or receive care at a facility or through home care (Minn. Stat. § 626.5572).

Maltreatment includes abuse, neglect and financial exploitation. Abuse can be physical, emotional or sexual. Financial exploitation may include any instance where vulnerable adults’ money, assets or property are not used for their benefit or are stolen or kept from them (see Minn. Stat. § 626.5572 for full definitions).

311.3.1 NOTIFICATION PROCEDURE
Oral notification should be made as soon as possible, but in all cases within 24 hours (Minn. Stat. § 626.557; Minn. Stat. § 626.5572). To the extent possible, the following should be included in the notification:

(a) The identity of the vulnerable adult and any caregiver
(b) The nature and extent of the suspected maltreatment
(c) Any evidence of previous maltreatment
Adult Abuse

(d) The name and addresses of the person initiating the report or other witnesses
(e) The time, date, and location of the incident
(f) Any other information that might be helpful in investigating the suspected maltreatment

If notification of maltreatment is first made to the New Brighton Department of Public Safety, the member receiving the notification shall complete and forward the intake form to the entity responsible for receiving such reports.

311.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available to investigate cases of adult abuse. These investigators should:

(a) Conduct interviews in appropriate interview facilities.
(b) Be familiar with forensic interview techniques specific to adult abuse investigations.
(c) Present all cases of alleged adult abuse to the prosecutor for review.
(d) Coordinate with other enforcement agencies, social service agencies and facility administrators as needed.
(e) Provide referrals to therapy services, victim advocates, guardians and support for the victim and family as appropriate.
(f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Minn. Stat. § 626.5571).

311.5 INVESTIGATIONS AND REPORTING

All reported or suspected cases of adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated. Investigations should be initiated as soon as possible, but in all cases within 24 hours (Minn. Stat. § 626.557).

Investigations and reports related to suspected cases of adult abuse should address, as applicable:

(a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected adult abuse victim is contacted.
(b) Any relevant statements the victim may have made and to whom he/she made the statements.
(c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
(d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.
(e) Whether the victim was transported for medical treatment or a medical examination.
(f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.
Adult Abuse

(g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.

(h) Previous addresses of the victim and suspect.

(i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim’s environment.

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential adult abuse and investigated similarly.

Assigned members shall initiate an investigation of vulnerable adult abuse as soon as possible, but in all cases within 24 hours when there is reason to believe a crime has been committed (Minn. Stat. § 626.557).

311.6 PROTECTIVE CUSTODY
Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the officer should make reasonable attempts to contact an appropriate protective services agency. Generally, removal of an adult abuse victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an adult abuse victim into protective custody, the officer should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the adult is delivered to an appropriate protective services agency or medical facility.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

311.7 INTERVIEWS
311.7.1 PRELIMINARY INTERVIEWS
Absent extenuating circumstances or impracticality, officers should audio record the preliminary interview with a suspected adult abuse victim. Officers should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When
practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available.

311.7.2 DETAINING VICTIMS FOR INTERVIEWS
An officer should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

(a) Exigent circumstances exist, such as:
   1. A reasonable belief that medical issues of the adult need to be addressed immediately.
   2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
   3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.

(b) A court order or warrant has been issued.

311.8 MEDICAL EXAMINATIONS
When an adult abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, guardian, agency or entity having legal custody of the adult. The officer should also arrange for the adult’s transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

311.9 DRUG-ENDANGERED VICTIMS
A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an adult abuse victim who has been exposed to the manufacturing, trafficking or use of narcotics.

311.9.1 SUPERVISOR RESPONSIBILITIES
The Investigation Section should:

(a) Work with professionals from the appropriate agencies, including the applicable adult protective services agency, other law enforcement agencies, medical service providers and local prosecutors, to develop community-specific procedures for responding to situations where there are adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.

(b) Activate any available interagency response when an officer notifies the Investigation Section that he/she has responded to a drug lab or other narcotics crime scene where
an adult abuse victim is present or where evidence indicates that an adult abuse victim lives.

(c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the adult.

311.9.2 OFFICER RESPONSIBILITIES
Officers responding to a drug lab or other narcotics crime scene where an adult abuse victim is present or where there is evidence that an adult abuse victim lives should:

(a) Document the environmental, medical, social and other conditions of the adult, using photography as appropriate and the checklist or form developed for this purpose.

(b) Notify the his/her supervisor so an interagency response can begin.

311.10 STATE MANDATES AND OTHER RELEVANT LAWS
Minnesota requires or permits the following:

311.10.1 RECORDS SECTION RESPONSIBILITIES
The Records Section is responsible for:

(a) Providing a copy of the adult abuse report to the applicable entity in the county responsible for receiving such reports as required by law.

(b) Retaining the original adult abuse report with the initial case file.

311.10.2 RELEASE OF REPORTS
Information related to incidents of adult abuse or suspected adult abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Minn. Stat. § 626.557).

311.11 TRAINING
The Department should provide training on best practices in adult abuse investigations to members tasked with investigating these cases. The training should include:

(a) Participating in multidisciplinary investigations, as appropriate.

(b) Conducting interviews.

(c) Availability of therapy services for adults and families.

(d) Availability of specialized forensic medical exams.

(e) Cultural competence (including interpretive services) related to adult abuse investigations.

(f) Availability of victim advocates or other support.
Discriminatory Harassment

312.1 PURPOSE AND SCOPE
This policy is intended to prevent department members from being subjected to discrimination or sexual harassment.

312.2 POLICY
The New Brighton Department of Public Safety is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Department will not tolerate, discrimination against employees in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The non-discrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

312.3 DISCRIMINATION PROHIBITED

312.3.1 DISCRIMINATION
The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on race, color, religion, sex, age, national origin or ancestry, genetic information, disability, military service, sexual orientation and other classifications protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual’s protected class. It has the effect of interfering with an individual’s work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment, can include making derogatory comments, crude and offensive statements or remarks, making slurs or off-color jokes, stereotyping, engaging in threatening acts, making indecent gestures, pictures, cartoons, posters or material, making inappropriate physical contact, or using written material or department equipment and/or systems to transmit or receive offensive material, statements or pictures. Such conduct is contrary to department policy and to the department’s commitment to an environment that is free of discrimination.

312.3.2 SEXUAL HARASSMENT
The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person’s sex.
Sexual harassment includes, but is not limited to, unwelcome sexual advances, requests for sexual favors or other verbal, visual or physical conduct of a sexual nature when:

(a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position or compensation.

(b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.

(c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile or offensive work environment.

312.3.3 ADDITIONAL CONSIDERATIONS
Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles or standards including:

(a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) or the Minnesota Department of Human Rights.

(b) Bona fide requests or demands by a supervisor that a member improve his/her work quality or output, that the member report to the job site on time, that the member comply with City or department rules or regulations, or any other appropriate work-related communication between supervisor and member.

312.3.4 RETALIATION
Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because he/she has engaged in protected activity, filed a charge of discrimination, participated in an investigation or opposed a discriminatory practice. Retaliation will not be tolerated.

312.4 RESPONSIBILITIES
This policy applies to all department personnel. All members shall follow the intent of these guidelines in a manner that reflects department policy, professional law enforcement standards and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to his/her immediate supervisor may bypass the chain of command and make the report to a higher ranking supervisor or manager. Complaints may also be filed with the Director of Public Safety, HR Specialist or the City Manager.

Any member who believes, in good faith, that he/she has been discriminated against, harassed, subjected to retaliation, or who has observed harassment or discrimination, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.
Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with resolution as stated below.

312.4.1 SUPERVISOR RESPONSIBILITY
Each supervisor and manager shall:

(a) Continually monitor the work environment and strive to ensure that it is free from all types of unlawful discrimination, including sexual harassment and retaliation.

(b) Take prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment or retaliation.

(c) Ensure that their subordinates understand their responsibilities under this policy.

(d) Ensure that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.

(e) Notify the Director of Public Safety or HR Specialist in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment or retaliation no later than the next business day.

312.4.2 SUPERVISOR’S ROLE
Because of differences in individual values, supervisors and managers may find it difficult to recognize that their behavior or the behavior of others is discriminatory, harassing or retaliatory. Supervisors and managers shall be aware of the following considerations:

(a) Behavior of supervisors and managers should represent the values of the Department and professional law enforcement standards.

(b) False or mistaken accusations of discrimination, harassment or retaliation can have negative effects on the careers of innocent members.

(c) Supervisors and managers must act promptly and responsibly in the resolution of such situations.

(d) Supervisors and managers shall make a timely determination regarding the substance of any allegation based upon all available facts.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members or issuing discipline, in a manner that is consistent with established procedures.

312.5 INVESTIGATION OF COMPLAINTS
Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved members should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Department that...
all complaints of discrimination or harassment shall be fully documented, and promptly and thoroughly investigated. The participating or opposing member should be protected against retaliation, and the complaint and related investigation should be kept confidential to the extent possible.

312.5.1 SUPERVISORY RESOLUTION
Members who believe they are experiencing discrimination, harassment or retaliation should be encouraged to inform the individual that his/her behavior is unwelcome, offensive, unprofessional or inappropriate. However, if the member feels uncomfortable, threatened or has difficulty expressing his/her concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

312.5.2 FORMAL INVESTIGATION
If the complaint cannot be satisfactorily resolved through the process described above, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint or for offering testimony or evidence in any investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include, but not be limited to, details of the specific incident, frequency, dates of occurrences and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed or retaliated against because of their protected status are encouraged to follow the chain of command but may also file a complaint directly with the Director of Public Safety, HR Specialist or the City Manager.

312.5.3 ALTERNATIVE COMPLAINT PROCESS
No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated or retaliated against are entitled to bring complaints of employment discrimination to federal, state and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

312.6 NOTIFICATION OF DISPOSITION
The complainant and/or victim will be notified in writing of the disposition of the investigation and the actions taken to remedy or address the circumstances giving rise to the complaint.
Discriminatory Harassment

312.7 DOCUMENTATION OF COMPLAINTS
All complaints or allegations shall be thoroughly documented on forms and in a manner designated by the Director of Public Safety. The outcome of all reports shall be:

- Approved by the Director of Public Safety, the City Manager or HR Specialist if more appropriate.
- Maintained for the period established in the department’s retention schedule.

312.8 TRAINING
All new members shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new member. The member shall certify by signing the prescribed form that he/she has been advised of this policy, is aware of and understands its contents and agrees to abide by its provisions during his/her term of employment.

All members shall receive annual training on the requirements of this policy and shall certify by signing the prescribed form that they have reviewed the policy, understand its contents and agree that they will continue to abide by its provisions.

312.8.1 QUESTIONS OR CLARIFICATION
Members with questions regarding what constitutes discrimination, sexual harassment or retaliation are encouraged to contact a supervisor, a manager, the Director of Public Safety, the HR Specialist or the City Manager for further information, direction or clarification.
Child Abuse

313.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the investigation of suspected child abuse. This policy also addresses when New Brighton Department of Public Safety members are required to notify the county social services agency of suspected child abuse.

313.1.1 DEFINITIONS
Definitions related to this policy include:

Child - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

Child abuse - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child’s care or any other act that would mandate notification to a social service agency (Minn. Stat. § 626.556; Minn. Stat. § 626.5561).

313.2 POLICY
The New Brighton Department of Public Safety will investigate all reported incidents of alleged criminal child abuse and ensure the county social services agency is notified as required by law.

313.3 MANDATORY NOTIFICATION
Members of the New Brighton Department of Public Safety shall notify the county social services agency when they have reason to believe any of the following may have occurred or when someone reports any of the following (Minn. Stat. § 626.556):

(a) A child is being neglected or has been neglected within the preceding three years.

(b) A child is being physically abused or has been physically abused within the preceding three years by a person responsible for the child’s care.

(d) A woman is pregnant and has used a controlled substance for a non-medical purpose during the pregnancy, including, but not limited to, tetrahydrocannabinol (marijuana), or has consumed alcoholic beverages during the pregnancy in any way that is habitual or excessive (Minn. Stat. § 626.5561).

Notification is mandatory for any acts of neglect, physical abuse and sexual abuse that constitute a crime, whether or not the suspect had any relationship to or responsibility for the child (Minn. Stat. § 626.556, Subd. 10a).

For purposes of notification, physical abuse includes injuries, mental injuries or injuries that cannot be reasonably explained (e.g., punching, kicking, burning). Sexual abuse includes criminal
sexual conduct and prostitution offenses. Neglect includes failure to supply a child with necessary clothing, shelter, medical care, etc. See Minn. Stat. § 626.556, Subd. 2 for full definitions of physical abuse, sexual abuse and neglect.

313.3.1 NOTIFICATION PROCEDURE
Notification should occur as follows (Minn. Stat. § 626.556):

(a) The member tasked with the investigation shall call the county social services agency and report the alleged abuse as soon as possible but always within 24 hours. The time of the call and the name of the person should be documented.

(b) Notification, when possible, should include:

1. The child's current location and whether the child is in immediate danger.
2. A description of when and where the incident occurred and what happened to the child.
3. A description of the injuries or present condition of the child.
4. The names and addresses of the child, parents, or caregivers.
5. Whether there were any witnesses to the incident and their names.
6. Any additional information about the child, family, or caregivers that may be helpful.
7. Whether the incident occurred in a licensed facility or a school and what actions the facility employees may have taken.
8. Whether there are immediate family, relative, or community resources that would offer protection or support to the child.

(c) Forms that may be required by the county social services agency or other written notification shall be completed and faxed or delivered to the county social services agency as soon as possible but always within 72 hours, exclusive of weekends and holidays.

(d) Approved investigation reports should be forwarded to the county social services agency as soon as practical.

(e) When the child abuse occurred at a facility or by a person from a facility that requires a state license or a profession that requires a state license (e.g., foster homes, group homes, day care, educator), notification shall also be made to the agency responsible for licensing the facility or person (Minn. Stat. § 626.556).

313.4 INVESTIGATORS
Investigators should be available for child abuse investigations. These investigators should:

(a) Conduct interviews in child appropriate interview facilities.
(b) Be familiar with forensic interview techniques specific to child abuse investigations.
(c) Present all cases of alleged child abuse to the prosecutor for review.
(d) Coordinate with other enforcement agencies, social service agencies and school administrators as needed.

(e) Provide referrals to therapy services, victim advocates, guardians and support for the child and family as appropriate.

(f) Participate in or coordinate with multidisciplinary investigative teams as applicable.

313.5 INVESTIGATIONS AND REPORTING

In all reported or suspected cases of child abuse, a report will be written. Officers shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

(a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected child abuse victim was contacted.

(b) The exigent circumstances that existed if officers interviewed the child victim without the presence of a parent or guardian.

(c) Any relevant statements the child may have made and to whom he/she made the statements.

(d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.

(e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.

(f) Whether the child victim was transported for medical treatment or a medical examination.

(g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.

(h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.

(i) Previous addresses of the victim and suspect.

(j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim’s environment.

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

313.6 PROTECTIVE CUSTODY

Before taking any child into protective custody, the officer should make reasonable attempts to contact the county social services agency. Generally, removal of a child from his/her family,
guardian or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to the county social services agency.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations (Minn. Stat. § 260C.175):

(a) When a court has issued an order for removal.

(b) When a child is found in surroundings or conditions that pose an imminent threat to the child's health or welfare or that a peace officer reasonably believes pose an imminent threat to the child's health or welfare.

(c) If an Indian child is a resident of a reservation or is domiciled on a reservation but temporarily located off the reservation, taking the child into custody under this clause shall be consistent with the Indian Child Welfare Act (25 USC § 1922).

### 313.6.1 NOTICE TO PARENT OR CUSTODIAN

Whenever an officer takes a child into protective custody, the officer shall notify the parent or custodian that he/she may request that the child be placed with a relative or a designated caregiver instead of in a shelter care facility. The officer also shall give the parent or custodian a list, published by the Minnesota Department of Human Services, of names, addresses and telephone numbers of social services agencies that offer child welfare services. If the parent or custodian was not present when the child was removed from the residence, the list shall be left with an adult who is on the premises or left in a conspicuous place on the premises if no adult is present. If the officer has reason to believe the parent or custodian is not able to read and understand English, the officer must provide a list that is written in the language of the parent or custodian (Minn. Stat. § 260C.175; Minn. Stat. § 260C.181).

The above notifications may be made by the county social services agency representative if he/she is at the scene.

### 313.6.2 SAFE PLACE FOR NEWBORNS

A person may leave an unharmed newborn less than seven days old with the staff of a hospital, urgent care facility or ambulance service without being subject to prosecution (Minn. Stat. §
609.3785). The responsible social service agency is charged with addressing these matters but may contact law enforcement if child abuse is suspected (Minn. Stat. § 145.902; Minn. Stat. § 609.3785).

313.7 INTERVIEWS

313.7.1 PRELIMINARY INTERVIEWS
Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available and/or have the interview conducted by staff from Midwest Children's Resource Center. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

313.7.2 DETAINING ABUSE VICTIMS FOR INTERVIEW
An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

(a) Exigent circumstances exist, such as:
   1. A reasonable belief that medical issues of the child need to be addressed immediately.
   2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
   3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.

(b) A court order or warrant has been issued.

313.7.3 NOTIFICATION TO PARENTS
Generally, officers should cooperate with parents and guardians and seek consent prior to conducting interviews of children. However, when reasonably necessary, state law grants officers the authority to interview a child who is the alleged victim of abuse or neglect, and any other children who currently reside or have resided with the alleged victim, without parental consent (Minn. Stat. § 626.556, Subd. 10).

The interview may take place at school or at any facility or other place where the alleged victim or other children might be found, or the child may be transported to, and the interview conducted at, a place that is appropriate for the interview and has been designated by the local welfare agency or law enforcement agency. The interview may take place outside the presence of the alleged offender or parent, legal custodian, guardian or school official (Minn. Stat. § 626.556, Subd. 10).
Child Abuse

The officer shall notify the parent, legal custodian or guardian that the interview occurred as soon as reasonably practicable after the interview, unless the juvenile court has determined that reasonable cause exists to withhold the information (Minn. Stat. § 626.556, Subd. 10).

313.7.4 INTERVIEWS AT SCHOOL
If officers assigned to investigate a report of maltreatment determine that an interview should take place on school property, written notification of the intent to interview the child on school property must be received by school officials prior to the interview. The notification shall include the name of the child to be interviewed, the purpose of the interview and a reference to the statutory authority to conduct an interview on school property (Minn. Stat. § 626.556, Subd. 10).

The investigating officer shall determine who may attend the interview, although school officials may set reasonable conditions as to the time, place and manner of the interview (Minn. Stat. § 626.556, Subd. 10).

313.7.5 DOCUMENTING AND RECORDING INTERVIEWS
Any statement made by an alleged child abuse victim during the course of a criminal investigation shall be documented. The documentation of the interview must contain, at a minimum (Minn. Stat. § 626.561):

(a) The date, time, place and duration of the interview.
(b) The identity of the persons present at the interview.
(c) A summary of the information obtained during the interview if it was not audio recorded.

Members should follow the written guidelines of the county attorney’s office regarding recording interviews of a child abuse victim.

313.8 MEDICAL EXAMINATIONS
If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child’s transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

313.9 DRUG-ENDANGERED CHILDREN
A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.
313.9.1 SUPERVISOR RESPONSIBILITIES
The Investigation Section should:

(a) Work with professionals from the appropriate agencies, including the county social services agency, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.

(b) Activate any available interagency response when an officer notifies the Investigation Section supervisor that the officer has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.

313.9.2 OFFICER RESPONSIBILITIES
Officers responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

(a) Document the environmental, medical, social and other conditions of the child using photography as appropriate.

(b) Notify the Investigation Section so an interagency response can begin.

313.9.3 SCHOOL NOTIFICATION
If a juvenile is taken into protective custody after being found in an area where methamphetamine was being manufactured or attempted to be manufactured, or where any chemical substances, paraphernalia or waste products related to methamphetamine are stored, the officer who took the juvenile into custody shall notify the chief administrative officer of the juvenile’s school (Minn. Stat. § 260C.171, Subd. 6).

313.10 STATE MANDATES AND OTHER RELEVANT LAWS
Minnesota requires or permits the following:

313.10.1 RELEASE OF REPORTS
Information related to incidents of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Minn. Stat. § 626.556, Subd. 11).

313.10.2 CHILD MORTALITY REVIEW PANELS
Child mortality review panels are entitled to access all investigative information of law enforcement agencies regarding the death of a child. This department shall cooperate fully with any such team and investigation (Minn. Stat. § 256.01, Subd. 12).

313.10.3 COORDINATION WITH SOCIAL SERVICES
In every case of child abuse that would require notification to a local county social services agency, the investigating officer shall coordinate the planning and execution of the investigation and assessment efforts to avoid a duplication of fact-finding efforts and multiple interviews. The
investigating officer shall prepare a report separate from the social services agency (Minn. Stat. § 626.556, Subd. 10).

Members may disclose the status of an individual as a predatory offender to a child protection worker who is conducting an assessment of child safety, risk of subsequent child maltreatment, and family strengths and needs under Minn. Stat. § 626.556 (Minn. Stat. § 243.166).

313.10.4 NOTIFICATION PROCESS
The Supervisor in charge of investigations or his/her designee is responsible for ensuring the mandatory notifications to the county social service agency are carried out. This should be achieved, in part, by establishing and reviewing related procedures and through ongoing training (Minn. Stat. § 626.556).

Various types of alerts may be available based upon each situation and the alert system’s individual criteria.

315.3 RESPONSIBILITIES

315.3.1 EMPLOYEE RESPONSIBILITIES
Employees of the New Brighton Department of Public Safety should notify their supervisor, Shift Sergeant or Investigation Section as soon as practicable upon learning of a situation where public notification, a warning or enlisting the help of the media and public could assist in locating a missing person, apprehending a dangerous person or gathering information.

315.3.2 SUPERVISOR RESPONSIBILITIES

315.4 AMBER ALERTS
America’s Missing: Broadcast Emergency Response (AMBER) Alert™ is the recruitment of public assistance to locate an abducted child via a widespread media alert. Utilizing the assistance of local radio, television and press affiliates, the public will be notified of the circumstances of a child’s abduction and how it can assist law enforcement in the child’s recovery. The goal of the AMBER Alert program is the safe return of an abducted child by establishing an effective partnership between the community, the media and law enforcement through the Minnesota Crime Alert Network (Minn. Stat. § 299A.61 Subd. 1).
315.4.1 CRITERIA
Any non-familial case in which an individual is abducted and the public can assist will trigger the activation of either the AMBER Alert and/or the Minnesota Crime Alert Network (MCAN) to inform the public and request its assistance in locating the individual.

The criteria for issuance of an Amber Alert are as follows:

(a) A child 17 years of age or younger was abducted and there is reason to believe the victim is in imminent danger of serious bodily injury or death.

(b) There is information available to disseminate to the general public that could assist with the safe recovery of the victim and/or the apprehension of the suspect.

An AMBER Alert should not be requested if there is no information to distribute.

315.4.2 PROCEDURE
The supervisor shall review the AMBER Alert checklist provided by the Bureau of Criminal Apprehension (BCA) to determine whether the abduction meets the AMBER Alert criteria.

As soon as possible, Records Section personnel shall enter the child's name and other critical data into the National Crime Information Center (NCIC), with appropriate flags.

If the AMBER Alert criteria is met, the supervisor, Shift Sergeant or Investigation Section supervisor will notify the Operations Center at the BCA. The BCA will determine whether an AMBER Alert will be issued and, if so, will activate the Minnesota Emergency Alert System (EAS) through the Minnesota Department of Public Safety (DPS) Division of Homeland Security and Emergency Management (HSEM).

BCA will manage press notifications through the EAS.

As additional information becomes available, the BCA shall be apprised and they will disseminate the information, as appropriate.

When the child is found, or the alert should be cancelled for other reasons, the Investigation Section supervisor shall immediately notify BCA with the pertinent information.

315.5 MINNESOTA CRIME ALERT NETWORK
MCAN is a statewide communications network that enables law enforcement agencies to quickly alert the public (Minn. Stat. § 299A.61). In cases where the AMBER Alert criteria are not met, MCAN can be activated to notify the public and request information on the case. Law enforcement agencies, businesses, schools and community members participate in the network.

315.5.1 CRITERIA
MCAN is available for disseminating information regarding the commission of crimes, including information on missing and endangered children or vulnerable adults, or attempts to reduce theft and other crime.
315.5.2   PROCEDURE
If a supervisor determines that a MCAN alert should be requested, the supervisor should contact the BCA Operations Center and provide the requested information.

The Director or his/her designee should prepare a press release that includes all available information that might strengthen the assistance by the public or other law enforcement agencies. It should be updated with additional information as it becomes available and useful. All media releases should be coordinated with the BCA. In the event of a confirmed child abduction, whether or not an AMBER Alert or MCAN alert is activated, procedures designed to inform the media should be followed. Initial information to release may include, but is not limited to:

(a) The nature of the crime that has occurred.
(b) The victim’s identity, age and description, if relevant.
(c) Photograph if available.
(d) The suspect’s identity, age and description, if known.

Blue Alerts are used to provide a statewide system for the rapid dissemination of information regarding a violent criminal who has seriously injured or killed a local, state or federal law enforcement officer.

315.6.1   CRITERIA
The following criteria should be utilized to determine if a request to activate a Blue Alert will be made:

(b) The investigating law enforcement agency has determined that:
   1. The suspect poses a serious risk to the public or other law enforcement personnel.
   2. Dissemination of available information to the public may help avert further harm or assist in the apprehension of the suspect.
Public Alerts

(c) A description of the offender, the offender’s vehicle (including license plate or partial license plate) is available for broadcast.

315.6.2 PROCEDURE
The on-duty supervisor should ensure that contact is made with the Minnesota Bureau of Criminal Apprehension (BCA) to request activation of a Blue Alert. The New Brighton Department of Public Safety recognizes and places a high priority on the rights of all individuals guaranteed under the constitution and the laws of this state. When such rights are infringed upon by violence, threats or other harassment, this department will utilize all available resources to see that justice is served under the law. This policy has been developed to meet or exceed the provisions of the Matthew Shepard and James Byrd, Jr. Hate Crimes Prevention Act, and provides members of this department with guidelines for identifying and investigating incidents and crimes that may be motivated by hatred or other bias.

317.1.1 FEDERAL JURISDICTION
The federal government also has the power to investigate and prosecute bias-motivated violence by providing the U.S. Department of Justice with jurisdiction over crimes of violence where the perpetrator has selected the victim because of the person's actual or perceived race, color, religion, national origin, gender, sexual orientation, gender identity or disability (18 USC § 245).

317.2 DEFINITIONS
Hate or Prejudice Crime - Conduct that would constitute a crime and was committed because of the victim’s or another’s actual or perceived race, color, religion, national origin, gender, sexual orientation, gender identity or disability (see generally Minn. Stat § 611A.79 Subd. 1).

317.3 PREVENTING AND PREPARING FOR LIKELY HATE OR PREJUDICE CRIMES
While it is recognized that not all crime can be prevented, this department is committed to taking a proactive approach to preventing and preparing for likely hate or prejudice crimes by among other things:

(a) Officers should make an affirmative effort to establish contact with persons and groups within the community who are likely targets of hate crimes to form and cooperate with prevention and response networks.

(b) Providing victim assistance and follow-up as outlined below, including community follow-up.

(c) Educating community and civic groups relating to hate crime laws.

317.4 PROCEDURE FOR INVESTIGATING HATE OR PREJUDICE CRIMES
Whenever any member of this department receives a report of a suspected hate or prejudice crime or other activity that reasonably appears to involve a potential hate or prejudice crime, the following should occur:

(a) Officers will be promptly assigned to contact the victim, witness or reporting party to investigate the matter further as circumstances may dictate.

(b) A supervisor should be notified of the circumstances as soon as practicable.
Hate or Prejudice Crimes

(c) Once “in progress” aspects of any such situation have been stabilized (e.g., treatment of victims or apprehension of present suspects), the assigned officers will take all reasonable steps to preserve available evidence that may tend to establish that a hate or prejudice crime was involved.

(d) The assigned officers will interview available witnesses, victims and others to determine what circumstances, if any, indicate that the situation may involve a hate or prejudice crime.

(e) Depending on the situation, the assigned officers or supervisor may request additional assistance from investigators or other resources to further the investigation.

(f) The assigned officers will include all available evidence indicating the likelihood of a hate or prejudice crime in the relevant report(s). All related reports will be completed and submitted by the assigned officers before the end of the shift.

(g) The assigned officers will provide the victim(s) of any suspected hate or prejudice crime with a Crime Victim Information card authorized by the Department. Such brochures will also be available to members of the public upon request. The assigned officers should also make reasonable efforts to assist the victim(s) by providing available information on local assistance programs and organizations as required by the Victim Assistance Policy.

(h) The assigned officers and supervisor should take reasonable steps to ensure that any such situation does not escalate further and provide information to the victim regarding legal aid, e.g., a possible Temporary Restraining Order through the courts, prosecuting attorney or City Attorney.

317.5 INVESTIGATION SECTION RESPONSIBILITIES
If a case is assigned to the Investigation Section, the assigned investigator will be responsible for following up on the reported hate or prejudice crime as follows:

(a) Coordinating further investigation with the prosecuting attorney and other appropriate law enforcement agencies, as appropriate.

(b) Maintaining contact with the victim(s) and other involved individuals as needed.

(c) Maintaining statistical data and tracking of suspected hate or prejudice crimes as indicated or required by state law.

317.5.1 STATE HATE CRIME REPORTING
This department shall report hate or prejudice crime offenses in the form and manner and at regular intervals as prescribed by rules adopted by the Department of Public Safety. This shall be conducted by the Office Supervisor or assigned to the Investigation Section (Minn. Stat. § 626.5531, Subd. 2).

Reports are required to include (Minn. Stat. 626.5531, Subd. 1):
Hate or Prejudice Crimes

(a) The date of the offense.
(b) The location of the offense.
(c) Whether the target of the incident was a person, private property or public property.
(d) The crime committed.
(e) The type of bias and information about the offender and the victim that is relevant to that bias.
(f) Any organized group involved in the incident.
(g) The disposition of the case.
(h) Whether the determination that the offense was motivated by bias was based on the officer’s reasonable belief or on the victim’s allegation.
(i) Any additional information the superintendent deems necessary for the acquisition of accurate and relevant data.

317.5.2 FEDERAL HATE CRIME REPORTING
The Office Supervisor should include hate crime data reporting within the National Incident-Based Reporting System (NIBRS), Uniform Crime Report (UCR) and Summary Reporting System (SRS) reports pursuant to Records Section procedures and in compliance with (28 USC § 534 (a)).

317.6 TRAINING
All members of this department will receive training on hate and prejudice crime recognition and investigation and will attend periodic training that incorporates a hate and prejudice crime training component (Minn. Stat. § 626.8451, Subd. 1 and Subd. 4).
Report Preparation

318.1 PURPOSE AND SCOPE
Report preparation is a major part of each employee’s job. The purpose of reports is to document sufficient information to refresh the employee’s memory and to provide sufficient information for follow-up investigation and successful prosecution. Report writing is the subject of substantial formalized and on-the-job training.

318.1.1 REPORT PREPARATION
Employees should ensure that their reports are sufficient for their purpose and reasonably free of errors prior to submission. It is the responsibility of the assigned employee to complete and submit all reports taken during the shift before going off-duty, unless permission to hold the report has been approved by a supervisor. Generally, reports requiring prompt follow-up action on active leads, or arrest reports where the suspect remains in custody should not be held.

Employees who generate reports on computers are subject to all requirements of this policy.

All reports shall accurately reflect the identity of the persons involved, all pertinent information seen, heard or assimilated by any other sense and any actions taken. Employees shall not suppress, conceal or distort the facts of any reported incident nor shall any employee make a false report orally or in writing. Generally, the reporting employee’s opinions should not be included in reports unless specifically identified as such.

318.2 REQUIRED REPORTING
Written reports are required in all of the following situations on the appropriate Department-approved form unless otherwise approved by a supervisor.

318.2.1 CRIMINAL ACTIVITY

Reports shall be taken if an injury occurs that is a result of an act of a City employee. Additionally, reports shall be taken involving damage to City property or City equipment.

(b) Attempted suicide.
(c) The injury is major or serious, whereas death could result.
(d) The circumstances surrounding the incident are suspicious in nature and it is desirable to record the event.

The above reporting requirements are not intended to be all-inclusive. A supervisor may direct an employee to document any incident he/she deems necessary.

318.2.6

318.3 GENERAL POLICY OF EXPEDITIOUS REPORTING
In general, all employees and supervisors shall act with promptness and efficiency in the preparation and processing of all reports. An incomplete report, unorganized reports or reports delayed without supervisory approval are not acceptable. Reports shall be processed according to established priorities or according to special priority necessary under exceptional circumstances.

318.4 REPORT CORRECTIONS
Supervisors shall review reports for content and accuracy. If a correction is necessary, the reviewing supervisor should send the report back to the officer stating the reasons for rejection. The original report and the correction form should be returned to the reporting employee for correction as soon as practicable. It shall be the responsibility of the originating employee to ensure that any report returned for correction is processed in a timely manner.

318.5 REPORT CHANGES OR ALTERATIONS
Reports that have been approved by a supervisor and submitted to the Records Section for filing and distribution shall not be modified or altered except by way of a supplemental report. The Records Section shall ensure that the report received from the health professional is forwarded to the commissioner of the Department of Health (Minn. Stat. § 626.53, Subd. 2). If the injury resulted from a hunting incident, the Records Section shall ensure that the findings of the investigation are forwarded to the commissioner of the Department of Natural Resources using the form provided by the commissioner (Minn. Stat. § 626.553, Subd. 1).
Media Relations

319.1 PURPOSE AND SCOPE
This policy provides guidelines for media releases and media access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities.

319.2 RESPONSIBILITIES
The ultimate authority and responsibility for the release of information to the media shall remain with the Director of Public Safety. However, in situations not warranting immediate notice to the Director of Public Safety and in situations where the Director of Public Safety has given prior approval, Deputy Directors, Shift Sergeants and designated Public Information Officer(s) may prepare and release information to the media in accordance with this policy and the applicable law.

319.2.1 MEDIA REQUEST
Any media request for information or access to a law enforcement situation shall be referred to the designated Department media representative, or if unavailable, to the first available supervisor. Prior to releasing any information to the media, employees shall consider the following:

(a) At no time shall any employee of this department make any comment or release any official information to the media without prior approval from a supervisor or the designated Department media representative.

(b) In situations involving multiple law enforcement agencies, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this department.

(c) Under no circumstance should any member of this department make any comment(s) to the media regarding any law enforcement incident not involving this department without prior approval of the Director of Public Safety.

319.3 MEDIA ACCESS
Authorized members of the media shall be provided access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities subject to the following conditions:

(a) The media representative shall produce valid press credentials that shall be prominently displayed at all times while in areas otherwise closed to the public.

(b) Media representatives may be prevented from interfering with emergency operations and criminal investigations.

1. Reasonable effort should be made to provide a safe staging area for the media that is near the incident and that will not interfere with emergency or criminal investigation operations. All information released to the media should
be coordinated through the department Public Information Officer or other designated spokesperson.

(c) No member of this department shall be required to submit to media visits or interviews without the consent of the involved employee.

(d) Media interviews with individuals who are in custody shall not be permitted unless in compliance with a jail facility policy. Exceptions are only permitted with the approval of the Director of Public Safety and the express written consent of the person in custody.

319.3.1 TEMPORARY FLIGHT RESTRICTIONS
Whenever the presence of media or other aircraft poses a threat to public or officer safety or significantly hampers incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for a TFR should be routed through the Shift Sergeant/Supervisor. The TFR request should include specific information regarding the perimeter and altitude necessary for the incident and should be requested through the appropriate control tower. If the control tower is not known, the Federal Aviation Administration should be contacted (14 CFR 91.137).

319.3.2 PROVIDING ADVANCE INFORMATION
To protect the safety and rights of officers and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the news media nor should media representatives be invited to be present at such actions except with the prior approval of the Director of Public Safety.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception, the Director of Public Safety will consider, at minimum, whether the release of information or presence of the media would unreasonably endanger any individual, prejudice the rights of any person or is otherwise prohibited by law.

319.4 SCOPE OF INFORMATION SUBJECT TO RELEASE
The Department will maintain a weekly information log of significant law enforcement activities that shall be made available, upon request, to media representatives through the Office Supervisor. This log will consist of data classified as public and should generally contain the following information (Minn. Stat. § 13.82):

(a) The date, time, location, case number, type of crime, extent of injury or loss and names of individuals (except confidential informants) involved in crimes occurring within this jurisdiction, unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation.

(b) The date, time, location, case number, name, birth date and charges for each person arrested by this department, unless the release of such information would endanger
Media Relations

the safety of any individual or jeopardize the successful completion of any ongoing investigation.

(c) The time and location of other significant law enforcement activities or requests for service with a brief summary of the incident subject to the restrictions of this policy and applicable law.

Any requests for copies of related reports or additional information not contained in this log shall be referred to the designated media representative, the custodian of records, or if unavailable, to the Shift Sergeant. Such requests will generally be processed in accordance with the provisions of the Minnesota Government Data Practices Act (Minn. Stat. § 13.03).

319.4.1 STATE RESTRICTED INFORMATION
It shall be the responsibility of the authorized employee dealing with media requests to ensure that restricted information is not inappropriately released to the media by this department (see the Records Maintenance and Release Policy and the Personnel Records Policy). When in doubt, authorized and available legal counsel should be obtained.
Court Appearance and Subpoenas

320.1 PURPOSE AND SCOPE
This policy establishes the guidelines for department members who must appear in court. It will allow the New Brighton Department of Public Safety to cover any related work absences and keep the Department informed about relevant legal matters.

320.2 POLICY
New Brighton Department of Public Safety members will respond appropriately to all subpoenas and any other court-ordered appearances.

320.3 SUBPOENAS
Only department members authorized to receive a subpoena on behalf of this department or any of its members may do so (Minn. R. Civ. P. 45.02; Minn. R. Crim. P. 22.03).

A court notice from a prosecutor or other government attorney may be served by delivery to the member’s workstation or mail box. Members shall check for delivery of such documents during each shift worked.

Subpoenas shall not be accepted in a civil action in which the member or Department is not a party without properly tendered fees pursuant to applicable law (Minn. Stat. § 357.23; Minn. R. Civ. P. 45.03).

320.3.1 SPECIAL NOTIFICATION REQUIREMENTS
Any member who is subpoenaed to testify, agrees to testify or provides information on behalf of or at the request of any party other than the City Attorney or the prosecutor shall notify his/her immediate supervisor without delay regarding:

(a) Any civil case where the City or one of its members, as a result of his/her official capacity, is a party.

(b) Any civil case where any other city, county, state or federal unit of government or a member of any such unit of government, as a result of his/her official capacity, is a party.

(c) Any criminal proceeding where the member is called to testify or provide information on behalf of the defense.

(d) Any civil action stemming from the member’s on-duty activity or because of his/her association with the New Brighton Department of Public Safety.

(e) Any personnel or disciplinary matter when called to testify or to provide information by a government entity other than the New Brighton Department of Public Safety.

The supervisor will then notify the Director of Public Safety and the appropriate prosecuting attorney as may be indicated by the case. The Director of Public Safety should determine if additional legal support is necessary. No member shall be retaliated against for testifying in any matter.
Court Appearance and Subpoenas

320.3.2 CIVIL SUBPOENA
The Department will compensate members who appear in their official capacities on civil matters arising out of their official duties, in accordance with any collective bargaining agreement.

The Department should seek reimbursement for the member’s compensation through the civil attorney of record who subpoenaed the member.

320.3.3 OFF-DUTY RELATED SUBPOENAS
Members receiving valid subpoenas for off-duty actions not related to their employment or appointment will not be compensated for their appearance. Arrangements for time off shall be coordinated through their immediate supervisors.

320.4 FAILURE TO APPEAR
Any member who fails to comply with the terms of any properly served subpoena or court-ordered appearance may be subject to discipline. This includes properly served orders to appear that were issued by a state administrative agency.

320.5 STANDBY
To facilitate standby agreements, members are required to provide and maintain current information on their addresses and contact telephone numbers with the Department.

If a member on standby changes his/her location during the day, the member shall notify the designated department member of how he/she can be reached. Members are required to remain on standby until released by the court or the party that issued the subpoena.

320.6 COURTROOM PROTOCOL
When appearing in court, members shall:

(a) Be punctual and prepared to proceed immediately with the case for which they are scheduled to appear.

(b) Dress in the department Class A uniform or business attire. Members currently on-duty may appear in the uniform of the day.

(c) Observe all rules of the court in which they are appearing and remain alert to changes in the assigned courtroom where their matter is to be heard.

320.6.1 TESTIMONY
Before the date of testifying, the subpoenaed member shall request a copy of relevant reports and become familiar with the content in order to be prepared for court.

320.7 OVERTIME APPEARANCES
When a member appears in court on his/her off-duty time, he/she will be compensated in accordance with any current collective bargaining agreement.
Outside Agency Assistance

321.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid or when assisting another law enforcement agency.

321.2 POLICY
It is the policy of the New Brighton Department of Public Safety to promptly respond to requests for assistance by other law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this department.

321.3 ASSISTING OUTSIDE AGENCIES
Generally, requests for any type of assistance from another agency should be routed to the Shift Supervisor or Shift Sergeant for approval. Any such response to assist an outside agency may be considered for authorization regardless of whether an agreement for reciprocal aid under Minn. Stat. § 626.76, Subd. 1 exists. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests.

When another law enforcement agency requests assistance from this department, the Shift Supervisor or Shift Sergeant may authorize, if available, an appropriate number of personnel to assist. Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this department.

Officers may respond to a request for emergency assistance; however, they shall notify a supervisor of their activity as soon as practicable.

Arrestees may be temporarily detained by this department until arrangements for transportation are made by the outside agency. Probation violators who are temporarily detained by this department will not ordinarily be booked at this department. Only in exceptional circumstances, and subject to supervisor approval, will this department provide transportation of arrestees to other facilities on behalf of another agency.

When transportation assistance is rendered, a report shall be prepared and submitted by the handling member unless otherwise directed by a supervisor.

321.3.1 AGREEMENTS
The Department may, at the discretion of the Director of Public Safety, establish an agreement with another law enforcement agency to (Minn. Stat. § 626.76, Subd.1):

(a) Assist other peace officers in the line of their duty and within the course of their employment.

(b) Exchange department peace officers with peace officers of another agency on a temporary basis.
Outside Agency Assistance

321.3.2 INITIATED ACTIVITY
Any on-duty officer who engages in law enforcement activities of any type that are not part of a mutual aid request and take place outside the jurisdiction of the New Brighton Department of Public Safety shall notify his/her supervisor or the Shift Sergeant and Emergency Communications Center as soon as practicable. This requirement does not apply to special enforcement details or multi-agency units that regularly work in multiple jurisdictions.

321.4 REQUESTING OUTSIDE ASSISTANCE
If assistance is needed from another agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

321.5 REPORTING REQUIREMENTS
Incidents of outside assistance or law enforcement activities shall be documented in a report or as directed by the Shift Sergeant/Shift Supervisor.
Registered Predatory Offender

322.1 PURPOSE AND SCOPE
This policy establishes guidelines by which the New Brighton Department of Public Safety will address issues associated with certain offenders who are residing in the jurisdiction and how the Department will disseminate information and respond to public inquiries for information about registered offenders.

322.2 POLICY
It is the policy of the New Brighton Department of Public Safety to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

322.3 REGISTRATION
The Investigation Section supervisor shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Those assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the Bureau of Criminal Apprehension (BCA) in accordance with Minn. Stat. § 243.166 within three days of the registration. Registration and updated information from a person who lacks a primary residence shall be forwarded within two business days. Updated primary address information from any registered predatory offender shall also be forwarded within two business days (Minn. Stat. § 243.166).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

322.3.1 REGISTRATION PROCESS
When an offender arrives to register with this department, the assigned investigator should:

(a) Determine in what state the offense was committed.
(b) Confirm the individual is required to register by reviewing the list of Minnesota offenses on the BCA’s Predatory Offender Registration website (651-793-707 or 1-888-234-1248) or in the BCA Predatory Offender Registration (POR) Manual that is available on the BCA’s secure website.
(c) If a person is required to register, search the BCA’s secure website to verify whether the offender is already registered and a DNA sample has been submitted.
Registered Predatory Offender

(d) If the offender is already registered, complete a Change of Information Form (available on the BCA’s secure website).

(e) If the offender is not registered, complete a POR Form (available at BCA’s secure website).

(f) If the offender is from another state, contact the state (information for each state is listed on the BCA’s website) and request a copy of the offender’s original registration form, criminal complaint and sentencing documents.

1. Documents obtained should be submitted to the BCA with a registration form.
2. The BCA will determine if registration is required and inform the department and the offender.

Additional information regarding offender registration is available in the POR Manual or by contacting the Predatory Offender Unit by phone or through the BCA secure website.

322.3.2 GUIDELINES AND FORMS
The registration process shall be in accordance with Minn. Stat. § 243.166 and follow the guidelines implemented by the BCA. Forms used in the registration process are available from the secure website operated by the BCA.

322.3.3 NOTIFICATION TO REGISTRANTS
The registration process established by the Investigation Section supervisor should include procedures for determining whether an individual requires notification of his/her requirement to register because the individual was not otherwise notified of the requirement by the sentencing court or assigned a corrections agent (Minn. Stat. § 243.166).

322.4 MONITORING OF REGISTERED OFFENDERS
The Investigation Section supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

(a) Efforts to confirm residence using an unobtrusive method, such as an internet search or drive-by of the declared residence.

(b) Review of information on the BCA secure website or the Department of Corrections Offender Information (DOC) website.

(c) Contact with a registrant’s parole or probation officer, if any.

Any discrepancies should be reported to BCA in writing.

The Investigation Section supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to New Brighton Department of Public Safety personnel who have a need to know, including timely updates regarding new or relocated registrants.
322.5 DISSEMINATION OF PUBLIC INFORMATION
Members will not make a public notification advising the community of a particular registrant’s presence in the community without permission from the Director of Public Safety. Members who believe notification is appropriate should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Director of Public Safety if warranted. A determination will be made by the Director of Public Safety based on statutory requirements, with the assistance of legal counsel as necessary, whether such a public alert should be made.

The Office Supervisor shall release local registered offender information to residents in accordance with state law (Minn. Stat. § 244.052; Minn. Stat. § 243.166, Subd. 7; Minn. Stat. § 13.01 et seq.) and in compliance with a Minnesota Government Data Practices Act request.

Any questions/concerns related to Dissemination of Public Information can be directed to the Risk Assessment/Community Notification Unit of the Department of Corrections.

322.5.1 MANDATORY DISSEMINATION
The Department shall provide and release predatory offender data, or updated data, obtained from the DOC based upon the offender’s status of a Level 1, 2, or 3.

The Department shall continue to disclose data on an offender as required by law for as long as the offender is required to register under Minn. Stat. § 243.166.

Disclosure to the health care facility of the status of any registered predatory offender under Minn. Stat. § 243.166 who is receiving inpatient care shall be made by this department (Minn. Stat. § 244.052, Subd. 4c).

The Department shall provide an offender’s change of status to the entities and individuals who were initially notified if the Department becomes aware that the area where notification was made is no longer where the offender resides, is employed, or is regularly found (Minn. Stat. § 244.052, Subd. 4).

322.5.2 LEVEL 1 DISCLOSURE
Data maintained by law enforcement may be subject to limited disclosure (Minn. Stat. § 244.052, Subd. 4) (refer to the DOC document “Confidential Fact Sheet - For Law Enforcement Agency Use Only” or other DOC guidance):

(a) Mandatory disclosure:

   1. Other witnesses or victims
   2. Other law enforcement agencies
322.5.3 LEVEL 2 DISCLOSURE

Data is subject to limited disclosure for the purpose of securing institutions and protecting individuals in their care while they are on or near the premises of the institution (Minn. Stat. § 244.052, Subd. 4) (refer to DOC document “Law Enforcement Agency Fact Sheet - Notification of Release in Minnesota - Risk Level 2” or other DOC guidance):

(a) In addition to Level 1 disclosure, the Department may disclose data to:

1. Staff members of public and private educational institutions, day care establishments and establishments that primarily serve individuals likely to be victimized by the offender.
2. Individuals likely to be victimized by the offender.

(b) Discretionary notification must be based on the offender’s pattern of offending or victim preference as documented by the DOC or the Minnesota Department of Human Services (DHS).

322.5.4 LEVEL 3 DISCLOSURE

Data is subject to disclosure not only to safeguard facilities and protect the individuals they serve but also to protect the community as a whole (Minn. Stat. § 244.052, Subd. 4) (refer to the DOC document “Law Enforcement Agency Fact Sheet - Notification of Release in Minnesota” or other DOC guidance):

(a) The Department shall disclose information to the persons and entities provided for Level 1 and 2 disclosures.

(b) The Department shall disclose data to other members of the community that the offender is likely to encounter unless public safety would be compromised by the disclosure or a more limited disclosure is necessary to protect the identity of the victim.

(c) A good faith effort must be made to complete the disclosure within 14 days of receiving a confirmed address from the DOC.

(d) The process of notification is determined by this department. The DOC has recommended that the community be invited to a public meeting and disclose the necessary data. Assistance is available from the DOC Risk Assessment/Community Notification (RA/CN) Unit.

Data disclosed to the public of a Level 3 predatory offender shall be forwarded to the DOC within two days of the department's determination to disclose (Minn. Stat. § 244.052, Subd. 4(g)).

322.5.5 HEALTH CARE FACILITY NOTIFICATION

Upon notice that a registered predatory offender is planning to be in this jurisdiction or has been admitted to a health care facility or home care provider in this jurisdiction, this department shall provide a fact sheet to the facility administrator with the following data (Minn. Stat. § 243.166, Subd. 4b) (refer to the DOC documents, “Law Enforcement Agency Fact Sheet Health Care Facility Notification Data on a Registered Offender Not For Distribution to Facility Residents” and “Law Enforcement Agency Fact Sheet Health Care Facility Notification Data on a Registered Offender For Distribution to Facility Residents” or other DOC guidance):
Registered Predatory Offender

(a) Name and physical description of the offender
(b) Offender’s conviction history, including the dates of conviction

(d) Profile of likely victims

322.5.6 SPECIALIZED NOTIFICATION
Offenders from other states and offenders released from federal facilities are also subject to notification (Minn. Stat. § 244.052, Subd. 3a):

(a) If this department learns that a person under its jurisdiction is subject to registration and desires consultation on whether the person is eligible for notification, the Department must contact the DOC. The DOC will review the governing law of the other state and, if comparable to Minnesota requirements, inform this department whether to proceed with community notification in accordance with the level assigned by the other state.

(b) If the DOC determines that the governing law in the other state is not comparable, community notification by this department may be made consistent with that authorized for risk Level 2.

(c) If this department believes that a risk level assessment is needed, the Department may request an end-of-confinement review. The Department shall provide to the DOC the necessary documents required to assess a person for a risk level.

322.5.7 VICTIM NOTIFICATION
If a predatory offender resides, expects to reside, is employed or is regularly found in this jurisdiction, the Department shall provide victims who have requested notification with data that is relevant and necessary to protect the victim. Information disclosed should be obtained from the risk assessment report provided by DOC (Minn. § Stat. 244.052, Subd. 3).

The DOC will provide victim contact data to this department when there is a victim who has requested notification (refer to the DOC document “Victim Data Confidential for Law Enforcement Agency Use Only”).

It may be appropriate for members of the Department to directly contact the victim. Community victim advocacy or prosecutor resources may also be available to assist with locating and notifying a victim. Assistance is also available from the DOC victim services staff.

Members of the Department may contact other victims, witnesses and other individuals who are likely to be victimized by the offender.

322.5.8 HOMELESS NOTIFICATION PROCESS
If public notice (Level 2 or 3) is required on a registered homeless offender, that notice should be as specific as possible. These offenders are required to check in weekly with local law enforcement, unless an alternative reporting procedure is approved by the Investigation Section supervisor (Minn. Stat. § 243.166, Subd. 3a).
322.5.9 LIMITATIONS OF RELEASE OF DATA
Disclosures permitted or required for Level 2 or 3 offenders shall not be made if the offender is placed or resides in a DOC-licensed residential facility. Upon notification that the offender is released to a permanent address, the disclosures permitted or required by law shall be made (Minn. Stat. § 244.052, Subd. 4). Data regarding the victim or witnesses shall not be disclosed (Minn. Stat. § 244.052, Subd. 4(e)).

The broadest disclosures authorized under Minn. Stat. § 244.052, Subd. 4 may still be made for certain offenders (sexually dangerous persons or persons with a sexual psychopathic personality) even though still residing in a residential facility (Minn. Stat. § 253D.32, Subd. 1).

322.6 DISCLOSURE TO LOCAL WELFARE AGENCY
Upon request, members may disclose the status of an individual as a predatory offender to a child protection worker who is conducting an assessment of child safety, risk of subsequent child maltreatment, and family strengths and needs under Minn. Stat. § 626.556 (Minn. Stat. § 243.166).
Major Incident Notification

323.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance to members of this department in determining when, how and to whom notification of major incidents should be made.

323.2 POLICY
The New Brighton Department of Public Safety recognizes that certain incidents should be brought to the attention of supervisors or other specified personnel of this department to facilitate the coordination of activities and ensure that inquiries from the media and the public may be properly addressed.

323.3 MINIMUM CRITERIA FOR NOTIFICATION
Most situations where the media show a strong interest are also of interest to the Director of Public Safety and the affected Deputy Director. The following list of incident types is provided as a guide for notification and is not intended to be all inclusive:

- Homicides.
- Traffic collisions with fatalities.
- Officer-involved shooting, whether on- or off-duty (See Officer-Involved Shooting Policy for special notifications).
- Significant injury or death to an employee, whether on- or off-duty.
- Death of a prominent New Brighton official.
- Arrest of Department employee or prominent New Brighton official.
- Aircraft crash with major damage and/or injury or death.
- In-custody deaths.
- Any other incident, which has or is likely to attract significant media attention.

323.4 SHIFT SUPERVISOR RESPONSIBILITIES
The Shift Sergeant/Supervisor is responsible for making the appropriate notifications. The Shift Sergeant/Supervisor shall make reasonable attempts to obtain as much information on the incident as possible before notification. The Shift Sergeant/Supervisor shall attempt to make the notifications as soon as practicable. Notification should be made by using the call notification protocol.

323.4.1 STAFF NOTIFICATION
In the event an incident occurs as identified in the Minimum Criteria for Notification, the Director of Public Safety shall be notified along with the affected Deputy Director.
Major Incident Notification

323.4.2 DETECTIVE NOTIFICATION
If the incident requires that an officer or investigator respond from home, the immediate supervisor of the appropriate detail shall be contacted.
Death Investigation

324.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for situations where officers initially respond to and investigate the circumstances of a deceased person.

Some causes of death may not be readily apparent and some cases differ substantially from what they appeared to be initially. The thoroughness of death investigations and the use of appropriate resources and evidence gathering techniques is critical.

324.2 INVESTIGATION CONSIDERATIONS
Death investigation cases require certain actions be taken. Emergency Medical Services shall be called in all suspected death cases unless the death is obvious. Peace officers are not authorized to pronounce death. A supervisor shall be notified in all death investigations. The Senior Detective or their designee shall be contacted on all deaths occurring outside of a health care facility and at health care facilities where suspicious circumstances exist.

324.2.1 MEDICAL EXAMINER REQUEST
The Medical Examiner shall be called on all deaths occurring outside of a health care facility and at health care facilities where suspicious circumstances exist. (Minn. Stat. § 390.11):

324.2.2 SEARCHING DEAD BODIES
The Medical Examiner or his/her assistants and authorized investigators are generally the only persons permitted to move, handle or search a dead body (Minn. Stat. § 390.221).

An officer shall make a reasonable search of an individual who it is reasonable to believe is dead, or near death, for information identifying the individual as an organ donor or as an individual who made a refusal. If a donor document is located, the Medical Examiner shall be promptly notified (Minn. Stat. § 525A.12).

Should exigent circumstances indicate to an officer that any other search of a known dead body is warranted prior to the arrival of the Medical Examiner, the investigating officer shall first obtain verbal consent from the Medical Examiner office.

The Medical Examiner is required to release property or articles to law enforcement that are necessary for conducting an investigation unless reasonable basis exists pursuant to Minn. Stat. § 390.225 Subd. 2 to not release the property or articles (Minn. Stat. § 390.221).

Whenever reasonably possible, a witness, preferably a relative of the deceased or a member of the household, should be requested to remain nearby the scene and available to the officer, pending the arrival of the Medical Examiner.

The name and address of this person shall be included in the narrative of the death report.
Death Investigation

324.2.3 DEATH NOTIFICATION
When practicable, and if not handled by the Medical Examiner, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification. If the relatives live outside this county, the Medical Examiner may be requested to make the notification. The Medical Examiner needs to know if notification has been made. Assigned investigators may need to talk to the next-of-kin.

If a deceased person has been identified as a missing person, this department shall contact the agency that originated the initial missing persons report and work with that agency to locate family members and inform them of the death and the location of the deceased missing person's remains. All efforts to locate and notify family members shall be recorded in appropriate reports and properly retained (Minn. Stat. § 390.25 Subd. 2 (b)).

This department shall immediately notify the New Brighton Fire Marshal and/or the State Fire Marshal when a human death results from a fire, (Minn. Stat. § 299F.04 Subd. 5 (b)).

324.2.4 UNIDENTIFIED BODIES DATA ENTRY
As soon as reasonably possible, but no later than 30 working days after the date a death is reported to the Department, any information or items pertaining to identifying features of the unidentified body, dental records, fingerprints, any unusual physical characteristics, description of clothing or personal belongings found on or with the body, that are in the possession of NBDPS shall be forwarded to the Medical Examiner for transmission to the BCA for eventual entry into systems designed to assist in the identification process, such as the Missing Children and Missing Persons Information Clearinghouse and the National Crime Information Center (NCIC) files (Minn. Stat. § 390.25 Subd. 2 (a)).

324.2.5 SUSPECTED HOMICIDE
If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the officer shall take steps to protect the scene and the Shift Supervisor shall be notified to determine the possible need for an investigator to respond to the scene for further immediate investigation.

If the lead investigator is unable to determine the manner of death, the investigation shall proceed as though it is a homicide.

The investigator of a homicide or suspicious-circumstances death may, with the approval of his/her supervisor, request the Medical Examiner to conduct physical examinations and tests and provide a report with the costs borne by the Department (Minn. Stat. § 390.251).

324.2.6 EMPLOYMENT RELATED DEATHS OR INJURIES
Any member of this agency who responds to and determines that a death, serious illness or serious injury has occurred as a result of an accident at or in connection with the victim's employment, should ensure that the nearest office of the Minnesota Department of Labor and Industry is notified with all pertinent information.
Identity Theft

325.1 PURPOSE AND SCOPE
Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

325.2 REPORTING
(a) A report shall be taken any time a person living within the jurisdiction of the New Brighton Department of Public Safety reports that he/she has been a victim of identity theft (Minn. Stat. § 609.527, Subd. 5). This includes:
   1. Taking a report even if the location of the crime is outside the jurisdiction of this department or has not been determined.
   2. Providing the victim with department information, as set forth in the Victim and Witness Assistance Policy. Officers should encourage the individual to review the material, and assist with any questions.
(b) A report should also be taken if a person living outside the department jurisdiction reports an identity theft that may have been committed or facilitated within this jurisdiction (e.g., use of a post office box in New Brighton to facilitate the crime).
(c) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim’s name when the victim has never made such an application).
(d) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and the Department of Public Safety's Driver and Vehicle Services Division) with all known report numbers.
(e) Following supervisory review and Department processing, the initial report should be forwarded to the appropriate investigator for follow-up investigation, coordination with other agencies and prosecution as circumstances dictate.

325.3 PREVENTATIVE MEASURES
The victim should be advised to place a security freeze on his/her consumer report as allowed by law (Minn. Stat. § 13C.016 Subd. 2). A victim may also access the Minnesota Attorney General's office for additional detailed information.

325.4 VICTIM DATA
The victim may be provided the Consent to Create an FBI Identity Theft File Form and a Notice About Providing Your Social Security Number. These completed forms should be submitted to the Records Section for appropriate filing and entry into the NCIC Identity Theft File. Forms and details are available on the Bureau of Criminal Apprehension identity theft website.
325.5 INFORMATION
The victim should also be encouraged to contact the Federal Trade Commission (FTC), which is responsible for receiving and processing complaints under the Identity Theft and Assumption Deterrence Act. The victim can contact the FTC online or by telephone. Additional information may be found at the U.S. Department of Justice (USDOJ) website.
Private Persons Arrests

326.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance for the handling of private person’s arrests made pursuant to Minn. Stat. § 629.30 Subd. 2 (4).

326.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS
All officers shall advise civilians of the right to make a private person’s arrest, including advice on how to safely execute such an arrest. In all situations, officers should use sound discretion in determining whether to advise an individual of the arrest process.

(a) When advising any individual regarding the right to make a private person’s arrest, officers should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest, as listed below.

(b) Private individuals should be discouraged from using force to effect a private person’s arrest. Absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.

(c) Private individuals shall be informed of the requirement to take the arrested person before a judge or to a peace officer without unnecessary delay (Minn. Stat. § 629.39).

326.3 ARRESTS BY PRIVATE PERSONS
A private person may arrest another under the following circumstances (Minn. Stat. § 629.37):

(a) For a public offense committed or attempted in his/her presence.

(b) When the person arrested has committed a felony, although not in his/her presence.

(c) When a felony has been committed and he/she has reasonable cause for believing the person to be arrested committed the felony.

(d) When directed by a judge or a peace officer to arrest another person (Minn. Stat. § 629.403).

326.4 OFFICER RESPONSIBILITIES
Any officer presented with a private person wishing to make an arrest must determine whether there is reasonable cause to believe that such an arrest would be lawful.

(a) Should any officer determine that there is no reasonable cause to believe that a private person’s arrest is lawful, the officer should take no action to further detain or restrain
the individual beyond that which reasonably appears necessary to investigate the matter, determine the lawfulness of the arrest and protect the public safety.

1. Any officer who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual. The officer must include the basis of such a determination in a related report.

2. Absent reasonable cause to support a private person’s arrest or other lawful grounds to support an independent arrest by the officer, the officer should advise the parties that no arrest will be made and that the circumstances will be documented in a related report.

3. Both parties should be given the opportunity to fill out a statement form to document their version of the events.

(b) Whenever an officer determines that there is reasonable cause to believe that a private person’s arrest is lawful, the officer may exercise any of the following options:

1. Take the individual into physical custody for booking.
2. Release the individual upon a misdemeanor citation or pending formal charges.

326.5 REPORTING REQUIREMENTS
In all circumstances in which a private person is claiming to have made an arrest, the individual must complete a statement form. If the person fails or refuses to do so the arrest subject shall be released unless the officer has an independent reason to take the person into custody.

In addition to filling out a statement form (and any other related documents, such as citations and booking forms), officers shall complete a narrative report regarding the circumstances and disposition of the incident.
Limited English Proficiency Services

327.1 PURPOSE AND SCOPE
This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

327.1.1 DEFINITIONS
Definitions related to this policy include:

Authorized interpreter - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

Interpret or interpretation - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

Limited English proficient (LEP) - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations. This includes individuals who, because of difficulty in speaking or comprehending the English language, cannot fully understand any charges made against them, the seizure of their property, or they are incapable of presenting or assisting in the presentation of a defense (Minn. Stat. § 611.31).

Qualified bilingual member - A member of the New Brighton Department of Public Safety, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

Translate or translation - The replacement of written text from one language (source language) into an equivalent written text (target language).

327.2 POLICY
It is the policy of the New Brighton Department of Public Safety to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.
327.3 FOUR-FACTOR ANALYSIS
Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

(a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.

(b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.

(c) The nature and importance of the contact, program, information or service provided.

(d) The cost of providing LEP assistance and the resources available.

327.4 TYPES OF LEP ASSISTANCE AVAILABLE
New Brighton Department of Public Safety members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual’s primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

327.5 WRITTEN FORMS AND GUIDELINES
Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

327.6 CONTACT AND REPORTING
While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.
Limited English Proficiency Services

Whenever any member of this department is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

327.7 FIELD ENFORCEMENT
Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

327.8 INVESTIGATIVE FIELD INTERVIEWS
In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any Miranda warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated Miranda warning card.

The use of an LEP individual’s bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.
327.9  CUSTODIAL INTERROGATIONS
Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. Miranda warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

327.9.1  OTHER TIMING AND NOTIFICATION MANDATES
The investigating or arresting officer shall immediately make necessary contacts to get an authorized interpreter for an in-custody LEP person at the earliest possible time in order to assist the person throughout the interrogation or taking of a statement. This applies even when the interrogation will be conducted by a bilingual member (Minn. Stat. § 611.32).

The following shall be explained to the LEP person with the assistance of the authorized interpreter (Minn. Stat. § 611.32):

(a) All charges filed against the person
(b) All procedures relating to the person’s detainment and release
(c) In the case of any seizure under the provisions of the Asset Forfeiture Policy:
   1. The possible consequences of the seizure
   2. The person’s right to judicial review

327.9.2  OATH
Every authorized interpreter shall be administered and take the following oath prior to assisting in taking a statement related to a criminal matter from an in-custody LEP person (Min. Stat. § 611.33):

“I will make, to the best of my skill and judgment, a true interpretation to the person being examined of all the proceedings, in a language which said person understands, and to repeat the statements, in the English language, of said person to the officials before whom the proceeding is taking place.”

327.10  COMPLAINTS
The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.
Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

**327.11 COMMUNITY OUTREACH**
Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

**327.12 TRAINING**
To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Deputy Director shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Deputy Director shall maintain records of all LEP training provided, and will retain a copy in each member’s training file in accordance with established records retention schedules.
Communications with Persons with Disabilities

328.1 PURPOSE AND SCOPE
This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

328.1.1 DEFINITIONS
Definitions related to this policy include:

Auxiliary aids - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

Disability or impairment - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102). This includes those who, because of a hearing, speech or other communication disorder, cannot fully understand any charges made against them, the seizure of their property or they are incapable of presenting or assisting in the presentation of a defense (Minn. Stat. § 611.31).

Qualified Interpreter - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters and intermediary interpreters.

328.2 POLICY
It is the policy of the New Brighton Department of Public Safety to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

328.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR
The Director of Public Safety shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107).

The responsibilities of the ADA Coordinator shall include, but not be limited to:

(a) Working with the City ADA coordinator regarding the New Brighton Department of Public Safety’s efforts to ensure equal access to services, programs and activities.
Communications with Persons with Disabilities

(b) Developing reports, new procedures, or recommending modifications to this policy.

(c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.

(d) Ensuring that a list of qualified interpreter services is maintained and available to each Shift Sergeant. The list should include information regarding the following:
   1. Contact information
   2. Availability
   3. Type of services provided

(e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.

(f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.

(g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

328.4 **FACTORS TO CONSIDER**

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

(a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.

(b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).

(c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).

(d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However in an emergency availability may factor into the type of aid used.
328.5 INITIAL AND IMMEDIATE CONSIDERATIONS
Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems. Members should exercise special care in the use of all gestures and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation when a member knows or suspects an individual requires assistance to effectively communicate the member shall identify the individual’s choice of auxiliary aid or service.

The individual’s preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

(a) The methods of communication usually used by the individual.
(b) The nature, length and complexity of the communication involved.
(c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include for example exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended the continued method of communication should be reconsidered. The member should inquire as to the individual’s preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the New Brighton Department of Public Safety, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

328.6 TYPES OF ASSISTANCE AVAILABLE
New Brighton Department of Public Safety members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.
Communications with Persons with Disabilities

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

328.7 QUALIFIED INTERPRETERS
A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

(a) Available by some means, even remotely, within a reasonable amount of time but in no event longer than one hour if requested.
(b) Experienced in providing interpretation services related to law enforcement matters.
(c) Familiar with the use of VRS and/or video remote interpreting services.
(d) Certified in either American Sign Language (ASL) or Signed English (SE).
(e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
(f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

328.8 TTY AND RELAY SERVICES
In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time as needed for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.
Communications with Persons with Disabilities

328.9 FAMILY AND FRIENDS
While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

(a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.

(b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

328.10 REPORTING
Whenever any member of this department is required to complete a report or other documentation and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be forwarded with the case file.

328.11 FIELD ENFORCEMENT
Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

The Department recognizes it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual’s preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.
Communications with Persons with Disabilities

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

328.11.1 FIELD RESOURCES
Examples of methods that may be sufficient for transactions such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress may, depending on the circumstances, include such simple things as:

(a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
(b) Exchange of written notes or communications.
(c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
(d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
(e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

328.12 CUSTODIAL INTERROGATIONS
In an effort to ensure the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. Miranda warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written Miranda warning card.

To ensure that communications during custodial investigations are accurately documented and are admissible as evidence, as with all custodial interviews, interrogations should be recorded.

See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

328.12.1 OTHER TIMING AND NOTIFICATION MANDATES
The investigating or arresting officer shall immediately make necessary contacts to get a qualified interpreter for a person in custody at the earliest possible time (Minn. Stat. § 611.32).

The following shall be explained with the assistance of the qualified interpreter (Minn. Stat. § 611.32):

(a) All charges filed against the person
(b) All procedures relating to the person’s detention and release
Communications with Persons with Disabilities

(c) In the case of any seizure under the Asset Forfeiture Policy:
   1. The possible consequences of the seizure
   2. The person’s right to judicial review

328.13 ARRESTS AND BOOKINGS
If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

328.14 COMPLAINTS
The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

328.15 COMMUNITY OUTREACH
Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

328.16 TRAINING
To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

(a) Awareness and understanding of this policy and related procedures, related forms and available resources.
(b) Procedures for accessing qualified interpreters and other available resources.
(c) Working with in-person and telephone interpreters and related equipment.

The Deputy Director shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Deputy Director shall maintain records of all training provided, and will retain a copy in each member’s training file in accordance with established records retention schedules.
Communications with Persons with Disabilities
Pupil Arrest Reporting

329.1 PURPOSE AND SCOPE
The purpose of this policy is to describe the procedures to follow when a pupil is arrested on school grounds and during school hours.

329.2 PUPIL ARREST REPORTING
In the event a school pupil is arrested, the arresting officer shall include the necessary information in the report to ensure that the Records Section notifies the chief administrative officer of the school, or an appropriate designee, of the pupil's arrest.

If there is probable cause to believe an incident involved alcohol or a controlled substance, the arresting officer shall provide the necessary information to complete the appropriate form and submit the report to the Records Section. The Records Section shall ensure the form is distributed to the chemical abuse pre-assessment team of the school within two weeks of the occurrence (Minn. Stat. § 121A.28).

329.2.1 PUPIL ARREST AFTER NOTIFICATION
Based upon the circumstances of the investigation, it may be appropriate to notify the school prior to the arrest. Prior notification and assistance from the school, may reduce disruption to school operations and other students.

329.2.2 PUPIL ARREST BEFORE NOTIFICATION
Based upon the circumstances of the investigation, it may be appropriate to arrest the pupil before notifying the school. This may be appropriate if the pupil is a flight risk, if prior notification will impede the investigation or if notification creates additional risks to students, faculty, the officer or the public.

Proper notification to the school after the pupil’s arrest should then be made when circumstances reasonably allow.

329.2.3 PARENTAL NOTIFICATION
Upon arrest, it is the arresting officer’s responsibility to ensure the parents of the arrested pupil are properly notified. Notification shall be made by the officer, regardless of subsequent notifications by the juvenile detention facility. Notifications should be documented and include the charges against the pupil and where the pupil will be taken.
Biological Samples

330.1 PURPOSE AND SCOPE
This policy provides guidelines for the collection of biological samples from those individuals required to provide samples upon conviction for certain offenses. This policy does not apply to biological samples collected at a crime scene or taken from a person in conjunction with a criminal investigation. Nor does it apply to biological samples collected from those required to register, for example, as sex offenders.

330.2 POLICY
The New Brighton Department of Public Safety will assist in the expeditious collection of required biological samples from offenders in accordance with the laws of this state and with as little reliance on force as practicable.

330.3 PERSONS SUBJECT TO BIOLOGICAL SAMPLE COLLECTION
The following persons must submit a biological sample:

(a) Adults who are subject to a court order requiring a biological sample after sentencing (Minn. Stat. § 609.117).

(b) Juveniles who are subject to a court order requiring a biological sample after being adjudicated delinquent (Minn. Stat. § 609.117).

330.4 PROCEDURE
When an individual is required to provide a biological sample, a trained employee shall attempt to obtain the sample in accordance with this policy.

330.4.1 COLLECTION
The following steps should be taken to collect a sample:

(a) Verify that the individual is required to provide a sample pursuant to Minn. Stat. § 609.117.

(b) Verify that a biological sample has not been previously collected from the offender by querying the person’s criminal history. There is no need to obtain a biological sample if one has been previously obtained.

(c) Use the designated collection kit provided by the Minnesota Bureau of Criminal Apprehension to perform the collection and take steps to avoid cross contamination.

330.5 USE OF FORCED TO OBTAIN SAMPLES
If a person refuses to cooperate with the sample collection process, officers should attempt to identify the reason for refusal and seek voluntary compliance without resorting to using force. Force will not be used in the collection of samples except as authorized by court order or approval.
Biological Samples

of legal counsel and only with the approval of a supervisor. Methods to consider when seeking voluntary compliance include contacting:

(a) The person’s parole or probation officer when applicable.
(b) The prosecuting attorney to seek additional charges against the person for failure to comply or to otherwise bring the refusal before a judge.
(c) The judge at the person’s next court appearance.
(d) The person’s attorney.
(e) A chaplain.
(f) Another custody facility with additional resources, where an arrestee can be transferred to better facilitate sample collection.

The supervisor shall review and approve any plan to use force and be present to document the process.

330.5.1 VIDEO RECORDING
A video recording should be made any time force is used to obtain a biological sample when possible. The recording should document all staff participating in the process, in addition to the methods and all force used during the collection. The recording should be part of the investigation file, if any, or otherwise retained in accordance with the department's records retention schedule.

Chaplains may not proselytize or attempt to recruit members of the department or the public into a religious affiliation while on-duty unless the receiving person has solicited spiritual guidance or teaching. If there is any question as to the receiving person’s intent, chaplains should verify that the person is desirous of spiritual counseling or guidance before engaging in such discussion.

Chaplains may not accept gratuities for any service or any subsequent actions and follow-up provided while functioning as a chaplain for the New Brighton Department of Public Safety.

331.7 CLERGY-PENITENT CONFIDENTIALITY
No person who provides chaplain services to members of the department may work or volunteer for the New Brighton Department of Public Safety in any capacity other than that of chaplain.

Department chaplains shall be familiar with state evidentiary laws and rules pertaining to the limits of the clergy-penitent privilege and shall inform department members when it appears reasonably likely that the department member is discussing matters that are not subject to the clergy-penitent privilege. In such cases, the department chaplain should consider referring the member to a non-department counseling resource.

No chaplain shall provide counsel to or receive confidential communications from any New Brighton Department of Public Safety employees concerning an incident personally witnessed by the chaplain or concerning an incident involving the chaplain.

331.8 COMMAND STRUCTURE

(a) Under the general direction of the Director of Public Safety or designee chaplains shall report to the Faith Community Liaison and/or Shift Sergeant.

(b) The Director of Public Safety shall make all appointments to the Chaplain Program and will designate a Faith Community Liaison.

(c) The Faith Community Liaison shall serve as the liaison between the Chaplain Unit and the Director of Public Safety. He/she will arrange for regular monthly meetings, act as chairman of all chaplain meetings, prepare monthly schedules, maintain records on all activities of the Chaplain Unit, coordinate activities that may concern the members of the Chaplain Unit and arrange for training classes for chaplains.

331.9 OPERATIONAL GUIDELINES

(a)

(b) Generally, each chaplain will serve with New Brighton Department of Public Safety personnel a minimum of ten hours per quarter.

(c) At the end of each watch, the chaplain will complete a Chaplain Shift Report and submit it to the Director of Public Safety or designee.
Chaplains shall be permitted to ride with officers during any shift and observe New Brighton Department of Public Safety operations, provided the Shift Sergeant has been notified and has approved the activity.

Chaplains shall not be evaluators of employees.

In responding to incidents, a chaplain shall never function as an officer.

When responding to in-progress calls for service, chaplains may be required to standby in a secure area until the situation has been deemed safe.

Chaplains shall serve only within the jurisdiction of the New Brighton Department of Public Safety unless otherwise authorized by the Director of Public Safety or designee.

Each chaplain shall have access to current personnel rosters, addresses, telephone numbers, duty assignments and other information that may assist in his/her duties. Such information will be considered private; each chaplain will exercise appropriate security measures to prevent distribution of the data.

331.9.1 UNIFORMS AND BADGES
A distinct uniform, identification and the necessary safety equipment will be provided for the chaplains. This uniform may be similar to that worn by the personnel of this department.

331.10 TRAINING
The Department will establish a minimum number of training hours and standards for department chaplains. The training may include stress management, death notifications, post traumatic stress syndrome, burnout for officers and chaplains, legal liability and privacy, ethics, responding to crisis situations, the law enforcement family, substance abuse, suicide, officer injury or death, and sensitivity and diversity, as approved by the Deputy Director.
Child and Dependent Adult Safety

332.1 PURPOSE AND SCOPE
This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or vulnerable adult investigation. These are covered in the Child Abuse and Adult Abuse.

332.2 POLICY
It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when a parent or caregiver is arrested. The New Brighton Department of Public Safety will endeavor to create a strong cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

332.3 PROCEDURES DURING AN ARREST
When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

(a) Inquire about and confirm the location of any children or dependent adults.
(b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
(c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be nonproductive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.
332.3.1 AFTER AN ARREST
Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee’s disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

(a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.

1. Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver’s judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.

2. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.

(b) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.

(c) Notify the county social services agency, if appropriate and/or to assist with a protective custody placement.

(d) Notify the Shift Sergeant/Supervisor of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the School Resource Officer, principal or appropriate responsible adult of the caregiver’s arrest and of the arrangements being made for the care of the arrestee’s dependent. The result of such actions should be documented in the associated report.

332.3.2 DURING THE BOOKING PROCESS
During the booking process, the arrestee shall be allowed to make additional telephone calls consistent with the policy established by the agency responsible for the booking process.

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.
332.3.3 REPORTING
For all arrests where children are present or living in the household and children are placed, the reporting officer will document the following information:

(a) Name
(b) Sex
(c) Age
(d) How, where and with whom or which agency the child was placed
(e) Special needs of the child or children

For all arrests where dependent adults are present or living in the household and they are placed or left unattended, the reporting officer should document the following information about the dependent adult:

(a) Name
(b) Sex
(c) Age
(d) Whether he/she reasonably appears able to care for him/herself
(e) Disposition or placement information if he/she is unable to care for him/herself

332.3.4 SUPPORT AND COUNSELING REFERRAL
If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

332.4 DEPENDENT WELFARE SERVICES
Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service entity to determine whether protective custody is appropriate (Minn. Stat. § 260C.007; Minn. Stat. § 260C.175).

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked patrol car or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

332.5 TRAINING
The Deputy Director is responsible to ensure that all personnel of this department who may be involved in arrests affecting children or dependent adults receive approved training on effective safety measures when a parent, guardian or caregiver is arrested.
Service Animals

333.1 PURPOSE AND SCOPE
Service animals play an important role in helping to overcome the limitations often faced by people with disabilities. The New Brighton Department of Public Safety recognizes this need and is committed to making reasonable modifications to its policies, practices and procedures in accordance with Title II of the Americans with Disabilities Act (ADA) to permit the use of service animals that are individually trained to assist a person with a disability.

333.1.1 DEFINITIONS
Definitions related to this policy include:

Service animal - An animal that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual’s disability (28 CFR 35.104).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler’s control, the facility can accommodate the horse’s type, size and weight, and the horse’s presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

333.2 POLICY
It is the policy of the New Brighton Department of Public Safety to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

333.3 MEMBER RESPONSIBILITIES
Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the New Brighton Department of Public Safety affords to all members of the public (see generally Minn. Stat. § 256C.02; Minn. Stat. § 363A.19).

333.3.1 REMOVAL
If an animal exhibits vicious behavior, poses a direct threat to the health of others or unreasonably disrupts or interferes with normal business operations, an officer may direct the owner to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the animal. Each incident must be considered individually. Past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities.
Service Animals

Members of this department are expected to provide all services as are reasonably available to an individual with the disability.

333.3.2 INQUIRY
If it is apparent or if an officer is aware the animal is a service animal, the owner should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the officer should ask the individual only the following questions:

- Is the animal required because of a disability?
- What task or service has the animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal, and no further question as to the animal’s status should be asked. The person should not be questioned about his/her disabilities nor should the person be asked to provide any license, certification or identification card for the service animal.

333.3.3 CONTACT
Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

333.3.4 COMPLAINTS
When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their owner into all areas that other customers or members of the public are allowed.

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice or the Minnesota Department of Human Rights.

333.4 IDENTIFICATION AND USE OF SERVICE ANIMALS
Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar. Service animals are not pets and may be trained by an individual or organization to assist people with disabilities.

Examples of the ways service animals may be used to provide assistance include:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
Service Animals

- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.
Volunteer Program

334.1 PURPOSE AND SCOPE
It is the policy of this department to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Department and improve services to the community. Volunteers are intended to supplement and support, rather than supplant, licensed officers and civilian personnel. Volunteers can be an important part of any organization and have proven to be a valuable asset to law enforcement agencies. Volunteers help to increase department responsiveness, delivery of services and information input, and provide new program opportunities. In addition, volunteers bring new skills and expertise to the Department and prompt new enthusiasm.

334.1.1 DEFINITION OF VOLUNTEER
An individual who performs a service for the Department without promise, expectation or receipt of compensation for services rendered. This may include unpaid chaplains, Reserve officers, interns, Volunteers in Public Safety (VIPS), persons providing administrative support and youth involved in a law enforcement Explorer Post, among others.

334.1.2 VOLUNTEER ELIGIBILITY
Requirements for participation as an New Brighton Department of Public Safety volunteer include:

(a) At least 18 years of age for all positions other than Explorer.
(b) At least 14 years of age for Explorer.
(c) A valid driver’s license if the position requires vehicle operation.
(d) No conviction of a felony, any crime of a sexual nature, any crime related to assault, any crime related to dishonesty, or any crime related to impersonating a law enforcement officer.
(e) No conviction of a misdemeanor or gross misdemeanor crime within the past 10 years, excluding petty misdemeanor traffic offenses.
(f) The applicant must not have any mental illness or chemical dependency condition that may adversely affects the person's ability to serve in the position.
(g) Physical requirements reasonably appropriate to the assignment.
(h) A personal background history and character suitable for a person representing the Department, as validated by a background investigation.

The Director of Public Safety may apply exceptions for eligibility based on organizational needs and the qualification of the individual.

334.2 VOLUNTEER MANAGEMENT
334.2.1 VOLUNTEER COORDINATOR
The function of the Volunteer Coordinator, commonly referred to by their specific program position title (i.e., Reserve Liaison, Explorer Advisor, etc.), is to provide a central coordinating point for effective volunteer management within the Department, and to direct and assist staff and volunteer efforts to jointly provide more productive services. The Volunteer Coordinator or designee shall be responsible for the following:

(a) Recruiting, selecting and training qualified volunteers for various positions.
(b) Maintaining records for each volunteer.
(c) Tracking and evaluating the contribution of volunteers.
(d) Maintaining the volunteer handbook and outlining expectations, policies and responsibilities for all volunteers.
(e) Maintaining a record of volunteer schedules and work hours.
(f) Completion and dissemination as appropriate of all necessary paperwork and information.
(g) Planning periodic recognition events.
(h) Administering discipline when warranted.
(i) Maintaining liaison with other volunteer-utilizing programs in the community and assisting in community-wide efforts to recognize and promote volunteering.

334.2.2 RECRUITMENT
Volunteers should be recruited on a continuous and ongoing basis in accordance with department policy on equal opportunity nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in, and an ability to assist the Department in serving the public.

Requests for volunteers should be submitted in writing by interested staff to the Volunteer Coordinator. A complete position description and a requested time frame should be included in the request. All parties should understand that the recruitment of volunteers is enhanced by creative and interesting assignments. The Volunteer Coordinator may withhold assignment of any volunteer until such time as the requesting unit is prepared to make effective use of volunteer resources.

334.2.3 SCREENING
All prospective volunteers should complete the volunteer application form. The Volunteer Coordinator or designee should conduct a face-to-face interview with the applicant.

A documented background investigation shall be completed on each volunteer applicant and shall include, but not necessarily be limited to, the following:

Off-Duty Law Enforcement Actions

336.1 PURPOSE AND SCOPE
The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the New Brighton Department of Public Safety with respect taking law enforcement action while off-duty.

336.2 POLICY
Officers generally should not initiate law enforcement action while off-duty. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

When the safety of the public or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

Officers are not expected to place themselves in unreasonable peril. However, any licensed member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death or significant property damage may take reasonable action to minimize the threat.

336.3 FIREARMS
Officers of this department may carry firearms while off-duty in accordance with federal regulations, state law and department policy. All firearms and ammunition must meet guidelines as described in the Firearms Policy. When carrying firearms while off-duty, officers shall also carry their department-issued badge and identification.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed any amount of an alcoholic beverage or taken any drugs that would tend to adversely affect the officer’s senses or judgment.

336.4 DECISION TO INTERVENE
There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable and should take into consideration:

(a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.

(b) The inability to communicate with responding units.

(c) The lack of equipment, such as handcuffs, Oleoresin Capsicum (OC) spray or a baton.
Off-Duty Law Enforcement Actions

(d) The lack of cover.
(e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
(f) Unfamiliarity with the surroundings.
(g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive and gather as much accurate intelligence as possible instead of immediately intervening.

336.4.1 INTERVENTION PROCEDURE
If involvement is reasonably necessary, the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. The operator should be informed that an off-duty officer is on-scene and should be provided a description of the officer if reasonably possible.

Whenever reasonably practicable, the officer should loudly and repeatedly identify him/herself as an New Brighton Department of Public Safety officer until acknowledged. Official identification should also be displayed.

336.4.2 INCIDENTS OF PERSONAL INTEREST
Officers should refrain from handling incidents of personal interest (e.g., family or neighbor disputes) and should remain neutral. In such circumstances, officers should call the responsible agency to handle the matter.

336.4.3 NON-SWORN RESPONSIBILITIES
Non-sworn personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and reasonably practicable.

336.4.4 OTHER CONSIDERATIONS
When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she needs to maintain an undercover capability.

336.5 REPORTING
Any officer, after taking any off-duty law enforcement action, shall notify a New Brighton Department of Public Safety supervisor (or other applicable enforcement authority if acting outside the jurisdiction of the New Brighton Department of Public Safety). The Shift Sergeant/Supervisor shall determine whether a report should be filed by the employee.

Officers should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.

338.1 PURPOSE AND SCOPE
This policy provides guidelines to ensure that any use of social media on behalf of the Department is consistent with the department mission.

Authorized members shall use only department-approved equipment during the normal course of duties to post and monitor department-related social media, unless they are specifically authorized to do otherwise by their supervisors.

The Director of Public Safety may develop specific guidelines identifying the type of content that may be posted. Any content that does not strictly conform to the guidelines should be approved by a supervisor prior to posting.

Requests to post information over department social media by members who are not authorized to post should be made through the member’s chain of command.

338.4 AUTHORIZED CONTENT
Only content that is appropriate for public release, that supports the department mission and conforms to all department policies regarding the release of information may be posted.
Examples of appropriate content include:

(g) Press releases.
(h) Recruitment of personnel.

338.4.1 INCIDENT-SPECIFIC USE
In instances of active incidents where speed, accuracy and frequent updates are paramount (e.g., crime alerts, public safety information, traffic issues), the Director of Public Safety or the authorized designee will be responsible for the compilation of information to be released.

338.5 PROHIBITED CONTENT
Content that is prohibited from posting includes, but is not limited to:

(e) Any information that could compromise the safety and security of department operations, members of the Department, victims, suspects or the public.
(f) Any content posted for personal use.
(g) Any content that has not been properly authorized by this policy or a supervisor.

Any member who becomes aware of content on this Department’s social media site that he/she believes is unauthorized or inappropriate should promptly report such content to a supervisor. If the Supervisor also believes the content is not appropriate, the supervisor will ensure its removal from public view and investigate the cause of the entry.
338.6 RETENTION OF RECORDS
The Administration Deputy Director should work with the Custodian of Records to establish a method of ensuring that public records generated in the process of social media use are retained in accordance with established records retention schedules.

338.7 TRAINING
Authorized members should receive training that, at a minimum, addresses legal issues concerning the appropriate use of social media sites, as well as privacy, civil rights, dissemination and retention of information posted on department sites.
Chapter 4 - Patrol Operations
Patrol Function

400.1 PURPOSE AND SCOPE
The purpose of this policy is to define the functions of the patrol unit of the Department to ensure intra-organization cooperation and information sharing.

400.1.1 FUNCTION

(b) Crime prevention activities, such as residential inspections, business inspections and community presentations.

(c) Calls for service, both routine and emergency.

(d) Investigation of both criminal and non-criminal acts.

(e) The apprehension of criminal offenders.

(f) Community Oriented Policing and problem-solving activities, such as citizen assists and individual citizen contacts of a positive nature.

(h) The application of resources to specific problems or situations within the community that may be improved or resolved by Community Oriented Policing and problem-solving strategies.

(i) Traffic direction and control.

400.1.2 TERRORISM
It is the goal of the New Brighton Department of Public Safety to make every reasonable effort to accurately and appropriately gather and report any information that may relate to either foreign or domestic terrorism. Officers should advise a supervisor as soon as practicable of any activity believed to be terrorism related and should document such incidents with a written report. The supervisor should ensure that all terrorism-related reports are forwarded to the Investigation Section Supervisor in a timely fashion.
400.2 PATROL INFORMATION SHARING PROCEDURES
The following guidelines are intended to develop and maintain intra-organization cooperation and information flow between the various sections of the New Brighton Department of Public Safety.

400.2.1 CRIME ANALYSIS UNIT
The Crime Analysis Unit will be the central unit for information exchange. Criminal information and reports can be submitted to the Records Section for distribution to all sections within the Department through daily and special bulletins.

A report may be completed by any patrol officer who receives criminal information. The report will be processed and forwarded to the appropriate bureau for retention or follow-up investigation.

400.2.3 PATROL BRIEFINGS
All police divisions are encouraged to share information as much as reasonably possible. All supervisors and/or officers will be provided an opportunity to share information through daily patrol briefings, as time permits.

400.2.4 INFORMATION CLIPBOARDS
Several information clipboards will be maintained in the briefing room and will be available for review by officers from all sections within the Department.

400.2.5 BULLETIN BOARDS
A bulletin board will be kept in the briefing room for display of suspect information, investigative reports and photographs. New General Orders will be made available for patrol supervisors and will be discussed at briefings and shift meetings.

400.3 CROWDS, EVENTS AND GATHERINGS
Officers may encounter gatherings of people, including but not limited to, civil demonstrations, civic, social and business events, public displays, parades and sporting events. Officers should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Officers responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action. Officers are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Officers should consider enforcement of applicable state and local laws, when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.
Bias-Based Policing

401.1 PURPOSE AND SCOPE
This policy provides guidance to department members that affirms the New Brighton Department of Public Safety’s commitment to policing that is fair and objective.

Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the department’s relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, partnerships).

401.1.1 DEFINITIONS
Definitions related to this policy include:

Bias-based policing - An inappropriate reliance on characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing law enforcement service or enforcement.

This includes use of racial or ethnic stereotypes as factors in selecting whom to stop and search. It does not include law enforcement’s use of race or ethnicity to determine whether a person matches a specific description of a particular subject (Minn. Stat. § 626.8471).

401.2 POLICY
The New Brighton Department of Public Safety is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this department to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group (Minn. Stat. § 626.8471, Subd. 3).

401.3 BIAS-BASED POLICING PROHIBITED
Bias-based policing is strictly prohibited.

However, nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns or specific schemes.

401.4 MEMBER RESPONSIBILITIES
Every member of this department shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based policing to a supervisor. Members should, when reasonable to do so, intervene to prevent any biased-based actions by another member.
401.4.1 REASON FOR CONTACT
Officers contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

To the extent that written documentation would otherwise be completed (e.g., arrest report, Field Interview (FI) card), the involved officer should include those facts giving rise to the contact, as applicable.

Except for required data-collection forms or methods, nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

401.4.2 INFORMATION TO BE PROVIDED
Officers shall (Minn. Stat. § 626.8471, Subd. 3):

(a) Introduce or identify themselves and state the reason for a contact as soon as practicable unless providing the information could compromise officer or public safety.

(b) Attempt to answer questions the person may have regarding the contact, including relevant referrals to other agencies when appropriate.

(c) Explain the reason for the contact if it is determined the reasonable suspicion was unfounded.

(d) When requested, provide their name and badge number and identify this department during routine stops.

(e) When requested, officers should inform a member of the public of the process to file a misconduct complaint for bias-based policing against a member of the Department, and that bias-based policing complaints may be made by calling the Attorney General’s office (Minn. Stat. § 626.9514).

401.5 SUPERVISOR RESPONSIBILITIES
Supervisors should monitor those individuals under their command for compliance with this policy and shall handle any alleged or observed violations in accordance with the Personnel Complaints Policy.

(a) Supervisors should discuss any issues with the involved officer and his/her supervisor in a timely manner.

1. Supervisors should document these discussions, in the prescribed manner.

(b) Supervisors are encouraged to periodically review MAV recordings, portable audio/video recordings, Mobile Digital Computer (MDT) data and any other available resource used to document contact between officers and the public to ensure compliance with this policy.

1. Supervisors should document these periodic reviews.

2. Recordings that capture a potential instance of bias-based policing should be appropriately retained for administrative investigation purposes.
Bias-Based Policing

(c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.

(d) Supervisors should take prompt and reasonable steps to address any retaliatory action taken against any member of this department who discloses information concerning bias-based policing.

401.6 ADMINISTRATION
Each year, the Patrol Deputy Director should review the efforts of the Department to provide fair and objective policing. It should be reviewed by the Director of Public Safety to identify any changes in training or operations that should be made to improve service.

Supervisors should review the annual report and discuss the results with those they are assigned to supervise.

401.7 TRAINING
Training on fair and objective policing and review of this policy should be conducted as directed by the Training Section.

The Director of Public Safety and supervisors should receive and review training materials prepared by the Board of Peace Officer Standards and Training (POST) (Minn. Stat. § 626.8471, Subd. 7).
Roll Call Training

402.1 PURPOSE AND SCOPE
Roll Call training is generally conducted at the beginning of the officer’s assigned shift. Roll Call provides an opportunity for important exchange between employees and supervisors. A supervisor generally will conduct Roll Call. However, officers may conduct Roll Call for training purposes with supervisor approval.

Roll Call should accomplish, at a minimum, the following basic tasks:

(a) Briefing officers with information regarding daily patrol activity, with particular attention given to unusual situations and changes in the status of wanted persons, stolen vehicles and major investigations.

(b) Notifying officers of changes in schedules and assignments.

(c) Notifying officers of new General Orders or changes in General Orders.

(d) Reviewing recent incidents for training purposes.

(e) Providing training on a variety of subjects.

402.2 PREPARATION OF MATERIALS
The supervisor conducting Roll Call, or the officer if the supervisor is unable to participate in a group briefing session, is responsible for collection and preparation of the materials necessary for a constructive briefing. Supervisors may delegate this responsibility to a subordinate officer in his/her absence or for training purposes.

402.3 RETENTION OF BRIEFING TRAINING RECORDS
Roll Call training materials and a curriculum or summary shall be forwarded to the Deputy Director for inclusion in training records as appropriate.
Crime and Disaster Scene Integrity

403.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance in handling a major crime or disaster.

403.2 POLICY
It is the policy of the New Brighton Department of Public Safety to secure crime or disaster scenes so that evidence is preserved, and to identify and mitigate the dangers associated with a major crime or disaster scene for the safety of the community and those required to enter or work near the scene.

403.3 SCENE RESPONSIBILITY
The first officer at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Officers shall also consider officer safety and the safety of those persons entering or exiting the area, including those rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity and security of the crime or disaster scene, the officer shall maintain the crime or disaster scene until he/she is properly relieved by a supervisor or other designated person.

403.4 FIRST RESPONDER CONSIDERATIONS
The following list generally describes the first responder’s function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

(a) Broadcast emergency information, including requests for additional assistance and resources.
(b) Provide for the general safety of those within the immediate area by mitigating, reducing or eliminating threats or dangers.
(c) Locate or identify suspects and determine whether dangerous suspects are still within the area.
(d) Provide first aid to injured parties if it can be done safely.
(e) Evacuate the location safely as required or appropriate.
(f) Secure the inner perimeter.
(g) Protect items of apparent evidentiary value.
(h) Secure an outer perimeter.
(i) Identify potential witnesses.
(j) Start a chronological log noting critical times and personnel allowed access.
403.5 SEARCHES
Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

403.5.1 CONSENT
When possible, officers should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant. Consent as an additional authorization may be sought, even in cases where a search warrant has been granted.

403.6 EXECUTION OF HEALTH ORDERS
Any licensed member of this department may assist in the enforcement of all directives of the local health officer issued for the purpose of preventing the spread of any contagious, infectious, or communicable disease (Minn. Stat. § 144.4195, Subd. 2(c)).

- Denial by any supervisor.

404.2 PROCEDURE TO REQUEST A RIDE-ALONG
Generally, ride-along requests will be scheduled by the Shift Supervisor. The participant will complete and sign a ride-along waiver form. Information requested will include a valid driver's license, address and telephone number.

The Shift Supervisor will schedule a date, based on availability, at least one week after the date of application. If approved, a copy of the ride-along waiver form will be forwarded to the respective Shift Supervisor as soon as possible for his/her scheduling considerations.

If the ride-along is denied after the request has been made, a representative of the Department will contact the applicant and advise him/her of the denial.

404.2.1 PROGRAM REQUIREMENTS
Once approved, civilian ride-alongs will be allowed to ride no more than once every six months. An exception would apply to the following: cadets, Explorers, RSVP, chaplains, Reserves, police applicants and all others with approval of the Shift Supervisor.

An effort will be made to ensure that no more than one citizen will participate in a ride-along during any given time period. No more than one ride-along will be allowed in the officer’s vehicle at a given time.
Ride-Along Policy

404.2.2  SUITABLE ATTIRE
Any person approved to ride-along is required to be suitably dressed. Hats and ball caps will not be worn in the police vehicle. The Shift Sergeant or field supervisor may refuse a ride-along to anyone not properly dressed.

404.2.3  PEACE OFFICER RIDE-ALONGS
Off-duty members of this department or any other law enforcement agency will not be permitted to ride-along with on-duty officers without the express consent of the Shift Sergeant/Supervisor. In the event that such a ride-along is permitted, the off-duty employee shall not be considered on-duty and shall not represent him/herself as a peace officer or participate in any law enforcement activity except as emergency circumstances may require.

404.2.4  RIDE-ALONG CRIMINAL HISTORY CHECK
All ride-along applicants are subject to a criminal history check. The criminal history check may include a local records check and a Minnesota Bureau of Criminal Apprehension Criminal History System check prior to approval (provided that the ride-along is not an employee of the New Brighton Department of Public Safety).

404.3  [OFFICER RESPONSIBILITIES
Officers should use sound discretion when encountering a potentially dangerous situation, and if feasible, let the participant out of the vehicle in a well-lighted place of safety. The dispatcher will be advised of the situation and as soon as practicable have another police unit respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

Conduct by a person participating in a ride-along that results in termination of the ride or is otherwise inappropriate should be immediately reported to the Shift Sergeant/Supervisor.

The Shift Supervisor is responsible for maintaining and scheduling ride-alongs. Upon completion of the ride-along, a copy of the ride-along waiver form shall be returned to the Shift Supervisor with any comments that may be offered by the officer.

404.4  CONTROL OF RIDE-ALONG
The assigned employee shall maintain control over the ride-along at all times and instruct him/her in the conditions that necessarily limit participation. These instructions should include:

(a)  The ride-along will follow the directions of the officer.

(b)  The ride-along will not become involved in any investigation, handling of evidence, discussions with victims or suspects or handling any police equipment.

(c)  The ride-along may terminate the ride at any time and the officer may return the observer to his/her home or to the station if the ride-along interferes with the performance of the officer’s duties.

(d)  The officer may terminate the ride-along and return the observer to their home or to the station if the ride-along interferes with the performance of any officer’s duties.
(e) Ride-alongs may be allowed to continue riding during the transportation and booking process provided this does not jeopardize their safety.

(f) Officers will not allow any ride-alongs to be present in any residence or situation that would jeopardize their safety or cause undue stress or embarrassment to a victim or any other person.

(g) Under no circumstance shall a civilian ride-along be permitted to enter a private residence with an officer without the expressed consent of the resident or other authorized person.
Hazardous Material Response

405.1 PURPOSE AND SCOPE
Hazardous materials present a potential harm to employees as a result of their exposure. To comply with Minnesota law, the following represents the policy of this department.

405.1.1 HAZARDOUS MATERIAL DEFINED

Hazardous material - Any refuse, sludge or other waste material or combinations of refuse, sludge or other waste materials in solid, semisolid, liquid or contained gaseous form, which, because of its quantity, concentration, or chemical, physical or infectious characteristics may (Minn. Stat. § 116.06 Subd. 11):

(a) Cause or significantly contribute to an increase in mortality or an increase in serious irreversible or incapacitating reversible illness.

(b) Pose a substantial present or potential hazard to human health or the environment when improperly treated, stored, transported, disposed of or otherwise managed.

405.2 HAZARDOUS MATERIAL RESPONSE
Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic collision, chemical spill or fire. When employees come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and other persons.

The fire department is the agency trained and equipped to properly respond and mitigate most hazardous materials and biohazards.

Responders should not perform tasks or use equipment absent proper training. A responder entering the area may require decontamination before he/she is allowed to depart the scene and should be evaluated by appropriate technicians and medical professionals for signs of exposure.

Hazardous Material training will be conducted for all department personnel on an annual basis.

The following steps should be considered at any scene involving suspected hazardous materials:

(a) Attempt to identify the type of hazardous material. Identification can be determined by placard, driver’s manifest or statements from the person transporting the material

(b) Notify the appropriate fire department.

(c) Provide first aid to injured parties if it can be done safely and without contamination.

(d) Begin evacuation of the immediate and surrounding areas dependent on the material. Voluntary evacuation should be considered. Depending on the material, mandatory evacuation may be necessary.

(e) Contact the Minnesota Duty Officer (800-422-0798).
Hazardous Material Response

(f) Responders should remain uphill and upwind of the hazard until a zone of entry and a decontamination area are established.

(g) Follow criteria set forth in annual Hazardous Materials training.

405.3 REPORTING EXPOSURE(S)
Department personnel who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the employee in an employee memorandum that shall be forwarded via chain of command to their Deputy Director. Should the affected employee be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the memorandum.

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness, in addition to a crime report or incident report.

405.3.1 SUPERVISOR RESPONSIBILITIES
When a supervisor has been informed that an employee has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to lessen the exposure.

To ensure the safety of employees, safety equipment is available through supervisory personnel. Safety items not maintained by the Department will be obtained through the appropriate fire department.
Hostage and Barricade Incidents

406.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

406.1.1 DEFINITIONS
Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.

406.2 POLICY
It is the policy of the New Brighton Department of Public Safety to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

406.3 COMMUNICATION
When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect’s surrender.

When available, department-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

406.3.1 EMERGENCY COMMUNICATION
A supervisor with probable cause to believe that a person is being unlawfully confined may order a telephone company to cut, reroute, or divert telephone lines for the purpose of establishing and controlling communications with a suspect (Minn. Stat. § 609.774).
406.4 FIRST RESPONDER CONSIDERATION

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor’s response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

406.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

(a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.

(b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.

(c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).

(d) Provide responding emergency personnel with a safe arrival route to the location.

(e) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.

(f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.

(g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.

(h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.

(i) Determine the need for and notify the appropriate persons within and outside the Department.
Hostage and Barricade Incidents

(j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

(k) Establish a command post.

406.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options while not all-inclusive or in any particular order, should be considered:

• Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.

• Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.

• Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).

• Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.

• Request additional personnel, resources and equipment as needed (e.g., canine team, air support).

• Provide responding emergency personnel with a safe arrival route to the location.

• Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.

• Coordinate pursuit or surveillance vehicles and control of travel routes.

• Attempt or obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.

• Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.

• Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.

• Determine the need for and notify the appropriate persons within and outside the Department.
• If necessary and available, establish a tactical or exclusive radio frequency for the incident.

406.5 SUPERVISOR RESPONSIBILITY
Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting a [CRU] response if appropriate and apprising the [CRU] Commander of the circumstances. In addition, the following options, listed here in no particular order, should be considered:

(a) Ensure injured persons are evacuated and treated by medical personnel.
(b) Ensure the completion of necessary first responder responsibilities or assignments.
(c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.
(d) Establish a command post location as resources and circumstances permit.
(e) Designate assistants who can help with intelligence information and documentation of the incident.
(f) If it is practicable to do so, arrange for video documentation of the operation.
(g) Consider contacting utility and communication providers when restricting such services (e.g., restricting electric power, gas, telephone service).
(h) Ensure adequate law enforcement coverage for the remainder of the City during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or Emergency Communications Center.
(i) Identify a media staging area outside the outer perimeter and have a designated media representative provide media access in accordance with the Media Relations Policy.
(j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
(k) Debrief personnel and review documentation as appropriate.

406.6 CRISIS RESPONSE UNIT
It will be the Incident Commander’s decision, with input from the [CRU] Commander, whether to deploy the [CRU] during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the [CRU] Commander or the authorized designee will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the [CRU]. The Incident Commander and the [CRU] Commander or the authorized designee shall maintain communications at all times.
Hostage and Barricade Incidents

406.7 REPORTING
Unless otherwise relieved by a supervisor or Incident Commander, the handling officer at the scene is responsible for completion and/or coordination of incident reports.
Response to Bomb Calls

407.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines to assist members of the New Brighton Department of Public Safety in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

407.2 POLICY
It is the policy of the New Brighton Department of Public Safety to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

407.3 RECEIPT OF BOMB THREAT
Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

The member receiving the bomb threat should ensure that the Shift Sergeant/Shift Supervisor is immediately advised and informed of the details. This will enable the Shift Sergeant/Shift Supervisor to ensure that the appropriate personnel are dispatched and, as appropriate, the threatened location is given an advance warning.

407.4 GOVERNMENT FACILITY OR PROPERTY
A bomb threat targeting a government facility may require a different response based on the government agency.

407.4.1 NEW BRIGHTON DEPARTMENT OF PUBLIC SAFETY FACILITY
If the bomb threat is against the New Brighton Department of Public Safety facility, the Shift Sergeant will direct and assign officers as required for coordinating a general building search or evacuation of the police department, as he/she deems appropriate.

407.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY
If the bomb threat is against a county or municipal facility within the jurisdiction of the New Brighton Department of Public Safety that is not the property of this department, the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Shift Sergeant/Shift Supervisor deems appropriate.
407.4.3 FEDERAL BUILDING OR PROPERTY
If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility’s security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

407.5 PRIVATE FACILITY OR PROPERTY
When a member of this department receives notification of a bomb threat at a location in the City of New Brighton, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

(a) The location of the facility.
(b) The nature of the threat.
(c) Whether the type and detonation time of the device is known.
(d) Whether the facility is occupied, and if so, the number of occupants currently on-scene.
(e) Whether the individual is requesting police assistance at the facility.
(f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
   1. No evacuation of personnel and no search for a device.
   2. Search for a device without evacuation of personnel.
   3. Evacuation of personnel without a search for a device.
   4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Shift Sergeant/Shift Supervisor is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

407.5.1 ASSISTANCE
The Shift Sergeant/Shift Supervisor should be notified when police assistance is requested. The Shift Sergeant/Shift Supervisor will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including police control over the facility.

Should the Shift Sergeant/Shift Supervisor determine that the Department will assist or control such an incident, he/she will determine:

(a) The appropriate level of assistance.
Response to Bomb Calls

(b) The plan for assistance.

(c) Whether to evacuate and/or search the facility.

(d) Whether to involve facility staff in the search or evacuation of the building.
   1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
   2. The safety of all participants is the paramount concern.

(e) The need for additional resources, including:
   1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request police assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

407.6 FOUND DEVICE
When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

(a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.

(b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.

(c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes the following:
   1. Two-way radios
   2. Cell phones
   3. Other personal communication devices

(d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.

(e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.

(f) A safe access route should be provided for support personnel and equipment.

(g) Search the area for secondary devices as appropriate and based upon available resources.

(h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.

(i) Promptly relay available information to the Shift Sergeant/Shift Supervisor including:
   1. The time of discovery.
2. The exact location of the device.
3. A full description of the device (e.g., size, shape, markings, construction).
4. The anticipated danger zone and perimeter.
5. The areas to be evacuated or cleared.

407.7 EXPLOSION/BOMBING INCIDENTS
When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures.

407.7.1 CONSIDERATIONS
Officers responding to explosions, whether accidental or a criminal act, should consider the following actions:

(a) Assess the scope of the incident, including the number of victims and extent of injuries.
(b) Request additional personnel and resources, as appropriate.
(c) Assist with first aid.
(d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
(e) Assist with the safe evacuation of victims, if possible.
(f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
(g) Preserve evidence.
(h) Establish an outer perimeter and evacuate if necessary.
(i) Identify witnesses.

407.7.2 NOTIFICATIONS
When an explosion has occurred, the following people should be notified as appropriate:

- Fire department
- Bomb squad
- Additional department personnel, such as investigators and forensic services
- Field supervisor
- Shift Sergeant
- Other law enforcement agencies, including local, state or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)
- Other government agencies, as appropriate
Response to Bomb Calls

407.7.3 CROWD CONTROL
Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

407.7.4 PRESERVATION OF EVIDENCE
As in any other crime scene, steps should immediately be taken to preserve the scene. The Shift Sergeant/Shift Supervisor should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be imbedded in nearby structures or hanging in trees and bushes.
Civil Commitments

408.1 PURPOSE AND SCOPE
This policy provides guidelines for when officers may place an individual in protective custody and request an emergency hold under the Minnesota Commitment and Treatment Act (Minn. Stat. § 253B.05).

408.2 POLICY
It is the policy of the New Brighton Department of Public Safety to protect the public and individuals through legal and appropriate use of the emergency hold process.

408.3 AUTHORITY
An officer, having probable cause to believe that any individual because of mental illness, chemical dependency, or public intoxication is in danger of injuring him/herself or others if not immediately detained, may take, or cause to be taken, the individual to a treatment facility for a 72-hour evaluation (Minn. Stat. § 253B.05, Subd. 2).

The officer shall make written application for admission of the individual to a treatment facility. The application shall contain the officer’s reasons for and circumstances under which the individual was taken into custody. If danger to specific individuals is a basis for the requested emergency hold, the statement must include identifying information for those individuals to the extent reasonably practicable. The officer shall also provide the department contact information for purposes of receiving notice if the individual is released prior to the 72-hour admission or leaves the facility without consent. The facility shall make a copy of the statement available to the individual taken into custody (Minn. Stat. § 253B.05, Subd. 2).

408.3.1 VOLUNTARY EVALUATION
If officers encounter an individual who may qualify for an emergency hold, they may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the individual so desires, the officers should:

(a) Transport the individual to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to the Minnesota Commitment and Treatment Act.

(b) If at any point the individual changes his/her mind regarding voluntary evaluation, officers should proceed with the application for an emergency hold, if appropriate.

(c) Document the circumstances surrounding the individual’s desire to pursue voluntary evaluation and/or admission.

408.4 CONSIDERATIONS AND RESPONSIBILITIES
Any officer handling a call involving an individual who may qualify for an emergency hold should consider, as time and circumstances reasonably permit:
Civil Commitments

(a) Available information that might assist in determining the cause and nature of the individual’s action or stated intentions.
(b) Community or neighborhood mediation services.
(c) Conflict resolution and de-escalation techniques.
(d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

408.5 TRANSPORTATION
When transporting any individual on a Minn. Stat. 253B.05 admission, and if reasonably practicable, officers should not be in uniform and should not use a vehicle visibly marked as a law enforcement vehicle (Minn. Stat. 253B.05, Subd. 2(b)).

408.6 CRIMINAL OFFENSES
Officers investigating an individual who is suspected of committing a minor criminal offense and who is being taken into custody for purposes of an emergency hold should resolve the criminal matter by issuing a warning or a citation, as appropriate.

When an individual who may qualify for an emergency hold has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

(a) Arrest the individual when there is probable cause to do so.
(b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the emergency hold.
(c) Facilitate the individual’s transfer to jail.
(d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for an emergency hold.

In the supervisor’s judgment, in lieu of arrest, the individual may be transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this department to regain custody of the individual, department resources (e.g., posting a guard) and other relevant factors in making this decision.

408.7 FIREARMS AND OTHER WEAPONS
Whenever an individual is taken into custody for an emergency hold, the handling officers should seek to determine if the individual owns or has access to any firearm or other deadly weapon. Officers should consider whether it is appropriate and consistent with current search and seizure
Civil Commitments

law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Officers are cautioned that a search warrant may be needed before seizing weapons or entering a residence or other place to search unless lawful warrantless entry has already been made (e.g., exigent circumstances, consent).

The handling officers should further advise the individual of the procedure for the return of any firearm or other weapon that has been taken into custody.

408.8 TRAINING
This department will endeavor to provide department-approved training on interaction with mentally disabled persons, emergency holds and crisis intervention.
Citation Releases

409.1 PURPOSE AND SCOPE
The purpose of this policy is to provide members of the New Brighton Department of Public Safety with guidance on when to release adults who are suspected offenders on a citation for a criminal offense, rather than having the person held in custody for a court appearance or released on bail.

This policy also provides guidance on when a court orders that a person be released.

Additional release restrictions may apply to those detained for domestic violence, as outlined in the Domestic Abuse Policy.

409.2 POLICY
The New Brighton Department of Public Safety will consider its resources and its mission of protecting the community when exercising any discretion to release suspected offenders on a citation, when authorized to do so.

409.3 RELEASE
A suspected offender shall be released on issuance of a citation:

(a) When the offender has been arrested without a warrant and either a prosecutor or district court judge orders that the offender should be released (Minn. R. Crim. P. 4.02; Minn. R. Crim. P. 6.01).
   1. Release is not required if a reviewing supervisor determines that the offender should be held pursuant to Minn. R. Crim. P. 6.01 Subd. 1.

(b) When the offender is charged with a petty or fine-only misdemeanor (Minn. R. Crim. P. 6.01).

(c) In misdemeanor cases unless it reasonably appears to the arresting officer that the offender will (Minn. R. Crim. P. 6.01):
   1. Cause bodily injury to him/herself or another if he/she is not detained.
   2. Continue engaging in criminal conduct.
   3. Not respond to a citation.

(d) When the offender is from another state which has a reciprocal agreement with Minnesota unless the offense is (Minn. Stat. § 169.91):
   1. One which would result in the revocation of the offender’s driver’s license under Minnesota law upon conviction.
   2. A violation of a highway weight limitation.
   3. A violation of a law governing the transportation of hazardous materials.
   4. That the offender was driving without a valid driver’s license.
Citation Releases

409.4 PROHIBITIONS
The release of a suspected offender on a citation is not permitted when:

(a) The offender has committed a driving while impaired (DWI) offense (Minn. Stat. § 169A.40; Minn. Stat. § 169.91).
   1. under the circumstances described in section 169A.24 (1st degree driving while impaired) or 169A.25 (2nd degree driving while impaired)
   2. under the circumstances described in section 169A.26 (3rd degree driving while impaired) if the person is under the age of 19
   3. in the presence of an aggravating factor described in 169A.03, subdivision 3, clause (2) or (3)

(b) The offender is arrested for a violation of state law or an ordinance related to the operation or registration of a vehicle punishable as a misdemeanor or felony and (Minn. Stat. § 169.91):
   1. The offender demands an immediate appearance before a judge.
   2. The offender is charged with:
      (a) An offense involving an accident that resulted in injury or death.
      (b) Criminal vehicular homicide.
      (c) Failure to stop after being involved in an accident that resulted in death, personal injuries or damage to property.
   3. There is reasonable cause to believe that the offender may leave the state.

See the Domestic Abuse Policy for release restrictions related to those investigations.

409.5 CONSIDERATIONS
In determining whether to cite and release a person when discretion is permitted, officers should consider:

(a) The type of offense committed.
(b) The known criminal history of the suspected offender.
(c) The ability to identify the suspected offender with reasonable certainty.
(d) Whether there is any record of the individual failing to appear in previous cases or other articulable indications that the individual may not appear in court for this offense.
(e) The individual’s ties to the area, such as residence, employment or family.
(f) Whether there is reasonable likelihood that criminal conduct by the individual will continue.

409.6 FISH AND GAME AND ENVIRONMENT-RELATED OFFENSES
In the case of game and fish laws or other environment-related offenses, as specified in Minn. Stat. § 97A.211, officers should release the offender unless there is reason to believe that criminal
Citation Releases

conduct will continue or that the offender will not respond as required by the citation (Minn. Stat. § 97A.211).
Foreign Diplomatic and Consular Representatives

410.1 PURPOSE AND SCOPE
This policy provides guidelines to ensure that members of the New Brighton Department of Public Safety extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

410.2 POLICY
The New Brighton Department of Public Safety respects international laws related to the special privileges and immunities afforded foreign diplomatic and consular representatives assigned to the United States.

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

410.3 CLAIMS OF IMMUNITY
If a member comes into contact with a person where law enforcement action may be warranted and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

(a) Notify a supervisor.

(b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person’s status.

(c) Request the person’s identification card, either issued by the U.S. Department of State (DOS), Office of the Chief of Protocol, or in the case of persons accredited to the United Nations, by the U.S. Mission to the United Nations. These are the only reliable documents for purposes of determining privileges and immunities.

(d) Contact the DOS Diplomatic Security Command Center at 571-345-3146 or toll free at 866-217-2089, or at another current telephone number and inform the center of the circumstances.

(e) Verify the immunity status with DOS and follow any instructions regarding further detention, arrest, prosecution and/or release, as indicated by the DOS representative. This may require immediate release, even if a crime has been committed.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating “US” as the state.
410.4 ENFORCEMENT ACTION
If the DOS is not immediately available for consultation regarding law enforcement action, members shall be aware of the following:

(a) Generally, all persons with diplomatic and consular privileges and immunities may be issued a citation or notice to appear. However, the person may not be compelled to sign the citation.

(b) All persons, even those with a valid privilege or immunity, may be reasonably restrained in exigent circumstances for purposes of self-defense, public safety or the prevention of serious criminal acts.

(c) An impaired foreign diplomatic or consular representative may be prevented from driving a vehicle, even if the person may not be arrested due to privileges and immunities.

1. Investigations, including the request for field sobriety tests, chemical tests and any other tests regarding impaired driving may proceed but they shall not be compelled.

(d) The following persons may not be detained or arrested, and any property or vehicle owned by these persons may not be searched or seized:

1. Diplomatic-level staff of missions to international organizations and recognized family members
2. Diplomatic agents and recognized family members
3. Members of administrative and technical staff of a diplomatic mission and recognized family members
4. Career consular officers, unless the person is the subject of a felony warrant

(e) The following persons may generally be detained and arrested:

1. International organization staff; however, some senior officers are entitled to the same treatment as diplomatic agents.
2. Support staff of missions to international organizations.
3. Diplomatic service staff and consular employees; however, special bilateral agreements may exclude employees of certain foreign countries.
4. Honorary consular officers.

410.5 DOCUMENTATION
All contacts with persons who have claimed privileges and immunities afforded foreign diplomatic and consular representatives should be thoroughly documented and the related reports forwarded to DOS.

Notes for diplomatic immunity table:

(a) This table presents general rules. The employees of certain foreign countries may enjoy higher levels of privileges and immunities on the basis of special bilateral agreements.

(b) Reasonable constraints, however, may be applied in emergency circumstances involving self-defense, public safety, or in the prevention of serious criminal acts.

(c) A small number of senior officers are entitled to be treated identically to diplomatic agents.

(d) Note that consul residences are sometimes located within the official consular premises. In such cases, only the official office space is protected from police entry.
Rapid Response and Deployment

411.1 PURPOSE AND SCOPE
Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist officers in situations that call for rapid response and deployment.

411.2 POLICY
The New Brighton Department of Public Safety will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

411.3 FIRST RESPONSE
If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action officers should consider:

(a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.

(b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.

(c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.

(d) Whether the suspect can be contained or denied access to victims.

(e) Whether the officers have the ability to effectively communicate with other personnel or resources.
(f) Whether planned tactics can be effectively deployed.

(g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

411.4 CONSIDERATIONS
When dealing with a crisis situation members should:

(a) Assessthe immediate situation and take reasonable steps to maintain operative control of the incident.

(b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.

(c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.

(d) Attempt, if feasible and based upon the suspect’s actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

411.5 TRAINING
The Deputy Director should include rapid response to critical incidents in the training plan. This training should address:

(a) Orientation to likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.

(b) Communications interoperability with other law enforcement and emergency service agencies.

(c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.

(d) First aid, including gunshot trauma.

(e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

411.6 PLANNING
The Patrol Deputy Director should coordinate critical incident planning. Planning efforts should consider:

(a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.

(b) Availability of building plans and venue schematics of likely critical incident target sites.
(c) Communications interoperability with other law enforcement and emergency service agencies.

(d) Training opportunities in critical incident target sites, including joint training with site occupants.

(e) Evacuation routes in critical incident target sites.

(f) Patrol first-response training.

(g) Response coordination and resources of emergency medical and fire services.

(h) Equipment needs.

(i) Mutual aid agreements with other agencies.

(j) Coordination with private security providers in critical incident target sites.
Immigration Violations

412.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines to members of the New Brighton Department of Public Safety relating to immigration and interacting with federal immigration officials.

412.2 POLICY
It is the policy of the New Brighton Department of Public Safety that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

412.3 VICTIMS AND WITNESSES
To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and without regard to race, ethnicity, or national origin in any way that would violate the United States or Minnesota constitutions.

412.4 DETENTIONS
An officer should not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant.

An officer who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of federal immigration law may detain the person for a reasonable period of time in order to contact federal immigration officials to verify whether an immigration violation is a federal civil violation or a criminal violation. If the violation is a criminal violation, the officer may continue to detain the person for a reasonable period of time if requested by federal immigration officials (8 USC § 1357(g)(10)). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual’s status are unresolved.

If the officer has facts that establish probable cause to believe that a person already lawfully detained has committed a criminal immigration offense, he/she may continue the detention and may request a federal immigration official to respond to the location to take custody of the detained person (8 USC § 1357(g)(10)).

An officer is encouraged to forgo detentions made solely on the basis of a misdemeanor offense when time limitations, availability of personnel, issues of officer safety, communication capabilities, or the potential to obstruct a separate investigation outweigh the need for the detention.
An officer should notify a supervisor as soon as practicable whenever an individual is being detained for a criminal immigration violation.

412.4.1 SUPERVISOR RESPONSIBILITIES

When notified that an officer has detained an individual and established reasonable suspicion or probable cause to believe the person has violated a criminal immigration offense, the supervisor should determine whether it is appropriate to:

(a) Transfer the person to federal authorities.
(b) Lawfully arrest the person for a criminal offense or pursuant to a judicial warrant (see the Law Enforcement Authority Policy).

412.5 ARREST NOTIFICATION TO IMMIGRATION AND CUSTOMS ENFORCEMENT

Generally, an officer should not notify federal immigration officials when booking arrestees at a county jail facility. Any required notification will be handled according to jail operation procedures. No individual who is otherwise ready to be released should continue to be detained solely for the purpose of notification.

412.6 FEDERAL REQUESTS FOR ASSISTANCE

Requests by federal immigration officials for assistance from this department should be directed to a supervisor. The Department may provide available support services, such as traffic control or peacekeeping efforts.

412.7 INFORMATION SHARING

No member of this department will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373):

(a) Sending information to, or requesting or receiving such information from federal immigration officials
(b) Maintaining such information in department records
(c) Exchanging such information with any other federal, state, or local government entity

412.7.1 IMMIGRATION DETAINERS

No individual should be held based solely on a federal immigration detainer under 8 CFR 287.7 unless the person has been charged with a federal crime or the detainer is accompanied by a warrant, affidavit of probable cause, or removal order. Notification to the federal authority issuing the detainer should be made prior to the release.

412.8 U VISA AND T VISA NONIMMIGRANT STATUS

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).
**Immigration Violations**

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the Investigation Section supervisor assigned to oversee the handling of any related case. The Investigation Section supervisor should:

(a) Consult with the assigned investigator to determine the current status of any related case and whether further documentation is warranted.

(b) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification or declaration has not already been completed and whether a certification or declaration is warranted.

(c) Address the request and complete the certification or declaration, if appropriate, in a timely manner.

1. The instructions for completing certification and declaration forms can be found on the U.S. Department of Homeland Security (DHS) website.

(d) Ensure that any decision to complete, or not complete, a certification or declaration form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed form in the case file.

412.9  TRAINING

The Deputy Director should ensure officers receive training on this policy.

Training should include:

(a) Identifying civil versus criminal immigration violations.

(b) Factors that may be considered in determining whether a criminal immigration offense has been committed.
Emergency Utility Service

413.1 PURPOSE AND SCOPE
The City and County Public Works Department have personnel available to handle emergency calls 24 hours per day. Calls for service during non-business hours are frequently directed to the Police Department. Requests for such service received by this department should be handled in the following manner.

413.1.1 BROKEN WATER LINES
The City’s responsibility ends at the public water main. Any break or malfunction in the water system from the public water main to the citizen's residence or business is the customer's responsibility. Public Works can only turn off the valve at the street shut off valve.

If a break occurs on the street side of the meter, the on-call duty man should be called as soon as practicable.

413.1.2 ELECTRICAL LINES
City Public Works does not maintain electrical lines to street light poles. When a power line poses a hazard, an officer should be dispatched to protect against personal injury or property damage that might be caused by power lines. The electric company or Public Works should be promptly notified, as appropriate.

413.1.3 RESERVOIRS, PUMPS AND WELLS
Public Works maintains the reservoirs and public water equipment, as well as several underpass and other street drainage pumps. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

413.1.4 EMERGENCY NUMBERS
A current list of emergency personnel who are to be called for municipal utility emergencies will be maintained by Emergency Communications Center.

413.2 TRAFFIC SIGNAL MAINTENANCE
Ramsey County Maintenance furnishes maintenance to all traffic signal in the city of New Brighton. If a traffic signal is found to be malfunctioning, the employee should contact the Emergency Communication Center and advise them to notify Ramsey County maintenance for repairs.

413.2.1 OFFICER’S RESPONSIBILITIES
Upon observing a damaged or malfunctioning signal, the officer will advise Emergency Communications Center of the location and problem with the signal. The dispatcher should make the necessary notification to the proper maintenance agency. The officer shall utilize necessary available measures to ensure the safe flow of traffic in cases where the public safety is at risk due to damaged or malfunctioning signals.
Patrol Rifles

414.1 PURPOSE AND SCOPE
To more effectively and accurately address the increasing level of firepower and body armor utilized by criminal suspects, the New Brighton Department of Public Safety will make patrol rifles available to qualified officers as an additional and more immediate tactical resource.

414.2 PATROL RIFLE

414.2.1 DEFINITION
Patrol Rifle - An authorized weapon which is owned by the Department and which is made available to properly trained and qualified officers as a supplemental resource to their duty handgun or U.M.P. No personally owned rifles may be carried for patrol duty unless pre-approved in writing by the Director of Public Safety and the Department armorer.

414.3 SPECIFICATIONS
Only weapons and ammunition that meet agency authorized specifications, approved by the Director of Public Safety and issued by the Department, may be used by officers in their law enforcement responsibilities. The authorized patrol rifle issued by the Department is the M4.

414.4 RIFLE MAINTENANCE

(a) Primary responsibility for maintenance of patrol rifles shall fall on the Firearms Instructor or armorer, who shall inspect and service each patrol rifle on a yearly basis.

(b) Each patrol officer shall be responsible for promptly reporting any damage or malfunction of an assigned patrol rifle to a supervisor, the Firearms Instructor or armorer.

(c) Any patrol rifle found to be unserviceable shall also be clearly identified as non-serviceable, including details regarding the unserviceable condition.

(d) Each patrol rifle shall be subject to inspection by a supervisor, the Firearms Instructor or armorer at any time.

(e) No modification shall be made to any patrol rifle without prior written authorization from the Firearms Instructor or armorer.

414.5 TRAINING
Officers shall not carry or utilize the patrol rifle unless they have successfully completed Department training.

Any officer who fails to qualify will be required to comply with Firearms Policy 306.6.
Patrol Rifles

414.6 DEPLOYMENT OF THE PATROL RIFLE
Officers may deploy the patrol rifle in any circumstance where the officer can articulate a reasonable expectation that the rifle may be needed. Examples of some general guidelines for deploying the patrol rifle may include, but are not limited to:

(a) Situations where the officer reasonably anticipates an armed encounter.
(b) When an officer is faced with a situation that may require the delivery of accurate and effective fire at long range.
(c) Situations where an officer reasonably expects the need to meet or exceed a suspect's firepower.
(d) When an officer reasonably believes that there may be a need to deliver fire on a barricaded suspect or a suspect with a hostage.
(e) When an officer reasonably believes that a suspect may be wearing body armor.
(f) When authorized or requested by a supervisor.
(g) When appropriate to aid in the dispatch of an animal.

414.7 DISCHARGE OF THE PATROL RIFLE
The discharge of the patrol rifle shall be governed by the Use of Force Policy and the Firearms Policy.

414.8 PATROL READY
Any qualified officer carrying a patrol rifle in the field shall maintain the weapon in a patrol ready condition until deployed. A rifle is considered in a patrol ready condition when it has been inspected by the assigned officer, the fire selector switch is in the safe position, the chamber is empty and a fully loaded magazine is inserted into the magazine well.

414.9 RIFLE STORAGE

(a) When not in use, patrol rifles will be stored in the Department armory in rifle racks.
(b) In-service patrol rifles should be secured in the vehicle gun lock or case.
Field Training Officer Program

415.1 PURPOSE AND SCOPE
The Field Training Officer Program is intended to provide a standardized program to facilitate the officer’s transition from the academic setting to the actual performance of general law enforcement duties of the New Brighton Department of Public Safety.

It is the policy of this department to assign all new police officers to a structured Field Training Officer Program that is designed to prepare the new officer to perform in a patrol assignment and to acquire all of the skills needed to operate in a safe, productive and professional manner.

415.2 FIELD TRAINING OFFICER - SELECTION AND TRAINING
The Field Training Officer (FTO) is an experienced officer trained in the art of supervising, training and evaluating entry-level and lateral police officers in the application of their previously acquired knowledge and skills.

415.2.1 SELECTION PROCESS
FTOs will be selected based on the following requirements:

(a) Desire to be an FTO.
(b) Minimum of two years of patrol experience.
(c) Demonstrated ability as a positive role model.
(d) Evaluation by supervisors and current FTOs.
(e) Possess an FTO certificate of completion from a Minnesota POST Board-approved course.

415.3 FIELD TRAINING OFFICER PROGRAM SUPERVISOR
The responsibilities of the FTO Program Supervisor include the following:

(a) Assignment of trainees to FTOs.
(b) Conduct FTO meetings.
(c) Maintain and ensure FTO/trainee performance evaluations are completed.
(d) Maintain, update and issue the Field Training Manual to each trainee.
(e) Monitor individual FTO performance.
(f) Monitor overall FTO Program.
(g) Develop ongoing training for FTOs.
Field Training Officer Program

415.4 TRAINEE DEFINED
Trainee - Any entry level or lateral police officer newly appointed to the New Brighton Department of Public Safety who possesses a Minnesota POST license or is eligible to be licensed.

415.5 REQUIRED TRAINING
Entry level officers shall be required to successfully complete the Field Training Program.

The training period for lateral officers may be modified depending on the trainee’s demonstrated performance and level of experience, but shall consist of a minimum of eight weeks.

The required training will take place on at least two different shifts and with at least three different FTOs if reasonably possible.

415.5.1 FIELD TRAINING MANUAL
Each new officer will be issued a Field Training Manual at the beginning of his/her Primary Training Phase. This manual is an outline of the subject matter and skills necessary to properly function as an officer with the New Brighton Department of Public Safety. The officer shall become knowledgeable of the subject matter as outlined. He/she shall also become proficient with those skills as set forth in the manual.

The Field Training Manual will specifically cover those policies, procedures, rules and regulations enacted by the New Brighton Department of Public Safety.

415.6 EVALUATIONS
Evaluations are an important component of the training process and shall be completed as outlined below.

415.6.1 FIELD TRAINING OFFICER
The FTO will be responsible for the following:

(a) Completing and submitting a written evaluation on the performance of the assigned trainee to the trainee’s FTO Supervisor on a daily basis.
(b) Reviewing the Daily Trainee Performance Evaluations with the trainee each day.
(c) Completing a detailed end-of-phase performance evaluation on the assigned trainee at the end of each phase of training.
(d) Signing off all completed topics contained in the Field Training Manual, noting the method of learning and evaluating the performance of the assigned trainee.

415.6.2 FIELD TRAINING SUPERVISOR

Field Training Officer Program

The Field Training Supervisor will hold periodic meetings with all FTOs to ensure understanding and compliance with the requirements of the Field Training Program.

415.7 DOCUMENTATION
All documentation of the Field Training Program will be retained in the officer’s training files and will consist of the following:

(a) Daily Trainee Performance Evaluations.
(b) End of phase evaluations.
Obtaining Air Support

416.1 PURPOSE AND SCOPE
The use of air support can be invaluable in certain situations. This policy specifies potential situations where the use of air support may be requested and the responsibilities for making a request.

416.2 REQUEST FOR AIR SUPPORT ASSISTANCE
If a supervisor or officer in charge of an incident determines that the use of air support would be beneficial, a request to obtain air support assistance may be made.

416.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY
After consideration and approval of the request for air support, the Shift Sergeant/Supervisor or designee will call the closest agency having air support available. The Shift Sergeant/Supervisor will apprise that agency of the specific details of the incident prompting the request.

416.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED
Law enforcement air support may be requested under any of the following conditions:

(a) When the aircraft is activated under existing mutual aid agreements.
(b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the aircraft may reduce such hazard.
(c) When the use of aircraft will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community.
(d) When an aircraft is needed to locate a person who has strayed or is lost and whose continued absence constitutes a serious health or safety hazard.
(e) Vehicle pursuits (Minn. Stat. § 626.8458).
(f) When the Shift Sergeant or equivalent authority determines a reasonable need exists.

While it is recognized that the availability of air support will generally provide valuable assistance to ground personnel, the presence of air support will rarely replace the need for officers on the ground.
Contacts and Temporary Detentions

417.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

417.1.1 DEFINITIONS
Definitions related to this policy include:

Consensual encounter - When an officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

Field interview (FI) - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the officer's suspicions.

Field photographs - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Video Recorder (MVR) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

Pat-down search - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the [officer_deputy], the detainee, or others.

Reasonable suspicion - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

Temporary detention - When an officer intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person’s freedom of movement.

417.2 FIELD INTERVIEWS
Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer’s suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the New Brighton Department of Public Safety to strengthen community involvement, community awareness, and problem identification.
417.2.1 INITIATING A FIELD INTERVIEW
When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual’s:

(a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act.
(b) Actions suggesting that he/she is engaged in a criminal activity.
(c) Presence in an area at an inappropriate hour of the day or night.
(d) Presence in a particular area is suspicious.
(e) Carrying of suspicious objects or items.
(f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon.
(g) Location in proximate time and place to an alleged crime.
(h) Physical description or clothing worn that matches a suspect in a recent crime.
(i) Prior criminal record or involvement in criminal activity as known by the officer.

417.3 PAT-DOWN SEARCHES
Once a valid stop has been made, and consistent with the officer’s training and experience, an officer may pat a suspect’s outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

(a) The type of crime suspected, particularly in crimes of violence where the use or threat of weapons is involved.
(b) Where more than one suspect must be handled by a single officer.
(c) The hour of the day and the location or area where the stop takes place.
(d) Prior knowledge of the suspect’s use of force and/or propensity to carry weapons.
(e) The actions and demeanor of the suspect.
(f) Visual indications which suggest that the suspect is carrying a firearm or other dangerous weapon.

Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

417.4 FIELD PHOTOGRAPHS
All available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the officer shall carefully consider, among other things, the factors listed below.
Contacts and Temporary Detentions

417.4.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT
Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. When taking a consensual photograph, the officer should have the individual read and sign the appropriate form accompanying the photograph.

417.4.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT
Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the officer’s reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

417.4.3 DISPOSITION OF PHOTOGRAPHS
All detainee photographs must be adequately labeled and submitted to the Shift Sergeant with either an associated FI card or other documentation explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Shift Sergeant should review and forward the photograph to one of the following locations:

(a) If the photograph and associated FI or documentation is relevant to criminal organization/enterprise enforcement, the Shift Sergeant will forward the photograph and documents to the designated criminal intelligence system supervisor. The supervisor will ensure the photograph and supporting documents are retained as prescribed in the Criminal Organizations Policy.

(b) Photographs that do not qualify for retention in a criminal intelligence system or temporary information file shall be forwarded to the Records Section.

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs shall be retained in accordance with the established records retention schedule.

417.4.4 SUPERVISOR RESPONSIBILITIES
While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken. Field photographs shall be classified as law enforcement data under Minn. Stat. § 13.82, and shall be collected, maintained,
and disseminated consistent with the Minnesota Government Data Practices Act. Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

417.5 POLICY
The New Brighton Department of Public Safety respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete an FI, pat-down search, or field photograph shall be left to the officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

417.6 WITNESS IDENTIFICATION AND INTERVIEWS
Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

(a) Identifying all persons present at the scene and in the immediate area.
   1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
   2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.

(b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department members.
   1. A written, verbal, or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if reasonably available, prior to transport.
Criminal Organizations

418.1 PURPOSE AND SCOPE
The purpose of this policy is to ensure that the New Brighton Department of Public Safety appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

418.1.1 DEFINITIONS
Definitions related to this policy include:

**Criminal intelligence system** - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

418.2 POLICY
The New Brighton Department of Public Safety recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this department to collect and share relevant information while respecting the privacy and legal rights of the public.

418.3 CRIMINAL INTELLIGENCE SYSTEMS
No department member may create, submit to or obtain information from a criminal intelligence system unless the Director of Public Safety has approved the system for department use.

Any criminal intelligence system approved for department use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for department use. The supervisor or the authorized designee should ensure the following:

(a) Members using any such system are appropriately selected and trained.
(b) Use of every criminal intelligence system is appropriately reviewed and audited.
(c) Any system security issues are reasonably addressed.

418.3.1 SYSTEM ENTRIES
It is the designated supervisor’s responsibility to approve the entry of any information from a report, FI, photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this department, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Records Section. Any
supporting documentation for an entry shall be retained by the Records Section in accordance with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Records Section are appropriately marked as intelligence information. The Office Supervisor may not purge such documents without the approval of the designated supervisor.

418.3.2 ENTRIES INTO CRIMINAL GANG INVESTIGATIVE DATA SYSTEM
It is the designated supervisor’s responsibility to approve the entry of any information into the criminal gang investigative data system maintained by the Minnesota Bureau of Criminal Apprehension and authorized by Minn. Stat. § 299C.091. Entries may be made if the individual is 14 years of age or older and the Department documents the following:

(a) The Department has reasonable suspicion to believe that the individual has met at least three of the criteria or identifying characteristics of gang membership, developed by the Violent Crime Coordinating Council.

(b) The individual has been convicted of a gross misdemeanor or felony, or has been adjudicated or has a stayed adjudication as a juvenile for an offense that would be a gross misdemeanor or felony if committed by an adult.

418.4 TEMPORARY INFORMATION FILE
No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the department-approved CIS only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of CIS entries.

418.4.1 FILE CONTENTS
A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

(a) Must only be included upon documented authorization of the responsible department supervisor.

(b) Should not be originals that would ordinarily be retained by the Records Section or Evidence Room, but should be copies of, or references to, retained documents such as copies of reports, field interview (FI) forms, Emergency Communications Center records or booking forms.

(c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.
Criminal Organizations

(d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

418.4.2 FILE REVIEW AND PURGING
The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged or entered in an authorized criminal intelligence system, as applicable.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

418.5 INFORMATION RECOGNITION
Department members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

(a) Gang indicia associated with a person or residence.
(b) Information related to a drug-trafficking operation.
(c) Vandalism indicating an animus for a particular group.
(d) Information related to an illegal gambling operation.

Department supervisors who utilize an authorized criminal intelligence system should work with the Deputy Director to train members to identify information that may be particularly relevant for inclusion.

418.6 RELEASE OF INFORMATION
Department members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to department members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile’s name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

418.7 CRIMINAL STREET GANGS
The Investigation Section supervisor should ensure that there are an appropriate number of department members who can:
Criminal Organizations

(a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with identification of criminal street gangs, criminal street gang members and patterns of criminal gang activity.

(b) Coordinate with other agencies in the region regarding criminal street gang crimes and information.

(c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

418.8 TRAINING
The Deputy Director should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises. Training should include:

(a) The protection of civil liberties.

(b) Participation in a multi-agency criminal intelligence system.

(c) Submission of information into a multi-agency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.

(d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.

(e) The review and purging of temporary information files.
Shift Sergeants

419.1 PURPOSE AND SCOPE
Each patrol shift must be directed by supervisors who are capable of making decisions and communicating in a manner consistent with Department policies, procedures, practices, functions and objectives. To accomplish this goal, a Sergeant heads each watch.

419.2 DESIGNATION AS OFFICER IN CHARGE
When a Sergeant is unavailable for duty as Shift Sergeant, the Supervisor will choose an Officer in Charge to cover this shift or portion thereof. Seniority will not be the sole basis for selection of the Officer in Charge. The selection will be subjective based on performance, knowledge, and support of supervisory goals.
Mobile Video Recorders

420.1 PURPOSE AND SCOPE
The New Brighton Department of Public Safety has equipped marked patrol cars with Mobile Video Recording (MVR) systems to provide records of events and assist officers in the performance of their duties. This policy provides guidance on the use of these systems.

420.1.1 DEFINITIONS
Definitions related to this policy include:

Activate - Any process that causes the MVR system to transmit or store video or audio data in an active mode.

In-car camera system and Mobile Video Recorder (MVR) - Synonymous terms - that refer to any system that captures audio and video signals that is capable of installation in a vehicle and that includes at minimum, a camera, microphone, recorder and monitor.

Law Enforcement Operator (LEO) - Primarily a licensed peace officer but on occasion may be a non-licensed representative of the Department who is authorized and assigned to operate MVR-equipped vehicles to the extent consistent with Minn. Stat. § 169.98.

MVR technician - Personnel certified or trained in the operational use and repair of MVRs, duplicating methods, storage and retrieval methods and procedures, and who possess a working knowledge of video forensics and evidentiary procedures.

Recorded media - Audio-video signals recorded or digitally stored on a storage device or portable media.

420.2 POLICY
It is the goal of the New Brighton Department of Public Safety to use mobile video recorder (MVR) technology to more effectively fulfill the department’s mission and to ensure these systems are used securely and efficiently.

420.3 OFFICER_DEPUTY RESPONSIBILITIES
Prior to going into service each officer will properly equip him/herself to record audio and video in the field. At the end of the shift each officer will follow the established procedures for providing to the Department any recordings or used media and any other related equipment. Each officer should have adequate recording media for the entire duty assignment. In the event an officer works at a remote location and reports in only periodically additional recording media may be issued. Only New Brighton Department of Public Safety identified and labeled media with tracking numbers is to be used.

At the start of each shift, officers should test the MVR system operation in accordance with manufacturer specifications and department operating procedures and training.
Mobile Video Recorders

System documentation is accomplished by the officer recording his/her name, serial number, badge or PIN number and the current date and time at the start and again at the end of each shift. If the system is malfunctioning, the officer shall take the vehicle out of service unless a supervisor requests the vehicle remain in service.

420.4 ACTIVATION OF THE MVR
The MVR system is designed to turn on whenever the unit's emergency lights are activated. The system remains on until it is turned off manually. The audio portion is independently controlled and should be activated manually by the officer whenever appropriate. When audio is being recorded the video will also record.

Operators are encouraged to narrate events using the audio recording so as to provide the best documentation for pretrial and courtroom presentation.

420.4.1 REQUIRED ACTIVATION OF THE MVR
This policy is not intended to describe every possible situation in which the MVR system may be used, although there are many situations where its use is appropriate. An officer may activate the system any time the officer believes its use would be appropriate and/or valuable to document an incident.

In some circumstances it is not possible to capture images of the incident due to conditions or the location of the camera. However the audio portion can be valuable evidence and is subject to the same activation requirements as the MVR. The MVR system should be activated in any of the following situations:

(a) All field contacts involving actual or potential criminal conduct within video or audio range:

1. Traffic stops (to include, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops)
2. Priority responses
3. Vehicle pursuits
4. Suspicious vehicles
5. Arrests
6. Vehicle searches
7. Physical or verbal confrontations or use of force
8. Prisoner transports
9. Non-custody transports
10. Pedestrian checks
11. DWI investigations including field sobriety tests
12. Consensual encounters
13. Crimes in progress
14. Responding to an in-progress call

(b) All self-initiated activity in which an officer would normally notify Emergency Communications Center
(c) Any call for service involving a crime where the recorder may aid in the apprehension and/or prosecution of a suspect:
   1. Family violence calls
   2. Disturbance of peace calls
   3. Offenses involving violence or weapons

(d) Any other contact that becomes adversarial after the initial contact, in a situation that would not otherwise require recording
(e) Any other circumstance where the officer believes that a recording of an incident would be appropriate

420.4.2 CESSATION OF RECORDING
Once activated the MVR system should remain on until the incident has concluded. For purposes of this section conclusion of an incident has occurred when all arrests have been made, arrestees have been transported and all witnesses and victims have been interviewed. Recording may cease if an officer is simply waiting for a tow truck or a family member to arrive, or in other similar situations.

420.4.3 WHEN ACTIVATION IS NOT REQUIRED
Activation of the MVR system is not required when exchanging information with other officers or during breaks, lunch periods, when not in service or actively on patrol.

No member of this department may surreptitiously use City equipment to record a conversation of any other member of this department except with a court order or when lawfully authorized by the Director of Public Safety or the authorized designee for the purpose of conducting a criminal or administrative investigation.

420.4.4 SUPERVISOR RESPONSIBILITIES
Supervisors should determine if vehicles with non-functioning MVR systems should be placed into service. If these vehicles are placed into service, the appropriate documentation should be made.

At reasonable intervals, supervisors should validate that:
Mobile Video Recorders

(a) Beginning and end-of-shift recording procedures are followed.

(b) Logs reflect the proper chain of custody, including:
   1. The tracking number of the MVR system media.
   2. The date it was issued.
   3. The law enforcement operator or the vehicle to which it was issued.
   4. The date it was submitted.
   5. Law enforcement operators submitting the media.
   6. Holds for evidence indication and tagging as required.

(c) The operation of MVR systems by new employees is assessed and reviewed.

When an incident arises that requires the immediate retrieval of the recorded media (e.g., serious crime scenes, peace officer-involved shootings, department-involved collisions), a supervisor shall respond to the scene and ensure that the appropriate supervisor, MVR technician or crime scene investigator properly retrieves the recorded media. The media may need to be treated as evidence and should be handled in accordance with current evidence procedures for recorded media. Copies may be distributed to investigators as appropriate to the investigation.

420.5 REVIEW OF MVR RECORDINGS

All recording media, recorded images and audio recordings are the property of the agency and subject to the provisions of the MGDPA. Dissemination outside of the agency is strictly prohibited except to the extent permitted or required under the MGDPA, Peace Officer Disciplinary Procedures Act or other applicable law.

To prevent damage to, or alteration of, the original recorded media, it shall not be copied, viewed or otherwise inserted into any device not approved by the department MVR technician or forensic media staff. When reasonably possible a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recordings may be reviewed in any of the following situations.

   (a) For use when preparing reports or statements with the exception of incidents of Officer Involved Shootings and Deaths. For Officer Involved Shootings and Death, members will follow the protocols that have been established in Policy Number 304.

   (b) By a supervisor investigating a specific act of officer conduct

   (c) By a supervisor to assess officer performance

   (d) To assess proper functioning of MVR systems
Mobile Video Recorders

(e) By department investigators, after approval of a supervisor, who are participating in an official investigation such as a personnel complaint, administrative inquiry or a criminal investigation

(f) By department personnel who request to review recordings

(g) By an officer who is captured on or referenced in the video or audio data and reviews and uses the data for any purpose relating to his/her employment

(h) By court personnel through proper process or with permission of the Director of Public Safety or the authorized designee

(i) By the media through proper process or with an MGDPA request (Minn. Stat. § 13.01 et seq.)

(j) To assess possible training value

(k) Recordings may be shown for staff or public safety training purposes. If an involved officer objects to showing a recording, his/her objection will be submitted to the staff to determine if the training value outweighs the officer's objection

Employees desiring to view any previously uploaded or archived MVR recording should submit a request in writing to the Shift Sergeant. Approved requests should be forwarded to the MVR technician for processing.

In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any employee.

420.6 DOCUMENTING MVR USE
If any incident is recorded with either the video or audio system, the existence of that recording shall be documented in the officer's report. If a citation is issued, the officer shall make a notation on the records copy of the citation indicating that the incident was recorded.

420.7 RECORDING MEDIA STORAGE AND INTEGRITY
Once submitted for storage all recording media will be labeled and stored in a designated secure area. All recording media that is not booked in as evidence will be retained for a minimum of 30 days and disposed of in compliance with the established records retention schedule.

420.7.1 COPIES OF ORIGINAL RECORDING MEDIA
Original recording media shall not be used for any purpose other than for initial review by a supervisor. Upon proper request a copy of the original recording media will be made for use as authorized in this policy.

Original recording media may only be released in response to a court order or upon approval by the Director of Public Safety or the authorized designee. In the event an original recording is released to a court a copy shall be made and placed in storage until the original is returned.
420.7.2 MVR RECORDINGS AS EVIDENCE
Officers who reasonably believe that an MVR recording is likely to contain evidence relevant to a criminal offense, potential claim against the officer or against the New Brighton Department of Public Safety should indicate this in an appropriate report. Officers should ensure relevant recordings are preserved.

420.8 SYSTEM OPERATIONAL STANDARDS
(a) MVR system vehicle installations should be based on officer safety requirements and vehicle and device manufacturer recommendations.
(b) The MVR system should be configured to minimally record for 30 seconds prior to an event.
(c) The MVR system may not be configured to record audio data occurring prior to activation.
(d) To prevent bleed-over and/or noise from other MVRs in systems using low band transmitters (analog) only the primary LEO initiating the contact shall activate his/her audio recorder.
(e) LEOs using digital transmitters that are individually synchronized to their individual MVR shall activate both audio and video recordings when responding in a support capacity in order to obtain additional perspectives of the incident scene.
(f) With the exception of law enforcement radios or other emergency equipment other electronic devices should not be used within the law enforcement vehicle in order to intentionally interfere with the capability of the MVR system to record audio data.
(g) LEOs shall not erase, alter, reuse, modify or tamper with MVR recordings. Only a supervisor, MVR technician or other approved designee may erase and reissue previously recorded recordings and may only do so pursuant to the provisions of this policy.
(h) To prevent damage original recordings shall not be viewed on any equipment other than the equipment issued or authorized by the MVR technician.

420.9 MVR TECHNICIAN RESPONSIBILITIES
The MVR technician is responsible for:
(a) Ordering, issuing, retrieving, storing, erasing and duplicating of all recorded media.
(b) Collecting all completed media for oversight and verification of wireless downloaded media. Once collected the MVR technician:
   1. Ensures it is stored in a secured location with authorized controlled access.
   2. Makes appropriate entries in the chain of custody log.
(c) Erasing of media:
Mobile Video Recorders

1. Pursuant to a court order.
2. In accordance with established records retention policies, including reissuing all other media deemed to be of no evidentiary value.

(d) Assigning all media an identification number prior to issuance to the field.

1. Maintaining a record of issued media.

(e) Ensuring that an adequate supply of recording media is available.

(f) Managing the long-term storage of media that has been deemed to be of evidentiary value in accordance with the department evidence storage protocols and the records retention schedule.

420.10 TRAINING
Users of the MVR systems and supervisors shall successfully complete an approved course of instruction prior to being deployed with MVR systems in operational settings.
Mobile Digital Computer Use

421.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the proper access, use and application of the Mobile Digital Computer (MDT) system in order to ensure appropriate access to confidential records from local, state and national law enforcement databases, and to ensure effective electronic communications between department members and Emergency Communications Center.

421.2 POLICY
New Brighton Department of Public Safety members using the MDT shall comply with all appropriate federal and state rules and regulations and shall use the MDT in a professional manner, in accordance with this policy.

421.3 PRIVACY EXPECTATION
Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

421.4 RESTRICTED ACCESS AND USE
MDT use is subject to the Information Technology Use and Protected Information policies.

Members shall not access the MDT system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDT by another member to their supervisors or Shift Sergeants.

Use of the MDT system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks and communications that are directly related to the business, administration or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from his/her supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the MDT system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member’s name or to use the password of another member to log in to the MDT system unless directed to do so by a supervisor.

421.4.1 USE WHILE DRIVING
Use of the MDT by the vehicle operator should generally be limited to times when the vehicle is stopped. When the vehicle is in motion, the operator should only attempt to read messages that are likely to contain information that is required for immediate enforcement, investigative or safety needs.
Short transmissions, such as a license plate check, are permitted if it reasonably appears that it can be done safely. In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

421.5 DOCUMENTATION OF ACTIVITY
Except as otherwise directed by the Shift Sergeant or other department-established protocol, all calls for service assigned by a dispatcher should be communicated by voice over the police radio and/or electronically via the MDT unless security or confidentiality prevents such broadcasting.

MDT and voice transmissions are used to document the member's daily activity. To ensure accuracy:

(a) All contacts or activity shall be documented at the time of the contact.
(b) Whenever the activity or contact is initiated by voice, it should be documented by a dispatcher.
(c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MDT.

421.5.1 STATUS CHANGES
All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the police radio or through the MDT system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDT.

421.5.2 EMERGENCY ACTIVATION
If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available officer should respond in accordance with the Officer Response to Calls Policy.

Members should ensure the Shift Sergeant/Supervisor is notified of the incident without delay.

Officers not responding to the emergency shall refrain from transmitting on the police radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

421.6 EQUIPMENT CONSIDERATIONS

421.6.1 MALFUNCTIONING MDT
Whenever possible, members assigned to patrol will not use vehicles with malfunctioning MDTs. Whenever members must drive a vehicle in which the MDT is not working, they shall notify Emergency Communications Center.
Mobile Digital Computer Use

421.6.2 BOMB CALLS
When investigating reports of possible bombs, members should not communicate on their MDTs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MDT could cause some devices to detonate.
Bicycle Patrol Unit

422.1 PURPOSE AND SCOPE
The New Brighton Department of Public Safety has established the Bicycle Patrol Unit (BPU) for the purpose of enhancing patrol efforts in the community. Bicycle patrol has been shown to be an effective way to increase officer visibility in congested areas. A bicycle’s quiet operation can provide a tactical approach to crimes in progress. The purpose of this policy is to provide guidelines for the safe and effective operation of the patrol bicycle.

422.2 POLICY
Patrol bicycles may be used for regular patrol duty, traffic enforcement, parking control or special events. The use of the patrol bicycle will emphasize its mobility and visibility to the community. Bicycles may be deployed to any area at all hours of the day or night, according to Department needs and as staffing levels allow.

422.3 TRAINING
Participants in the program must complete an initial Department-approved bicycle-training course after acceptance into the program. The initial training shall minimally include the following:

- Bicycle patrol strategies
- Bicycle safety and accident prevention
- Operational tactics using bicycles

422.5 UNIFORMS AND EQUIPMENT
Officers shall wear the department-approved uniform and safety equipment while operating the department bicycle. Safety equipment includes approved helmet and protective eyewear.

The bicycle patrol uniform consists of the standard short-sleeve uniform shirt or other department-approved shirt with department badge and patches, and department-approved bicycle patrol pants or shorts.

Optional equipment includes a radio head set and microphone and jackets in colder weather. Turtleneck shirts or sweaters are permitted when worn under the uniform shirt.

Bicycle patrol officers shall carry the same equipment on the bicycle patrol duty belt as they would on a regular patrol assignment.

Officers will be responsible for obtaining the necessary forms, citation books and other department equipment needed while on bicycle patrol.

422.5 CARE AND USE OF PATROL BICYCLES
Officers will be assigned a specially marked and equipped patrol bicycle and attached gear bag.
Bicycles utilized for uniformed bicycle patrol shall be primarily black or white with a “Police” decal affixed to each side of the crossbar or the bike’s saddlebag. Every such bicycle shall be equipped with front and rear reflectors and front and rear lamps. Lamps and reflectors must meet legal requirements.

Bicycles utilized for uniformed bicycle patrol shall be equipped with a rear rack and/or saddle bag(s) sufficient to carry the necessary equipment for handling routine patrol calls, including report writing, vehicle storage and citations.

Bicycle officers shall conduct an inspection of the bicycle and equipment prior to use to ensure proper working order of the equipment. Officers are responsible for the routine care and maintenance of their assigned equipment (e.g., tire pressure, chain lubrication, overall cleaning).

If a needed repair is beyond the ability of the bicycle officer, a repair work order will be completed and forwarded to a supervisor for repair by an approved technician.

Each bicycle will have scheduled maintenance annually, to be performed by an approved repair shop/technician.

At the end of a bicycle assignment, the bicycle shall be returned clean and ready for the next tour of duty.

Officers shall not modify the patrol bicycle, remove, modify or add components except with the express approval of the bicycle supervisor or in the event of an emergency.

Vehicle bicycle racks are available should the officer need to transport the patrol bicycle.

Bicycles shall be properly secured when not in the officer’s immediate presence.

422.6 OFFICER_DEPUTY RESPONSIBILITIES

Officers are exempt from operating the bicycle in compliance with Minnesota law while performing their duties (Minn. Stat. § 169.222 Subd. 11). Officers may operate the bicycle without lighting equipment during hours of darkness, when such operation reasonably appears necessary for officer safety and tactical considerations. Officers must use caution and care when operating the bicycle without lighting equipment.
Foot Pursuits

423.1 PURPOSE AND SCOPE
This policy provides guidelines to assist officers in making the decision to initiate or continue the pursuit of suspects on foot.

423.1.1 POLICY
It is the policy of this department when deciding to initiate or continue a foot pursuit that officers must continuously balance the objective of apprehending the suspect with the risk and potential for injury to Department personnel, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances. Absent exigent circumstances, the safety of Department personnel and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and Department personnel.

423.2 DECISION TO PURSUE
The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Officers may be justified in initiating a foot pursuit of any individual the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity shall not serve as the sole justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits potentially place department members and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as the following:

(a) Containment of the area.
Foot Pursuits

(b) Saturation of the area with law enforcement personnel, including assistance from other agencies.

(c) A canine search.

(d) Thermal imaging or other sensing technology.

(e) Air support.

(f) Apprehension at another time, when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

423.3 GENERAL GUIDELINES
When reasonably practicable, officers should consider alternatives to engaging in or continuing a foot pursuit when:

(a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory.

(b) The officer is acting alone.

(c) Two or more officers become separated, lose visual contact with one another or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.

(d) The officer is unsure of his/her location and direction of travel.

(e) The officer is pursuing multiple suspects and it is not reasonable to believe that the officer would be able to control the suspect should a confrontation occur.

(f) The physical condition of the officers renders him/her incapable of controlling the suspect if apprehended.

(g) The officer loses radio contact with Emergency Communications Center or with assisting or backup officers.

(h) The suspect enters a building, structure, confined space, isolated area or dense or difficult terrain, and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.

(i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.

(j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.
(k) The officer loses possession of his/her firearm or other essential equipment.
(l) The officer or a third party is injured during the foot pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
(m) The suspect’s location is no longer known.
(n) The identity of the suspect is established or other information exists that will allow for the suspect’s apprehension at a later time, and it reasonably appears that there is no immediate threat to Department personnel or the public if the suspect is not immediately apprehended.
(o) The officer’s ability to safely continue the pursuit is impaired by inclement weather, darkness or other environmental conditions.

423.4 RESPONSIBILITIES IN FOOT PURSUITS

423.4.1 INITIATING OFFICER RESPONSIBILITIES

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit. When acting alone and when practicable, the initiating officer should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should broadcast the following information as soon as it becomes practicable and available:

(a) Location and direction of travel
(b) Call sign identifier
(c) Reason for the foot pursuit, such as the crime classification
(d) Number of suspects and description, to include name if known
(e) Whether the suspect is known or believed to be armed with a dangerous weapon

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer will notify Emergency Communications Center of his/her location and the status of the foot pursuit termination (e.g., suspect in custody, lost sight of
suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for officers, suspects or members of the public.

423.4.2 ASSISTING OFFICER RESPONSIBILITIES
Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize nonessential radio traffic to permit the involved officers maximum access to the radio frequency.

423.4.3 SUPERVISOR RESPONSIBILITIES
Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever reasonably possible. The supervisor does not, however, need to be physically present to exercise control over the foot pursuit. The supervisor should continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor should promptly proceed to the termination point to direct the post-pursuit activity.

423.5 REPORTING
The initiating officer shall complete the appropriate crime/arrest reports documenting, at minimum:

(a) Date and time of the foot pursuit.
(b) Initial reason and circumstances surrounding the foot pursuit.
(c) Course and approximate distance of the foot pursuit.
(d) Alleged offenses.
(e) Involved vehicles and officers.
(f) Whether a suspect was apprehended as well as the means and methods used.
   1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.
(g) Arrestee information, if applicable.
(h) Any injuries and/or medical treatment.
(i) Any property or equipment damage.
(j) Name of the supervisor at the scene or who handled the incident.

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

The supervisor reviewing the report will make a preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.
423.6 POLICY

It is the policy of this department that officers, when deciding to initiate or continue a foot pursuit, must continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances.
Automated License Plate Readers (ALPR)

424.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance for the capture, storage and use of digital data obtained through the use of Automated License Plate Reader (ALPR) technology (Minn. Stat. § 626.8472).

424.2 ADMINISTRATION
The ALPR technology, also known as License Plate Recognition (LPR), allows for the automated detection of license plates. It is used by the New Brighton Department of Public Safety to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. It may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Administration Deputy Director. The Administration Deputy Director will assign members under his/her command to administer the day-to-day operation of the ALPR equipment and data.

424.3 OPERATIONS
Use of an ALPR is restricted to the purposes outlined below. Department members shall not use, or allow others to use, the equipment or database records for any unauthorized purpose.

(a) An ALPR shall only be used for official law enforcement business.

(b) An ALPR may be used in conjunction with any routine patrol operation or criminal investigation. Reasonable suspicion or probable cause is not necessary before using an ALPR.

(c) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents.

(d) No member of this department shall operate ALPR equipment or access ALPR data without first completing department-approved training.

(e) No ALPR operator may access confidential department, state or federal data unless authorized to do so.

(f) If practicable, the officer should verify an ALPR response through the Minnesota Justice Information Services (MNJIS) and National Law Enforcement Telecommunications System (NLETS) databases before taking enforcement action that is based solely upon an ALPR alert.
Automated License Plate Readers (ALPR)

424.3.1 RESTRICTIONS, NOTIFICATIONS AND AUDITS
The New Brighton Department of Public Safety will observe the following guidelines regarding ALPR use (Minn. Stat. § 13.824):

(a) Data collected by an ALPR will be limited to:
   1. License plate numbers.
   2. Date, time and location of data captured.
   3. Pictures of license plates, vehicles and areas surrounding the vehicle captured.

(b) ALPR data may only be matched with the Minnesota license plate data file, unless additional sources are needed for an active criminal investigation.

(c) ALPRs shall not be used to monitor or track an individual unless done so under a search warrant or because of exigent circumstances.

(d) The Bureau of Criminal Apprehension shall be notified within 10 days of any installation or use and of any fixed location of an ALPR.

424.4 DATA COLLECTION AND RETENTION
The Administration Deputy Director is responsible for ensuring systems and processes are in place for the proper collection and retention of ALPR data. Data will be transferred from vehicles to the designated storage in accordance with department procedures.

ALPR data received from another agency shall be maintained securely and released in the same manner as ALPR data collected by this department (Minn. Stat. § 13.824).

ALPR data not related to an active criminal investigation must be destroyed no later than 60 days from the date of collection with the following exceptions (Minn. Stat. § 13.824):

(a) Exculpatory evidence - Data must be retained until a criminal matter is resolved if a written request is made from a person who is the subject of a criminal investigation asserting that ALPR data may be used as exculpatory evidence.

(b) Address Confidentiality Program - Data related to a participant of the Address Confidentiality Program must be destroyed upon the written request of the participant. ALPR data already collected at the time of the request shall be destroyed and future related ALPR data must be destroyed at the time of collection. Destruction can be deferred if it relates to an active criminal investigation.

All other ALPR data should be retained in accordance with the established records retention schedule.

424.4.1 LOG OF USE
A public log of ALPR use will be maintained that includes (Minn. Stat. § 13.824):

(a) Specific times of day that the ALPR collected data.

(b) The aggregate number of vehicles or license plates on which data are collected for each period of active use and a list of all state and federal public databases with which the data were compared.
(c) For each period of active use, the number of vehicles or license plates related to:
   1. A vehicle or license plate that has been stolen.
   2. A warrant for the arrest of the owner of the vehicle.
   3. An owner with a suspended or revoked driver’s license or similar category.
   4. Active investigative data.

(d) For an ALPR at a stationary or fixed location, the location at which the ALPR actively collected data and is installed and used.

A publicly accessible list of the current and previous locations, including dates at those locations, of any fixed ALPR or other surveillance devices with ALPR capability shall be maintained. The list may be kept from the public if the data is security information as provided in Minn. Stat. § 13.37, Subd. 2.

424.5 ACCOUNTABILITY

All saved data will be closely safeguarded and protected by both procedural and technological means. The New Brighton Department of Public Safety will observe the following safeguards regarding access to and use of stored data (Minn. Stat. § 13.824; Minn. Stat. § 13.05):

(a) All ALPR data downloaded to the mobile workstation and in storage shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time.

(b) Members approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or department-related civil or administrative action.

(c) Biennial audits and reports shall be completed pursuant to Minn. Stat. § 13.824, Subd. 6.

(d) Breaches of personal data are addressed as set forth in the Protected Information Policy (Minn. Stat. § 13.055).

(e) All queries and responses, and all actions, in which data are entered, updated, accessed, shared or disseminated, must be recorded in a data audit trail.

(f) Any member who violates Minn. Stat. § 13.09 through the unauthorized acquisition or use of ALPR data will face discipline and possible criminal prosecution (Minn. Stat. § 626.8472).

424.6 POLICY

The policy of the New Brighton Department of Public Safety is to utilize ALPR technology to capture and store digital license plate data and images while recognizing the established privacy rights of the public.
Automated License Plate Readers (ALPR)

All data and images gathered by the ALPR are for the official use of this department. Because such data may contain confidential information, it is not open to public review.

424.7 RELEASING ALPR DATA
The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures (Minn. Stat. § 13.824):

(a) The agency makes a written request for the ALPR data that includes:
   1. The name of the agency.
   2. The name of the person requesting.
   3. The intended purpose of obtaining the information.
   4. A record of the factual basis for the access and any associated case number, complaint or incident that is the basis for the access.
   5. A statement that the request is authorized by the head of the requesting law enforcement agency or his/her designee.

(b) The request is reviewed by the Administration Deputy Director or the authorized designee and approved before the request is fulfilled.
   1. A release must be based on a reasonable suspicion that the data is pertinent to an active criminal investigation.

(c) The approved request is retained on file.

Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy.
Homeless Persons

425.1 PURPOSE AND SCOPE
The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide officers during all contacts with the homeless, whether consensual or for enforcement purposes. The New Brighton Department of Public Safety recognizes that members of the homeless community are often in need of special protection and services. The New Brighton Department of Public Safety will address these needs in balance with the overall missions of this department. Therefore, officers will consider the following policy when serving the homeless community.

425.1.1 POLICY
It is the policy of the New Brighton Department of Public Safety to provide law enforcement services to all members of the community while protecting the rights, dignity and private property of the homeless. Homelessness is not a crime and members of this department will not use homelessness solely as a basis for detention or law enforcement action.

425.2 FIELD CONTACTS
Officers are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. Nothing in this policy is meant to dissuade an officer from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity. However, when encountering a homeless person who has committed a non-violent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, officers are encouraged to consider long-term solutions to problems that may relate to the homeless, such as shelter referrals and counseling in lieu of physical arrest. Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent such services may be appropriate.

425.2.1 OTHER CONSIDERATIONS
Homeless members of the community will receive the same level and quality of service provided to other members of our community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Officers should consider the following when handling investigations involving homeless victims, witnesses or suspects:

(a) Documenting alternate contact information. This may include obtaining addresses and telephone numbers of relatives and friends.
(b) Document places the homeless person may frequent.
(c) Provide homeless victims with victim/witness resources when appropriate.
(d) Obtain statements from all available witnesses in the event a homeless victim is unavailable for a court appearance.
Homeless Persons

(e) Consider whether the person may be a dependent adult or elder and if so proceed in accordance with the Adult Abuse Policy.

(f) Arrange for transportation for investigation-related matters, such as medical exams and court appearances.

(g) Consider whether a crime should be reported and submitted for prosecution even when a homeless victim indicates he/she does not desire prosecution.

425.3 PERSONAL PROPERTY
The personal property of homeless persons must not be treated differently than the property of other members of the public. Officers should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the arrestee’s personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a supervisor should be consulted. The property should be photographed and measures should be taken to remove or secure the property. It will be the supervisor’s responsibility to coordinate the removal and safekeeping of the property.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor.

Officers who encounter unattended encampments, bedding or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property.

425.4 MENTAL ILLNESSES AND MENTAL IMPAIRMENTS
Some homeless persons may suffer from a mental illness or a mental impairment. Officers shall not detain a homeless person under an emergency medical hold unless facts and circumstances warrant such a detention.

425.5 ECOLOGICAL ISSUES
Sometimes homeless encampments can affect the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or departments when a significant impact to the environment has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.

425.6 POLICY
It is the policy of the New Brighton Department of Public Safety to provide law enforcement services to all members of the community while protecting the rights, dignity and private property
Homeless Persons

of the homeless. Homelessness is not a crime and members of this department will not use homelessness solely as a basis for detention or law enforcement action.
Criminal Conduct on School Buses

426.1 PURPOSE AND SCOPE
Criminal conduct on school buses has been identified by the legislature as a critical component for the safety and security of the community. The primary purpose of this policy is to provide officers guidance in responding to reports of alleged criminal conduct on school buses. This department, in cooperation with any other law enforcement agency that may have concurrent jurisdiction over the alleged offense, is responsible for responding to all reports of criminal misconduct on school buses in this jurisdiction.

This policy is not intended to interfere with or replace school disciplinary policies that relate to student misconduct on school buses (Minn. Stat. § 169.4581).

426.2 COMMUNITY COOPERATION
The New Brighton Department of Public Safety shall work with and consult with school officials, School Resource Officers, transportation personnel, parents and students to respond to these incidents to protect student safety and deal appropriately with those who violate the law.

426.3 PROCEDURE
This department shall respond to all criminal misconduct on school buses within the jurisdiction of this department regardless of the source of the report. Officers should take reasonable actions to complete the following:

(a) Provide for the safety of any person involved in the incident or present at the incident.
(b) Coordinate any appropriate care.
(c) Investigate reports of crimes committed on school buses using the same procedures as followed in other criminal investigations as appropriate for juveniles and/or adults.
(d) Issue citations, release pending further investigation, or apprehend and transport individuals committing crimes on school buses to the extent authorized by law.
(e) Submit reports regarding the incident for review, approval and consideration for prosecution.
(f) Complete follow-up and additional investigation as reasonably necessary to prepare a case pertaining to criminal conduct on school buses as required for prosecution.
(g) Provide information to the relevant school regarding the incident as required or authorized by law.
Public Recording of Law Enforcement Activity

427.1 PURPOSE AND SCOPE
This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

427.2 POLICY
The New Brighton Department of Public Safety recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

427.3 RECORDING LAW ENFORCEMENT ACTIVITY
Members of the public who wish to record law enforcement activities are limited only in certain aspects.

(a) Recordings may be made from any public place or any private property where the individual has the legal right to be present.

(b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
   1. Tampering with a witness or suspect.
   2. Inciting others to violate the law.
   3. Being so close to the activity as to present a clear safety hazard to the officers.
   4. Being so close to the activity as to interfere with an officer’s effective communication with a suspect or witness.

(c) The individual may not present an undue safety risk to the officers, him/herself or others.

427.4 OFFICER RESPONSE
Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.
Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

### 427.5 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

(a) Request any additional assistance as needed to ensure a safe environment.

(b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.

(c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.

(d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.

(e) Explain alternatives for individuals who wish to express concern about the conduct of department members, such as how and where to file a complaint.

### 427.6 SEIZING RECORDINGS AS EVIDENCE

Officers should not seize recording devices or media unless (42 USC § 2000aa):

(a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.

1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.

(b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.

(c) The person consents.

1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the evidence is to transmit a copy of the recording from a device to a department-owned device.

Recording devices and media that are seized will be submitted within the guidelines of the Evidence Room Policy.
Suspicious Activity Reporting

428.1 PURPOSE AND SCOPE
This policy provides guidelines for reporting and investigating suspicious and criminal activity.

428.1.1 DEFINITIONS
Definitions related to this policy include:

Involved party - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

Suspicious activity - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Race, ethnicity, national origin or religious affiliation should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include, but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., “dry run,” creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

Suspicious Activity Report (SAR) - An incident report used to document suspicious activity.

428.2 POLICY
The New Brighton Department of Public Safety recognizes the need to protect the public from criminal conduct and acts of terrorism and shall lawfully collect, maintain and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

428.3 RESPONSIBILITIES
The Criminal Investigations Deputy Director and authorized designees will manage SAR activities. Authorized designees should include supervisors who are responsible for department participation in criminal intelligence systems as outlined in the Criminal Organizations Policy.

The responsibilities of the Criminal Investigations Deputy Director include, but are not limited to:

(a) Remaining familiar with those databases available to the Department that would facilitate the purpose of this policy.
(b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.

(c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative or complicated.

(d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Department.

(e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.

(f) Coordinating investigative follow-up, if appropriate.

(g) Coordinating with any appropriate agency or fusion center.

(h) Ensuring that, as resources are available, the Department conducts outreach that is designed to encourage members of the community to report suspicious activity and that outlines what they should look for and how they should report it (e.g., website, public service announcements).

428.4 REPORTING AND INVESTIGATION

Any department member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any non-sworn member who receives such information should ensure that it is passed on to an officer in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a SAR and include information about involved parties and the circumstances of the incident. If, during any investigation, an officer becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented separately in a SAR and not included in the original incident report. The report number of the original incident should be included in the SAR as a cross reference. A SAR should be processed as any other incident report.

428.5 HANDLING INFORMATION

The Records Section will forward copies of SARs, in a timely manner, to the following:

- Investigation Section supervisor
- Other authorized designees
Crisis Intervention Incidents

429.1  PURPOSE AND SCOPE
This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person’s mental state and intent in order to effectively and legally interact with the individual.

429.1.1  DEFINITIONS
Definitions related to this policy include:

**Person in crisis** - A person whose level of distress or mental health symptoms have exceeded the person’s internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

429.2  POLICY
The New Brighton Department of Public Safety is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members’ interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

429.3  SIGNS
Members should be alert to any of the following possible signs of mental health issues or crises:

(a)  A known history of mental illness
(b)  Threats of or attempted suicide
(c)  Loss of memory
(d)  Incoherence, disorientation or slow response
(e)  Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
(f)  Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
(g)  Social withdrawal
(h)  Manic or impulsive behavior, extreme agitation, lack of control
(i)   Lack of fear
(j)   Anxiety, aggression, rigidity, inflexibility or paranoia
Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

429.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS
The Director of Public Safety should designate an appropriate Deputy Director to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources to guide department interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

429.5 FIRST RESPONDERS
Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer’s authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer responding to a call involving a person in crisis should:

(a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.

(b) Request available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.

(c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.

(d) Attempt to determine if weapons are present or available.

(e) Take into account the person’s mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the officer.

(f) Secure the scene and clear the immediate area as necessary.

(g) Employ tactics to preserve the safety of all participants.

(h) Determine the nature of any crime.

(i) Request a supervisor, as warranted.

(j) Evaluate any available information that might assist in determining cause or motivation for the person’s actions or stated intentions.

(k) If circumstances reasonably permit, consider and employ alternatives to force.
429.6 DE-ESCALATION
Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person’s name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person’s verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

429.7 INCIDENT ORIENTATION
When responding to an incident that may involve mental illness or a mental health crisis, the officer should request that the dispatcher provide critical information as it becomes available. This includes:

(a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
(b) Whether there have been prior incidents, suicide threats/ attempts, and whether there has been previous police response.
(c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

429.8 SUPERVISOR RESPONSIBILITIES
A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:
Crisis Intervention Incidents

(a) Attempt to secure appropriate and sufficient resources.

(b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).

(c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.

(d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.

(e) Conduct an after-action tactical and operational debriefing if appropriate.

(f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

429.9 INCIDENT REPORTING
Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

429.9.1 DIVERSION
Individuals who are not being arrested should be processed in accordance with the Civil Commitments Policy.

429.10 NON-SWORN INTERACTION WITH PEOPLE IN CRISIS
Non-sworn members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and animal control issues.

(a) Members should treat all individuals equally and with dignity and respect.

(b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.

(c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person’s behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, an officer should be promptly summoned to provide assistance.
429.11 TRAINING
In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

Additionally, the Deputy Director will provide officers, including part-time officers, with in-service training in crisis intervention and mental illness crises as required by Minn. Stat. § 626.8469.
First Amendment Assemblies

430.1 PURPOSE AND SCOPE
This policy provides guidance for responding to public assemblies or demonstrations.

430.2 POLICY
The New Brighton Department of Public Safety respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

430.3 GENERAL CONSIDERATIONS
Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills, leafleting and loitering. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Officers should not:

(a) Engage in assembly or demonstration-related discussion with participants.

(b) Harass, confront or intimidate participants.

(c) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members’ interaction with participants and their response to crowd dynamics is appropriate.
430.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS
Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating department performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious or social views of associations, or the activities of any individual, group, association, organization, corporation, business or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

430.4 UNPLANNED EVENTS
When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to Emergency Communications Center, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

430.5 PLANNED EVENT PREPARATION
For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

430.5.1 INFORMATION GATHERING AND ASSESSMENT
In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.
First Amendment Assemblies

- The potential time, duration, scope and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or the race, ethnicity, national origin or religion of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

430.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for the following:

(a) Command assignments, chain of command structure, roles and responsibilities
(b) Staffing and resource allocation
(c) Management of criminal investigations
(d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields)
(e) Deployment of specialized resources
(f) Event communications and interoperability in a multijurisdictional event
(g) Liaison with demonstration leaders and external agencies
(h) Liaison with City government and legal staff
(i) Media relations
(j) Logistics: food, fuel, replacement equipment, duty hours, relief and transportation
(k) Traffic management plans
(l) First aid and emergency medical service provider availability
(m) Prisoner transport and detention
(n) Review of policies regarding public assemblies and use of force in crowd control
(o) Parameters for declaring an unlawful assembly
(p) Arrest protocol, including management of mass arrests
(q) Protocol for recording information flow and decisions
(r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force
(s) Protocol for handling complaints during the event
(t) Parameters for the use of body-worn cameras and other portable recording devices.
430.5.3 MUTUAL AID AND EXTERNAL RESOURCES
The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Outside Agency Assistance Policy).

430.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS
If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

If initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and/or video. When possible, the announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

430.7 USE OF FORCE
Use of force is governed by current department policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and TASER® devices should be considered only when the participants’ conduct reasonably appears to present the potential to harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).
First Amendment Assemblies

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this department shall be documented promptly, completely and accurately in an appropriate report.

430.8 ARRESTS
The New Brighton Department of Public Safety should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

(a) Reasonable measures to address the safety of officers and arrestees.
(b) Dedicated arrest, booking and report writing teams.
(c) Timely access to medical care.
(d) Timely access to legal resources.
(e) Timely processing of arrestees.
(f) Full accountability for arrestees and evidence.
(g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Citation Releases Policy).

430.9 MEDIA RELATIONS
The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

430.10 DEMOBILIZATION
When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.
First Amendment Assemblies

430.11 POST EVENT
The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

(a) Operational plan
(b) Any incident logs
(c) Any assignment logs
(d) Vehicle, fuel, equipment and supply records
(e) Incident, arrest, use of force, injury and property damage reports
(f) Photographs, audio/video recordings, Emergency Communications Center records/tapes
(g) Media accounts (print and broadcast media)

430.11.1 AFTER-ACTION REPORTING
The Incident Commander should work with City legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

(a) Date, time and description of the event
(b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
(c) Problems identified
(d) Significant events
(e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

430.12 TRAINING
Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management. The Department should, when practicable, train with its external and mutual aid partners.
Civil Disputes

431.1 PURPOSE AND SCOPE
This policy provides members of the New Brighton Department of Public Safety with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Abuse Policy will address specific legal mandates related to domestic violence court orders. References in this policy to “court orders” apply to any order of a court that does not require arrest or enforcement by the terms of the order or by Minnesota law.

431.2 POLICY
The New Brighton Department of Public Safety recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

431.3 GENERAL CONSIDERATIONS
When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

(a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.

(b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.

(c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.

(d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.

(e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.
Civil Disputes

431.4 COURT ORDERS
Disputes involving court orders can be complex. Where no mandate exists for an officer to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating officer should consult a supervisor prior to making any arrest, if practical.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating officer should document the following:

(a) The person’s knowledge of the court order or whether proof of service exists.
(b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be forwarded with the case file when available. The report should be forwarded to the appropriate prosecutor.

431.4.1 STANDBY REQUESTS
Officers responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Officers should not order the other party to allow entry or the removal of any items. If there is a court order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

431.5 VEHICLES AND PERSONAL PROPERTY
Officers may be faced with disputes regarding possession or ownership of vehicles or other personal property. Officers may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, officers should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

431.6 REAL PROPERTY
Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.
Medical Cannabis

432.1 PURPOSE AND SCOPE
The purpose of this policy is to provide members of this department with guidelines for investigating the possession or use of medical cannabis under Minnesota’s medical cannabis laws.

432.1.1 DEFINITIONS
Definitions related to this policy include (Minn. Stat. § 152.22):

Medical cannabis - Any species of the genus cannabis plant, or any mixture or preparation of them, including whole plant extracts and resins in the form of a liquid, oil or pill, that is properly packaged and labeled with:

(a) The name and address of the authorized manufacturer.
(b) The patient’s registry identification number, name, date of birth and address.
(c) The chemical composition of medical cannabis.
(d) Recommended dosage.
(e) Directions for use.
(f) Batch number.
(g) Date of manufacture.

Raw leaves, flowers and edibles are not included.

Patient - A Minnesota resident who has been diagnosed with a qualifying medical condition by a health care practitioner and who has met any other requirements for patients under Minn. Stat. § 152.22 et seq.

Caregiver - A person who has been approved by the Minnesota Commissioner of Health to assist a patient who is unable to self-administer medication or acquire medical cannabis from a distribution facility due to a disability, and who is authorized to assist the patient with the use of medical cannabis.

432.2 POLICY
It is the policy of the New Brighton Department of Public Safety to prioritize resources to avoid making arrests related to medical cannabis that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

Minnesota medical cannabis laws are intended to provide protection from prosecution to those who use or possess medical cannabis for medical purposes. The New Brighton Department of Public Safety will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under Minnesota law and the resources of the Department.
432.3 INVESTIGATION
Investigations involving the possession or use of cannabis generally fall into one of two categories:

(a) Investigations when no person makes a medicinal claim.
(b) Investigations when a person claims to be a patient or caregiver.

432.3.1 INVESTIGATIONS WITH NO MEDICAL CLAIM
In any investigation involving the possession, delivery, production or use of a cannabis product or drug paraphernalia where no person claims that the cannabis is used for medicinal purposes, the officer should proceed with a criminal investigation. A medicinal claim may be raised at any time, so officers should document any statements and observations that may be relevant to whether the cannabis was possessed or produced for medicinal purposes.

432.3.2 INVESTIGATIONS INVOLVING A PATIENT OR CAREGIVER
Arrest shall not be made for the possession of medical cannabis by a patient, a caregiver or the parent or legal guardian of a patient (Minn. Stat. § 152.32).

Possession of medical cannabis properly packaged and labeled by an authorized manufacturer should suffice for verification of a person’s status as a patient. The possession of medical cannabis registry verification from the Minnesota Department of Health should also suffice for verification a person’s status as a patient or caregiver (Minn. Stat. § 152.22; Minn. Stat. § 152.27).

432.3.3 EXCEPTIONS
This policy does not apply to the following offenses. Officers may take enforcement action if the person (Minn. Stat. § 152.23):

(a) Possesses or engages in the use of medical cannabis on a school bus or van, on the grounds of any preschool or primary or secondary school, in any correctional facility, or on the grounds of any child care facility or home daycare.

(b) Vaporizes medical cannabis on any form of public transportation, where the vapor would be inhaled by a non-patient minor child, or in any public place or a place of employment.

(c) Operates any motor vehicle, aircraft, train or motorboat, or works on transportation property, equipment or facilities while under the influence of medical cannabis.

432.4 FEDERAL LAW ENFORCEMENT
Officers should provide information regarding a medical cannabis investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

432.5 EVIDENCE ROOM SUPERVISOR RESPONSIBILITIES
The Evidence Room supervisor shall ensure that medical cannabis, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical cannabis is not destroyed. Upon the prosecutor’s decision to forgo prosecution, or the dismissal of charges or an
acquittal, the Evidence Room supervisor shall as soon as practicable return to the person from whom it was seized any medical cannabis, drug paraphernalia or other related property.

The Evidence Room supervisor may not destroy medical cannabis except upon receipt of a court order.

The Evidence Room supervisor may release medical cannabis to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Investigation Section supervisor.

432.6 REPORTING
Officers aware of a person experiencing a negative medical condition or a death related to a cannabis overdose, including as a result of an unauthorized access to medical cannabis, must contact the Minnesota Department of Health’s Office of Medical Cannabis within five business days. If discovered as part of an ongoing investigation, the report must be made within 72 hours of the conclusion of the investigation (Minn. R. 4770.4002; Minn. R. 4770.4004).

Officers having reasonable suspicion of unauthorized possession of medical cannabis or of violations of cannabis laws by individuals authorized to possess medical cannabis, must report to the Office of Medical Cannabis using the designated online form. Reports related to unauthorized possession must be submitted within 72 hours, unless discovered as part of an ongoing investigation, in which case reporting must be made within 72 hours of the conclusion of the investigation. Reports of violations by persons authorized to possess medical cannabis must be submitted within 15 days (Minn. R. 4770.4010).
Body Worn Camera

433.1 PURPOSE
The primary purpose of using body-worn-cameras (BWCs) is to capture evidence arising from police-citizen encounters. This policy sets forth guidelines governing the use of BWCs and administering the data that results. Compliance with these guidelines is mandatory, but it is recognized that officers must also attend to other primary duties and the safety of all concerned, sometimes in circumstances that are tense, uncertain, and rapidly evolving.

433.2 POLICY
It is the policy of this department to authorize and require the use of department-issued BWCs as set forth below, and to administer BWC data as provided by law.

433.3 SCOPE
This policy governs the use of BWCs in the course of official duties. It does not apply to the use of squad-based (dash-cam) recording systems (see mobile video recorders policy). The Director or Director’s designee may supersede this policy by providing specific instructions for BWC use to individual officers, or providing specific instructions pertaining to particular events or classes of events, including but not limited to political rallies and demonstrations. The Director or designee may also provide specific instructions or standard operating procedures for BWC use to officers assigned to specialized details.

433.4 DEFINITIONS
The following phrases have special meanings as used in this policy:

A. MGDPA or Data Practices Act refers to the Minnesota Government Data Practices Act, Minn. Stat. § 13.01, et seq.

B. Records Retention Schedule refers to the General Records Retention Schedule for Minnesota Cities.

C. Law enforcement-related information means information captured or available for capture by use of a BWC that has evidentiary value because it documents events with respect to a stop, arrest, search, citation, or charging decision.

D. Evidentiary value means that the information may be useful as proof in a criminal prosecution, related civil or administrative proceeding, further investigation of an actual or suspected criminal act, or in considering an allegation against a law enforcement agency or officer.

E. General citizen contact means an informal encounter with a citizen that is not and does not become law enforcement-related or adversarial, and a recording of the event would not yield information relevant to an ongoing investigation. Examples include, but are not
limited to, assisting a motorist with directions, summoning a wrecker, or receiving generalized concerns from a citizen about crime trends in his or her neighborhood.

F. Adversarial means a law enforcement encounter with a person that becomes confrontational, during which at least one person expresses anger, resentment, or hostility toward the other, or at least one person directs toward the other verbal conduct consisting of arguing, threatening, challenging, swearing, yelling, or shouting. Encounters in which a citizen demands to be recorded or initiates recording on his or her own are deemed adversarial.

G. Unintentionally recorded footage is a video recording that results from an officer’s inadvertence or neglect in operating the officer’s BWC, provided that no portion of the resulting recording has evidentiary value. Examples of unintentionally recorded footage include, but are not limited to, recordings made in station house locker rooms, restrooms, and recordings made while officers were engaged in conversations of a non-business, personal nature with the expectation that the conversation was not being recorded.

H. Official duties, for purposes of this policy, means that the officer is on duty and performing authorized law enforcement services on behalf of this agency.

433.5 USE AND DOCUMENTATION

A. Officers may use only department-issued BWCs in the performance of official duties for this agency or when otherwise performing authorized law enforcement services as an employee of this department.

B. All sworn peace officers working uniform patrol, uniform special details, traffic duties, and uniform school resource officer duties shall use a BWC unless permission has been granted by a supervisor to deviate from this clause. Plain-clothes detectives/investigators and officers, and administrators are allowed to use BWC when interacting with citizens, as appropriate.

C. Officers who have been issued BWCs shall operate and use them consistent with this policy. Officers shall conduct a function test of their issued BWCs at the beginning of each shift to make sure the devices are operating properly. Officers noting a malfunction during testing or at any other time shall promptly report the malfunction to the officer’s supervisor and shall document the report in writing. Supervisors shall take prompt action to address malfunctions and document the steps taken in writing.

D. Officers should wear their issued BWCs at the location on their body and in the manner specified in training.

E. Officers must document BWC use and non-use as follows:
   1. Whenever an officer makes a recording, the existence of the recording shall be documented in an incident report or CAD record of the event.
   2. Whenever an officer fails to record an activity that is required to be recorded under this policy or captures only a part of the activity, the officer must document the circumstances and reasons
for not recording in an incident report or CAD record of the event. Supervisors shall review these reports and initiate any corrective action deemed necessary.

F. The department will maintain the following records and documents relating to BWC use, which are classified as public data:

1. The total number of BWCs owned or maintained by the agency;
2. A daily record of the total number of BWCs actually deployed and used by officers;
3. The total amount of recorded BWC data collected and maintained; and
4. This policy, together with the Records Retention Schedule.

433.6 GENERAL GUIDELINES FOR RECORDING
A. This policy is not intended to describe every possible circumstance in which the BWC should be activated, although there are many situations where use of the BWC is appropriate. Officers should activate the BWC any time the user believes it would be appropriate or valuable to record an incident.

B. Officers shall activate their BWCs when anticipating that they will be involved in, become involved in, or witness other officers of this agency involved in a pursuit, Terry stop of a motorist or pedestrian, search, seizure, arrest, use of force, adversarial contact, and during other activities likely to yield information having evidentiary value. However, officers need not activate their cameras when it would be unsafe, impossible, or impractical to do so, but such instances of not recording when otherwise required must be documented as specified in the Use and Documentation guidelines, part (E)(2) (above).

C. Officers have discretion to record or not record general citizen contacts.

D. Officers have no affirmative duty to inform people that a BWC is being operated or that the individuals are being recorded.

E. Once activated, the BWC should continue recording until the conclusion of the incident or encounter, or until it becomes apparent that additional recording is unlikely to capture information having evidentiary value. The officer having charge of a scene shall likewise direct the discontinuance of recording when further recording is unlikely to capture additional information having evidentiary value. If the recording is discontinued while an investigation, response, or incident is ongoing, officers shall state the reasons for ceasing the recording on camera before deactivating their BWC. If circumstances change, officers shall reactivate their cameras as required by this policy to capture information having evidentiary value. Recording may be temporarily muted to exchange information with other officers or those working in official capacities as part of a law enforcement investigation, response, or incident. If the recording is muted, officers shall state the reasons for muting the audio on camera before deactivating their BWC microphone, or in the incident report or CAD record of the event.
Body Worn Camera

F. Officers shall not intentionally block the BWC’s audio or visual recording functionality to defeat the purposes of this policy.

G. Notwithstanding any other provision in this policy, officers shall not use their BWCs to record other agency personnel during non-enforcement related activities, such as during pre- and post-shift time in locker rooms, during meal breaks, or during other private conversations, unless recording is authorized as part of an administrative or criminal investigation.

433.7 SPECIAL GUIDELINES FOR RECORDING
Officers may, in the exercise of sound discretion, determine:

A. To use their BWCs to record any police-citizen encounter if there is reason to believe the recording would potentially yield information having evidentiary value, unless such recording is otherwise expressly prohibited.

B. To use their BWCs to take recorded statements from persons believed to be victims of and witnesses to crimes, and persons suspected of committing crimes, considering the needs of the investigation and the circumstances pertaining to the victim, witness, or suspect.

In addition,

C. Officers need not record persons being provided medical care unless there is reason to believe the recording would document information having evidentiary value. When responding to an apparent mental health crisis or event, BWCs shall be activated as necessary to document any use of force and the basis for it, and any other information having evidentiary value, but need not be activated when doing so would serve only to record symptoms or behaviors believed to be attributable to the mental health issue.

D. Officers should use their BWCs and squad-based audio/video systems to record their transportation and the physical transfer of persons in their custody to hospitals, detox and mental health care facilities, juvenile detention centers, and jails, but otherwise should not record in these facilities unless the officer anticipates witnessing a criminal event or being involved in or witnessing an adversarial encounter or use-of-force incident.

433.8 DOWNLOADING AND LABELING DATA
A. Each officer using a BWC is responsible for transferring or assuring the proper transfer of the data from his or her camera to the storage server by the end of that officer’s shift. However, if the officer is involved in a shooting, in-custody death, or other law enforcement activity resulting in death or great bodily harm, a supervisor or investigator shall take custody of the officer’s BWC and assume responsibility for transferring the data from it.

B. Officers shall label the BWC data files at the time of video capture or transfer to storage, and should consult with a supervisor if in doubt as to the appropriate labeling. Officers should assign as many of the following labels as are applicable to each file:
Body Worn Camera

1. Citizen Contact: The recording does not contain any of the following categories of information and has no apparent evidentiary value. Recordings of general citizen contacts, traffic stop warnings, and unintentionally recorded footage.

2. Use of Force: Whether or not enforcement action was taken or an arrest resulted, the event involved the application of force by a law enforcement officer of this or another agency.

3. Significant Event:
   - The incident involved an adversarial encounter or resulted in a complaint against the officer.
   - The recording has potential evidentiary value for reasons identified by the officer at the time of labeling.
   - The event was such that it may have value for training.
   - Whether or not enforcement action was taken or an arrest resulted, an officer seized property from an individual or directed an individual to dispossess property.

5. Citation: The video is related to the issuance of a citation for a Petty Misdemeanor offense.

6. Arrest: The information has evidentiary value with respect to an actual or suspected criminal incident or charging decision related to a Misdemeanor, Gross Misdemeanor, or Felony offense.

C. In addition, officers shall note in the incident report as appropriate to indicate that a BWC data file contains information about data subjects who may have rights under the MGDPA limiting disclosure of information about them. These individuals include:

1. Victims and alleged victims of criminal sexual conduct and sex trafficking.

2. Victims of child abuse or neglect.

3. Vulnerable adults who are victims of maltreatment.

4. Undercover officers.

5. Informants.

6. When the video is clearly offensive to common sensitivities.

7. Victims of and witnesses to crimes, if the victim or witness has requested not to be identified publicly.

8. Individuals who called 911, and services subscribers whose lines were used to place a call to the 911 system.

10. Juvenile witnesses, if the nature of the event or activity justifies protecting the identity of the witness.

11. Juveniles who are or may be delinquent or engaged in criminal acts.

12. Individuals who make complaints about violations with respect to the use of real property.
Body Worn Camera

13. Officers and employees who are the subject of a complaint related to the events captured on video.

14. Other individuals whose identities the officer believes may be legally protected from public disclosure.

D. Labeling and flagging designations may be corrected or amended based on additional information.

433.9 ADMINISTERING ACCESS TO BWC DATA

A. Data subjects. Under Minnesota law, the following are considered data subjects for purposes of administering access to BWC data:

1. Any person or entity whose image or voice is documented in the data.

2. The officer who collected the data.

3. Any other officer whose voice or image is documented in the data, regardless of whether that officer is or can be identified by the recording.

B. BWC data is presumptively private. BWC recordings are classified as private data about the data subjects unless there is a specific law that provides differently. As a result:

1. BWC data pertaining to people is presumed private, as is BWC data pertaining to businesses or other entities.

2. Some BWC data is classified as confidential (see C. below).

3. Some BWC data is classified as public (see D. below).

C. Confidential data. BWC data that is collected or created as part of an active criminal investigation is confidential. This classification takes precedence over the “private” classification listed above and the “public” classifications listed below.

D. Public data. The following BWC data is public:

1. Data documenting the discharge of a firearm by a peace officer in the course of duty, other than for training or the killing of an animal that is sick, injured, or dangerous. Data that documents the use of force by a peace officer that results in substantial bodily harm.

2. Data that a data subject requests to be made accessible to the public, subject to redaction. Data on any data subject (other than a peace officer) who has not consented to the public release must be redacted if practicable. In addition, any data on undercover officers must be redacted.

3. Data that documents the final disposition of a disciplinary action against a public employee.

However, if another provision of the Data Practices Act classifies data as private or otherwise not public, the data retains that other classification. For instance, data that reveals protected identities...
under Minn. Stat. § 13.82, subd. 17 (e.g., certain victims, witnesses, and others) should not be released even if it would otherwise fit into one of the public categories listed above.

E. Access to BWC data by non-employees. Officers shall refer members of the media or public seeking access to BWC data to the responsible authority/data practices designee, who shall process the request in accordance with the MGDPA and other governing laws. In particular:

1. An individual shall be allowed to review recorded BWC data about him- or herself and other data subjects in the recording, but access shall not be granted:
   a. If the data was collected or created as part of an active investigation.
   b. To portions of the data that the agency would otherwise be prohibited by law from disclosing to the person seeking access, such as portions that would reveal identities protected by Minn. Stat. § 13.82, subd. 17.

2. Unless the data is part of an active investigation, an individual data subject shall be provided with a copy of the recording upon request, but subject to the following guidelines on redaction:
   a. Data on other individuals in the recording who do not consent to the release must be redacted.
   b. Data that would identify undercover officers must be redacted.
   c. Data on other officers who are not undercover, and who are on duty and engaged in the performance of official duties, may not be redacted.

F. Access by peace officers and law enforcement employees. No employee may have access to the department’s BWC data except for legitimate law enforcement or data administration purposes:

1. Officers may access and view stored BWC video only when there is a business need for doing so, including the need to defend against an allegation of misconduct or substandard performance. Except as provided in the officer-involved shootings and deaths policy and consistent with Minnesota Bureau of Criminal Apprehension (MN BCA) police use of deadly force investigations policy, officers may review video footage of an incident in which they were involved prior to preparing a report, giving a statement, or providing testimony about the incident.

2. Agency personnel shall document their reasons for accessing stored BWC data in the manner provided within the database at the time of each access. Agency personnel are prohibited from accessing BWC data for non-business reasons and from sharing the data for non-law enforcement related purposes, including but not limited to uploading BWC data recorded or maintained by this agency to public and social media websites.

3. Employees seeking access to BWC data for non-business reasons may make a request for it in the same manner as any member of the public.

G. Other authorized disclosures of data. Officers may display portions of BWC footage to witnesses as necessary for purposes of investigation as allowed by Minn. Stat. § 13.82, subd. 15, as may be amended from time to time. Officers should generally limit these displays in order to protect against the incidental disclosure of individuals whose identities are not public.
Body Worn Camera

against incidental disclosure could involve, for instance, showing only a portion of the video, showing only screen shots, muting the audio, or playing the audio but not displaying video. In addition,

1. BWC data may be shared with other law enforcement agencies only for legitimate law enforcement purposes that are documented in writing at the time of the disclosure.

2. BWC data shall be made available to prosecutors, courts, and other criminal justice entities as provided by law.

433.10 DATA SECURITY SAFEGUARDS

A. Data security safeguards shall be in accordance with city information technology policies.

B. Access to BWC data from city or personally owned and approved devices shall be managed in accordance with established city policy.

C. Officers shall not intentionally edit, alter, or erase any BWC recording unless otherwise expressly authorized by the Director or the Director’s designee.

D. As required by Minn. Stat. § 13.825, subd. 9, as may be amended from time to time, this agency shall obtain an independent biennial audit of its BWC program.

433.11 AGENCY USE OF DATA

A. At least once a month, supervisors will randomly review BWC usage by each officer to ensure compliance with this policy.

B. In addition, supervisors and other assigned personnel may access BWC data for the purposes of reviewing or investigating a specific incident that has given rise to a complaint or concern about officer misconduct or performance.

C. Nothing in this policy limits or prohibits the use of BWC data as evidence of misconduct or as a basis for discipline.

D. Officers should contact their supervisors to discuss retaining and using BWC footage for training purposes. Officer objections to preserving or using certain footage for training will be considered on a case-by-case basis. Field training officers may utilize BWC data with trainees for the purpose of providing coaching and feedback on the trainees’ performance.

433.12 DATA RETENTION

A. All BWC data shall be retained for a minimum period of 90 days. There are no exceptions for erroneously recorded or non-evidentiary data.
B. Data documenting the discharge of a firearm by a peace officer in the course of duty, other than for training or the killing of an animal that is sick, injured, or dangerous, must be maintained for a minimum period of one year.

C. Certain kinds of BWC data must be retained for six years
   1. Data that documents the use of deadly force by a peace officer, or force of a sufficient type or degree to require a use of force report or supervisory review.
   2. Data documenting circumstances that have given rise to a formal complaint against an officer.

D. Other data shall be retained for the period specified in the Records Retention Schedule. When a particular recording is subject to multiple retention periods, it shall be maintained for the longest applicable period.

E. Upon written request by a BWC data subject, the agency shall retain a recording pertaining to that subject for an additional time period requested by the subject of up to 180 days. The agency will notify the requestor at the time of the request that the data may then be destroyed unless a new written request is received.

F. The department shall maintain an inventory of BWC recordings.

G. The department will post this policy, together with a link to its Records Retention Schedule, on its website.

433.13 COMPLIANCE
Supervisors shall monitor for compliance with this policy. The unauthorized access to or disclosure of BWC data may constitute misconduct and subject individuals to disciplinary action and criminal penalties pursuant to Minn. Stat. § 13.09. Depending on the circumstances, violations of the policy may result in coaching and counseling, oral reprimand, written reprimand, suspension, or termination.
Medical Aid and Response

434.1 PURPOSE AND SCOPE
This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

434.2 POLICY
It is the policy of the New Brighton Department of Public Safety that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

434.3 FIRST RESPONDING MEMBER RESPONSIBILITIES
Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact Emergency Communications Center and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide Emergency Communications Center with information for relay to EMS personnel in order to enable an appropriate response, including:

(a) The location where EMS is needed.
(b) The nature of the incident.
(c) Any known scene hazards.
(d) Information on the person in need of EMS, such as:
   1. Signs and symptoms as observed by the member.
   2. Changes in apparent condition.
   3. Number of patients, sex, and age, if known.
   4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
   5. Whether the person is showing signs or symptoms of excited delirium or other agitated chaotic behavior.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.
434.4 TRANSPORTING ILL AND INJURED PERSONS
Except in extraordinary cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

434.5 PERSONS REFUSING EMS CARE
If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a 72-hour hold in accordance with the Civil Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

434.6 SICK OR INJURED ARRESTEE
If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.
Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor’s approval.

Nothing in this section should delay an officer from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the officer’s training.

**434.7 MEDICAL ATTENTION RELATED TO USE OF FORCE**

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Conducted Energy Device policies.

**434.8 AIR AMBULANCE**

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

The Patrol Deputy Director should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the Department should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider’s minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider’s minimum standards for horizontal clearance from structures, fences, power poles, antennas, or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One department member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights, and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
Medical Aid and Response

- Always approach the aircraft from the front.
- Avoid the aircraft’s tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

### 434.9 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE

#### 434.9.1 AED USER RESPONSIBILITY
Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Deputy Director who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should contact Emergency Communications Center as soon as possible and request response by EMS.

#### 434.9.2 AED REPORTING
Any member using an AED will complete an incident report detailing its use.

#### 434.9.3 AED TRAINING AND MAINTENANCE
The Deputy Director should ensure appropriate training is provided to members authorized to use an AED.

The Deputy Director is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule.

### 434.10 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION

Only officers who receive training in the recognition of signs of opiate overdose and the use of opiate antagonists may administer opioid overdose medication. Officers may administer opioid overdose medication in accordance with protocol specified by the physician who prescribed the overdose medication for use by the officer (Minn. Stat. § 151.37; Minn. Stat. § 604A.04).

#### 434.10.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES
Officers who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Officers should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Deputy Director.
434.10.2  OPIOID OVERDOSE MEDICATION REPORTING
Any officer administering opioid overdose medication should detail its use in an appropriate report.

434.10.3  OPIOID OVERDOSE MEDICATION TRAINING
The Deputy Director should ensure training is provided to officers authorized to administer opioid overdose medication (Minn. Stat. § 151.37).

434.11  ADMINISTRATION OF EPHINEPHRINE
The department may obtain epinephrine auto-injectors from licensed pharmacies to be administered by trained members in accordance with Minn. Stat. § 144.999.

434.11.1  EPINEPHRINE USER RESPONSIBILITIES
Members who are qualified to administer epinephrine should handle, store, and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Deputy Director.

Any member who administers epinephrine should contact Emergency Communications Center as soon as possible and request response by EMS.

434.11.2  EPINEPHRINE REPORTING
Any member administering epinephrine should detail its use in an appropriate report.

434.11.3  EPINEPHRINE TRAINING
The Deputy Director should ensure that training is provided to members authorized to administer epinephrine.

Training shall be conducted by an authorized provider and be completed every two years (Minn. Stat. § 144.999).

434.12  FIRST AID TRAINING
Subject to available resources, the Deputy Director should ensure officers receive periodic first aid training appropriate for their position.
Chapter 5 - Traffic Operations
Traffic Function and Responsibility

500.1 PURPOSE AND SCOPE
The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventative patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on collision data, enforcement activity records, traffic volume and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in collision situations but also in terms of traffic-related needs.

500.2 TRAFFIC OFFICER DEPLOYMENT AND RADIO CLEARING PROCEDURE
Several factors are considered in the development of deployment schedules for officers of the New Brighton Department of Public Safety. Information provided by the Minnesota Office of Traffic Safety (OTS) is a valuable resource for traffic collision occurrences and therefore officer deployment. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All officers assigned to patrol or traffic enforcement functions will emphasize enforcement of collision-causing violations during periods of high-collision incidence and at locations of occurrence. All officers will take directed enforcement action on request, and random enforcement action when appropriate, against violators as a matter of routine. All officers shall maintain high visibility while working general enforcement, especially at high-collision incidence locations.

Other factors to be considered for deployment are citizen requests, construction zones or special events.

When clearing a traffic stop with Ramsey County Dispatch, squads will clear following the current clearing practices as put out by Ramsey County Dispatch and the Administration of the New Brighton Department of Public Safety.

500.3 ENFORCEMENT
Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of citations issued by any officer shall not be used when evaluating officer
performance (Minn. Stat. § 169.985; Minn. Stat. § 299D.08). The visibility and quality of an officer’s work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:

500.3.1 WARNINGS
Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant.

500.3.2 TRAFFIC CITATIONS
Traffic citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at a minimum:

(a) Explanation of the violation or charge.
(b) Court appearance procedure, including the optional or mandatory appearance by the motorist.
(c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court.
(d) The court contact information.

500.3.3 TRAFFIC CITATION COURT JURISDICTION
An officer who issues a traffic citation (non-bookable offense) shall ensure that the citation is properly completed and the officer’s copy is forwarded to the records section. The records clerk will then direct to the court having jurisdiction (Minn. Stat. § 169.91 Subd. 3). If the citation is for a bookable offense, an additional copy of the citation will be left with the jail staff at the time of booking.

500.3.4 PHYSICAL ARREST
Physical arrest can be made on a number of criminal traffic offenses. These physical arrest cases usually deal with, but are not limited to (Minn. Stat. § 169.91):

(a) Negligent homicide.
(b) Driving under the influence of alcohol/drugs.
(c) Hit-and-run resulting in serious injury or death.
(d) Hit-and-run resulting in damage to any vehicle or property.

500.4 HIGH-VISIBILITY VESTS
The Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of department members who may be exposed to hazards presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601; Minn. R. 5205.0030).

Although intended primarily for use while performing traffic-related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of
the member. All city owned emergency vehicles will be equipped with Nationally approved high-visibility vests.

500.4.1 REQUIRED USE
Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, collision investigations, lane closures and while at disaster scenes, or any time high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plain clothes officer might benefit from being readily identified as an officer.
Traffic Collisions

501.1 PURPOSE AND SCOPE
This policy provides guidelines for responding to and investigating traffic collisions.

501.2 POLICY
It is the policy of the New Brighton Department of Public Safety to respond to traffic collisions and render or summon aid to injured victims as needed. The Department will investigate and prepare reports according to the established minimum reporting requirements with the goal of reducing the occurrence of collisions by attempting to identify the cause of the collision and through enforcing applicable laws. Unless restricted by law, traffic collision reports will be made available to the public upon request.

501.3 RESPONSE
Upon arriving at the scene, the responding member should assess the need for additional resources and summon assistance as appropriate. Generally, the member initially dispatched to the scene will be responsible for the investigation and report, if required, unless responsibility is reassigned by a supervisor.

A supervisor should be called to the scene when the incident when possible:

(a) Is within the jurisdiction of this department and there is:
   2. A fatality.
   3. A City vehicle involved.
   4. A City official or employee involved.
   5. Involvement of an on- or off-duty member of this department.

(b) Is within another jurisdiction and there is:
   1. A City of New Brighton vehicle involved.
   3. Involvement of an on-duty member of this department.

501.3.1 MEMBER RESPONSIBILITIES
Upon arriving at the scene, the responding member should consider and appropriately address:

(a) Traffic direction and control
(b) Proper placement of emergency vehicles, cones, roadway flares or other devices if available to provide protection for members, the public and the scene.
(c) First aid for any injured parties if it can be done safely.
(d) The potential for involvement of hazardous materials.
Traffic Collisions

(e) The need for additional support as necessary (e.g., traffic control, emergency medical services, fire department, HAZMAT, tow vehicles).

(f) Clearance and cleanup of the roadway.

501.4 NOTIFICATION
If a traffic collision involves a life-threatening injury or fatality, the responding officer shall notify a supervisor. The Shift Sergeant or any supervisor may request appropriate personnel to investigate the incident from within or outside this agency. The Shift Sergeant/Supervisor will ensure notification is made to a member of the command staff.

501.4.1 NOTIFICATION OF FAMILY
In the event of a life-threatening injury or fatality, the supervisor responsible for the incident should ensure notification of the victim’s immediate family or coordinate such notification with the Medical Examiner, department chaplain or another suitable person. Notification should be made as soon as practicable following positive identification of the victim.

The identity of any person seriously injured or deceased in a traffic collision should not be released until notification is made to the victim’s immediate family.

501.5 MINIMUM REPORTING REQUIREMENTS
A collision report shall be taken when:

(a) A fatality, any injury (including complaint of pain), impaired driving or hit and run is involved.

(b) An on-duty member of the City of New Brighton is involved.

(c) The collision results in any damage to any City-owned or leased vehicle.

(d) The collision involves any other public agency driver or vehicle.

(e) There is damage to public property.

(f) State mandated minimum dollar amount damages are met.

(g) Prosecution or follow-up investigation is contemplated.

(h) Directed by a supervisor.

501.5.1 CITY VEHICLE INVOLVED
A traffic collision report shall be taken when a City vehicle is involved in a traffic collision that results in property damage or injury.

A general information report may be taken in lieu of a traffic collision report at the direction of a supervisor when the incident occurs entirely on private property or does not involve another vehicle.

Whenever there is damage to a City vehicle, a damage to city property form shall be completed and forwarded to the appropriate Deputy Director. A supervisor at the scene should determine what photographs should be taken of the scene and the vehicle damage.
When a city owned vehicle is involved in a traffic collision, an outside agency should be contacted to conduct the traffic accident investigation if the Supervisor deems it necessary to avoid any conflicts of interest.

501.5.2 INJURED ANIMALS
Department members should refer to the Animal Control Policy when a traffic collision involves the disposition of an injured animal.

501.6 INVESTIGATION
When a traffic collision meets minimum reporting requirements the investigation should include, at a minimum:

(a) Identification and interview of all involved parties.
(b) Identification and interview of any witnesses.
(c) A determination of whether a violation of law has occurred and the appropriate enforcement action.
(d) Identification and protection of items of apparent evidentiary value.
(e) Documentation of the incident as necessary (e.g., statements, measurements, photographs, collection of evidence and reporting) on the appropriate forms.

501.6.1 INVESTIGATION BY OUTSIDE LAW ENFORCEMENT AGENCY
The Deputy Director or on-duty Shift Sergeant/Supervisor should request that the Minnesota State Patrol or other outside law enforcement agency investigate and complete a traffic collision investigation when a life-threatening injury or fatal traffic collision occurs within the jurisdiction of the New Brighton Department of Public Safety and involves:

(a) An on- or off-duty member of the Department.
   1. The involved member shall complete the department traffic collision form. If the member is unable to complete the form, the supervisor shall complete it.
(b) An on- or off-duty official or employee of the City of New Brighton.

Department members shall promptly notify a supervisor when any department vehicle is involved in a traffic collision. The collision investigation and report shall be completed by the agency conducting the investigation.

501.6.2 COMMERCIAL VEHICLE COLLISIONS
Commercial vehicle collisions additionally require notification to the Minnesota State Patrol if the collision results in (Minn. Stat. § 169.783):

(a) A fatality.
(b) Bodily injury to a person who, as a result of the injury, immediately receives medical treatment away from the scene of the collision.
(c) One or more vehicles incurring disabling damage as a result of the collision, requiring the vehicle to be transported away from the scene by tow truck or other motor vehicle.
Traffic Collisions

A waiver or inspection by a state trooper or other authorized person is required before a person may drive a commercial motor vehicle that was involved in such a collision (Minn. Stat. § 169.783).

501.7 ENFORCEMENT ACTION
After a thorough investigation in which physical evidence or independent witness statements indicate that a violation of a traffic law contributed to the collision, authorized members may issue a citation or arrest the offending driver, as appropriate.

More serious violations, such as driving under the influence of drugs or alcohol, vehicular manslaughter or other felonies, shall be enforced. If a driver who is subject to enforcement action is admitted to a hospital, a supervisor shall be contacted to determine the best enforcement option.

501.8 REPORTS
Department members shall utilize forms approved by the Minnesota Department of Public Safety as required for the reporting of traffic collisions (Minn. Stat. § 169.09, Subd. 9).

501.8.1 REPORT MODIFICATION
A change or modification of a written report that alters a material fact in the report may be made only by the member who prepared the report, and only prior to its approval and distribution. Once a report has been approved and distributed, corrections shall only be made by way of a written supplemental report. A written supplemental report may be made by any authorized member.
Vehicle Towing

502.1 PURPOSE AND SCOPE
This policy provides the procedures for towing a vehicle by or at the direction of the New Brighton Department of Public Safety and under the authority of Minn. Stat. § 168B.035.

502.2 STORAGE AND IMPOUNDS
Vehicles may be towed for violations of Minn. Stat. § 168B.035, including parking, registration and snow emergency violations.

Vehicles may be moved or removed from a highway when in violation of Minn. Stat. § 169.32(a) or when left unattended upon any street or highway or upon any bridge or causeway or in any tunnel where such vehicle constitutes an obstruction to traffic (Minn. Stat. § 169.33).

The responsibilities of those employees storing or impounding a vehicle are as follows:

502.2.1 COMPLETION OF VEHICLE IMPOUND AND INVENTORY REPORT
Department members requesting towing of a vehicle shall complete a Vehicle Impound Report, including a description of property within the vehicle. A copy is to be given to the tow truck operator and the original is to be submitted to the Records Section as soon as practicable after the vehicle is impounded.

The member who fills out the Vehicle Impound Report shall confirm with staff from the Emergency Communications Center that the impounded vehicle was entered into the in-house "alert" system. The member will then document the badge number of the member of the Emergency Communications Center entered that impounded vehicle into the alert system.

Approved Vehicle Impound Report forms shall be promptly placed into the auto-file so that they are immediately available for release or for information, should inquiries be made.

Within 48 hours, excluding weekends and holidays, of the towing of any such vehicle, it shall be the responsibility of the Records Section to determine through MNJIS the names and addresses of any individuals having an interest in the vehicle. Notice to all such individuals shall be sent by certified mail within five business days of impound (Minn. Stat. § 168B.06 Subd. 1).

502.2.2 REMOVAL OF VEHICLE DISABLED IN A TRAFFIC COLLISION
When a vehicle has been involved in a traffic collision and must be removed from the scene, the officer shall have the driver contact a towing company, if reasonably possible.

If the owner is incapacitated or for any reason it is necessary for the Department to assume responsibility for a vehicle involved in a collision, the officer shall request the dispatcher to call the towing company for whom the city has a contract with. The officer will then conduct an inventory of the vehicle noting items of value on the Vehicle Impound Report.
Vehicle Towing

502.2.3 DRIVING A NON-CITY VEHICLE
Vehicles that have been towed by or at the direction of the Department should not be driven by police personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with posted signs.

502.3 TOWING SERVICES
The City of New Brighton periodically selects one or more firms to act as official tow services and awards contracts to those firms. Those firms will be used in the following situations:

(a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
(b) When a vehicle is being held as evidence in connection with an investigation.
(c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles and the removal of vehicles obstructing traffic in violation of state or local regulations.

If more than one firm has been awarded contracts, they shall be placed on a rotation list. Nothing in this policy shall require the Department to tow a vehicle.

502.4 TOWING AT ARREST SCENES
Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this department to provide reasonable safekeeping by towing the arrestee’s vehicle subject to the exceptions described below. However, a vehicle shall be towed whenever it is needed for the furtherance of an investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be towed. For example, the vehicle would present a traffic hazard if it were not removed, or the vehicle is located in a high-crime area and is susceptible to theft or damage if left at the scene.

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of towing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

- Traffic-related warrant arrest.
- Situations where the vehicle was not used to further the offense for which the occupant was arrested nor may be subject to forfeiture proceedings.
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene.

In such cases, the handling employee shall note in the report that the owner was informed that the Department will not be responsible for theft or damages.
Vehicle Towing

502.5 VEHICLE INVENTORY
All property having monetary value in a stored or impounded vehicle shall be inventoried and listed on the vehicle report. This includes the trunk and any compartments or containers, even if they are closed and/or locked. Members conducting inventory searches should be as thorough and accurate as practicable in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner's property while the owner is in police custody, to provide for the safety of officers and the public, and to protect the Department against fraudulent claims of lost, stolen or damaged property.

502.6 PRESERVATION OF EVIDENCE
An officer who removes a vehicle pursuant to Minn. Stat. § 168B.035 is required to take reasonable and necessary steps to preserve evidence. If there is probable cause to believe that a vehicle or its contents constitute any evidence which tends to show that a criminal offense has been committed, or that a particular person has committed a criminal offense, officers shall ensure that all legally required and reasonably necessary efforts are taken to preserve the evidence. Such evidence is to be provided safe storage and preserved until released to the owner or otherwise disposed of according to law.

502.7 SECURITY OF VEHICLES AND PROPERTY
Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, officers should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cellular telephone, prescriptions) that are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.
Impaired Driving

503.1 PURPOSE AND SCOPE
This policy provides guidance to those department members who play a role in the detection and investigation of driving while impaired (DWI).

503.2 POLICY
The New Brighton Department of Public Safety is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of Minnesota’s impaired driving laws.

503.3 INVESTIGATIONS
All officers are expected to enforce these laws with due diligence.

The Deputy Director will develop and maintain, in consultation with the prosecuting attorney, report forms with appropriate checklists to assist investigating officers in documenting relevant information and maximizing efficiency. Any DWI investigation will be documented using these forms. Information documented elsewhere on the form does not need to be duplicated in the report narrative. Information that should be documented includes, at a minimum:

(a) The field sobriety tests (FSTs) administered and the results.
(b) The officer’s observations that indicate impairment on the part of the individual, and the officer’s health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
(c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
(d) Information about any audio and/or video recording of the individual’s driving or subsequent actions.
(e) The location and time frame of the individual’s vehicle operation and how this was determined.
(f) Any prior related convictions in Minnesota or another jurisdiction.

503.4 FIELD TESTS
The Deputy Director should identify standardized FSTs and any approved alternate tests for officers to use when investigating violations of DWI laws.

503.5 CHEMICAL TESTS
A person implies consent under Minnesota law to a chemical test or tests, and to providing the associated chemical sample, under any of the following (Minn. Stat. § 169A.51, Subd. 1):

(a) The arresting officer has probable cause to believe the person was driving, operating or in physical control of a vehicle while impaired as defined by Minn. Stat. § 169A.20.
Impaired Driving

(b) The officer has probable cause to believe that the person is DWI and has been involved in a vehicle accident resulting in property damage, personal injury or death.

(c) The officer has probable cause to believe that the person is DWI and the person has refused to take the preliminary screening test provided for by Minn. Stat. § 169A.41.

(d) The person was administered a preliminary screening test and the results indicated an alcohol concentration of 0.08 or more.

(e) The officer has probable cause to believe the person was driving, operating or in physical control of a commercial motor vehicle with the presence of any alcohol in the person’s body.

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

503.5.1 BREATH SAMPLES
The Deputy Director or their designee should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Deputy Director.

503.5.2 BLOOD SAMPLES
Only persons authorized by law to draw blood shall collect blood samples (Minn. Stat. § 169A.51, Subd. 7). The blood draw should be witnessed by the assigned officer.

The blood sample shall be packaged, marked, handled, stored and transported as required by the BCA.

If an arrestee cannot submit to a blood test because he/she has a bleeding disorder or has taken medication that inhibits coagulation, he/she shall not be required to take a blood test. Such inability to take a blood test should not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

503.5.3 URINE SAMPLES
If a urine test will be performed, the arrestee should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by an officer or jail staff member of the same sex as the person giving the sample. The arrestee tested should be allowed sufficient privacy to maintain his/her dignity, to the extent possible, while still ensuring the accuracy of the sample.

The sample shall be packaged, marked, handled, stored and transported as required by the BCA.
503.5.4 STATUTORY NOTIFICATIONS
At the time that the officer requests the person to submit to a breath test the officer must inform the person that (Minn. Stat. § 169A.51, Subd. 2):

(a) Minnesota law requires that he/she take the test.

(b) Refusal to take the test is a crime.

(c) He/she has the right to consult with an attorney unless it would unreasonably delay administration of the test.

At the time that the officer directs a person to submit to a blood or urine test pursuant to a warrant, the person must be informed that a refusal to submit to a blood or urine test is a crime (Minn. Stat. § 171.177, Subd. 1 and Subd. 2).

503.6 REFUSALS
When an arrestee refuses to provide a chemical sample officers should:

(a) Advise the arrestee of the requirement to provide a sample (Minn. Stat. § 169A.51; Minn. Stat. § 171.177, Subd. 1).

(b) Audio- and/or video-record the admonishment and the response when it is legal and practicable.

(c) Document the refusal in the appropriate report.

503.6.1 STATUTORY NOTIFICATIONS UPON REFUSAL
Upon refusal to submit to a chemical test as required by law, officers shall personally serve the notice of intention to revoke upon the person and invalidate the person’s license in such a way that no identifying information is destroyed and immediately return the license to the person (Minn. Stat. § 169A.52, Subd. 7; Minn. Stat. § 171.177, Subd. 8).

503.6.2 BLOOD SAMPLE WITHOUT CONSENT
A blood sample may be obtained from a person who does not consent to a chemical test when any of the following conditions exist (Minn. Stat. § 169A.51, Subd. 3):

(a) A search warrant has been obtained.

(b) The officer can articulate that exigent circumstances exist and the officer has probable cause to believe that the person has committed DWI, including vehicular homicide or injury (Minn. Stat. § 169A.52, Subd. 1; Minn. Stat. § 171.177, Subd. 13). Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person’s bloodstream. Exigency can be established by the existence of special facts, such as a lengthy delay in obtaining a blood sample due to a collision investigation or medical treatment of the person.
Impaired Driving

503.6.3 FORCED BLOOD SAMPLE
A forced sample may not be taken except in DWI cases involving vehicular homicide or injury (Minn. Stat. § 171.177, Subd. 13). In those cases, if a person indicates by word or action that he/she will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

(a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.

(b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes, a viable form of testing in a timely manner.

(c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another officer), and attempt to persuade the person to submit to such a sample without physical resistance.

1. This dialogue should be recorded on audio and/or video when reasonably practicable.

(d) Ensure that the blood sample is taken in a medically approved manner.

(e) Ensure that the forced blood draw is recorded on audio and/or video when reasonably practicable.

(f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances:

1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.

2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.

3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.

(g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.

If a supervisor is unavailable, officers are expected to use sound judgment and perform the duties of a supervisor, as set forth above.

503.6.4 WARRANTS FOR CONTROLLED SUBSTANCES OR INCAPACITATION
A blood or urine test may be required pursuant to a warrant if the officer has probable cause to believe that (Minn. Stat. § 169A.51, Subd. 4):

(a) The person’s impairment is due to a controlled substance or an intoxicating substance that is not subject to testing by a breath test.

(b) A controlled substance listed in Schedule I or II or its metabolite (other than marijuana or tetrahydrocannabinols), is present in the person’s body.

(c) The person is unconscious or incapacitated to the point that the officer providing the breath test advisory, administering the breath test, or serving the search warrant has
Impaired Driving

a good faith belief that the person is mentally or physically unable to comprehend the advisory or otherwise voluntarily submit to the chemical tests.

If a person objects to the blood or urine test as directed by the warrant or officer, the officer should offer the other type of test if the person is conscious. Action may be taken against a person refusing to submit to a blood or urine test only if an alternate test of blood or urine, as applicable, was offered (Minn. Stat. § 169A.51, Subd. 4; Minn. Stat. § 171.177, Subd. 2).

503.7 ARREST AND INVESTIGATION

503.7.1 RIGHT TO ATTORNEY CONTACTS
A person has a limited right to consult with an attorney prior to submitting to a chemical test. This right is limited to the extent that it cannot unreasonably delay administration of the test (Minn. Stat. § 169A.51, Subd. 2).

503.7.2 ARREST AUTHORITY
An officer may arrest a person without a warrant and without regard to whether the offense was committed in the officer’s presence if there is probable cause to believe the person committed (Minn. Stat. § 169A.40):

(a) A DWI offense (Minn. Stat. § 169A.20).
(b) An alcohol-related driving offense involving a school bus or a Head Start bus (Minn. Stat. § 169A.31).
(c) An underage drinking and driving offense (Minn. Stat. § 169A.33).

503.7.3 OFFICER RESPONSIBILITIES
If an officer requests that a person submit to a chemical test and the person refuses such request, the officer shall report such refusal to the Commissioner of the Department of Public Safety (DPS) and the appropriate prosecuting attorney (Minn. Stat. § 169A.52, Subd. 1; Minn. Stat. § 171.177, Subd. 3).

If a person refuses to submit to a test or in the alternative submits to a test and the results indicate a prohibited alcohol concentration, the officer shall immediately give notice to the person that his/her driving privilege will be revoked and shall (Minn. Stat. § 169A.52, Subd. 7; Minn. Stat. § 171.177, Subd. 8):

(a) Issue the person a temporary license effective for only seven days.
   1. Officers are not required to issue a person a temporary license if the person’s driving privilege is under withdrawal by DPS or if the person is unlicensed.
   (b) Send the notification of this action to the Commissioner of the DPS along with the certification that there was probable cause to believe the person had been driving, operating or in physical control of a motor vehicle while impaired, and that the person either refused to submit to a test or submitted to a test and the results indicated a prohibited alcohol concentration or drug presence.
Impaired Driving

Test results of a person that indicate a prohibited alcohol concentration or drug presence shall be forwarded to the Commissioner of the DPS and the appropriate prosecuting attorney (Minn. Stat. § 169A.52, Subd. 2).

503.7.4 PRELIMINARY SCREENING TEST
An officer who has reason to believe the person was driving, operating or in physical control of a motor vehicle while impaired, may require the person to provide a sample of the person’s breath for a preliminary screening test using a device approved by the DPS Commissioner (Minn. Stat. § 169A.41, Subd. 1).

The officer must use the results of the preliminary screening test for the purpose of deciding whether to arrest the person and require further chemical testing pursuant to Minn. Stat. § 169A.51 (Minn. Stat. § 169A.41, Subd. 2).

503.7.5 ADDITIONAL TESTING
An officer shall permit a person required to submit to a chemical test to have a qualified person of his/her own choosing administer a separate chemical test (Minn. Stat. § 169A.51, Subd. 7(b)). The separate chemical test shall:

(a) Be conducted at the place where the person is in custody.
(b) Be conducted after the officer has administered the statutorily mandated test.
(c) Impose no expense to the state.

503.7.6 ADDITIONAL REQUIREMENTS FOR BREATH SAMPLES
All breath samples requested in accordance with this policy shall be obtained in accordance with Minn. Stat. § 169A.51, Subd. 5.

503.8 RECORDS SECTION RESPONSIBILITIES
The Office Supervisor will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney’s office.

503.9 ADMINISTRATIVE HEARINGS
The Office Supervisor will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to the Driver and Vehicle Services Division (DVS) of the DPS.

503.10 TRAINING
The Deputy Director should ensure that officers participating in the enforcement of DWI laws receive regular training. Training should include at minimum current laws on impaired driving, investigative techniques and rules of evidence pertaining to DWI investigations. The Deputy Director should confer with the prosecuting attorney’s office and update training topics as needed.
Traffic Citations

504.1 PURPOSE AND SCOPE
This policy outlines the responsibility for traffic citations, the collection of data, the procedure for dismissal, correction and voiding of traffic citations.

504.2 RESPONSIBILITIES
The Deputy Director shall be responsible for the development and design of all traffic citations in compliance with state law (Minn. Stat. § 169.99 and Minn. Stat. § 169.999 Subd. 3).

The Records Section shall be responsible for the accounting of all traffic citations.

504.3 DISMISSAL OF TRAFFIC CITATIONS
Employees of this department do not have the authority to dismiss a citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued. Any request from a recipient to dismiss a citation shall be referred to the Deputy Director. Upon a review of the circumstances involving the issuance of the traffic citation, the Deputy Director may request the Patrol Deputy Director to recommend dismissal of the traffic citation. If approved, the citation will be forwarded to the appropriate prosecutor with a request for dismissal. All recipients of traffic citations whose request for dismissal of a traffic citation has been denied shall be referred to the appropriate court.

Should an officer determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate, the officer may request the prosecutor to dismiss the citation. Upon dismissal of the traffic citation by the court, the officer shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required. The citation dismissal shall then be forwarded to the Patrol Deputy Director for review.

Members of the Department should provide a report or other verification to the owner of a stolen vehicle that may have received a citation during the time of the theft for the purpose of dismissing the citation (Minn. Stat. § 169.042 Subd. 2).

504.4 CORRECTION AND DISPOSITION OF TRAFFIC CITATIONS
When a traffic citation is issued and in need of correction, the officer issuing the citation shall submit a request for a specific correction to the Records Section and issue a corrected citation to the violator. The Records Section shall prepare a letter of dismissal to the court having jurisdiction.

The citation copies shall be filed with the Records Section.
504.4 JUVENILE CITATIONS
Completion of traffic citation forms for juveniles may vary slightly from the procedure for adults. The juvenile’s age, place of residency and the type of offense should be considered before issuing the juvenile a citation.

(a) When any juvenile is issued a citation for a drug or alcohol violation, or a juvenile 16 years of age or older is issued a citation for an adult court traffic offense, the officer shall follow the arrest procedures prescribed in Minn. Stat. § 169.91 and shall make reasonable effort to notify the child’s parent or guardian of the violation and the nature of the charge. Notifications should be documented (Minn. Stat. § 260B.225 Subd. 3).

(b) When any juvenile is issued a citation for a major traffic offense, the officer is required to file a signed copy of the citation, as provided in Minn. Stat. § 169.91, with the juvenile court of the county in which the violation occurred. The citation serves as a petition providing the juvenile court jurisdiction (Minn. Stat. § 260B.225 Subd. 5).
Disabled Vehicles

505.1 PURPOSE AND SCOPE
Law enforcement and other public agencies may develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

505.2 OFFICER_DEPUTY RESPONSIBILITIES
When an on-duty officer observes a disabled vehicle on the roadway, the officer should make a reasonable effort to provide assistance. If that officer is assigned to a call of higher priority, the dispatcher should be advised of the location of the disabled vehicle and the need for assistance. The dispatcher should then assign another available officer to respond for assistance as soon as practicable.

505.3 EXTENT OF ASSISTANCE
In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by Department personnel will be contingent on the time of day, the location, the availability of Department resources and the vulnerability of the disabled motorist.

505.3.1 RELOCATION OF DISABLED VEHICLES
The relocation of disabled vehicles by members of this department by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle.
Abandoned Vehicle Violations

506.1 PURPOSE AND SCOPE
This policy provides procedures for the removal, recording and storage of vehicles abandoned/junked in violation of abandoned vehicle laws, under the authority of Minn. Stat. § 168B.04 and/or New Brighton City Code Chapter 17, Article 3, Section 17-49-to 17-54.

506.1.1 DEFINITION
Pursuant to Minnesota statutes, a vehicle is abandoned if:

(a) The motor vehicle has remained illegally for more than 48 hours on any government-owned or -controlled property, or for more than four hours on that property when properly posted (Minn. Stat. § 168B.011 Subd. 2 (1)).

(b) The motor vehicle has been properly tagged by an officer and abandoned for four hours on any highway (Minn. Stat. § 168B.04, Subd. 2 (b) (1)).

(c) The motor vehicle has been abandoned and located so as to constitute a collision or traffic hazard (Minn. Stat. § 168B.04 Subd. 2 (b) (1)).

(d) The motor vehicle is unattended on private residential property, that is a single-family or duplex, without permission of the property caretaker (Minn. Stat. § 168B.04 Subd. 2 (b) (2)).

(e) The motor vehicle can be immediately removed if on private non-residential property if properly posted or after 24 hours if not posted (Minn. Stat. § 168B.04 Subd. 2 (b) (2)).

(f) The motor vehicle remains at a service, repair or maintenance establishment of motor vehicles five days after notifying the vehicle owner by certified mail, return receipt requested, of the property owner’s intention to have the vehicle removed from the property (Minn. Stat. § 168B.04 Subd. 2 (b) (2)).

506.2 MARKING VEHICLES
Vehicles on public roadways suspected of being abandoned in violation of Minnesota abandoned vehicle laws shall be marked and noted.

A visible chalk, crayon or paint mark should be placed on the vehicle unless the vehicle is missing tires or other vehicle conditions or weather prevent marking.

If a marked vehicle has been moved or the markings have been removed during a four or 24-hour investigation period, the vehicle shall be marked again for either the four or 24-hour abandonment violation.

506.2.1 VEHICLE STORAGE
Any vehicle in violation shall be impounded by the authorized towing service and a vehicle report shall be completed by the officer authorizing the impound of the vehicle.
Abandoned Vehicle Violations

The vehicle report form shall be submitted to the Records Section immediately following the impounding of the vehicle. The department member that impounds a vehicle as being abandoned or junk shall send a letter to the owner advising them of the impoundment and location of the impounded vehicle within 48 hours.
Chapter 6 - Investigation Operations
Investigation and Prosecution

600.1 PURPOSE AND SCOPE
The purpose of this policy is to set guidelines and requirements pertaining to the handling and disposition of criminal investigations.

600.2 POLICY
It is the policy of the New Brighton Department of Public Safety to investigate crimes thoroughly and with due diligence, and to evaluate and prepare criminal cases for appropriate clearance or submission to a prosecutor.

600.3 INITIAL INVESTIGATION

600.3.1 OFFICER RESPONSIBILITIES
An officer responsible for an initial investigation shall complete no less than the following:

(a) Make a preliminary determination of whether a crime has been committed by completing, at a minimum:
   1. An initial statement from any witnesses or complainants.
   2. A cursory examination for evidence.

(b) If information indicates a crime has occurred, the officer shall:
   1. Preserve the scene and any evidence as required to complete the initial and follow-up investigation.
   2. Determine if additional investigative resources (e.g., investigators or scene processing) are necessary and request assistance as required.
   3. If assistance is warranted, or if the incident is not routine, notify a supervisor or the Shift Sergeant.
   4. Make reasonable attempts to locate, identify and interview all available victims, complainants, witnesses and suspects.
   5. Collect any evidence.
   6. Take any appropriate law enforcement action.
   7. Complete and submit the appropriate reports and documentation.

(c) If the preliminary determination is that no crime occurred, determine what other action may be necessary, what other resources may be available, and advise the informant or complainant of this information.

600.3.2 NON-SWORN MEMBER RESPONSIBILITIES
A non-sworn member assigned to any preliminary investigation is responsible for all investigative steps, except making any attempt to locate, contact or interview a suspect face-to-face or take any enforcement action when the non-sworn employee has reason to believe the situation may
Investigation and Prosecution

become volatile. Should an initial investigation indicate that those steps are required, the assistance of an officer shall be requested.

600.4 CUSTODIAL INTERROGATION REQUIREMENTS
Suspects who are in custody and subjected to an interrogation shall be given the *Miranda* warning, unless an exception applies. Interview or interrogation of a juvenile shall be in accordance with the Temporary Custody of Juveniles Policy.

600.4.1 AUDIO/VIDEO RECORDINGS
Any custodial interrogation of a person who is suspected of having committed a criminal offense should be electronically recorded (audio/video or both as available) in its entirety, including any information or discussion about the person’s rights and any waiver of those rights. Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Consideration should also be given to recording a non-custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of a custodial interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Investigation Section supervisor. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate and complete and are made only for authorized and legitimate law enforcement purposes.

Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

600.5 DISCONTINUATION OF INVESTIGATIONS
The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

(a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.

(b) The perpetrator of a misdemeanor has been identified and a warning is the most appropriate disposition.
   1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.
   2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.

(c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.
Investigation and Prosecution

(d) The case has been submitted to the appropriate prosecutor, charges have been filed, and further investigation is not reasonable, warranted or requested, and there is no need to take the suspect into custody.

(e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted or requested.

(f) Investigation has proven that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Domestic Abuse, Child Abuse, Sexual Assault Investigations and Adult Abuse policies may also require an arrest or submittal of a case to a prosecutor.

600.6 COMPUTERS AND DIGITAL EVIDENCE
The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, officers should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, officers should take reasonable steps to prepare for such seizure and use the resources that are available.

600.7 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES
Use of social media and any other Internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights and civil liberties. Information gathered via the Internet should only be accessed by members while on-duty and for purposes related to the mission of this department. If a member encounters information relevant to a criminal investigation while off-duty or while using his/her own equipment, the member should note the dates, times and locations of the information and report the discovery to his/her supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using department equipment.

Information obtained via the Internet should not be archived or stored in any manner other than department-established record keeping systems (see the Records Maintenance and Release and Criminal Organizations policies).

600.7.1 ACCESS RESTRICTIONS
Information that can be accessed from any department computer, without the need of an account, password, email address, alias or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any Internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.
Investigation and Prosecution

Accessing information that requires the use of a third party’s account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the related investigative report.

Information gathered from any Internet source should be evaluated for its validity, authenticity, accuracy and reliability. Corroborative evidence should be sought and documented in the related investigative report.

Any information collected in furtherance of an investigation through an Internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

600.7.2   INTERCEPTING ELECTRONIC COMMUNICATION

Informants

603.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the use of informants.

603.1.1 DEFINITIONS
Definitions related to this policy include:

Informant - A person who covertly interacts with other individuals or suspects at the direction of, request of, or by agreement with the New Brighton Department of Public Safety for law enforcement purposes. This also includes a person agreeing to supply information to the New Brighton Department of Public Safety for a benefit (e.g., a quid pro quo in the form of a reduced criminal penalty, money).

603.2 POLICY
The New Brighton Department of Public Safety recognizes the value of informants to law enforcement efforts and will strive to protect the integrity of the informant process. It is the policy of this department that all funds related to informant payments will be routinely audited and that payments to informants will be made according to the criteria outlined in this policy.

603.3 USE OF INFORMANTS

603.3.1 INITIAL APPROVAL
Before using an individual as an informant, an officer must receive approval from his/her supervisor. The officer shall compile sufficient information through a background investigation and experience with the informant in order to determine the suitability of the individual, including age, maturity and risk of physical harm, as well as any indicators of his/her reliability and credibility.

Members of this department should not guarantee absolute safety or confidentiality to an informant.

603.3.2 JUVENILE INFORMANTS
The use of informants under the age of 13 is prohibited.

In all cases, a juvenile 13 years of age or older may only be used as an informant with the written consent of each of the following:

(a) The juvenile’s parents or legal guardians
(b) The juvenile’s attorney, if any
(c) The court in which the juvenile’s case is being handled, if applicable
(d) The Director of Public Safety or the authorized designee

603.4 INFORMANT INTEGRITY
To maintain the integrity of the informant process, the following must be adhered to:
Informants

(a) The identity of an informant acting in a confidential capacity shall not be withheld from the Director of Public Safety, Deputy Director, VCET supervisor or their authorized designees.
   1. Identities of informants acting in a confidential capacity shall otherwise be kept confidential.

(b) Criminal activity by informants shall not be condoned.

(c) Informants shall be told they are not acting as police officers, employees or agents of the New Brighton Department of Public Safety, and that they shall not represent themselves as such.

(d) The relationship between department members and informants shall always be ethical and professional.
   1. Members shall not become intimately involved with an informant.
   2. Social contact shall be avoided unless it is necessary to conduct an official investigation, and only with prior approval of the VCET supervisor.
   3. Members shall neither solicit nor accept gratuities or engage in any private business transaction with an informant.

(e) Officers shall not meet with informants in a private place unless accompanied by at least one additional officer or with prior approval of the VCET supervisor.

(f) When contacting informants for the purpose of making payments, officers shall arrange for the presence of another officer.

(g) In all instances when department funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses.

(h) Since the decision rests with the appropriate prosecutor, officers shall not promise that the informant will receive any form of leniency or immunity from criminal prosecution.

603.4.1 UNSUITABLE INFORMANTS

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the Department and, if so, what conditions will be placed on his/her participation or any information the informant provides. The supervisor shall document the decision and conditions in file notes and mark the file “unsuitable” when appropriate.

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

(a) The informant has provided untruthful or unreliable information in the past.
Informants

(b) The informant behaves in a way that may endanger the safety of an officer.
(c) The informant reveals to suspects the identity of an officer or the existence of an investigation.
(d) The informant appears to be using his/her affiliation with this department to further criminal objectives.
(e) The informant creates officer-safety issues by providing information to multiple law enforcement agencies simultaneously, without prior notification and approval of each agency.
(f) The informant engages in any other behavior that could jeopardize the safety of officers or the integrity of a criminal investigation.
(g) The informant commits criminal acts subsequent to entering into an informant agreement.

603.5 INFORMANT FILES
Informant files shall be utilized as a source of background information about the informant, to enable review and evaluation of information provided by the informant, and to minimize incidents that could be used to question the integrity of department members or the reliability of the informant.

603.5.1 FILE SYSTEM PROCEDURE
A separate file shall be maintained on each informant and shall be coded with an assigned informant control number. An informant history that includes the following information shall be prepared for each file:

(a) Name and aliases
(b) Date of birth
(c) Physical description: sex, race, height, weight, hair color, eye color, scars, tattoos or other distinguishing features
(d) Photograph
(e) Current home address and telephone numbers
(f) Current employers, positions, addresses and telephone numbers
(g) Vehicles owned and registration information
(h) Places frequented
(i) Briefs of information provided by the informant and his/her subsequent reliability
   1. If an informant is determined to be unsuitable, the informant's file is to be marked "unsuitable" and notations included detailing the issues that caused this classification.
(j) Name of the officer initiating use of the informant
(k) Update on active or inactive status of informant
Informants

603.6 INFORMANT PAYMENTS

No informant will be told in advance or given an exact amount or percentage for his/her service. The amount of funds to be paid to any informant will be evaluated against the following criteria:

- The extent of the informant's personal involvement in the case
- The significance, value or effect on crime
- The value of assets seized
- The quantity of the drugs or other contraband seized
- The informant’s previous criminal activity
- The level of risk taken by the informant

603.6.1 PAYMENT PROCESS

Approved payments to an informant should be in cash using the following process:

(a) Payments of $500 and under may be paid in cash from a VCET buy/expense fund.
   1. The VCET supervisor shall sign the voucher for cash payouts from the buy/expense fund.

(b) Payments exceeding $500 shall be made by issuance of a check, payable to the officer who will be delivering the payment.
   1. The check shall list the case numbers related to and supporting the payment.
   2. A written statement of the informant's involvement in the case shall be placed in the informant's file.
   3. The statement shall be signed by the informant verifying the statement as a true summary of his/her actions in the case.
   4. Authorization signatures from the Director of Public Safety and the City Manager are required for disbursement of the funds.

(c) To complete the payment process for any amount, the officer delivering the payment shall complete a cash transfer form.
   1. The cash transfer form shall include the following:
      (a) Date
      (b) Payment amount
      (c) New Brighton Department of Public Safety case number
      (d) A statement that the informant is receiving funds in payment for information voluntarily rendered.
   2. The cash transfer form shall be signed by the informant.
   3. The cash transfer form will be kept in the informant's file.
Informants

603.6.2 REPORTING OF PAYMENTS
Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed $600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of officers or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the informant shall be provided a letter identifying the amount he/she must report on a tax return as “other income” and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the informant’s file.

603.6.3 AUDIT OF PAYMENTS
The VCET supervisor or the authorized designee shall be responsible for compliance with any audit requirements associated with grant provisions and applicable state and federal law.

At least once every six months, the Director of Public Safety or the authorized designee should conduct an audit of all informant funds for the purpose of accountability and security of the funds. The funds and related documents (e.g., buy/expense fund records, cash transfer forms, invoices, receipts and logs) will assist with the audit process.
Eyewitness Identification

604.1 PURPOSE AND SCOPE
This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques.

604.1.1 DEFINITIONS
Definitions related to the policy include:

Eyewitness identification process - Any field identification, live lineup or photographic identification.

Field identification - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

Live lineup - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

Photographic lineup - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

604.2 POLICY
The New Brighton Department of Public Safety will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

604.3 INTERPRETIVE SERVICES
Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating officer should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

604.4 EYEWITNESS IDENTIFICATION FORM
The Investigation Section supervisor shall be responsible for the development and maintenance of a Sequential Photo Display form and process for use by members when they are conducting eyewitness identifications.

The process and any related forms or reports should provide:

(a) The date, time and location of the eyewitness identification procedure.

(b) The name and identifying information of the witness.
Eyewitness Identification

(c) The name of the person administering the identification procedure.

(d) If applicable, the names of all of the individuals present during the identification procedure.

(e) An admonishment that the suspect’s photograph may or may not be among those presented and that the witness is not obligated to make an identification.

(f) An admonishment to the witness that the investigation will continue regardless of whether an identification is made by the witness.

(g) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.

The process and related forms should be reviewed at least annually and modified when necessary.

604.5 EYEWITNESS IDENTIFICATION

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case. Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified, or failed to identify, the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and/or video recorded and the recording should be retained according to current evidence procedures.

604.5.1 PHOTOGRAPHIC AND LIVE LINEUP CONSIDERATIONS

The person presenting the lineup should not be directly involved in the investigation of the case.

The employee presenting a lineup to a witness should not know which photograph or person is the suspect.

Other persons or photos used in any lineup should bear similar characteristics to the suspect to avoid causing him/her to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup.

The employee presenting the lineup to a witness should do so sequentially and not simultaneously (i.e., show the witness one person at a time). The witness should view all persons in the lineup.

The order of the suspect or the photos and the fillers should be randomized before being presented to each witness.
Eyewitness Identification

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating officer should contact the appropriate prosecuting attorney before proceeding.

604.5.2 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination or show-up identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

(a) Obtain a complete description of the suspect from the witness.

(b) Assess whether a witness should be included in a field identification process by considering:

1. The length of time the witness observed the suspect.
2. The distance between the witness and the suspect.
3. Whether the witness could view the suspect’s face.
4. The quality of the lighting when the suspect was observed by the witness.
5. Whether there were distracting noises or activity during the observation.
6. Any other circumstances affecting the witness’s opportunity to observe the suspect.
7. The length of time that has elapsed since the witness observed the suspect.

(c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.

(d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.

(e) The person who is the subject of the show-up should not be shown to the same witness more than once.

(f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.

(g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.

(h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that
suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

604.6 DOCUMENTATION
A thorough description of the eyewitness process and the results of any eyewitness identification should be documented in the case report.

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.
Brady Material Disclosure

605.1 PURPOSE AND SCOPE
This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “Brady information”) to a prosecuting attorney.

605.1.1 DEFINITIONS
Definitions related to this policy include:

**Brady information** - Information known or possessed by the New Brighton Department of Public Safety that is both favorable and material to the current prosecution or defense of a criminal defendant.

605.2 POLICY
The New Brighton Department of Public Safety will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the New Brighton Department of Public Safety will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information as provided in this policy.

605.3 DISCLOSURE OF INVESTIGATIVE INFORMATION
Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor’s office.

If information is believed to be privileged or confidential (e.g., confidential informant or protected personnel files), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure whether evidence or facts are material, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Department case file.
605.4 DISCLOSURE OF PERSONNEL INFORMATION
If a member of this department is a material witness in a criminal case, a person or persons designated by the Director of Public Safety shall examine the personnel file and/or internal affairs file of the officer to determine whether they contain Brady information. If Brady information is located, the following procedure shall apply:

(a) In the event that a motion has not already been filed by the criminal defendant or other party, the prosecuting attorney and department member shall be notified of the potential presence of Brady material in the member’s personnel file.

(b) If the data is classified as public data, a copy of it shall be provided to the prosecuting attorney. In the case of non-public data, the prosecuting attorney should then be requested to file a motion in order to initiate an in camera review by the court.

1. If no motion is filed, the supervisor should work with counsel to determine whether the records should be disclosed to the prosecutor.

(c) The Custodian of Records shall accompany all relevant personnel files during any in camera inspection to address any issues or questions raised by the court.

(d) If the court determines that there is relevant Brady material contained in the files, only that data ordered released will be copied and released to the parties filing the motion.

1. Prior to the release of any materials pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use and further dissemination of such materials to the involved case and requiring the return of all copies upon completion of the case.

(e) If a court has determined that relevant Brady information is contained in the member’s file in any case, the prosecutor should be notified of that fact in all future cases involving that member.

The person or persons designated by the Director of Public Safety should periodically examine the personnel files and/or internal affairs files of all officers who may be material witnesses in criminal cases to determine whether they contain Brady information. The obligation to provide Brady information is ongoing. If any new Brady information is identified, the prosecuting attorney should be notified.

605.5 INVESTIGATING BRADY ISSUES
If the Department receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

605.6 TRAINING
Department personnel should receive periodic training on the requirements of this policy.
Scrap Metal Theft Investigation

607.1 PURPOSE AND SCOPE
This policy provides guidance regarding scrap metal theft investigations.

607.1.1 DEFINITIONS
Definitions related to this policy include:

Scrap vehicle operator or operator - A person described in Minn. Stat. § 168A.1501 who engages in a transaction involving the purchase or acquisition of a scrap vehicle.

Scrap metal dealer or dealer - A person engaged in the business of buying or selling scrap metal, or both, as defined in Minn. Stat. § 325E.21.

607.2 POLICY
The New Brighton Department of Public Safety recognizes the difficulty in preventing scrap metal theft and may investigate, place holds on or confiscate items as provided in this policy.

607.3 INSPECTIONS
An officer engaged in scrap metal theft investigations may (Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21):

(a) Conduct inspections of any purchase and acquisition records maintained by scrap vehicle operators or scrap metal dealers.

(b) Inspect scrap vehicle or scrap metal received by an operator or dealer at any reasonable time.

(c) Inspect any video or still camera and any recordings or images required to be maintained by an operator or dealer.

Any refusal to allow such inspections should be referred to the City attorney for criminal prosecution.

607.4 INVESTIGATIVE HOLDS
An officer who has probable cause to believe that a scrap vehicle or motor vehicle parts in the possession of a scrap vehicle operator, or that scrap metal in the possession of a scrap metal dealer, is stolen or is evidence of a crime may verbally order the operator or dealer not to process, sell, remove or allow the removal of the item for 30 days (Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21).

The officer issuing the order is responsible for ensuring that the order to hold the item is confirmed in writing within 72 hours. If the item is identified as evidence in an active criminal case, the officer may extend the hold in writing. This extension must occur within 30 days of the original order and may remain in effect for as long as the investigation or prosecution is active.
607.5 SEIZING ITEMS
The investigating officer should confer with the prosecuting attorney to determine whether the item should be confiscated. If the item is evidence or otherwise needed for an investigation or prosecution, the officer may issue a written notice to confiscate any time during the investigative hold. The officer shall take custody of the item within 15 days of the notice to confiscate (Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21).

When an item is confiscated, the officer shall:

(a) Provide the operator or dealer a property receipt that includes at least the following:
   1. The name and telephone number of the Department.
   2. The name and telephone number of the officer.
   3. The case number related to the confiscation.

(b) Deliver the item to the Evidence Room.

When a confiscated item is no longer needed for an investigation or prosecution, it may be returned to a registered owner only after giving the operator or dealer from whom the item was seized written notice of intent to do so. The written notice should include notice of the right of the operator or dealer to make a written request for return of the item and that if the Department does not return the item within 48 hours of the request, excluding Saturday, Sunday or legal holidays, the operator or dealer may file a petition for the return of the item in the district court in the district in which the property was seized (Minn. Stat. § 626.04).

607.6 TERMINATION OF HOLD OR NOTICE TO CONFISCATE
At the conclusion of any investigation and prosecution, the officer who issued the investigative hold or a notice to confiscate property not yet confiscated shall notify the operator or dealer in writing that the hold or notice is no longer in effect (Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21).

607.7 AUTOMATED PROPERTY SYSTEM
The Investigation Section supervisor is responsible for ensuring that the Department complies with the implementation and use of the Automated Property System (APS) (Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21).
Chapter 7 - Equipment
Department-Owned and Personal Property

700.1 PURPOSE AND SCOPE
Department employees are expected to properly care for Department property assigned or entrusted to them. Employees may also suffer occasional loss or damage to personal or department property while performing their assigned duties. Certain procedures are required depending on the loss and ownership of the item.

700.2 DOCUMENTATION OF ISSUED PROPERTY
All property issued shall be documented in the appropriate property sheet or equipment log and receipt acknowledged by signature. Upon an employee’s separation from the Department, all issued equipment shall be returned and documentation of the return signed by a supervisor.

700.2.1 CARE OF DEPARTMENT PROPERTY
Employees shall be responsible for the safekeeping, serviceable condition, proper care, use and replacement of department property assigned or entrusted to them. An employee’s intentional or negligent abuse or misuse of department property may lead to discipline.

(a) Employees shall promptly report through the chain of command, any loss, damage to or unserviceable condition of any department-issued property or equipment assigned for their use.

(b) The use of damaged or unserviceable department property should be discontinued as soon as practicable and, if appropriate and approved by staff, replaced with comparable Department property as soon as available and following notice to a supervisor.

(c) Except when otherwise directed by a supervisor or required by exigent circumstances, Department property shall only be used by those to whom it was assigned. Use should be limited to official purposes and in the capacity for which it was designed.

(d) Department property shall not be thrown away, sold, traded, donated, destroyed or otherwise disposed of without proper authority.

(e) In the event that any Department property becomes damaged or unserviceable, no employee shall attempt to repair the property without prior approval of a competent authority.

700.3 USE OF PERSONAL PROPERTY
The carrying of personal equipment on-duty or its use in the performance of duties requires prior written approval by the Director of Public Safety or appropriate Deputy Director. The employee should submit for approval the description of personal property the employee has requested to carry, the reason for its use and the term of its use. Personal property of the type routinely carried by persons not performing law enforcement duties nor comprising a weapon are excluded from
this requirement. The Director of Public Safety or appropriate Deputy Director should review the request and approved or deny the request as appropriate.

700.3.1  DEFINITIONS

**Personal Property** - Items or equipment owned by, provided by or purchased totally at the expense of the employee. This definition includes optional equipment items identified in the Uniform Regulations Policy.

**700.3.2  FILING CLAIMS FOR PERSONAL PROPERTY**

Claims for reimbursement for damage or loss of personal property must be made on the proper form. This form is submitted to the employee’s immediate supervisor. The supervisor may require a separate written report of the loss or damage.

The supervisor receiving such a report shall make an appropriate investigation and direct a memo to the appropriate Deputy Director that shall include the result of his/her investigation and whether reasonable care was taken to prevent the loss, damage or unserviceable condition.

Upon review by staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Director of Public Safety, who will then forward the claim to the Finance Department.

The Department will not replace or repair costly items (e.g., jewelry, exotic equipment) that are not reasonably required as a part of work.

**700.3.3  REPORTING REQUIREMENT**

A verbal report shall be made to the employee’s immediate supervisor as soon as circumstances permit.

A written report shall be submitted before the employee goes off-duty or within the time frame directed by the supervisor to whom the verbal report is made.

**700.4  LOSS OR DAMAGE OF PROPERTY OF ANOTHER**

Officers and other employees intentionally or unintentionally may cause damage to the real or personal property of another while performing their duties. Any employee who damages or causes to be damaged any real or personal property of another while performing any law enforcement function shall report it as provided below.

(a) A verbal report shall be made to the employee’s immediate supervisor as reasonably soon as circumstances permit.

(b) A written report shall be submitted before the employee goes off-duty or within the time frame directed by the supervisor to whom the verbal report was made.

**700.4.1  DAMAGE BY PERSON OF ANOTHER AGENCY**

If employees of another jurisdiction cause damage to personal property or property belonging to the City, it shall be the responsibility of the employee present or the employee responsible for the property to make a verbal report to his/her immediate supervisor as reasonably soon as
Department-Owned and Personal Property

circumstances permit. The employee shall submit a written report before going off-duty or as otherwise directed by the supervisor.

These written reports, accompanied by the supervisor’s written report, shall promptly be forwarded to the appropriate Deputy Director.
Personal Communication Devices

701.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices issued by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCD) but is intended to include all mobile telephones, personal digital assistants (PDA) and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, e-mailing, using video or camera features, playing games and accessing sites or services on the Internet.

701.2 POLICY
The New Brighton Department of Public Safety allows employees to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally employees are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the employee and the employee’s PCD records to civil or criminal discovery or disclosure under applicable data practices laws and rules of civil or criminal procedures.

Employees who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory personnel.

701.3 PRIVACY POLICY
Employees shall have no expectation of privacy with regard to any communication made with or stored in or through PCDs issued by the Department and shall have no expectation of privacy in their location should the device be equipped with location detection capabilities. The use of any department-provided or -funded PCD, computer, Internet service, telephone service or other wireless service while on-duty is without any expectation of privacy that the employee might otherwise have in any communication, including the content of any such communication. Communications or data reception on personal, password-protected, web-based e-mail accounts and any other services are subject to monitoring if department equipment is used.

In accordance with this policy supervisors are authorized to conduct a limited administrative search of electronic files without prior notice, consent or a search warrant, on department-issued or personally owned PCDs that have been used to conduct department-related business. Administrative searches can take place for work-related purposes that may be unrelated to
investigations of employee misconduct and, as reasonably practicable, will be done in the presence of the affected employee. Prior to conducting any search of personally owned devices, supervisors shall consult with the Director of Public Safety or designee. All such searches shall be fully documented in a written report.

**701.4 DEPARTMENT-ISSUED PCD**

Depending on an employee’s assignment and the needs of the position, the Department may at its discretion issue a PCD. Department-issued PCDs are provided as a convenience to facilitate on-duty performance only. Such devices and the associated telephone number shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Employees are not obligated or required to carry, access, monitor or respond to electronic communications using a PCD while off-duty.

**701.5 PERSONALLY OWNED PCD**

Employees may carry a personally owned PCD while on-duty subject to the following conditions and limitations:

(a) Carrying a personally owned PCD is a privilege, not a right.
(b) The Department accepts no responsibility or liability for loss of or damage to a personally owned PCD.
(c) Employees shall promptly notify the Department in the event the PCD is lost or stolen.
(d) The PCD and any associated services shall be purchased, used and maintained solely at the employee’s expense.
(e) The device should not be used for work-related purposes except in exigent circumstances, (e.g. unavailability of radio communications). Employees have a reduced expectation of privacy when using a personally owned PCD in the workplace and have no expectation of privacy with regard to any department business-related communication.

1. Members may use personally owned PCDs on-duty for routine administrative work as authorized by the Director of Public Safety.

(f) The device shall not be utilized to record or disclose any business-related data, including photographs, video or the recording or transmittal of any data or material obtained or made accessible as a result of employment with the Department, without the express authorization of the Director of Public Safety or the authorized designee.

(g) All work-related documents, e-mails, photographs, recordings or other public records created or received on a member’s personally owned PCD should be transferred to the New Brighton Department of Public Safety and deleted from the member’s PCD as soon as reasonably practicable but no later than the end of the member’s shift.

Employees are not obligated or required to carry, access, monitor or respond to electronic communications using a personally owned PCD while off-duty.
Personal Communication Devices

701.5.1 PUBLIC RECORDS
Work related information including data created, received, recorded or stored on a personally owned PCD in the course of department duties is considered government data subject to the requirements of the Minnesota Government Data Practices Act and discovery obligations (Minn. Stat. § 13.01 et seq.).

701.6 USE OF PERSONAL COMMUNICATION DEVICES
The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

(a) A PCD may not be used to conduct personal business while on-duty except for brief personal communications (e.g., informing family of extended hours).

(b) Employees may use a PCD to communicate with other personnel in situations where the use of the radio is either impracticable or not feasible. PCDs should not be used as a substitute for or as a way to avoid or in lieu of regular radio communications.

(c) Officers are prohibited from taking pictures, video or making audio recordings or making copies of any such picture or recording media unless it is directly related to official department business. Disclosure of any such information to any third party through any means without the express authorization of the Director of Public Safety or the authorized designee or contrary to data practices policies and procedures may result in discipline.

(d) Using PCDs to harass, threaten, coerce or otherwise engage in inappropriate conduct with any third party is prohibited. Any employee having knowledge of such conduct shall promptly notify a supervisor.

701.7 SUPERVISORY RESPONSIBILITIES
Supervisors should ensure that members under their command are provided appropriate training on the use of PCDs consistent with this policy. Supervisors should monitor, to the extent reasonably practicable, PCD use in the workplace and take prompt corrective action if an employee is observed or reported to be improperly using a PCD. An investigation into improper conduct should be promptly initiated when circumstances warrant.

If, when carrying out any provision of this policy, the need to contact an employee who is off-duty arises, supervisors should consider delaying the contact, if reasonably practicable, until the employee is on-duty as such time may be compensable.

701.8 USE WHILE DRIVING
The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters involving official duties and, where reasonably practicable, stop the vehicle at an appropriate location to use the PCD (Minn. Stat. § 169.475).
Personal Communication Devices

701.9  OFFICIAL USE
Employees are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that sensitive data is not inadvertently transmitted. As soon as reasonably possible, employees shall change over to conduct sensitive or private communications on a land-based or other department communications network.

The following situations are examples of when the use of a PCD may be appropriate:

(a)  Barricaded suspects
(b)  Hostage situations
(c)  Mobile Command Post
(d)  Catastrophic disasters, such as plane crashes, earthquakes, floods, etc.
(e)  Major political or community events
(f)  Investigative stakeouts
(g)  Emergency contact with an allied agency or allied agency field unit
(h)  When immediate communication is needed and the use of the radio is not available or appropriate and other means are not readily available
Vehicle Maintenance

702.1 PURPOSE AND SCOPE
Employees are responsible for assisting in maintaining Department vehicles so that they are properly equipped, maintained, refueled and present a clean appearance.

702.2 DEFECTIVE VEHICLES
When a department vehicle becomes inoperative or in need of repair that affects the safety of the vehicle, that vehicle shall be removed from service for repair. Proper documentation shall be promptly completed by the employee who becomes aware of the defective condition. Paperwork, describing the correction needed, shall be promptly forwarded to vehicle maintenance for repair.

702.2.1 DAMAGE OR POOR PERFORMANCE
Vehicles that may have been damaged or perform poorly shall be removed from service for inspection and repair as soon as practicable.

702.2.2 SEVERE USE
Vehicles operated under severe use conditions, which include operations for which the vehicle is not designed or that exceed the manufacturer's parameters, should be removed from service and subjected to a safety inspection as soon as reasonably possible. Such conditions may include rough roadway or off-road driving, hard or extended braking, pursuits or prolonged high-speed operation.

702.2.3 REMOVAL OF WEAPONS
All firearms, weapons and control devices shall be removed from a vehicle and properly secured prior to the vehicle being released for off-site maintenance, service or repair.

702.3 VEHICLE EQUIPMENT
Certain items shall be maintained in all Department vehicles for emergency purposes and to perform routine duties.

702.4 VEHICLE REFUELING
Absent emergency conditions or supervisor approval, officers driving patrol vehicles shall not place a vehicle in service that has less than one-quarter tank of fuel. Whenever practicable, vehicles should be fully fueled when placed into service and refueled before the level falls below one-quarter tank.

Vehicles shall only be refueled at an authorized location.

702.5 WASHING OF VEHICLES
All units shall be kept clean at all times and, weather conditions permitting, shall be washed as necessary to enhance their appearance.
Vehicle Maintenance

Employees using a vehicle shall remove any trash or debris at the end of the shift. Not public data should be placed in a designated receptacle provided for the shredding of this matter.

702.6 NON-SWORN EMPLOYEE USE
Non-sworn employees using marked vehicles shall ensure all weapons are removed from the vehicle before going into service.
Vehicle Use

703.1 PURPOSE AND SCOPE
The purpose of this policy is to establish a system of accountability to ensure department vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of department vehicles and shall not be construed to create or imply any contractual obligation by the City of New Brighton to provide assigned take-home vehicles.

703.2 POLICY
The New Brighton Department of Public Safety provides vehicles for department-related business and may assign patrol and unmarked vehicles based on a determination of operational efficiency, economic impact to the Department, requirements for tactical deployments and other considerations.

703.3 USE OF VEHICLES

703.3.1 OTHER USE OF VEHICLES
Members utilizing a vehicle for any purpose other than their normally assigned duties or normal vehicle assignment (e.g., transportation to training, community event) shall first notify the Shift Sergeant/Supervisor.

This subsection does not apply to those who are assigned to transport vehicles to and from the maintenance yard or car wash.

703.3.2 INSPECTIONS
Members shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of their shifts. Any previously unreported damage, mechanical problems, unauthorized contents or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

The interior of any vehicle that has been used to transport any person other than a member of this department should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any suspect, prisoner or arrestee, the transporting member shall search all areas of the vehicle that are accessible by the person before and after that person is transported.

All department vehicles are subject to inspection and/or search at any time by a supervisor without notice and without cause. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or its contents.
703.3.3 SECURITY AND UNATTENDED VEHICLES
Unattended vehicles should be locked and secured at all times. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine safety, equipment charging). Officers who exit a vehicle rapidly in an emergency situation or to engage in a foot pursuit must carefully balance the need to exit the vehicle quickly with the need to secure the vehicle.

Members shall ensure all weapons are secured while the vehicle is unattended.

703.3.4 MOBILE DIGITAL COMPUTER
Members assigned to vehicles equipped with a Mobile Digital Computer (MDT) shall log onto the MDT with the required information when going on-duty. If the vehicle is not equipped with a working MDT, the member shall notify Emergency Communications Center. Use of the MDT is governed by the Mobile Digital Computer Use Policy.

703.3.5 VEHICLE LOCATION SYSTEM
Patrol and other vehicles, at the discretion of the Director of Public Safety, may be equipped with a system designed to track the vehicle’s location. While the system may provide vehicle location and other information, members are not relieved of their responsibility to use required communication practices to report their location and status.

Members shall not make any unauthorized modifications to the system.

System data may be accessed by supervisors at any time. However, access to historical data by personnel other than supervisors will require Deputy Director approval.

All data captured by the system shall be retained in accordance with the established records retention schedule.

703.3.6 KEYS
Members approved to operate marked patrol vehicles should be issued a copy of the key as part of their initial equipment distribution. Members who are assigned a specific vehicle should be issued keys for that vehicle.

Members shall not duplicate keys without supervisory approval. The loss of a key shall be promptly reported in writing through the member’s chain of command.

703.3.7 AUTHORIZED PASSENGERS
Members operating department vehicles shall not permit persons other than City personnel or persons required to be conveyed in the performance of duty, or as otherwise authorized, to ride as passengers in the vehicle, except as stated in the Ride-Along Policy.

703.3.8 ALCOHOL
Members who have consumed alcohol are prohibited from operating any department vehicle unless it is required by the duty assignment (e.g., task force, undercover work). Regardless of assignment, members may not violate state law regarding vehicle operation while intoxicated.
Vehicle Use

703.3.9 ACCESSORIES AND/OR MODIFICATIONS
There shall be no modifications, additions or removal of any equipment or accessories without permission from a competent authority.

703.3.10 NON-SWORN MEMBER USE
Non-sworn members using marked emergency vehicles shall ensure that all weapons have been removed before going into service.

703.4 INDIVIDUAL MEMBER ASSIGNMENT TO VEHICLES
Department vehicles may be assigned to individual members at the discretion of the Director of Public Safety. Vehicles may be assigned for on-duty and/or take-home use. Assigned vehicles may be changed at any time. Permission to take home a vehicle may be withdrawn at any time.

The assignment of vehicles may be suspended when the member is unable to perform his/her regular assignment.

703.4.1 ON-DUTY USE
Vehicle assignments shall be based on the nature of the member’s duties, job description and essential functions, and employment or appointment status. Vehicles may be reassigned or utilized by other department members at the discretion of the Director of Public Safety or the authorized designee.

703.4.2 UNSCHEDULED TAKE-HOME USE
Circumstances may arise where department vehicles must be used by members to commute to and from a work assignment. Members may take home department vehicles only with prior approval of a supervisor and shall meet the following criteria:

   (a) The circumstances are unplanned and were created by the needs of the Department.
   (b) Other reasonable transportation options are not available.
   (c) The member lives within a reasonable distance (generally not to exceed a 60-minute drive time) of the New Brighton City limits.
   (d) Off-street parking will be available at the member’s residence.
   (e) Vehicles will be locked when not attended.

703.4.3 ASSIGNED VEHICLES
Assignment of take-home vehicles shall be based on the location of the member’s residence; the nature of the member’s duties, job description and essential functions; and the member’s employment or appointment status. Residence in the City of New Brighton is a prime consideration for assignment of a take-home vehicle. Members who reside outside the City of New Brighton may be required to secure the vehicle at a designated location or the Department at the discretion of the Director of Public Safety.
Members are cautioned that under federal and local tax rules, personal use of a City vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member’s tax adviser.

Criteria for use of take-home vehicles include the following:

(a) Vehicles shall only be used for work-related purposes and shall not be used for personal errands or transports, unless special circumstances exist and the Director of Public Safety or a Deputy Director gives authorization.

(b) Vehicles may be used to transport the member to and from the member’s residence for work-related purposes.

(c) Vehicles will not be used when off-duty except:
   1. In circumstances when a member has been placed on call by the Director of Public Safety or Deputy Directors and there is a high probability that the member will be called back to duty.
   2. When the member is performing a work-related function during what normally would be an off-duty period, including vehicle maintenance or traveling to or from a work-related activity or function.
   3. When the member has received permission from the Director of Public Safety or Deputy Directors.
   4. When the vehicle is being used by the Director of Public Safety, Deputy Directors or members who are in on-call administrative positions.
   5. When the vehicle is being used by on-call investigators.

(d) While operating the vehicle, authorized members will carry and have accessible their duty firearms and be prepared to perform any function they would be expected to perform while on-duty.

(e) The two-way communications radio must be on and set to an audible volume when the vehicle is in operation.

(f) Unattended vehicles are to be locked and secured at all times.
   1. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine safety, equipment charging).
   2. All weapons shall be secured while the vehicle is unattended.
   3. All department identification, portable radios and equipment should be secured.

(g) Vehicles are to be parked off-street at the member’s residence unless prior arrangements have been made with the Director of Public Safety or the authorized designee.

(h) Vehicles are to be secured at the member’s residence or the appropriate department facility, at the discretion of the Department when a member will be away (e.g., on vacation) for periods exceeding one week.
1. If the vehicle remains at the residence of the member, the Department shall have access to the vehicle.

2. If the member is unable to provide access to the vehicle, it shall be parked at the Department.

   (i) The member is responsible for the care and maintenance of the vehicle.

703.4.4 MAINTENANCE

Members are responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicles. Cleaning and maintenance supplies will be provided by the Department. Failure to adhere to these requirements may result in discipline and loss of vehicle assignment. The following should be performed as outlined below:

   (a) Members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage.

   (b) It is the member’s responsibility to ensure that his/her assigned vehicle is maintained according to the established service and maintenance schedule.

   (c) All scheduled vehicle maintenance and car washes shall be performed as necessary.

   (d) When leaving the vehicle at the maintenance facility, the member will complete a vehicle repair card explaining the service or repair, and leave it on the seat or dash.

   (e) All weapons shall be removed from any vehicle left for off-site or extended period maintenance.

   (f) Supervisors shall make, at a minimum, monthly inspections of vehicles assigned to members under their command to ensure the vehicles are being maintained in accordance with this policy.

703.5 UNMARKED VEHICLES

Unmarked vehicles are assigned to various sections and their use is restricted to the respective section and the assigned member, unless otherwise approved by a supervisor. Any use of unmarked vehicles by those who are not assigned to the section to which the vehicle is assigned shall also be approved with the Shift Sergeant/Supervisor.

703.6 DAMAGE, ABUSE AND MISUSE

When any department vehicle is involved in a traffic collision or otherwise incurs damage, the involved member shall promptly notify a supervisor. Any collision report shall be filed with the agency having jurisdiction (see the Traffic Collisions Policy).

Damage to any department vehicle that was not caused by a traffic collision shall be immediately reported during the shift in which the damage was discovered, documented in memorandum format and forwarded to the Shift Sergeant/Supervisor. An administrative investigation should be initiated to determine if there has been any vehicle abuse or misuse.
703.7 ATTIRE AND APPEARANCE
When operating any department vehicle while off-duty, members may dress in a manner appropriate for their intended activity. Whenever in view of or in contact with the public, attire and appearance, regardless of the activity, should be suitable to reflect positively upon the Department.
Personal Protective Equipment

704.1  PURPOSE AND SCOPE
This policy identifies the different types of personal protective equipment (PPE) provided by the Department as well the requirements and guidelines for the use of PPE.

This policy does not address ballistic vests or protection from communicable disease, as those issues are addressed in the Body Armor and Communicable Diseases policies.

704.1.1  DEFINITIONS
Definitions related to this policy include:

Personal protective equipment (PPE) - Equipment that protects a person from serious workplace injuries or illnesses resulting from contact with chemical, radiological, physical, electrical, mechanical or other workplace hazards.

Respiratory PPE - Any device that is worn by the user to protect from exposure to atmospheres where there is smoke, low levels of oxygen, high levels of carbon monoxide, or the presence of toxic gases or other respiratory hazards. For purposes of this policy, respiratory PPE does not include particulate-filtering masks such as N95 or N100 masks.

704.2  POLICY
The New Brighton Department of Public Safety endeavors to protect members by supplying certain PPE to members as provided in this policy.

704.3  OFFICER RESPONSIBILITIES
Members are required to use PPE as provided in this policy and pursuant to their training.

Members are responsible for proper maintenance and storage of issued PPE. PPE should be stored in an appropriate location so that it is available when needed.

Any member who identifies hazards in the workplace is encouraged to utilize the procedures in the Workplace Accident and Injury Reduction Policy to recommend new or improved PPE or additional needs for PPE.

704.4  HEARING PROTECTION
Approved hearing protection shall be used by members during firearms training.

Hearing protection shall meet or exceed industry standards for use at firing ranges (29 CFR 1910.95; Minn. R. 5205.0010).

704.5  EYE PROTECTION
Approved eye protection, including side protection, shall be used by members during firearms training. Eye protection for members who wear prescription lenses shall incorporate the
prescription (e.g., eye protection that can be worn over prescription lenses). Members shall ensure their eye protection does not interfere with the fit of their hearing protection.

The Firearms Instructor shall ensure eye protection meets or exceeds consensus standards set by the American National Standards Institute (29 CFR 1910.133; Minn. R. 5205.0010).

704.6 RESPIRATORY PROTECTION
The Administration Deputy Director is responsible for ensuring a respiratory protection plan is developed and maintained by a trained and qualified member. The plan shall include procedures for (29 CFR 1910.134; Minn. R. 5205.0010):

(a) Selecting appropriate respiratory PPE based on hazards and risks associated with functions or positions.
(b) Fit testing, including identification of members or contractors qualified to conduct fit testing.
(c) Medical evaluations.
(d) PPE inventory control.
(e) PPE issuance and replacement.
(f) Cleaning, disinfecting, storing, inspecting, repairing, discarding, and otherwise maintaining respiratory PPE, including schedules for these activities.
(g) Regularly reviewing the PPE plan.
(h) Remaining current with applicable National Institute for Occupational Safety and Health (NIOSH), American National Standards Institute (ANSI), Occupational Safety and Health Administration (OSHA), Environmental Protective Agency (EPA), and state PPE standards and guidelines.

704.6.1 RESPIRATORY PROTECTION USE
Designated members may be issued respiratory PPE based on the member’s assignment (e.g., a narcotics investigator who is involved in clandestine lab investigations).

Respiratory PPE may be worn when authorized by a scene commander who will determine the type and level of protection appropriate at a scene based upon an evaluation of the hazards present.

Scene commanders are responsible for monitoring members using respiratory PPE and their degree of exposure or stress. When there is a change in work area conditions or when a member’s degree of exposure or stress may affect respirator effectiveness, the scene commander shall reevaluate the continued effectiveness of the respirator and direct the member to leave the respirator use area when the scene commander reasonably believes (29 CFR 1910.134; Minn. R. 5205.0010):

(a) It is necessary for the member to wash his/her face and the respirator facepiece to prevent eye or skin irritation associated with respirator use.
(b) The member detects vapor or gas breakthrough, or there is a change in breathing resistance or leakage of the facepiece.

(c) The member needs to replace the respirator, filter, cartridge or canister.

704.6.2 MEMBER RESPONSIBILITIES FOR RESPIRATORY PROTECTION

Members shall not use self-contained breathing apparatus (SCBA), full-face respirators or cartridge respirators unless they have completed training requirements for the equipment.

Members exposed to environments that are reasonably known to be harmful due to gases, smoke or vapors shall use respiratory PPE.

Members using respiratory PPE shall (29 CFR 1910.134; Minn. R. 5205.0010):

(a) Ensure that they have no facial hair between the sealing surface of the facepiece and the face that could interfere with the seal or the valve function. Members also shall ensure that they have no other condition that will interfere with the face-to-facepiece seal or the valve function.

(b) Not wear corrective glasses, goggles or other PPE that interferes with the seal of the facepiece to the face, or that has not been previously tested for use with that respiratory equipment.

(c) Perform a user seal check per department-approved procedures recommended by the respirator manufacturer each time they put on a tight-fitting respirator.

(d) Leave a respiratory use area whenever they detect vapor or gas breakthrough, changes in breathing resistance or leakage of their facepiece and ensure that the respirator is replaced or repaired before returning to the affected area.

704.6.3 GAS MASK

Full-face air-purifying respirators, commonly referred to as gas masks, may be fitted with mechanical pre-filters or combination cartridge/filter assemblies for use in areas where gases, vapors, dusts, fumes, or mists are present. Members must identify and use the correct cartridge based on the circumstances (29 CFR 1910.134; Minn. R. 5205.0010).

A scene commander may order the use of gas masks in situations where the use of an SCBA is not necessary. These incidents may include areas where tear gas has or will be used or where a vegetation fire is burning. Gas masks shall not be used if there is a potential for an oxygen-deficient atmosphere.

Members shall ensure their gas mask filters are replaced whenever:

(a) They smell, taste, or are irritated by a contaminant.

(b) They experience difficulty breathing due to filter loading.

(c) The cartridges or filters become wet.

(d) The expiration date on the cartridges or canisters has been reached.
704.6.4 SELF-CONTAINED BREATHING APPARATUS
Scene commanders may direct members to use SCBA when entering an atmosphere that may pose an immediate threat to life, would cause irreversible adverse health effects, or would impair an individual's ability to escape from a dangerous atmosphere. These situations may include but are not limited to:

(a) Entering the hot zone of a hazardous materials incident.
(b) Entering any area where contaminant levels may become unsafe without warning, or any situation where exposures cannot be identified or reasonably estimated.
(c) Entering a smoke- or chemical-filled area.

The use of SCBA should not cease until approved by a scene commander.

704.6.5 RESPIRATOR FIT TESTING
No member shall be issued respiratory PPE until a proper fit testing has been completed by a designated member or contractor (29 CFR 1910.134; Minn. R. 5205.0010).

After initial testing, fit testing for respiratory PPE shall be repeated (29 CFR 1910.134; Minn. R. 5205.0010):

(a) At least once every 12 months.
(b) Whenever there are changes in the type of SCBA or facepiece used.
(c) Whenever there are significant physical changes in the user (e.g., obvious change in body weight, scarring of the face seal area, dental changes, cosmetic surgery or any other condition that may affect the fit of the facepiece seal).

All respirator fit testing shall be conducted in negative-pressure mode.

704.6.6 RESPIRATORY MEDICAL EVALUATION QUESTIONNAIRE
No member shall be issued respiratory protection that forms a complete seal around the face until (29 CFR 1910.134; Minn. R. 5205.0010):

(a) The member has completed a medical evaluation that includes a medical evaluation questionnaire.
(b) A physician or other licensed health care professional has reviewed the questionnaire.
(c) The member has completed any physical examination recommended by the reviewing physician or health care professional.

704.7 RECORDS
The Deputy Director is responsible for maintaining records of all:

(a) PPE training.
(b) Initial fit testing for respiratory protection equipment.
(c) Annual fit testing.
(d) Respirator medical evaluation questionnaires and any subsequent physical examination results.

1. These records shall be maintained in a separate confidential medical file. The records shall be maintained in accordance with the department records retention schedule, 29 CFR 1910.1020 and Minn. R. 5205.0010.

704.8 TRAINING
Members should be trained in the respiratory and other hazards to which they may be potentially exposed during routine and emergency situations.

All members shall be trained in the proper use and maintenance of PPE issued to them, including when the use is appropriate; how to put on, remove and adjust PPE; how to care for the PPE; and the limitations (29 CFR 1910.132; Minn. R. 5205.0010).

Members issued respiratory PPE shall attend annual training on the proper use of respiratory protection devices (29 CFR 1910.134; Minn. R. 5205.0010).

704.9 LIFE JACKETS
The Administration Deputy Director should ensure watercraft used by members are equipped with U.S. Coast Guard approved life jackets and that members who work over or near water where there is a danger of drowning are provided properly fitting U.S. Coast Guard approved life jackets.

Members are responsible for wearing provided life jackets when working over or near water where there is a danger of drowning.

Each member is responsible for inspecting the member’s provided life jacket before and after each use. Damaged or defective jackets should be taken out of service and the Administration Deputy Director notified so a replacement can be issued.
Chapter 8 - Support Services
Evidence Room

800.1 PURPOSE AND SCOPE
This policy provides for the proper collection, storage and security of evidence and other property. Additionally, this policy provides for the protection of the chain of evidence and those persons authorized to remove and/or destroy property. The Evidence Room shall maintain secure storage and control of all property necessitating custody by the Department. The property and evidence officer reports to the Criminal Investigations Division supervisor and is responsible for the security of the Evidence Room. Evidence Room keys (keys are both electronic entry and traditional key entry) are maintained only by the property and evidence officer, Deputy Directors and the Director of Public Safety. The property and evidence officer, Deputy Directors and the Director of Public Safety shall not loan Evidence Room keys to anyone and shall maintain keys in a secure manner.

800.3 PROPERTY HANDLING
Any employee who first comes into possession of any property, shall retain such property in his/her possession until it is properly tagged and placed in the designated property locker or storage room, along with the property [form/label]. Care shall be taken to maintain the chain of custody for all evidence.

Any property seized by an officer with or without a warrant shall be safely kept for as long as necessary for the purpose of being produced as evidence (Minn. Stat. § 626.04 (a)). Seized
property held as evidence shall be returned to its rightful owner unless subject to lawful detention or ordered destroyed or otherwise disposed of by the court (Minn. Stat. § 626.04 (b) and Minn. Stat. § 629.361).

An officer arresting a person for burglary, robbery or a theft offense shall use reasonable diligence to secure the property that was alleged to have been stolen and shall be answerable for it while it remains in his/her custody (Minn. Stat. § 629.361).

Where ownership can be established as to found property that has no apparent evidentiary value, such property may be released to the owner without the need for booking. The property documentation must be completed to document the release of property not booked. The owner shall sign the documentation acknowledging receipt of the item(s).

800.3.1 PROPERTY BOOKING PROCEDURE

All property must be booked prior to the employee going off-duty unless authorized by a Supervisor. Employees booking property shall observe the following guidelines:

(a) Complete the property [form/label] describing each item of property separately, listing all serial numbers, owner’s name, finder's name and other identifying information or markings.

(b) All evidence items requiring the use of evidence tape shall be secured in such a manner that the item could not be tampered without destroying the integrity of the evidence tape.

(c) Complete an evidence/property tag and attach it to each package or envelope in which the property is stored.

(d) The original property documentation shall be submitted with the case report.

(e) When the property is too large to be placed in a temporary property locker, the item may be temporarily stored in the large evidence room or other location that can be secured from unauthorized entry.

800.3.2 CONTROLLED SUBSTANCES

All controlled substances shall be booked separately using a separate property record. Drug paraphernalia shall also be booked separately.

The officer seizing the narcotics and dangerous drugs shall place them in the designated temporary property locker after the evidence tag has been printed and attached to the properly sealed evidence container.
800.3.3 EXPLOSIVES
Officers who encounter a suspected explosive device shall promptly notify the immediate supervisor or the Shift Sergeant. The Bomb Squad will be called to handle explosive-related incidents and will be responsible for the handling, storage, sampling and disposal of all suspected explosives.

Explosives will not be retained in the police facility.

800.3.4 EXCEPTIONAL HANDLING
Certain property items require a separate process. The following items shall be processed in the described manner:

(a) Bodily fluids such as blood or semen stains shall be air-dried prior to booking.
(b) License plates found not to be stolen or connected with a known crime, should be released directly to owner of the license plate. No formal property booking process is required unless the owner cannot be contacted.

800.3.5 COURT-ORDERED FIREARM SURRENDERS
(a) Although not required, this department generally will accept firearms surrendered by an abusing party or defendant pursuant to a court order. A decision to refuse a surrendered firearm should be approved by a supervisor (Minn. Stat. § 260C.201, Subd. 3; Minn. Stat. § 518B.01, Subd. 6; Minn. Stat. § 609.2242, Subd. 3; Minn. Stat. § 609.749, Subd. 8).

   1. Whether the firearm is being transferred temporarily or permanently
   2. The abusing party or defendant’s name
3. The date and time of the transfer
4. Complete description of all firearms surrendered (e.g., make, model, serial number, color, identifying marks)

c) In certain circumstances, a court may issue an order for the immediate transfer of firearms of an abusing party or defendant.
1. NBDPS may serve the court order either by assignment or when an officer comes into contact with an abusing party or defendant for which a court order has been issued but has not been served, or for which they are in violation. In such cases, if there are firearms that may be lawfully seized, they should be seized and submitted to the Evidence Room pursuant to standard protocol.
2. If the abusing party or defendant is not cooperative, seek guidance from legal counsel to ensure that firearms are seized lawfully.
3. Permits possessed by the abusing party or defendant should be returned to the Sheriff where the person resides.

d) The Evidence Room shall develop and maintain a process to store, transfer or release firearms ordered surrendered by a court. The procedures shall:

3. Ensure that recipients of transferred firearms are not legally prohibited from possession of firearms under state or federal law.
4. Ensure that proper affidavits or proof of transfer are obtained from any designated firearms dealer or third party.
5. Ensure that prior to disposition of unclaimed firearms, abusing parties or defendants are notified via certified mail.

800.4 PACKAGING OF PROPERTY
Packaging will conform to the Property Packaging Procedures. Certain items require special consideration and shall be booked separately as follows:

(a) Controlled substances
(b) Firearms (ensure they are unloaded and booked separately from ammunition)
(c) Property with more than one known owner

800.4.2 PACKAGING CONTROLLED SUBSTANCES
The officer seizing controlled substances shall retain such property in his/her possession until it is properly weighed, packaged, tagged and placed in the designated drug locker. Prior to packaging and if the quantity allows, a presumptive test should be made on all suspected controlled substances. If conducted, the results of this test shall be included in the officer’s report.

Controlled substances shall be packaged in container of appropriate size, available in the Evidence prep room. The booking officer shall initial the evidence taped sealed container. Controlled substances shall not be packaged with other property.

A completed property tag shall be attached to the outside of the container.

The transporting employee will check the evidence out of property, indicating the date and time in the Records Management System and the request for laboratory analysis.

The property and evidence officer releasing the evidence must complete the required information in the Records Management System and the evidence. The lab forms will be transported with the property to the examining laboratory. Upon delivering the item involved, the officer will record the delivery time on both copies and indicate the locker in which the item was placed or the employee to whom it was delivered. The original copy of the lab form will remain with the evidence and the copy will be returned to the Records Section for filing with the case.
800.5.3 STATUS OF PROPERTY
Each person receiving property will make the appropriate entry to document the chain of evidence. Temporary release of property to officers for investigative purposes, or for court, shall be noted in the Records Management System, stating the date, time and to whom it was released.

The property and evidence officer shall obtain the signature of the person to whom property was released, and the reason for release. Any employee receiving property shall be responsible for such property until it is properly returned to property or properly released to another authorized person or entity.

The return of the property should be recorded in the Records Management System, indicating date, time and the person who returned the property.

800.5.4 AUTHORITY TO RELEASE PROPERTY
Property held as evidence for a pending criminal investigation or proceeding shall be retained for a period of time no less than that required pursuant to Minn. Stat. § 628.26.

For property in custody of the Department for investigatory or prosecutorial purposes and owned by a victim or witness, a property and evidence officer shall, upon the request of the owner:

(a) Provide a list describing the property unless such release would seriously impede an investigation.

(b) Return the property expeditiously unless the property is required as evidence.

Upon the direction of a prosecuting attorney, property held as evidence of a crime may be photographed and released to the owner of the property in accordance with the requirements of Minn. Stat. § 609.523.

800.5.5 RELEASE OF PROPERTY
All reasonable attempts shall be made to identify the rightful owner of found property or evidence not needed for an investigation.

Release of all property shall be properly documented.

With the exception of firearms and other property specifically regulated by statute, found property and property held for safekeeping shall be held for a minimum of 90 days. During such period, property personnel shall attempt to contact the rightful owner by telephone and/or mail when sufficient identifying information is available. Property not held for any other purpose and not claimed within 90 days after notification (or receipt, if notification is not feasible) may be auctioned to the highest bidder at a properly published public auction, which may be conducted as an Internet-based auction. If such property is not sold at auction or otherwise lawfully claimed, it may thereafter be destroyed. Unless the auction is Internet based, property with an estimated value of $500 or more will be advertised in the local print media before it is destroyed or auctioned. The final disposition of all such property shall be fully documented in related reports.

A property and evidence officer shall release the property upon proper identification being presented by the owner for which an authorized release has been received. The owner shall also
pay any costs incurred by the agency, including costs for advertising or storage. A signature of
the person receiving the property shall be recorded on the original property documentation. After
release of all property, it will be entered in the Records Management System.

(d) A receipt for the property is obtained from the owner upon delivery.

800.5.7 DISPUTED CLAIMS TO PROPERTY
Occasionally more than one party may claim an interest in property being held by the department,
and the legal rights of the parties cannot be clearly established. Such property shall not be released
until one party has obtained a court order or other proof of the undisputed right to the involved
property.

All parties should be advised that their claims are civil. In extreme situations, legal counsel for the
Department may be asked to file an interpleader in court to resolve the disputed claim.

800.5.8 RELEASE AND DISPOSAL OF FIREARMS
A firearm may not be released until it has been verified that the person receiving the weapon is
not prohibited from receiving or possessing the weapon by 18 USC § 922.

The Department shall make best efforts for a period of 90 days after the seizure of an abandoned
or stolen firearm to protect the firearm from harm and return it to the lawful owner (Minn. Stat. §
609.5315 Subd. 7). At the expiration of such period, the firearm or other deadly weapon may be
processed for disposal consistent with this policy.

800.6 DISPOSITION OF PROPERTY
All property not held for evidence in a pending criminal investigation or proceeding, and held for
six months or longer where the owner has not been located or fails to claim the property, may be
disposed of in compliance with existing laws upon receipt of proper authorization for disposal. The
property and evidence officer shall request a disposition or status on all property that has been
held in excess of 120 days and for which no disposition has been received from a supervisor or
investigator.
800.6.1 EXCEPTIONAL DISPOSITIONS
The following types of property shall be destroyed or disposed of in the manner and at the time prescribed by law, unless a different disposition is ordered by a court of competent jurisdiction:

- Weapons declared by law to be nuisances.
- Animals, birds and equipment related to their care and containment that have been ordered forfeited by the court.
- Counterfeiting equipment.
- Gaming devices.
- Obscene matter ordered to be destroyed by the court.
- Altered vehicles or component parts.
- Controlled substances.
- Unclaimed, stolen or embezzled property.
- Destructive devices.

Money found in gambling devices by any peace officer, other than a municipal police officer, shall be paid into the county treasury. Money found in gambling devices by a municipal police officer shall be paid into the treasury of the municipality (Minn. Stat. § 626.04 (b)).

800.6.2 UNCLAIMED MONEY
If found or seized money is no longer required as evidence and remains unclaimed after three years, the money is presumed abandoned property and is reportable as specified in § 804.8, Minn. Stat. § 345.38 and Minn. Stat. § 345.75).

800.6.3 SEIZURES AND SALES
An officer may seize and retain any personal property abandoned upon any public way, sidewalk or other public place, or any property entered as evidence in a judicial proceeding following its release by the court (Minn. Stat. § 345.15). After holding the property for a period of at least 90 days, it may be sold at a public auction. The net proceeds of the sale shall be transferred to the general revenue fund of the city.

800.6.4 RETENTION OF BIOLOGICAL EVIDENCE
The Evidence Room Supervisor shall ensure that no biological evidence held by the Department is destroyed without adequate notification to the following persons, when applicable:

(a) The defendant
(b) The defendant’s attorney
(c) The appropriate prosecutor
(d) Any sexual assault victim
(e) The Criminal Investigations Section Supervisor
Evidence Room

Biological evidence shall be retained for a minimum period established by law, the Evidence Room Supervisor or the expiration of any sentence imposed related to the evidence (Minn. Stat. § 590.10), whichever time period is greater. Following the retention period, notifications should be made by certified mail and should inform the recipient that the evidence will be destroyed after a date specified in the notice unless a motion seeking an order to retain the sample is filed and served on the Department within 90 days of the date of the notification. A record of all certified mail receipts shall be retained in the appropriate file. Any objection to, or motion regarding, the destruction of the biological evidence should be retained in the appropriate file and a copy forwarded to the Criminal Investigations Section Supervisor.

Biological evidence related to a homicide shall be retained indefinitely and may only be destroyed with the written approval of the Director of Public Safety and the head of the applicable prosecutor’s office.

Bulk evidence may be destroyed prior to these minimum retention periods only pursuant to a court order or if the Evidence Room Supervisor determines that such destruction is consistent with Minn. Stat. § 590.10 and the above notices have been made.

800.7 REPORT OF ABANDONED PROPERTY (MONEY)
The Investigation Section supervisor shall complete an annual report of presumed abandoned property as described in law to the Commissioner of Commerce. The report is to cover the 12-month period ending July 1 each year and is to be filed before October 31 each year (Minn. Stat. § 345.41).

Reports are numbered commencing with the last two digits of the current year followed by a sequential number beginning with 00001 starting at midnight on the first day of January of each year. As an example, case number 10-00001 would be the first new case beginning January 1, 2010.

801.2 FILE ACCESS AND SECURITY
All reports including, but not limited to, initial, supplemental, follow-up, evidence and all reports related to a case shall be maintained in a secure area within the Records Section, accessible only to authorized Records Section personnel. Access to report files after hours or when records personnel are otherwise not available may be obtained through the Shift Sergeant.

801.3 RECORDS MANAGER TRAINING
The Office Supervisor shall receive training in records management, including proper maintenance, retention and disposal of records and the proper release of records under the Minnesota Government Data Practices Act (MGDPA).

(b) Maintaining and updating the department records retention schedule including:
   1. Identifying the minimum length of time the Department must keep data.
2. Identifying the department section responsible for the original data.

(c) Establishing rules regarding the inspection and copying of department data as reasonably necessary for the protection of such data.

(d) Identifying data or portions of data that are confidential under state or federal law and not open for inspection or copying.

(e) Establishing rules regarding the processing of subpoenas for the production of data.

(f) Ensuring a current schedule of fees for public data as allowed by law is available.

(g) Ensuring the posting or availability to the public a document that contains the basic rights of a person who requests government data, the responsibilities of the Department and any associated fees (Minn. Stat. § 13.025).

(h) Ensuring data created by the Department is inventoried and subject to inspection and release pursuant to lawful requests consistent with the MGDPA requirements (Minn. Stat. § 13.03, Subd. 1).

802.4 PROCESSING REQUESTS FOR PUBLIC RECORDS

Any department member who receives a request for data shall route the request to the Custodian of Records or the authorized designee.

802.4.1 REQUESTS FOR RECORDS

The processing of requests for data is subject to the following:

(a) A person shall be permitted to inspect and copy public government data upon request at reasonable times and places and shall be informed of the data’s meaning if requested (Minn. Stat. § 13.03, Subd. 3).

1. The Department may not charge or require the requesting person to pay a fee to inspect data. Inspection includes, but is not limited to, the visual inspection of paper and similar types of government data. Inspection does not include printing copies, unless printing a copy is the only method to provide for inspection of the data (Minn. Stat. § 13.03, Subd. 3(b)).

2. For data stored and made available in electronic form via remote access, public inspection includes allowing remote access by the public to the data and the ability to print copies or download the data. A fee may be charged for remote access to data where either the data or the access is enhanced at the request of the person seeking access (Minn. Stat. § 13.03, Subd. 3(b)).

(b) Government data maintained by this department using a computer storage medium shall be provided in that medium in electronic form, if a copy can be reasonably made. The Department is not required to provide the data in an electronic format or program that is different from the format or program in which the data is maintained (Minn. Stat. § 13.03, Subd. 3(e)).

(c) The Department is not required to create records that do not exist.

(d) The Custodian of Records or designee processing the request shall determine if the requested data is available and, if so, whether the data is restricted from release or...
denied. The Custodian of Records or designee shall inform the requesting person of the determination either orally at the time of the request or in writing as soon after that time as reasonably possible. The Custodian of Records or designee shall cite the specific statutory section, temporary classification or specific provision of state or federal law on which the determination is based. Upon the request of any person denied access to data, the denial shall be certified in writing (Minn. Stat. § 13.03, Subd. 3 (f)).

(e) When a record contains data with release restrictions and data that is not subject to release restrictions, the restricted data shall be redacted and the unrestricted data released.

1. A copy of the redacted release should be maintained in the case file for proof of what was actually released and as a place to document the reasons for the redactions. If the record is audio or video, a copy of the redacted audio/video release should be maintained in the department-approved media storage system and a notation should be made in the case file to document the release and the reasons for the redacted portions.

802.5 RELEASE RESTRICTIONS

Example of release restrictions include:

(a) Personal identifying information, including an individual’s photograph; Social Security and driver identification numbers; name, address and telephone number; and medical or disability information that is contained in any driver’s license record, motor vehicle record or any department record, including traffic collision reports, is restricted except as authorized by the Department, and only when such use or disclosure is permitted or required by law to carry out a legitimate law enforcement purpose (18 USC § 2721; 18 USC § 2722).

(b) Private data on the following individuals (Minn. Stat. § 13.82, Subd. 17):

2. A victim or alleged victim of criminal sexual conduct, or sex trafficking, or of a violation of Minn. Stat. § 617.246, Subd. 2.
3. A paid or unpaid informant if the Department reasonably believes revealing the identity would threaten the personal safety of the informant.
4. A victim of or witness to a crime if the victim or witness specifically requests not to be identified publicly, unless the Department reasonably determines that revealing the identity of the victim or witness would not threaten the personal safety or property of the individual.
5. A person who placed a call to a 9-1-1 system or the identity of the person whose phone was used to place a call to the 9-1-1 system when revealing the identity may threaten the personal safety or property of any person or the purpose of the call was to receive help in a mental health emergency. A voice recording of a call placed to the 9-1-1 system is deemed to reveal the identity of the caller.
6. A juvenile witness when the subject matter of the investigation justifies protecting the identity of the witness.
Records Maintenance and Release

7. A mandated reporter.

(c) Audio recordings of calls placed to the 9-1-1 system requesting law enforcement, fire or medical agency response, except that a written transcript of the call is public unless it reveals the identity of protected individuals. (Minn. Stat. § 13.82, Subd. 4).

(d) Criminal investigative data involving active cases and inactive investigative data (Minn. Stat. § 13.82, Subd. 7):
   1. If the release of the data would jeopardize another ongoing investigation or would reveal the identity of protected individuals or is otherwise restricted.
   2. Images and recordings, including photographs, video and audio records that are clearly offensive to common sensibilities. However, the existence of any such image or recording shall be disclosed.
   3. As otherwise restricted by law.

   2. Job title, bargaining unit, job description, education and training background and previous work experience.
   3. Date of first and last employment.
   4. Existence and status of any complaints or charges against the employee, regardless of whether the complaint or charge resulted in a disciplinary action.
   5. Final disposition of any disciplinary action together with the specific reasons for the action, and data documenting the basis of the action, excluding data that would identify confidential sources who are employees of this department.
   6. Terms of any agreement settling any dispute arising out of an employment relationship.
   7. Work location, work telephone number, badge number and honors and awards received.
   8. Time sheets or other comparable data only used to account for an employee's work time for payroll purposes, excluding the use of sick or other medical leave or other nonpublic data.
9. All other personnel data regarding employees of this department are private data and may only be released as authorized by that classification.

(j) Any data that was created under the direction or authority of the City Attorney exclusively in anticipation of potential litigation involving this department shall be classified as protected nonpublic or confidential data while such action is pending (Minn. Stat. § 13.39).

(k) All data collected by an Automated License Plate Reader (ALPR) on individuals or nonpublic data absent an exception (Minn. Stat. § 13.82; Minn. Stat. § 13.824).

(l) Response or incident data, so long as the Custodian of Records determines that public access would likely endanger the physical safety of an individual or cause a perpetrator to flee, evade detection or destroy evidence (Minn. Stat. § 13.82, Subd. 14).

Any other record not addressed in this policy shall not be subject to release where such record is classified as other than public data. All public data shall be released as required by the MGDPA (Minn. Stat. § 13.03, Subd. 1).

802.6 SUBPOENAS AND DISCOVERY REQUESTS
Any member who receives a subpoena duces tecum or discovery request for data should promptly contact a supervisor and the Custodian of Records for review and processing. While a subpoena duces tecum may ultimately be subject to compliance, it is not an order from the court that will automatically require the release of the requested data.

Generally, discovery requests and subpoenas from criminal defendants and their authorized representatives (including attorneys) should be referred to the City Prosecutor, City Attorney or the courts.

All questions regarding compliance with any subpoena duces tecum or discovery request should be promptly referred to legal counsel for the Department so that a timely response can be prepared.

802.7 EXPUNGEMENT
A petition for expungement and expungement orders received by the Department shall be reviewed for appropriate action by the Custodian of Records.

802.7.1 PETITION FOR EXPUNGEMENT
When responding to a petition for expungement, the Custodian of Records shall inform the court and the individual seeking expungement that the response contains private or confidential data (Minn. Stat. § 609A.03, Subd. 3).

802.7.2 ORDERS OF EXPUNGEMENT
The Custodian of Records shall expunge such records as ordered by the court. Records may include, but are not limited to, a record of arrest, investigation, detention or conviction. Once a record is expunged, members shall respond to any inquiry as though the record did not exist.
Records Maintenance and Release

Upon request by the individual whose records are to be expunged, the Custodian of Records must send a letter at an address provided by the individual confirming the receipt of the expungement order and that the record has been expunged (Minn. Stat. § 609A.03, Subd. 8).

Expunged records may be opened only by court order (Minn. Stat. § 609A.03, Subd. 7).

Expunged records of conviction may be opened for purposes of evaluating a prospective employee of the Department without a court order.

The Custodian of Records shall inform any law enforcement, prosecution or corrections authority, upon request, of the existence of a sealed record and of the right to obtain access to it.

802.8 MAINTENANCE OF CLOSED RECORDS
Records such as offense reports, arrest reports, juvenile records or other sensitive records shall be secured in such a manner as to reasonably protect them from unauthorized disclosure. Closed records shall be kept separate from public records and shall remain confidential.
Protected Information

803.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the access, transmission, release and security of protected information by members of the New Brighton Department of Public Safety. This policy addresses the protected information that is used in the day-to-day operation of the Department and not the government data information covered in the Records Maintenance and Release Policy.

803.1.1 DEFINITIONS
Definitions related to this policy include:

Protected information - Any information or data that is collected, stored or accessed by members of the New Brighton Department of Public Safety and is subject to any access or release restrictions imposed by law, regulation, order or use agreement. This includes all information contained in federal, state or local law enforcement databases that is not accessible to the public.

803.2 POLICY
Members of the New Brighton Department of Public Safety will adhere to all applicable laws, orders, regulations, use agreements and training related to the access, use, dissemination and release of protected information.

The responsibilities of this position include, but are not limited to:

(a) Ensuring member compliance with this policy and with requirements applicable to protected information, including requirements for the National Crime Information Center (NCIC) system, the National Law Enforcement Telecommunications System (NLETS), Minnesota Division of Driver and Vehicle Services (DVS) records, Minnesota Bureau of Criminal Apprehension (BCA) and the Minnesota Comprehensive Incident-Based Reporting System (CIBRS).

(b) Developing, disseminating and maintaining procedures that adopt or comply with the U.S. Department of Justice’s current Criminal Justice Information Services (CJIS) Security Policy.

(c) Developing, disseminating and maintaining any other procedures necessary to comply with any other requirements for the access, use, dissemination, release and security of protected information.

(d) Developing procedures to ensure training and certification requirements are met.
(e) Resolving specific questions that arise regarding authorized recipients of protected information.

(f) Ensuring security practices and procedures are in place to comply with requirements applicable to protected information.

(g) Ensuring a comprehensive security assessment of any personal information maintained by the New Brighton Department of Public Safety is conducted at least annually (Minn. Stat. § 13.055, Subd. 6).

803.4 ACCESS TO PROTECTED INFORMATION

Protected information shall not be accessed in violation of any law, order, regulation, user agreement, New Brighton Department of Public Safety policy or training (Minn. Stat. § 13.09). Only those members who have completed applicable training and met any applicable requirements, such as a background check, may access protected information, and only when the member has a legitimate work-related reason for such access (Minn. Stat. § 13.05; Minn. Stat. § 299C.40).

Unauthorized access, including access for other than a legitimate work-related purpose, is prohibited and may subject a member to administrative action pursuant to the Personnel Complaints Policy and/or criminal prosecution.

803.5 RELEASE OR DISSEMINATION OF PROTECTED INFORMATION

Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Office Supervisor for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Department may generally be shared with authorized persons from other law enforcement agencies who are assisting in the investigation or conducting a related investigation. Any such information should be released through the Records Section to ensure proper documentation of the release (see the Records Maintenance and Release Policy).

Protected information, such as Criminal Justice Information (CJI), which includes Criminal History Record Information (CHRI), should generally not be transmitted by radio, cellular telephone or any other type of wireless transmission to members in the field or in vehicles through any computer or electronic device, except in cases where there is an immediate need for the information to further an investigation or where circumstances reasonably indicate that the immediate safety of officers, other department members or the public is at risk.

Nothing in this policy is intended to prohibit broadcasting warrant information.
803.5.1 REVIEW OF CHRI
Members of this department shall refer individuals seeking access to CHRI to the Minnesota BCA (Minn. Stat. § 13.87, Subd. 1(b)).

803.5.2 REVIEW OF CIBRS DATA
Members of this department shall refer individuals seeking access to CIBRS Data to the Minnesota BCA.

803.6 SECURITY OF PROTECTED INFORMATION
The Director of Public Safety will select a member of the Department to oversee the security of protected information.

The responsibilities of this position include, but are not limited to:

(a) Developing and maintaining security practices, procedures and training.
(b) Ensuring federal and state compliance with the CJIS Security Policy and the requirements of any state or local criminal history records systems.
(c) Establishing procedures to provide for the preparation, prevention, detection, analysis and containment of security incidents including computer attacks.
(d) Tracking, documenting and reporting all breach of security incidents to the Director of Public Safety and appropriate authorities.

803.6.1 MEMBER RESPONSIBILITIES
Members accessing or receiving protected information shall ensure the information is not accessed or received by persons who are not authorized to access or receive it. This includes leaving protected information, such as documents or computer databases, accessible to others when it is reasonably foreseeable that unauthorized access may occur (e.g., on an unattended table or desk; in or on an unattended vehicle; in an unlocked desk drawer or file cabinet; on an unattended computer terminal).

803.7 TRAINING
All members authorized to access or release protected information shall complete a training program that complies with any protected information system requirements and identifies authorized access and use of protected information, as well as its proper handling and dissemination.

803.8 SECURITY BREACHES
In the event of an actual or potential breach of the security or other unauthorized acquisition of private or confidential information, the Director of Public Safety or designee shall ensure an investigation into the breach is made. Upon completion of the investigation and final disposition of any disciplinary action, a report containing the facts and result of the investigation shall be prepared. If the breach was conducted by an employee, contractor or agent of New Brighton, the report must include a description of the type of data that was breached, the number of individuals
whose information was breached, the disposition of any related disciplinary action, and the identity of the employee determined to be responsible for the breach (Minn. Stat. § 13.055).

Written notice shall be given to any individual whose private or confidential data was, or is reasonably believed to have been, acquired by an unauthorized person as soon as reasonably practicable. The notice shall include the following (Minn. Stat. § 13.055):

(a) Notification that an investigation will be conducted.

(b) Notification that a report containing the facts and results will be prepared.

(c) Information on how the person may obtain access to the report, including that he/she may request delivery of the report by mail or email.

The notice may be delayed only so long as necessary to determine the scope of the breach and restore the reasonable security of the data or so long as it will impede an active criminal investigation. Notice shall be made by first class mail, electronic notice or substitute notice as provided in Minn. Stat. § 13.055, Subd. 4. If notification is required to be made to more than 1,000 individuals, notice to all consumer reporting agencies of the timing distribution and content of the notices must also be made (Minn. Stat. § 13.055, Subd. 5).
Computers and Digital Evidence

804.1 PURPOSE AND SCOPE
This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

804.2 SEIZING COMPUTERS AND RELATED EVIDENCE
Computer equipment requires specialized training and handling to preserve its value as evidence. Officers should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

(a) Photograph each item, front, back and surrounding desktop or office setup, specifically including cable connections to other items. Look for a telephone line or cable to a modem for Internet access.

(b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence and/or documents.

(c) If the computer is off, do not turn it on.

(d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.

1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.

2. Disconnect the power cable from the back of the computer box or if a portable notebook style, disconnect any power cable from the case and remove the battery.

(e) Label each item with case number, evidence sheet number and item number.

(f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not lost.

(g) Log all computer items into the Evidence Room. Do not store computers where normal room temperature and humidity is not maintained.

(h) At minimum, officers should document the following in related reports:

1. Where the computer was located and whether it was in operation.

2. Who was using it at the time.
Computers and Digital Evidence

3. Who claimed ownership.
4. If it can be determined, how it was being used.

(i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (e.g., printers, remote drives, hard drives, tape drives and disk drives) should be seized along with all media.

804.2.1 BUSINESS OR NETWORKED COMPUTERS
If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Officers should contact a certified forensic computer examiner for instructions or a response to the scene. It may be possible to perform an on-site inspection, or to image the hard drive only of the involved computer. This should be done by someone specifically trained in processing computers for evidence.

804.2.2 FORENSIC EXAMINATION OF COMPUTERS
If an examination of the contents of the computer’s hard drive, floppy disks, compact discs or any other storage media is required, forward the following items to a computer forensic examiner:

(a) Copy of report(s) involving the computer, including the Evidence/Property sheet.
(b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation or other legal authority for examination.
(c) A listing of the items to search for (e.g., photographs, financial records, E-mail, documents).
(d) A forensic copy of the media will be made, and subsequent forensic examination of the copy will be conducted by a trained digital forensic examiner.

804.3 SEIZING DIGITAL STORAGE MEDIA
Digital storage media including hard drives, floppy discs, CDs, DVDs, tapes, memory cards or flash memory devices should be seized and stored in a manner that will protect them from damage.

(a) If the media has a write-protection tab or switch, it should be activated.
(b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation request the Evidence Room to copy the contents to an appropriate form of storage media.
(c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.
(d) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.
Computers and Digital Evidence

(e) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage when available.

804.4 SEIZING PCDS
Personal communication devices such as cellular telephones, PDAs or other hand-held devices connected to any communication network must be handled with care to preserve evidence that may be on the device including messages, stored data and/or images.

(a) Officers should not attempt to access, review or search the contents of such devices prior to examination by a forensic expert. Unsent messages can be lost, data can be inadvertently deleted and incoming messages can override stored messages.

(b) Do not turn the device on or off. The device should be placed in a solid metal container such as a paint can or in a Faraday bag, to prevent the device from sending or receiving information from its host network.

(c) When seizing the devices, also seize the charging units and keep them plugged in to the chargers until they can be examined. If the batteries go dead all the data may be lost.

804.5 DIGITAL EVIDENCE RECORDED BY OFFICERS
Officers handling and submitting recorded and digitally stored evidence from digital cameras and audio or video recorders will comply with these procedures to ensure the integrity and admissibility of such evidence.

804.5.1 COLLECTION OF DIGITAL EVIDENCE
Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

804.5.2 SUBMISSION OF DIGITAL MEDIA
The following are required procedures for the submission of digital media used by cameras or other recorders:

(a) In the case of confiscated recording media, the recording media (e.g., smart card, compact flash card or any other media) shall be brought to the Evidence Room as soon as reasonably possible for submission into evidence.

(b) Officers are not authorized to copy memory cards. The evidence technicians are the only employees authorized to copy and/or distribute digital media made from the memory cards.

(c) In cases involving department recording media, as soon as reasonably possible following the collection of evidence, the camera operator is to download the files into the Records Management System. Once the download has been successfully completed, the media device should be deleted.
Computers and Digital Evidence

(d) Evidence technicians will make a copy of the memory card using appropriate storage media. Once they have verified that the images properly transferred to the storage media, the technicians will erase the memory card for reuse. The storage media will be marked as the original.

(e) Officers requiring a copy of the digital files must request a copy on the evidence form when submitted to evidence.

804.5.3 DOWNLOADING OF DIGITAL FILES
Digital information such as video or audio files recorded on devices using internal memory must be downloaded to storage media. The following procedures are to be followed:

(a) Files should not be opened or reviewed prior to downloading and storage.

(b) Where reasonably possible, the device should be connected to a computer and the files accessed directly from the computer directory or downloaded to a folder on the host computer for copying to the storage media.

804.5.4 PRESERVATION OF DIGITAL EVIDENCE

(a) Only evidence technicians are authorized to copy original digital media related to case documentation that is held as evidence. Only digital forensic examiners are authorized to copy original media seized as evidence. The original digital media shall remain in evidence and shall remain unaltered.

(b) Digital images that are enhanced to provide a better quality photograph for identification and investigative purposes must only be made from a copy of the original media.

(c) If any enhancement is done to the copy of the original, it shall be noted in the corresponding incident report.
805.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for interacting with animals and responding to calls for service that involve animals.

805.2 PUBLIC SAFETY OFFICER RESPONSIBILITIES
The PSO shall be responsible for enforcing local, state and federal laws relating to animals and for appropriately resolving or referring animal problems as outlined in this policy (Minn. Stat. § 343.20 Subd. 5. The PSO shall be under the operational control of the Patrol Section.

During hours when the PSO is on-duty, requests for animal control services shall be assigned by Emergency Communications Center or the Shift Sergeant/Supervisor.

Requests for assistance by the PSO shall be acknowledged and responded to promptly.

805.3 MEMBER RESPONSIBILITIES
Members who respond to or assist with animal-related calls for service should evaluate the situation and determine appropriate actions to control the situation.

Due to the hazards of handling animals without proper training and equipment, responding members generally should not attempt to capture and pick up any animal, but should keep the animal under observation until the arrival of appropriate assistance.

Members may consider acting before the arrival of such assistance when:

(a) There is a threat to public safety.
(b) An animal has bitten someone; members should take measures to confine the animal and prevent further injury.
(c) An animal is creating a traffic hazard.
(d) An animal is seriously injured.
(e) The owner(handler has been arrested or is incapacitated. In such circumstances, the member should find appropriate placement for the animal.

1. This is only necessary when the arrestee is expected to be in custody for a time period longer than would reasonably allow him/her to properly care for the animal.
2. With the owner's consent, locating appropriate placement may require contacting relatives or neighbors to care for the animal.
3. If no person can be found or the owner does not or cannot give consent, the animal should be taken to a designated animal care facility.
805.4 DECEASED ANIMALS
When a member becomes aware of a deceased animal all reasonably attempts should be made to preliminarily determine if the death of the animal is related to criminal activity.

(a) Deceased animals on public property should be removed, sealed in a plastic bag and properly disposed of by the responding member.

(b) Members should not climb onto or under any privately owned structure for the purpose of removing a deceased animal.

805.5 INJURED ANIMALS
When a member becomes aware of an injured domesticated animal, all reasonable attempts shall be made to contact the owner or responsible handler.

If an owner or responsible handler cannot be located, the animal should be taken to a designated animal care facility.

805.6 DESTRUCTION OF ANIMALS
When it is necessary to use a firearm to euthanize a badly injured animal or stop an animal that poses an imminent threat to human safety, the Firearms Policy shall be followed. A badly injured animal shall only be euthanized with the approval of a supervisor.

805.7 POLICY
It is the policy of the New Brighton Department of Public Safety to be responsive to the needs of the community regarding animal-related issues. This includes enforcing local, state and federal laws relating to animals and appropriately resolving or referring animal-related problems, as outlined in this policy.

805.8 ANIMAL CRUELTY COMPLAINTS
Laws relating to the cruelty to animals should be enforced, including but not limited to (Minn. Stat. § 343.21 et seq.):

(a) An investigation should be conducted on all reports of animal cruelty.

(b) Legal steps should be taken to protect an animal that is in need of immediate care or protection from acts of cruelty (Minn. Stat. § 343.29).

1. An officer may remove, shelter and care for any animal that is not properly sheltered from cold, heat or inclement weather, or any animal not properly fed and watered or provided with suitable food and drink, in circumstances that threaten the life of the animal.

2. An animal taken into care during an animal cruelty investigation may be euthanized following a determination by a doctor of veterinary medicine that the animal is suffering and is beyond cure through reasonable care and treatment.
805.9  ANIMAL BITE REPORTS
Members investigating an animal bite should obtain as much information as possible for follow-up with the appropriate health or animal authorities. Efforts should be made to capture or otherwise have the animal placed under control. Members should attempt to identify and notify the owner of the final disposition of the animal.

805.9.1  ANIMAL BITES TO HUMANS
Members should coordinate with appropriate animal authorities to ensure that animals who have bitten a human are quarantined for rabies observation as required by Minn. R. 1721.0580.

805.10  STRAY DOGS
If the dog has a license or can otherwise be identified, the owner should be contacted (Minn. Stat. § 343.29), if possible. If the owner is contacted, the dog should be released to the owner and a citation may be issued, if appropriate. If a dog is taken into custody, it shall be transported to the appropriate shelter/holding pen.

Members shall provide reasonable treatment to animals in their care (e.g., food, water, shelter).

805.11  DANGEROUS ANIMALS
In the event responding members cannot fulfill a request for service because an animal is difficult or dangerous to handle, the Shift Sergeant will be contacted to determine available resources, including requesting the assistance of animal control services from an allied agency.

805.12  PUBLIC NUISANCE CALLS RELATING TO ANIMALS
Members should diligently address calls related to nuisance animals (e.g., barking dogs), as such calls may involve significant quality of life issues.
Chapter 9 - Custody

(e) Individuals who are obviously in crisis, as defined in the Crisis Intervention Incidents Policy.

(f) Individuals who are under the influence of alcohol, a controlled substance or any substance to the degree that may require medical attention, or who have ingested any substance that poses a significant risk to their health, whether or not they appear intoxicated.

(h) Any individual who has claimed, is known to be afflicted with, or displays symptoms of any communicable disease that poses an unreasonable exposure risk.

(i) Any individual with a prosthetic or orthopedic device where removal of the device would be injurious to his/her health or safety.

Officers taking custody of a person who exhibits any of the above conditions should notify a supervisor of the situation. These individuals should not be in temporary custody at the Department unless they have been evaluated by a qualified medical or mental health professional, as appropriate for the circumstances.

900.3.2 SUPERVISION IN TEMPORARY CUSTODY
An authorized department member capable of supervising shall be present at all times when an individual is held in temporary custody. The member responsible for supervising should not have other duties that could unreasonably conflict with his/her supervision. Any individual in custody must be able to summon the supervising member if needed. If the person in custody is deaf or hard of hearing or cannot speak, accommodations shall be made to provide this ability.

No individual in custody shall be permitted to supervise, control or exert any authority over other individuals in custody.

other potential risk to the health or safety of the individual or others. The officer should evaluate him/her for obvious signs or indications of suicidal intent. If there is any suspicion the individual may be suicidal, he/she shall be transported to the City jail or the appropriate mental health facility.

The officer should promptly notify the Shift Sergeant of any conditions that may warrant immediate medical attention or other appropriate action. The Shift Sergeant shall determine whether the individual will be placed in a cell, immediately released or transported to jail or other facility.

900.4.1 SCREENING AND PLACEMENT
The officer responsible for an individual in custody shall do the following:

(a) Advise the Shift Sergeant/Supervisor of any significant risks presented by the individual (e.g., suicide risk, health risk, violence).

(b) Avoid placing an adult in a cell with another adult unless no other cell is available. When such placement is necessary, members shall:

1. Consider whether the individual may be at a high risk of being sexually abused based on all available known information (28 CFR 115.141) or whether the person is facing any other identified risk.

2. Provide any individual identified as being at a high risk for sexual or other victimization with heightened protection. This may include (28 CFR 115.113; 28 CFR 115.141):
   (a) Continuous, direct sight and sound supervision.

Whenever a prosthetic or orthopedic appliance is removed, the Shift Sergeant/Supervisor shall be promptly apprised of the reason. It shall be promptly returned when it reasonably appears any risk no longer exists.

900.5.5 RELIGIOUS ACCOMMODATION
Subject to available resources, safety and security, the religious beliefs and needs of all individuals in custody should be reasonably accommodated. Requests for religious accommodation should generally be granted unless there is a compelling security or safety reason and denying the request is the least restrictive means available to ensure security or safety. The responsible supervisor should be advised any time a request for religious accommodation is denied.

Those who request to wear headscarves or simple head coverings for religious reasons should generally be accommodated absent unusual circumstances. Head coverings shall be searched before being worn.

Individuals wearing headscarves or other approved coverings shall not be required to remove them while in the presence of or while visible to the opposite sex if they so desire. 900.6 USE OF RESTRAINT DEVICES
Individuals in custody may be handcuffed in accordance with the Handcuffing and Restraints Policy. Unless an individual presents a heightened risk handcuffs should generally be removed when the person is in a cell.

The use of restraints other than handcuffs or leg irons generally should not be used for individuals in temporary custody at the New Brighton Department of Public Safety unless the person presents a heightened risk and then only in compliance with the Handcuffing and Restraints Policy.

Individuals in restraints shall be kept away from other unrestrained individuals in custody and monitored to protect them from abuse.

Upon release of an individual from temporary custody his/her items of personal property shall be returned.

The Shift Sergeant/Supervisor shall be notified whenever an individual alleges there is a shortage or discrepancy regarding his/her property. The Shift Sergeant/Supervisor shall attempt to prove or disprove the claim.

All intangible personal property that is unclaimed for more than three years is presumed abandoned (Minn. Stat. § 345.38).

900.8 HOLDING CELLS
A thorough inspection of a cell shall be conducted before placing an individual into the cell to ensure there are no weapons or contraband and that the cell is clean and sanitary. An inspection also should be conducted when he/she is released. Any damage noted to the cell should be photographed and documented. The following requirements shall apply:

1. The department member transporting the individual shall ensure such risks are communicated to intake personnel at the other facility.

(h) Generally, persons of the opposite sex, or adults and juveniles, should not be transported in the same vehicle unless they are physically separated by a solid barrier. If segregating individuals is not practicable, officers should be alert to inappropriate physical or verbal contact and take appropriate action as necessary.

Custodial Searches

901.1 PURPOSE AND SCOPE
This policy provides guidance regarding searches of individuals in custody. Such searches are necessary to eliminate the introduction of contraband, intoxicants or weapons into the New Brighton Department of Public Safety facility. Such items can pose a serious risk to the safety and security of department members, individuals in custody, contractors and the public.

Nothing in this policy is intended to prohibit the otherwise lawful collection of evidence from an individual in custody.

901.1.1 DEFINITIONS
Definitions related to this policy include:

**Custody search** - An in-custody search of an individual and of his/her property, shoes and clothing, including pockets, cuffs and folds on the clothing, to remove all weapons, dangerous items and contraband.

**Physical body cavity search** - A search that includes a visual inspection and may include a physical intrusion into a body cavity. Body cavity means the stomach or rectal cavity of an individual, and the vagina of a female person.

**Strip search** - A search that requires an individual to remove or rearrange some or all of his/her clothing to permit a visual inspection of the underclothing, breasts, buttocks, anus or outer genitalia. This includes monitoring an individual who is changing clothes, where his/her underclothing, buttocks, genitalia or female breasts are visible.

901.2 POLICY
All searches shall be conducted with concern for safety, dignity, courtesy, respect for privacy and hygiene, and in compliance with policy and law to protect the rights of those who are subject to any search.

Searches shall not be used for intimidation, harassment, punishment or retaliation.

901.3 FIELD AND TRANSPORTATION SEARCHES
An officer should conduct a custody search of an individual immediately after his/her arrest, when receiving an individual from the custody of another, and before transporting a person who is in custody in any department vehicle.

Whenever practicable, a custody search should be conducted by an officer of the same sex as the person being searched. If an officer of the same sex is not reasonably available, a witnessing officer should be present during the search.
Custodial Searches

901.4 SEARCHES AT POLICE FACILITIES
Custody searches shall be conducted on all individuals in custody, upon entry to the New Brighton Department of Public Safety facilities. Except in exigent circumstances, the search should be conducted by a member of the same sex as the individual being searched. If a member of the same sex is not available, a witnessing member must be present during the search, when possible.

Custody searches should also be conducted any time an individual in custody enters or re-enters a secure area, or any time it is reasonably believed that a search is necessary to maintain the safety and security of the facility.

901.4.1 PROPERTY
Members shall take reasonable care in handling the property of an individual in custody to avoid discrepancies or losses. Property retained for safekeeping shall be kept in a secure location until the individual is released or transferred.

Some property may not be accepted by a facility or agency that is taking custody of an individual from this department, such as weapons or large items. These items should be retained for safekeeping in accordance with the Evidence Room Policy.

All property shall be inventoried by objective description (this does not include an estimated value). The individual from whom it was taken shall be required to sign the completed inventory. If the individual's signature cannot be obtained, the inventory shall be witnessed by another department member. The inventory should include the case number, date, time, member's New Brighton Department of Public Safety identification number and information regarding how and when the property may be released.

901.4.2 VERIFICATION OF MONEY
All money shall be counted in front of the individual from whom it was received. When possible, the money should be counted in front of a video recording system. The dollar amount should be noted on the evidence sheet if the money is to be confiscated as evidence or forfeiture. If the money is not evidence or part of a forfeiture, then the money should go with the individual from whom it was received.

901.5 STRIP SEARCHES
No individual in temporary custody at any New Brighton Department of Public Safety facility shall be subjected to a strip search unless there is reasonable suspicion based upon specific and articulable facts to believe the individual has a health condition requiring immediate medical attention or is concealing a weapon or contraband. Factors to be considered in determining reasonable suspicion include, but are not limited to:

(a) The detection of an object during a custody search that may be a weapon or contraband and cannot be safely retrieved without a strip search.

(b) Circumstances of a current arrest that specifically indicate the individual may be concealing a weapon or contraband.
Custodial Searches

1. A felony arrest charge or being under the influence of a controlled substance should not suffice as reasonable suspicion absent other facts.
   (c) Custody history (e.g., past possession of contraband while in custody, assaults on department members, escape attempts).
   (d) The individual's actions or demeanor.
   (e) Criminal history (i.e., level of experience in a custody setting).

No transgender or intersex individual shall be searched or examined for the sole purpose of determining the individual's genital status. If the individual's genital status is unknown, it may be determined during conversations with the person, by reviewing medical records, or as a result of a broader medical examination conducted in private by a medical practitioner (28 CFR 115.115).

901.5.1 STRIP SEARCH PROCEDURES
Strip searches at New Brighton Department of Public Safety facilities shall be conducted as follows (28 CFR 115.115):
   (a) Written authorization from the Shift Sergeant shall be obtained prior to the strip search.
   (b) All members involved with the strip search shall be of the same sex as the individual being searched, unless the search is conducted by a medical practitioner.
   (c) All strip searches shall be conducted in a professional manner under sanitary conditions and in a secure area of privacy so that it cannot be observed by those not participating in the search. The search shall not be reproduced through a visual or sound recording.

   (e) Members conducting a strip search shall not touch the breasts, buttocks or genitalia of the individual being searched.
   (f) The primary member conducting the search shall prepare a written report to include:
      1. The facts that led to the decision to perform a strip search.
      2. The reasons less intrusive methods of searching were not used or were insufficient.
      3. The written authorization for the search, obtained from the Shift Sergeant.
      4. The name of the individual who was searched.
      5. The name and sex of the members who conducted the search.
      6. The name, sex and role of any person present during the search.
      7. The time and date of the search.
Custodial Searches

8. The place at which the search was conducted.
9. A list of the items, if any, that were recovered.
10. The facts upon which the member based his/her belief that the individual was concealing a weapon or contraband.

(g) No member should view an individual’s private underclothing, buttocks, genitalia or female breasts while that individual is showering, performing bodily functions or changing clothes, unless he/she otherwise qualifies for a strip search. However, if serious hygiene or health issues make it reasonably necessary to assist the individual with a shower or a change of clothes, a supervisor should be contacted to ensure reasonable steps are taken to obtain the individual’s consent and/or otherwise protect his/her privacy and dignity.

901.5.2 SPECIAL CIRCUMSTANCE FIELD STRIP SEARCHES
A strip search may be conducted in the field only with Shift Sergeant/Supervisor authorization and only in exceptional circumstances, such as when:

(a) There is probable cause to believe that the individual is concealing a weapon or other dangerous item that cannot be recovered by a more limited search.

(b) There is probable cause to believe that the individual is concealing controlled substances or evidence that cannot be recovered by a more limited search, and there is no reasonable alternative to ensure the individual cannot destroy or ingest the substance during transportation.

These special-circumstance field strip searches shall only be authorized and conducted under the same restrictions as the strip search procedures in this policy.

901.6 PHYSICAL BODY CAVITY SEARCH
Physical body cavity searches shall be subject to the following:

(a) No individual shall be subjected to a physical body cavity search without approval of the Shift Sergeant/Supervisor and only upon a search warrant or approval of legal counsel. A copy of any search warrant and the results of the physical body cavity search shall be included with the related reports and made available, upon request, to the individual or authorized representative (except for those portions of the warrant ordered sealed by a court).

(b) Only a physician may conduct a physical body cavity search.

(c) Except for the physician conducting the search, persons present must be of the same sex as the individual being searched. Only the necessary department members needed to maintain the safety and security of the medical personnel shall be present.
Custodial Searches

(d) Privacy requirements, including restricted touching of body parts and sanitary condition requirements, are the same as required for a strip search.

(e) All such searches shall be documented, including:
   1. The facts that led to the decision to perform a physical body cavity search of the individual.
   2. The reasons less intrusive methods of searching were not used or were insufficient.
   3. The Shift Sergeant’s approval.
   4. A copy of the search warrant.
   5. The time, date and location of the search.
   6. The medical personnel present.
   7. The names, sex and roles of any department members present.
   8. Any contraband or weapons discovered by the search.

(f) A copy of the written authorization shall be retained and shall be provided to the individual who was searched or other authorized representative upon request.

901.7 TRAINING
The Deputy Director shall ensure members have training that includes (28 CFR 115.115):

(a) Conducting searches of cross-gender individuals.
(b) Conducting searches of transgender and intersex individuals.
(c) Conducting searches in a professional and respectful manner, and in the least intrusive manner possible, consistent with security needs.
Chapter 10 - Personnel
Recruitment and Selection

1000.1 PURPOSE AND SCOPE
This policy provides a framework for employee recruiting efforts and identifying job-related standards for the selection process. This policy supplements the rules that govern employment practices for the New Brighton Department of Public Safety and that are promulgated and maintained by the Human Resources.

1000.2 POLICY
In accordance with applicable federal, state, and local law, the New Brighton Department of Public Safety provides equal opportunities for applicants and employees regardless of actual or perceived race, ethnicity, national original, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, or any other protected class or status. The Department does not show partiality or grant any special status to any applicant, employee, or group of employees unless otherwise required by law.

The Department will recruit and hire only those individuals who demonstrate a commitment to service and who possess the traits and characteristics that reflect personal integrity and high ethical standards.

1000.3 RECRUITMENT
The Administration Deputy Director should employ a comprehensive recruitment and selection strategy to recruit and select employees from a qualified and diverse pool of candidates.

The strategy should include:

(a) Identification of racially and culturally diverse target markets.
(b) Use of marketing strategies to target diverse applicant pools.
(c) Expanded use of technology and maintenance of a strong internet presence. This may include an interactive department website and the use of department-managed social networking sites, if resources permit.
(d) Expanded outreach through partnerships with media, community groups, citizen academies, local colleges, universities and the military.
(e) Employee referral and recruitment incentive programs.
(f) Consideration of shared or collaborative regional testing processes.

The Administration Deputy Director shall avoid advertising, recruiting and screening practices that tend to stereotype, focus on homogeneous applicant pools or screen applicants in a discriminatory manner.

The Department should strive to facilitate and expedite the screening and testing process, and should periodically inform each candidate of his/her status in the recruiting process.
1000.4 SELECTION PROCESS
The Department shall actively strive to identify a diverse group of candidates that have in some manner distinguished themselves as being outstanding prospects. Minimally, the Department should employ a comprehensive screening, background investigation and selection process that assesses cognitive and physical abilities and includes review and verification of the following:

(a) A comprehensive application for employment (including previous employment, references, current and prior addresses, education, military record)
(b) Driving record
(c) Reference checks
(d) Citizenship eligibility, including U.S. Citizenship and Immigration Services (USCIS) Employment Eligibility Verification Form I-9 and acceptable identity and employment authorization documents (Minn. R. 6700.0700, Subp. 1). This required documentation should not be requested until a candidate is hired. This does not prohibit obtaining documents required for other purposes.
(e) Information obtained from public internet sites
(f) Financial history consistent with the Fair Credit Reporting Act (FCRA) (15 USC § 1681 et seq.)
(g) Local, state, and federal criminal history record checks
(h) Polygraph or voice stress analyzer (VSA) examination (when legally permissible)
(i) Medical and psychological examination (may only be given after a conditional offer of employment)
(j) Review board or selection committee assessment

1000.4.1 VETERAN'S PREFERENCE
Veterans who are candidates for job openings shall receive preference recognizing the training and experience, loyalty and sacrifice not otherwise readily assessed by examination pursuant to Minn. Stat. § 197.455. The following preference, credit and requirements shall be applied as applicable (Minn. Stat. § 197.455):

Nondisabled Veteran's Credit - There shall be added to the competitive open examination rating of a nondisabled veteran, who so elects, a credit of 10 points, provided that veteran obtained a passing rating on the examination without the addition of the credit points.

Disabled Veteran's Credit - There shall be added to the competitive open examination rating of a disabled veteran, who so elects, a credit of 15 points, provided that the veteran obtained a passing rating on the examination without the addition of the credit points. There shall be added to the competitive promotional examination rating of a disabled veteran, who so elects, a credit of five points provided that:

(a) The veteran obtained a passing rating on the examination without the addition of the credit points.
(b) The veteran is applying for a first promotion after securing public employment.
Recruitment and Selection

For the purpose of the preference to be used in securing appointment from a competitive open examination, "disabled veteran" means a person has a compensable service-connected disability as adjudicated by the U.S. Veterans Administration, or by the retirement board of one of the several branches of the armed forces, that is existing at the time preference is claimed.

For purposes of the preference to be used in securing appointment from a competitive promotional examination, "disabled veteran" means a person who, at the time of election to use a promotional preference, is entitled to disability compensation under laws administered by the Veterans Administration for a permanent service-connected disability rated at 50 percent or more.

Preference for Spouses - A preference available pursuant to Minn. Stat. § 197.455 may be used by the surviving spouse of a deceased veteran and by the spouse of a disabled veteran who, because of the disability, is unable to qualify.

Ranking of Veterans - An eligible applicant with a rating augmented by veteran's preference shall be entered on an eligible list ahead of a non-veteran with the same rating. When notifying eligible applicants that they have passed examinations this department shall show the final examination ratings and preference credits and shall notify eligible applicants that they may elect to use veteran's preference to augment passing ratings.

When this department rejects a certified eligible applicant who has received veteran's preference, the appointing authority shall notify the eligible applicant in writing of the reasons for the rejection and file the notice with the New Brighton Human Resources.

1000.5 BACKGROUND INVESTIGATION

Every candidate shall undergo a thorough background investigation to verify his/her personal integrity and high ethical standards, and to identify any past behavior that may be indicative of the candidate’s unsuitability to perform duties relevant to the operation of the New Brighton Department of Public Safety.

The background investigation must determine whether the candidate meets the standards established by the Minnesota Board of Peace Officer Standards and Training (POST) as well as the security standards established to access state and national computerized record and communication systems (Minn. Stat. § 626.87; Minn. R. 6700.0700).

1000.5.1 NOTICES

Background investigators shall ensure that investigations are conducted and notices provided in accordance with the requirements of the FCRA and Minnesota law (15 USC § 1681d; Minn. Stat. § 13C.02).

Anti-Retaliation

1002.1 PURPOSE AND SCOPE
This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members’ access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, law, ordinance or collective bargaining agreement.

1002.2 POLICY
The New Brighton Department of Public Safety has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

1002.3 RETALIATION PROHIBITED
No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

Retaliation includes any adverse action or conduct, including but not limited to:

- Refusing to hire or denying a promotion.
- Extending the probationary period.
- Unjustified reassignment of duties or change of work schedule.
- Real or implied threats or other forms of intimidation to dissuade the reporting of wrongdoing or filing of a complaint, or as a consequence of having reported or participated in protected activity.
- Taking unwarranted disciplinary action.
- Spreading rumors about the person filing the complaint or about the alleged wrongdoing.
- Shunning or unreasonably avoiding a person because he/she has engaged in protected activity.
**1002.4 COMPLAINTS OF RETALIATION**

Any member who feels he/she has been retaliated against in violation of this policy should promptly report the matter to any supervisor, command staff member, Director of Public Safety or the City HR Specialist.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member’s identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

**1002.5 SUPERVISOR RESPONSIBILITIES**

Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors include, but are not limited to:

(a) Ensuring complaints of retaliation are investigated as provided in the Personnel Complaints Policy.

(b) Receiving all complaints in a fair and impartial manner.

(c) Documenting the complaint and any steps taken to resolve the problem.

(d) Acknowledging receipt of the complaint, notifying the Director of Public Safety via the chain of command and explaining to the member how the complaint will be handled.

(e) Taking appropriate and reasonable steps to mitigate any further violations of this policy.

(f) Monitoring the work environment to ensure that any member making a complaint is not subjected to further retaliation.

(g) Periodic follow-up with the complainant to ensure that retaliation is not continuing.

(h) Not interfering with or denying the right of a member to make any complaint.

(i) Taking reasonable steps to accommodate requests for assignment or schedule change made by a member who may be the target of retaliation if it would likely mitigate the potential for further violations of this policy.
1002.6 COMMAND STAFF RESPONSIBILITIES
The Director of Public Safety should communicate to all supervisors the prohibition against retaliation.

Command staff shall treat all complaints as serious matters and shall ensure that prompt actions take place, including but not limited to:

(c) Remediation of any inappropriate conduct or condition and instituting measures to eliminate or minimize the likelihood of recurrence.

(e) Communicates the findings of a technical or scientific study that the employee believes, in good faith, to be truthful and accurate.

Members who believe they have been the subject of retaliation for engaging in such protected behaviors should promptly report it to a supervisor. Supervisors should refer the complaint to the Internal Affairs Unit for investigation pursuant to the Personnel Complaints Policy.

1002.8 RECORDS RETENTION AND RELEASE
The Office Supervisor shall ensure that documentation of investigations is maintained in accordance with the established records retention schedules.

1002.9 TRAINING
The policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.
Reporting of Employee Convictions and Court Orders

1003.1 PURPOSE AND SCOPE
Convictions of certain offenses may restrict or prohibit an employee’s ability to properly perform official duties. Therefore, all employees shall be required to promptly notify the Department of any past and current criminal convictions.

1003.2 DOMESTIC VIOLENCE CONVICTIONS AND RESTRAINING ORDERS
Minnesota and federal law prohibit individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Minn. Stat. § 518B.01).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

1003.3 CRIMINAL CONVICTIONS
Any person convicted of a felony is prohibited from being a peace officer in the State of Minnesota. Any license of a peace officer convicted of a felony is automatically revoked (Minn. Stat. § 626.8431).

Even when legal restrictions are not imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by a member of this department may prohibit him/her from carrying out law enforcement duties.

Minn. Stat. § 624.713 prohibits ineligible persons from possessing a handgun or semi-automatic assault weapon.

All members and all retired officers with an identification card issued by the Department shall further promptly notify their immediate supervisor (or the Director of Public Safety in the case of...
Reporting of Employee Convictions and Court Orders

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on administrative leave, reassignment and/or termination.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

1003.5 CHEMICAL DEPENDENCY TREATMENT
If an officer is informally admitted to a treatment facility pursuant to Minn. Stat. § 253B.04 for chemical dependency he/she is not eligible to possess a pistol, unless the officer possesses a certificate from the head of the treatment facility discharging or provisionally discharging the officer from the treatment facility (Minn. Stat. § 624.713 Subd. 1(6).

Officers in this situation shall promptly notify the department.
Drug- and Alcohol-Free Workplace

1004.1 PURPOSE AND SCOPE
The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace.

1004.2 POLICY
It is the policy of this department to provide a drug- and alcohol-free workplace for all members.

1004.3 GENERAL GUIDELINES
Alcohol and drug use in the workplace or on department time can endanger the health and safety of department members and the public. Such use shall not be tolerated (41 USC § 8103).

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Shift Sergeant or appropriate supervisor as soon as the member is aware that he/she will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, he/she shall be immediately removed and released from work (see Work Restrictions in this policy). An exception to this policy is for a member whose job assignment requires the consumption of alcoholic beverages. In these situations, the member's supervisor shall be notified prior to the consumption of alcoholic beverages.

1004.3.1 USE OF MEDICATIONS
Members should avoid taking any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to his/her immediate supervisor prior to commencing any on-duty status.

No member shall be permitted to work or drive a vehicle owned or leased by the Department while taking any medication that has the potential to impair his/her abilities, without a written release from his/her physician.

1004.4 MEMBER RESPONSIBILITIES
Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing or using controlled substances or alcohol on department premises or on department time (41 USC § 8103) except when a job assignment requires the consumption of alcoholic beverages. The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.
Drug- and Alcohol-Free Workplace

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

1004.5 EMPLOYEE ASSISTANCE PROGRAM
There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Human Resources, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

1004.6 WORK RESTRICTIONS
If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the Department.

1004.7 REQUESTING SCREENING TESTS
The Department may request or require drug or alcohol testing in the following circumstances (Minn. Stat. § 181.951; Minn. Stat. § 181.952):

(a) Reasonable suspicion - The Shift Sergeant/Supervisor may request or require an employee to undergo drug and alcohol testing if there is a reasonable suspicion of any of the following:

1. The employee is under the influence of drugs or alcohol.

2. The employee has violated department rules prohibiting the use, possession, sale or transfer of drugs or alcohol while he/she is working, is on department property or is operating a vehicle owned by the department.

3. The employee has sustained an injury arising out of and in the course of employment, or has caused another employee to sustain an injury (full definition of personal injury in Minn. Stat. § 176.011, Subd. 16).

4. The employee has caused a work-related accident, or his/her use of a vehicle, firearm or safety equipment involved a work-related accident.
Drug- and Alcohol-Free Workplace

(b) Following a conditional job offer

1004.7.1 DRUG- AND ALCOHOL-TESTING PROGRAM
The following applies to the department’s drug and alcohol testing procedures (Minn. Stat. § 181.951; Minn. Stat. § 181.952; Minn. Stat. § 181.953):

(a) An employee or applicant has the right to refuse a test but the consequences of a refusal may result in discipline, up to and including termination, or a decision not to hire the applicant.

(b) Initial screening tests must be verified by a confirmatory test for the purpose of discipline.

(c) Employees will have an opportunity to participate in an appropriate alcohol or drug program for their first confirmed positive test. The program may be in lieu of other discipline unless the employee fails the program or refuses to participate (Minn. Stat. § 181.953).

(d) A confirmed positive test may result in discipline, up to and including termination.

(e) An employee or job applicant will have the opportunity to explain a positive test result and may request and pay for a second confirmatory retest.

(f) All disciplinary procedural safeguards in this manual apply, including the post-discipline appeal procedures (see the Personnel Complaints Policy).

(g) Employees and job applicants shall receive required written notice, including posting, of the drug- and alcohol-testing policies and procedures as set forth in Minn. Stat. § 181.952.

(h) The safeguards of Minn. Stat. § 181.953 will be followed for any testing and any related discipline process.

Notice of the adopted drug and alcohol testing policy shall be posted in an appropriate and conspicuous location and copies shall be available for inspection to all employees and job applicants (Minn. Stat. 181.952).

1004.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT
No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the Department will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).
Drug- and Alcohol-Free Workplace

1004.9 CONFIDENTIALITY
The Department recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained separately from the employee’s other personnel files.
Sick Leave

1005.1 PURPOSE AND SCOPE
This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the City personnel manual or applicable collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) and the Minnesota Pregnancy and Parenting Leave Act (29 USC § 2601 et seq.; Minn. Stat. § 181.941).

1005.2 POLICY
It is the policy of the New Brighton Department of Public Safety to provide eligible employees with a sick leave benefit.

1005.3 USE OF SICK LEAVE
Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity or other activity that may impede recovery from the injury or illness (see the Outside Employment Policy).

Qualified appointments should be scheduled during a member’s non-working hours when it is reasonable to do so.

1005.3.1 NOTIFICATION
All members should notify the Shift Sergeant or appropriate supervisor as soon as they are aware that they will not be able to report to work and no less than one hour before the start of their scheduled shifts. If, due to an emergency, a member is unable to contact the supervisor, every effort should be made to have a representative for the member contact the supervisor.

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever possible and practicable, provide the Department with no less than 30 days’ notice of the impending absence.

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and for completing and submitting the required documentation describing the type of time off used and the specific amount of time taken.

1005.4 EXTENDED ABSENCE
Members absent from duty for more than three consecutive days may be required to furnish a statement from a health care provider supporting the need to be absent and/or the ability to return
to work. Members on an extended absence shall, if possible, contact their supervisor at specified intervals to provide an update on their absence and expected date of return.

Nothing in this section precludes a supervisor from requiring, with cause, a health care provider’s statement for an absence of three or fewer days.

**1005.5 SUPERVISOR RESPONSIBILITIES**

The responsibilities of supervisors include, but are not limited to:

(a) Monitoring and regularly reviewing the attendance of those under their command to ensure that the use of sick leave and absences is consistent with this policy.

(b) Attempting to determine whether an absence of four or more days may qualify as family medical leave and consulting with legal counsel or the Human Resources as appropriate.

(c) Addressing absences and sick leave use in the member’s performance evaluation when excessive or unusual use has:
   1. Negatively affected the member’s performance or ability to complete assigned duties.
   2. Negatively affected department operations.

(d) When appropriate, counseling members regarding excessive absences and/or inappropriate use of sick leave.

(e) Referring eligible members to an available employee assistance program when appropriate.

**Exposure** - When an eye, mouth, mucous membrane or non-intact skin comes into contact with blood or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member’s position at the New Brighton Department of Public Safety. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

1006.2 POLICY
The New Brighton Department of Public Safety is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

(d) Evaluation of persons in custody for any exposure risk and measures to separate them.

(e) Compliance with all relevant laws or regulations related to communicable diseases, including:

4. Notifying appropriate medical facilities regarding member exposures and providing assistance locating source individuals, as applicable (Minn. Stat. § 144.7414)

The ECO should also act as the liaison with the Minnesota Occupational Safety and Health Administration (MNOSHA) and may request voluntary compliance inspections. The ECO should annually review and update the exposure control plan and review implementation of the plan.

1006.4 EXPOSURE PREVENTION AND MITIGATION

1006.4.1 GENERAL PRECAUTIONS

All members are expected to use good judgment and follow training and procedures related to mitigating the risks associated with communicable disease. This includes, but is not limited to (29 CFR 1910.1030; Minn. R. 5206.0600):

(e) Using an appropriate barrier device when providing CPR.

(f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.

(g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing and portable radio) as soon as possible if the equipment is a potential source of exposure.

   1. Clothing that has been contaminated by blood or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.

   (i) Avoiding eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.

   (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.
Communicable Diseases

1006.4.2 IMMUNIZATIONS
Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (29 CFR 1910.1030; Minn. R. 5206.0600).

1006.5 POST EXPOSURE

1006.5.1 INITIAL POST-EXPOSURE STEPS

(a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).

(b) Obtain medical attention as appropriate.

(c) Notify a supervisor as soon as practicable.

1006.5.2 REPORTING REQUIREMENTS
The supervisor on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented (29 CFR 1910.1030; Minn. R. 5206.0600):

(g) PPE in use at the time of the incident
(h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply.

1006.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT
Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary.

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information (29 CFR 1910.1030; Minn. R. 5206.0600):

(a) Whether the member has been informed of the results of the evaluation.
Communicable Diseases

(b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

1006.5.4 COUNSELING
The Department shall provide the member, and his/her family if necessary, the opportunity for counseling and consultation regarding the exposure (29 CFR 1910.1030; Minn. R. 5206.0600).

1006.5.5 SOURCE TESTING
Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate. Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member’s supervisor to ensure testing is sought.

Source testing may be achieved by:

(a) Obtaining consent from the individual.
(b) Seeking testing through the procedures of Minn. Stat. § 144.7401 to Minn. Stat. § 144.7415 through a licensed hospital or other emergency medical care facility.

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the City Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

1006.6 CONFIDENTIALITY OF REPORTS
Medical information shall remain in confidential files and shall not be disclosed to anyone without the member’s written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well (Minn. Stat. § 144.7411).

1006.7 TRAINING
All members shall participate in training regarding communicable diseases commensurate with the requirements of their position. The training (29 CFR 1910.1030; Minn. R. 5206.0700):

(a) Shall be provided at the time of initial assignment to tasks where an occupational exposure may take place and at least annually after the initial training.

(b) Shall be provided whenever the member is assigned new tasks or procedures affecting his/her potential exposure to communicable disease.

(c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure and what steps should be taken if a suspected exposure occurs.
Personnel Complaints

1007.1 PURPOSE AND SCOPE
This policy provides guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members of the New Brighton Department of Public Safety (Minn. R. 6700.2200). This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

1007.2 POLICY
The New Brighton Department of Public Safety takes seriously all complaints regarding the service provided by the Department and the conduct of its members.

The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state and local law, municipal and county rules and the requirements of any memorandum of understanding.

It is also the policy of this department to ensure that the community and employees can report misconduct without concern for reprisal or retaliation.

1007.3 PERSONNEL COMPLAINTS
Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or of federal, state or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate department policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Department.

1007.3.1 COMPLAINT CLASSIFICATIONS
Personnel complaints shall be classified in one of the following categories:

**Informal** - A matter in which the Shift Sergeant is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

**Formal** - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Internal Affairs Unit, depending on the seriousness and complexity of the investigation.

**Incomplete** - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Internal Affairs Unit, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.
Personnel Complaints

1007.3.2 SOURCES OF COMPLAINTS
The following applies to the source of complaints:

(a) Individuals from the public may make complaints in any form, including in writing, by email, in person or by telephone.

(b) Any department member becoming aware of alleged misconduct shall immediately notify a supervisor.

(c) Supervisors shall initiate a complaint based upon observed misconduct or receipt from any source alleging misconduct that, if true, could result in disciplinary action.

(d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.

(e) Tort claims and lawsuits may generate a personnel complaint.

(f) The Minnesota Board of Peace Officer Standards and Training (POST) may refer complaints alleging a violation of a statute or rule that the board is empowered to enforce (Minn. Stat. § 214.10, Subd. 10).

(g) Any person making a complaint may be accompanied by an attorney or other representative, including at the time the complaint is made.

(h) Any person wishing to file a complaint against the Director of Public Safety should be referred to the City Manager for investigation by an outside agency.

1007.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

1007.4.1 ACCEPTANCE
All complaints will be courteously accepted by any department member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs or physical evidence may be obtained as necessary.

1007.4.2 COMPLAINT COPIES
After a complaint is filed, the accepting member should sign the document, keep a copy for the department and provide a copy to the complainant.

1007.5 DOCUMENTATION
Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint.
Personnel Complaints

On an annual basis, the Department should audit the log and send an audit report to the Director of Public Safety or the authorized designee.

1007.6 ADMINISTRATIVE INVESTIGATIONS
Allegations of misconduct will be administratively investigated as follows (Minn. R. 6700.2200).

1007.6.1 SUPERVISOR RESPONSIBILITIES
In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Director of Public Safety or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include, but are not limited to:

(a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
   1. The original complaint form will be directed to the Deputy Director via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
   2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Deputy Director or the Director of Public Safety, who will initiate appropriate action.

(b) Responding to all complaints in a courteous and professional manner.

(c) Resolving those personnel complaints that can be resolved immediately.
   1. Follow-up contact with the complainant should be made within 24 hours of the Department receiving the complaint.
   2. If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Deputy Director in charge of complaints.

(d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Deputy Director and the Director are notified via the chain of command as soon as practicable.

(a) Promptly contacting the Human Resources and the Deputy Director for direction regarding their roles in addressing a complaint that relates to sexual, racial, ethnic or other forms of prohibited harassment or discrimination.

(b) Forwarding unresolved personnel complaints to the Deputy Director, who will determine whether to contact the complainant or assign the complaint for investigation.
Personnel Complaints

(c) Informing the complainant of the investigator’s name and the complaint number within three days after assignment.

(d) Investigating a complaint as follows:
   1. Making reasonable efforts to obtain names, addresses and telephone numbers of witnesses.
   2. When appropriate, ensuring immediate medical attention is provided and photographs of alleged injuries and accessible uninjured areas are taken.

(e) Ensuring that the procedural rights of the accused member are followed.

(f) Ensuring interviews of the complainant are generally conducted during reasonable hours.

1007.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES
Whether conducted by a supervisor or an assigned member of the Internal Affairs Unit, the following shall apply to members covered by the Peace Officer Discipline Procedures Act (Minn. Stat. § 626.89):

(a) Interviews of an accused member shall be conducted during reasonable hours and preferably when the member is on-duty (Minn. Stat. § 626.89, Subd. 7). If the member is off-duty, he/she shall be compensated.

(b) Unless waived by the member, interviews of an accused member shall be at the New Brighton Department of Public Safety or at a place agreed upon by the accused member (Minn. Stat. § 626.89, Subd. 4).

(c) No more than two interviewers should ask questions of an accused member.

(d) Prior to any interview, a member should be informed of the nature of the investigation.
   1. The member shall be given a copy of any written complaint signed by the complainant (Minn. Stat. § 626.89, Subd. 5).

(e) All interviews should be for a reasonable period and the member's personal needs should be accommodated (Minn. Stat. § 626.89, Subd. 7).

(f) No member should be subjected to offensive or threatening language, nor shall any promises, rewards or other inducements be used to obtain answers.

(g) Any member refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.
   1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a Garrity advisement. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).
2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.

(h) The interviewer shall record all interviews of members and witnesses. The member may also record the interview. A complete copy or transcript of the interview must be made available to the member upon written request without charge or undue delay. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview (Minn. Stat. § 626.89, Subd. 8).

(i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative or attorney present before or during the interview (Minn. Stat. § 626.89, Subd. 9). When a member requests a representative or attorney, no interview may be taken until a reasonable opportunity is provided for the member to obtain that person’s presence. However, in order to maintain the integrity of each individual’s statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.

(j) All members shall provide complete and truthful responses to questions posed during interviews.

(k) No member may be compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation.

(l) Before a formal statement is taken, the member shall be advised in writing or on the record that admissions made may be used as evidence of misconduct or a basis for discipline (Minn. Stat. § 626.89, Subd. 10).

(m) A member may not be required to produce financial records (Minn. Stat. § 626.89, Subd. 11).

(n) A member’s photograph will not be released unless allowed by law (Minn. Stat. § 626.89, Subd. 12).

1007.6.3 ADMINISTRATIVE INVESTIGATION FORMAT
Formal investigations of personnel complaints shall be thorough, complete and essentially follow this format:

Introduction - Include the identity of the members, the identity of the assigned investigators, the initial date and source of the complaint.

Synopsis - Provide a brief summary of the facts giving rise to the investigation.

Summary - List the allegations separately, including applicable policy sections, with a brief summary of the evidence relevant to each allegation. A separate recommended finding should be provided for each allegation.

Evidence - Each allegation should be set forth with the details of the evidence applicable to each allegation provided, including comprehensive summaries of member and witness statements. Other evidence related to each allegation should also be detailed in this section.
**Conclusion** - A recommendation regarding further action or disposition should be provided.

**Exhibits** - A separate list of exhibits (e.g., recordings, photos, documents) should be attached to the report.

1007.6.4 DISPOSITIONS
Each personnel complaint shall be classified with one of the following dispositions:

- **Unfounded** - When the investigation discloses that the alleged acts did not occur or did not involve department members. Complaints that are determined to be frivolous will fall within the classification of unfounded.

- **Exonerated** - When the investigation discloses that the alleged act occurred but that the act was justified, lawful and/or proper.

- **Not sustained** - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

- **Sustained** - When the investigation discloses sufficient evidence to establish that the act occurred and that it constituted misconduct.

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

The Director of Public Safety may authorize that any investigation be re-opened any time substantial new evidence is discovered concerning the complaint.

1007.6.5 COMPLETION OF INVESTIGATIONS
Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation.

1007.6.6 EXTERNAL INVESTIGATIONS
The Director of Public Safety may request that an outside agency conduct an investigation anytime the Director of Public Safety determines an external investigation is appropriate.

This department should not conduct an investigation when the Director of Public Safety is the subject of the complaint. An external investigation should be requested through the City Manager.

1007.6.7 NOTICE TO COMPLAINTANT OF INVESTIGATION STATUS
The member conducting the investigation shall provide the complainant with periodic updates on the status of the investigation, as appropriate, and consistent with the provisions of the Minnesota Government Data Practices Act (Minn. Stat. § 13.43, Subd. 2; Minn. R. 6700.2200).

1007.7 ADMINISTRATIVE SEARCHES
Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.
Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio or other document or equipment.

1007.8 ADMINISTRATIVE LEAVE
When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Department, the Director of Public Safety or the authorized designee may temporarily assign an accused employee to administrative leave. Any employee placed on administrative leave:

(a) May be required to relinquish any department badge, identification, assigned weapons and any other department equipment.
(b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
(c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

1007.9 CRIMINAL INVESTIGATION
Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Director of Public Safety shall be notified as soon as practicable when a member is accused of criminal conduct. The Director of Public Safety may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be provided with all rights afforded to a civilian. The member should not be administratively ordered to provide any information in the criminal investigation.

The New Brighton Department of Public Safety may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

The Director of Public Safety may postpone making a decision on an administrative investigation until any related criminal charges are resolved. The complainant and involved member should be informed of this decision.

1007.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES
Upon completion of a formal investigation, an investigation report should be forwarded to the Director of Public Safety through the chain of command. Each level of command should review and include their comments in writing before forwarding the report. The Director of Public Safety may accept or modify any classification or recommendation for disciplinary action.
1007.10.1 DEPUTY DIRECTOR RESPONSIBILITIES
Upon receipt of any completed personnel investigation, the Deputy Director of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

The Deputy Director may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Director of Public Safety, the Deputy Director may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Director of Public Safety, the Deputy Director shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

1007.10.2 DIRECTOR OF PUBLIC SAFETY RESPONSIBILITIES
Upon receipt of any written recommendation for disciplinary action, the Director of Public Safety shall review the recommendation and all accompanying materials. The Director of Public Safety may modify any recommendation and/or may return the file to the Deputy Director for further investigation or action.

Once the Director of Public Safety is satisfied that no further investigation or action is required by staff, the Director of Public Safety shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Director of Public Safety shall provide the member with a written notice and the following:

(a) Access to all of the materials considered by the Director of Public Safety in recommending the proposed discipline.

(b) An opportunity to respond orally or in writing to the Director of Public Safety within five days of receiving the notice.

1. Upon a showing of good cause by the member, the Director of Public Safety may grant a reasonable extension of time for the member to respond.

2. If the member elects to respond orally, the presentation shall be recorded by the Department. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed his/her response or if the member has elected to waive any such response, the Director of Public Safety shall consider all information received in regard to the recommended discipline. The Director of Public Safety shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Director of Public Safety has issued a written decision, the discipline shall become effective.
Personnel Complaints

1007.10.3 MINNESOTA POST INVESTIGATIONS
The Minnesota POST Board may require an administrative investigation based upon a complaint alleging a violation of a statute or rule that the board is empowered to enforce. Any such misconduct allegation or complaint assigned to this department shall be completed and a written summary submitted to the POST executive director within 30 days of the order for inquiry (Minn. Stat. § 214.10, Subd. 10).

1007.10.4 DISCIPLINE
Disciplinary action may include, but is not limited to (Minn. R. 6700.2200):
   (a) Oral reprimand.
   (b) Written reprimand.
   (c) Suspension.
   (d) Demotion.
   (e) Discharge.

1007.10.5 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT
The Director of Public Safety or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint. Notice must be consistent with the provisions of the MGDP (Minn. Stat. § 13.43, Subd. 2; Minn. R. 6700.2200).

1007.11 PRE-DISCIPLINE EMPLOYEE RESPONSE
The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Director of Public Safety after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:
   (a) The response is not intended to be an adversarial or formal hearing.
   (b) Although the employee may be represented by an uninvolved representative and/or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
   (c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Director of Public Safety to consider.
   (d) In the event that the Director of Public Safety elects to cause further investigation to be conducted, the employee shall be provided with the results prior to the imposition of any discipline.
   (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Director of Public Safety on the limited issues of information raised in any subsequent materials.
Personnel Complaints

1007.12   RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE
In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

1007.13   POST-DISCIPLINE APPEAL RIGHTS
Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement and/or personnel rules (Minn. R. 6700.2200).

Employees covered by the Veterans Preference Act are entitled to written notice of the right to request a hearing within 30 days of receipt of the notice of intent to terminate, suspend or demote. Failure to request the hearing in the time specified waives the right to the hearing and all other legal remedies. Any hearing shall be held in compliance with law (Minn. Stat. § 197.46).

1007.14   PROBATIONARY EMPLOYEES AND OTHER MEMBERS
At-will and probationary employees and members other than non-probationary employees may be disciplined and/or released from employment without adherence to any of the procedures set out in this policy, and without notice or cause at any time. These individuals are not entitled to any rights under this policy except for employees covered by the Veterans Preference Act (Minn. Stat. § 197.46). However, any of these individuals released for misconduct should be afforded an opportunity solely to clear their names through a liberty interest hearing, which shall be limited to a single appearance before the Director of Public Safety or the authorized designee (Minn. R. 6700.2200).

Any probationary period may be extended at the discretion of the Director of Public Safety in cases where the individual has been absent for more than a week or when additional time to review the individual is considered to be appropriate.

1007.15   RETENTION OF PERSONNEL INVESTIGATION FILES
All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

1007.15.1   CONFIDENTIALITY OF PERSONNEL FILES
All active investigations of alleged misconduct and personnel complaints shall be considered confidential and maintained separately from peace officer personnel files. The contents of such files shall not be revealed to other than the involved member or authorized personnel, except pursuant to lawful process, such as Minn. R. 6700.2500. Data in closed files shall be treated as private or public data depending on whether discipline was imposed upon the member.
Personnel Complaints

1007.15.2 LETTERS OF DISCIPLINE AND REPRIMANDS
Letters of discipline and reprimands may only be placed in a member’s personnel file after they are received by the member (see generally Minn. Stat. § 626.89, Subd. 13).
Seat Belts

1008.1 PURPOSE AND SCOPE
This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles (Minn. Stat. § 169.686).

1008.1.1 DEFINITIONS
Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213 (Minn. Stat. § 169.685).

1008.2 WEARING OF SAFETY RESTRAINTS
All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty while on a public street or roadway. The member driving such a vehicle shall ensure that all other occupants, including those who are not members of the Department, are properly restrained (Minn. Stat. § 169.686).

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the department member or the public. Members must be prepared to justify any deviation from this requirement.

1008.3 TRANSPORTING SUSPECTS, PRISONERS OR ARRESTEES
Suspects, prisoners and arrestees should be in a seated position and secured in the rear seat of any department vehicle with a prisoner restraint system or, when a prisoner restraint system is not available, by seat belts provided by the vehicle manufacturer. An exception to this rule would be when a prisoner is so violent with their movements that there would be a strong likelihood that the officer would be injured or subjected to exposure of bodily fluids. The prisoner restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

Prisoners in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

1008.4 INOPERABLE SEAT BELTS
Department vehicles shall not be operated when the seat belt in the driver’s position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Director of Public Safety.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.
Seat Belts

1008.5 VEHICLES MANUFACTURED WITHOUT SEAT BELTS
Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer’s operator requirements for safe use.

1008.6 POLICY
When feasible, it is the policy of the New Brighton Department of Public Safety that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.

1008.7 TRANSPORTING CHILDREN
All children younger than 8 years of age and shorter than 4 feet 9 inches tall shall be restrained in a child passenger safety seat system (Minn. Stat. § 169.685, Subd. 5(b)).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer’s design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible.
Body Armor

1009.1 PURPOSE AND SCOPE
The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

1009.2 POLICY
It is the policy of the New Brighton Department of Public Safety to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

1009.3 ISSUANCE OF BODY ARMOR
The Administration supervisor shall ensure that body armor is issued to all officers when the officer begins service at the New Brighton Department of Public Safety and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

The Administration supervisor shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

1009.3.1 USE OF SOFT BODY ARMOR
Generally, the use of body armor is required subject to the following:

(a) Officers shall only wear agency-approved body armor, including both front and back panels.

(b) Officers may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity.

(c) Body armor shall be worn when an officer is working uniform patrol duties or taking part in range training.

(d) An officer may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

1009.3.2 INSPECTIONS OF BODY ARMOR
Supervisors should ensure that body armor is worn and maintained in accordance with this policy through routine observation and periodic inspections.
Body Armor

1009.3.3 CARE AND MAINTENANCE OF SOFT BODY ARMOR
Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer’s care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

1009.4 RANGEMASTER RESPONSIBILITIES
The Firearms Instructor should:

(a) Monitor technological advances in the body armor industry for any appropriate changes to Department approved body armor.

(b) Assess weapons and ammunition currently in use and the suitability of approved body armor to protect against those threats.

(c) Provide training that educates officers about the safety benefits of wearing body armor.
Personnel Records

1010.1 PURPOSE AND SCOPE
This policy governs maintenance and access to personnel data. Personnel data includes any file maintained under an individual member's name.

Without regard to where and how stored, all data about a current or former employee or applicant for employment shall be defined and classified as personnel data consistent with Minn. Stat. § 13.43. All data relating to a criminal investigation of a current or former employee or applicant shall be defined and classified as criminal data consistent with Minn. Stat. § 13.82.

1010.2 POLICY
It is the policy of this department to maintain personnel data and preserve the confidentiality of personnel data pursuant to the Constitution and the laws of Minnesota (Minn. Stat. § 13.43).

1010.3 DEPARTMENT FILE
The department file shall be maintained as a record of a person’s employment/appointment with this department. The department file should contain, at a minimum:

(a) Personal data, including photographs, marital status, names of family members, educational and employment history or similar information. A photograph of the member should be permanently retained.

(b) Election of employee benefits.

(c) Personnel action reports reflecting assignments, promotions and other changes in employment/appointment status. These should be permanently retained.

(d) Original performance evaluations. These should be permanently maintained.

(e) Discipline records, including copies of sustained personnel complaints.

(f) Adverse comments such as supervisor notes or memos may be retained in the department file after the member has had the opportunity to read and initial the comment.

Personnel Records

Except in very limited circumstances members should have a minimum of eight hours off between shifts. Supervisors should give consideration to reasonable rest periods and are authorized to deny overtime or relieve to off-duty status any member who has exceeded the above guidelines.

Limitations on the number of hours worked apply to shift changes, shift trades, rotation, holdover, training, special events, contract work, general overtime and any other work assignments.

1012.8 APPEALS
Employees disputing the application or interpretation of this policy may submit a grievance as provided in the Grievance Procedure Policy or the applicable collective bargaining agreement.

1013.1.1 MEAL PERIODS
Each employee who works for eight or more consecutive hours is entitled to sufficient time to eat a meal (Minn. Stat. § 177.254). Licensed employees and dispatchers shall remain on-duty subject to call during meal periods. All other employees are not on call during meal periods unless directed otherwise by a supervisor.

The time spent for the meal period shall not exceed the authorized time allowed.

1013.1.2 10 MINUTE BREAKS
Each employee is allowed adequate time from work within each four consecutive hours of work to utilize the nearest convenient restroom (Minn. Stat. § 177.253).

Field officers will take their breaks subject to call, and shall monitor their radios.
Lactation Break Policy

1014.1 PURPOSE AND SCOPE
The purpose of this policy is to provide reasonable accommodations to employees desiring to express breast milk for the employee’s infant child.

1014.2 POLICY
It is the policy of this department to provide, in compliance with the Fair Labor Standards Act and Minnesota law, reasonable break time and appropriate facilities to accommodate any employee desiring to express breast milk for her nursing child, pursuant to Minn. Stat. § 181.939 and 29 USC § 207.

1014.3 LACTATION BREAK TIME
A rest period should be permitted each time the employee has the need to express breast milk (29 USC § 207). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time.

Lactation breaks, if feasible, should be taken at the same time as the employee’s regularly scheduled rest or meal periods. While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid.

Employees desiring to take a lactation break shall notify a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt Department operations (Minn. Stat. § 181.939).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1014.4 PRIVATE LOCATION
The Department will make reasonable efforts to accommodate employees with the use of an appropriate room or other location to express milk in private. Such room or place should be in close proximity to the employee’s work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from co-workers and the public. The location must have access to an electrical outlet (Minn. Stat. § 181.939; 29 USC § 207).

The area assigned for this purpose should not be used for storage of any devices, supplies or expressed milk and should be returned to its original state after each use.

Employees occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other employees should avoid interrupting an employee during an authorized break, except to announce an emergency or other urgent circumstance.
Lactation Break Policy

Authorized lactation breaks for employees assigned to the field may be taken at the nearest appropriate private area.

1014.5 STORAGE OF EXPRESSED MILK
Any employee storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the employee ends her shift.

The Administration Deputy Director shall ensure that accurate and timely payroll records are maintained as required by 29 CFR 516.2 for a minimum of three years (29 CFR 516.5).
Overtime Compensation Requests

1016.1 PURPOSE AND SCOPE
It is the policy of the Department to compensate nonexempt employees who work authorized overtime either by payment of wages as agreed and in effect through the collective bargaining agreement, or by the allowance of accrual of compensatory time off. In order to qualify for either the employee must complete and submit a Request for Overtime Payment as soon as practicable after overtime is worked.

1016.1.1 DEPARTMENT OFFICE POLICY
Because of the nature of law enforcement work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, approval shall be sought as soon as practicable during the overtime shift and in no case later than the end of shift in which the overtime is worked.

The individual employee may request compensatory time in lieu of receiving overtime payment. The employee may not exceed the number of hours identified in the collective bargaining agreement at the end of the calendar year.

1016.2 REQUEST FOR OVERTIME COMPENSATION
Employees shall submit all overtime compensation requests to their immediate supervisors as soon as practicable for verification.

1016.2.1 EMPLOYEES’ RESPONSIBILITY
Employees shall complete the requests immediately after working the overtime. Employees requesting on-call pay when off-duty shall submit forms to the Shift Sergeant the first day after returning to work.

1016.2.2 SUPERVISOR RESPONSIBILITIES
The supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request.

After the entry has been approved, the overtime payment request form will be forwarded to the employee’s Deputy Director for final approval.

1016.3 ACCOUNTING FOR OVERTIME WORKED
Employees are to record the actual time worked in an overtime status. In some cases, the collective bargaining agreement provides that a minimum number of hours will be paid.
Overtime Compensation Requests

1016.3.1 ACCOUNTING FOR PORTIONS OF AN HOUR
When accounting for less than a full hour, time worked shall be rounded up to the nearest quarter of an hour as indicated by the following chart:

1016.3.2 VARIATION IN TIME REPORTED
Where two or more employees are assigned to the same activity, case or court trial and the amount of time for which payment is requested varies from that reported by the other employee, the Shift Sergeant or other approving supervisor may require each employee to include the reason for the variation on the back of the overtime payment request.
Outside Employment

1017.1 PURPOSE AND SCOPE
To avoid actual or perceived conflicts of interest for Department employees engaging in outside employment, all employees shall initially obtain written approval from the Director of Public Safety or their designee prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Director of Public Safety in accordance with the provisions of this policy.

1017.1.1 DEFINITIONS
Outside Employment - The employment of any member of this department who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this department for services, product(s) or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this department for services, product(s) or benefits rendered.

Outside Overtime - Overtime involving any member of this department who performs duties or services on behalf of an outside organization, company or individual within this jurisdiction on behalf of the Department. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

1017.2 OBTAINING APPROVAL
No member of this department may engage in any outside employment without first obtaining prior written approval of the Director of Public Safety or their designee. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy is grounds for disciplinary action.

To obtain approval for outside employment, the employee must notify a Deputy Director via written or electronic communication.

If approved, the employee will be provided with a written or electronic copy of the approval. Unless otherwise indicated in writing, the approval will be valid through the end of the calendar year in which it is approved. Any employee seeking to continue outside employment shall submit a new request for outside employment in a timely manner.

Any employee seeking approval of outside employment whose request has been denied shall be provided with a written reason for the denial of the application at the time of the denial and within 30 days of the request.

1017.2.1 APPEAL OF DENIAL OF OUTSIDE EMPLOYMENT
If an employee’s Outside Employment request is denied or rescinded by the Department, the employee may file a written notice of appeal to the Director of Public Safety within 10 days of the date of denial.
Outside Employment

If the employee’s appeal is denied, the employee may file a grievance pursuant to the procedure set forth in the current collective bargaining agreement.

1017.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT
Any outside employment request may be revoked or suspended after the employee has received written notification of the reasons for revocation or suspension. Revocation will be implemented after the employee has exhausted the appeal process.

The outside employment may be revoked:

(a) If an employee’s performance declines to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of minimum acceptable competency and the outside employment may be related to the employee’s performance. The Director of Public Safety may, at his/her discretion, notify the employee of the intent to revoke any previously approved outside employment permit(s). After the appeal process has concluded, the revocation will remain in force until the employee’s performance directly related to the outside employment has been reestablished to the minimum level of acceptable competency.

(b) If, at any time during the term of a valid outside employment, an employee’s conduct or outside employment conflicts with the provisions of Department policy, or any law.

(c) The outside employment creates an actual or apparent conflict of interest with the Department or City.

1017.3 PROHIBITED OUTSIDE EMPLOYMENT
The Department expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity that:

(a) Involves the employee’s use of Department time, facilities, equipment or supplies, the use of the Department badge, uniform, prestige or influence for private gain or advantage.

(b) Involves the employee’s receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act that the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee’s duties as a member of this department.

(c) Involves the performance of an act in other than the employee’s capacity as a member of this department that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this department.

(d) Involves time demands that would render performance of the employee’s duties for this department below minimum standards or would render the employee unavailable for reasonably anticipated overtime assignments and other job-related demands that occur outside regular working hours.
**Outside Employment**

1017.3.1 OUTSIDE OVERTIME ARREST AND REPORTING PROCEDURE
Any employee making an arrest or taking other official law enforcement action while working in an approved outside overtime assignment shall be required to complete all related reports in a timely manner that was agreed upon with the on-duty supervisor at the time of the incident.

1017.4 DEPARTMENT OFFICE RESOURCES
Employees are prohibited from using any Department equipment or resources in the course of or for the benefit of any outside employment. This shall include the prohibition of access to official records or databases of this department or other agencies through the use of the employee’s position with this department.

1017.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS
If an employee terminates his/her outside employment during the period of a valid request, the employee shall promptly submit written notification of such termination to the Director of Public Safety through the appropriate chain of command. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees shall also promptly submit in writing to the Director of Public Safety any material changes in outside employment including any change in the number of hours, type of duties or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material shall report the change.

1017.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY OR ADMINISTRATIVE LEAVE
Department members engaged in outside employment who are placed on disability or administrative leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether they intend to continue to engage in outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any work-related doctor’s orders and make a recommendation to the Director of Public Safety whether such outside employment should continue or be suspended or revoked.

In the event the Director of Public Safety determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding the work permit, a notice of intent to revoke the employee's permit will be forwarded to the involved employee and a copy attached to the original work permit. The revocation process outlined in this policy shall be followed.

Criteria for revoking or suspending the outside employment permit while on disability status or administrative leave include, but are not limited to, the following:

(a) The outside employment is medically detrimental to the total recovery of the disabled employee, as indicated by the City's professional medical advisors.

(b) The outside employment performed requires the same or similar physical ability, as would be required of an on-duty employee.
Outside Employment

(c) The employee’s failure to make timely notice of his/her intentions to their supervisor.

(d) The outside employment is not compatible with the reason the employee is on administrative leave.

Pregnant employees should notify their immediate supervisors as soon as practicable and provide a statement from their medical providers identifying any pregnancy-related job restrictions or limitations. If at any point during the pregnancy it becomes necessary for the employee to take a leave of absence, such leave shall be granted in accordance with the City’s personnel rules and regulations regarding family and medical care leave.

1024.8 PROBATIONARY EMPLOYEES
Probationary employees who are assigned to a temporary modified-duty assignment shall have their probation extended by a period of time equal to their assignment to temporary modified duty.

1024.9 MAINTENANCE OF CERTIFICATION AND TRAINING
Employees assigned to temporary modified duty shall maintain all certification, training and qualifications appropriate to both their regular and temporary duties, provided that the certification, training or qualifications are not in conflict with any medical limitations or restrictions. Employees
who are assigned to temporary modified duty shall inform their supervisors of any inability to maintain any certification, training or qualifications.
Employee Speech, Expression and Social Networking

1025.1 PURPOSE AND SCOPE
This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balance of employee speech and expression with the needs of the Department.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, about matters of public concern such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

1025.1.1 APPLICABILITY
This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, use of all Internet services, including the World Wide Web, e-mail, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, wikis, video and other file sharing sites.

1025.2 POLICY
Because public employees occupy a trusted position in the community their statements have the potential to contravene the policies and performance of this department. Due to the nature of the work and influence associated with the law enforcement profession it is necessary that employees of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public the New Brighton Department of Public Safety will carefully balance the individual employee’s rights against the organization's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

1025.3 SAFETY
Employees should carefully consider the implications of their speech or any other form of expression when using the Internet. Speech and expression that may negatively affect the safety of New Brighton Department of Public Safety employees such as posting personal information in a public forum can result in compromising an employee’s home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be expected to compromise the safety of any employee, employee's family or associates or persons that this agency has had professional contact with such as crime victims or...
staff of other organizations. Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of an employee.
- Disclosing the address, telephone number or email address of an employee.
- Otherwise disclosing where another employee can be located off-duty.

1025.4 PROHIBITED SPEECH, EXPRESSION AND CONDUCT

To meet the organization’s safety, performance and public-trust needs the following are prohibited unless the speech is otherwise protected (for example an employee speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, on a matter of public concern):

(a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the New Brighton Department of Public Safety or its employees.

(b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to or related to the New Brighton Department of Public Safety and tends to compromise or damage the mission, function, reputation or professionalism of the New Brighton Department of Public Safety or its employees. Examples may include:
   1. Statements that indicate disregard for the law or the state or U.S. Constitution.
   2. Expression that demonstrates support for criminal activity.
   3. Participating in sexually explicit photographs or videos for compensation or distribution.

(c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the employee as a witness. For example posting statements or expressions to a website that glorify or endorse dishonesty or illegal behavior.

(d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the employees of the Department. For example a statement on a blog that provides specific details as to how and when prisoner transportsations are made could reasonably be foreseen to jeopardize employees by informing criminals of details that could facilitate an escape or attempted escape.

(e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the New Brighton Department of Public Safety.

(f) Use or disclosure, through whatever means, of any not public data, photograph, video or other recording obtained or accessible as a result of employment with the Department for financial or personal gain or data classified as not public by state or federal law or any disclosure of such materials without the express authorization of the Director of Public Safety or the authorized designee.
(g) Posting, transmitting or disseminating any photographs, video or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment or other material that specifically identifies the New Brighton Department of Public Safety on any personal or social networking or other website or web page without the express authorization of the Director of Public Safety.

(h) Accessing websites for non-authorized purposes or use of any personal communication device, game device or media device, whether personally or department-owned, for personal purposes while on-duty except in the following circumstances:

1. When brief personal communications may be warranted by the circumstances (e.g., inform family of extended hours).

2. During authorized breaks; such usage should be limited as much as practicable to areas out of sight and sound of the public and shall not be disruptive to the work environment.

Employees must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

1025.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or officer associations, employees may not represent the New Brighton Department of Public Safety or identify themselves in any way that could be reasonably perceived as representing the New Brighton Department of Public Safety in order to do any of the following, unless specifically authorized by the Director of Public Safety:

(a) Endorse, support, oppose or contradict any political campaign or initiative.

(b) Endorse, support, oppose or contradict any social issue, cause or religion.

(c) Endorse, support, or oppose any product, service, company or other commercial entity.

(d) Appear in any commercial, social or nonprofit publication or any motion picture, film, video, public broadcast or any website.

Additionally, when it can reasonably be construed that an employee acting in his/her individual capacity or through an outside group or organization (e.g. bargaining group) is affiliated with this department, the employee shall give a specific disclaiming statement that any such speech or expression is not representative of the New Brighton Department of Public Safety.

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or officer associations, on political subjects and candidates at all times while off-duty. However employees may not use their official authority or influence to interfere with or affect
the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 USC § 1502).

1025.5 PRIVACY EXPECTATION
Members forfeit any expectation of privacy with regard to e-mails, texts, or anything published or maintained through file-sharing software or any Internet site (e.g., Facebook, MySpace) that is accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

1025.6 CONSIDERATIONS
In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Director of Public Safety or authorized designee should consider include:

(a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.
(b) Whether the speech or conduct would be contrary to the good order of the Department or the efficiency or morale of its members.
(c) Whether the speech or conduct would reflect unfavorably upon the Department.
(d) Whether the speech or conduct would negatively affect the member’s appearance of impartiality in the performance of his/her duties.
(e) Whether similar speech or conduct has been previously authorized.
(f) Whether the speech or conduct may be protected and outweighs any interest of the Department.

1025.7 TRAINING
Subject to available resources the Department should provide training regarding employee speech and the use of social networking to all members of the Department.
POST Licensing

1026.1 PURPOSE AND SCOPE
Maintaining a valid POST license is a critical element of an officer’s ability to continue their employment and is their sole professional responsibility. Every officer and every part-time officer is required to complete the continuing education requirements to maintain a valid license every three years (Minn. R. § 6700.0900; Minn. R. 6700.1000).

1026.2 RENEWAL SCHEDULE
Any officer whose license expires is not authorized to work as a peace officer until the license status is valid. Officers renew their POST licenses according to a schedule established by Administrative Rule (Minn. R. 6700.1000).

1026.2.1 LICENSE RENEWAL CREDITS
A peace officer license may be renewed only upon the licensee or the licensee’s appointing authority providing the POST board proof the licensee has successfully completed board-approved continuing education and posting of fees on or before June 30 of the year a license is due for renewal. Licensee required hours of continuing credit are (Minn. R. 6700.1000, Subd. 3):

- 16 hours for a peace officer or a part-time peace officer who has been licensed for at least six months but less than 18 months.
- 32 hours for a peace officer or a part-time peace officer who has been licensed for at least 18 months but less than 30 months.
- 48 hours for a peace officer or a part-time peace officer who has been licensed for at least 30 months.

1026.3 LICENSE PROCESS
A general schedule for the license renewal process is:

- February - The Department or officer will receive employment verification.
- March - The Department or officers are sent a license renewal application.
- June - A final notice will be sent from POST for those who have not renewed.
- June 30 - The deadline date for license renewal after which officers whose license expires will no longer be authorized to practice law enforcement or carry a firearm.

1026.4 INACTIVE LICENSE
Officers who fail to complete the requirements will have their license placed in the “Inactive” status. The employee may then be placed in a temporary administrative assignment until their license is “Valid”. Those employees may also face administrative discipline up to and including termination.
Workplace Accident and Injury Reduction

1027.1 PURPOSE AND SCOPE
The purpose of this policy is to establish an ongoing and effective plan to reduce the incidence of illness and injury for members of the New Brighton Department of Public Safety, in accordance with the requirements of Minn. Stat. § 182.653.

1027.6 HAZARDS
All members should report and/or take reasonable steps to correct unsafe or unhealthy work conditions, practices or procedures in a timely manner. Members should make their reports to a supervisor (as a general rule, their own supervisors).

Supervisors should make reasonable efforts to correct unsafe or unhealthy work conditions in a timely manner, based on the severity of the hazard. These hazards should be corrected when observed or discovered, when it is reasonable to do so. When a hazard exists that cannot be immediately abated without endangering members or property, supervisors should protect or remove all exposed members from the area or item, except those necessary to correct the existing condition.

Members who are necessary to correct the hazardous condition shall be provided with the necessary protection.

All significant actions taken and dates they are completed shall be documented on the appropriate form. This form should be forwarded to the Administration Deputy Director via the chain of command.

The Administration Deputy Director will take appropriate action to ensure the AWAIR program addresses potential hazards upon such notification.

1027.7 INSPECTIONS
Safety inspections are crucial to a safe work environment. These inspections identify and evaluate workplace hazards and permit mitigation of those hazards.
The Administration Deputy Director shall ensure that the appropriate documentation is completed for each inspection.

1027.7.1 EQUIPMENT

Members observing or learning of a potentially hazardous condition are to promptly report the condition to their immediate supervisors.

A supervisor receiving such a report should personally investigate the incident or ensure that an investigation is conducted. Investigative procedures for workplace accidents and hazardous substance exposures should include:

(a) A visit to the accident scene as soon as possible.
(b) An interview of the injured member and witnesses.
(c) An examination of the workplace for factors associated with the accident/exposure.

Line-of-Duty Deaths

1028.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance to members of the New Brighton Department of Public Safety in the event of the death of a member occurring in the line of duty and to direct the Department in providing proper support for the member’s survivors.

The Director of Public Safety may also apply some or all of this policy in situations where members are injured in the line of duty and the injuries are life-threatening.

1028.1.1 DEFINITIONS
Definitions related to this policy include:

**Line-of-duty death** - The death of a sworn member during the course of performing law enforcement-related functions while on- or off-duty, or a non-sworn member during the course of performing their assigned duties.

**Survivors** - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual’s relationship with the member and whether the individual was previously designated by the deceased member.

1028.2 POLICY
It is the policy of the New Brighton Department of Public Safety to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this department to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

1028.3 INITIAL ACTIONS BY COMMAND STAFF

(a) Upon learning of a line-of-duty death, the deceased member’s supervisor should provide all reasonably available information to the Shift Sergeant/Shift Supervisor.

1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Public Information Officer section of this policy).

(b) The Shift Sergeant should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.

(c) If the member has been transported to the hospital, the Shift Sergeant or the authorized designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.
Line-of-Duty Deaths

(d) The Director of Public Safety or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Department Liaison as soon as practicable (see the Notifying Survivors section and the Department Liaison and Hospital Liaison subsections in this policy).

1028.4 NOTIFYING SURVIVORS
Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Director of Public Safety or the authorized designee should review the deceased member’s emergency contact information and make accommodations to respect the member’s wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member’s wishes.

The Director of Public Safety, the Shift Sergeant or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the Department Chaplain.

Notifying members should:

(a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.

(b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child’s age, maturity and current location (e.g., small children at home, children in school).

(c) Plan for concerns such as known health concerns of survivors or language barriers.

(d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in department vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital and should remain at the hospital while the survivors are present.

(e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.

(f) If making notification at a survivor’s workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.

(g) Offer to call other survivors, friends or clergy to support the survivors and to avoid leaving survivors alone after notification.

(h) Assist the survivors with meeting childcare or other immediate needs.
(i) Provide other assistance to survivors and take reasonable measures to accommodate their needs, wishes and desires. Care should be taken not to make promises or commitments to survivors that cannot be met.

(j) Inform the survivors of the name and phone number of the Survivor Support Liaison (see the Survivor Support Liaison section of this policy), if known, and the Department Liaison.

(k) Provide their contact information to the survivors before departing.

(l) Document the survivor’s names and contact information, as well as the time and location of notification. This information should be forwarded to the Department Liaison.

(m) Inform the Director of Public Safety or the authorized designee once survivor notifications have been made so that other New Brighton Department of Public Safety members may be apprised that survivor notifications are complete.

1028.4.1 OUT-OF-AREA NOTIFICATIONS
The Department Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

(a) The Department Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the department member that the survivors can call for more information following the notification by the assisting agency.

(b) The Department Liaison may assist in making transportation arrangements for the member’s survivors, but will not obligate the Department to pay travel expenses without the authorization of the Director of Public Safety.

1028.5 NOTIFYING DEPARTMENT MEMBERS
Supervisors or members designated by the Director of Public Safety are responsible for notifying department members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shift. Members reporting for duty from their residence should be instructed to contact their supervisor as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., peer support group, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors should direct members not to disclose any information outside the Department regarding the deceased member or the incident.
1028.6 LIAISONS AND COORDINATORS
The Director of Public Safety or the authorized designee should select members to serve as liaisons and coordinators to handle responsibilities related to a line-of-duty death, including, but not limited to:

(a) Department Liaison.
(b) Hospital Liaison.
(c) Survivor Support Liaison.
(d) Critical Incident Stress Management (CISM) coordinator.
(e) Funeral Liaison.
(f) Mutual aid coordinator.
(g) Benefits Liaison.
(h) Finance coordinator.

Liaisons and coordinators will be directed by the Department Liaison and should be given sufficient duty time to complete their assignments.

Members may be assigned responsibilities of more than one liaison or coordinator position depending on available department resources. The Department Liaison may assign separate liaisons and coordinators to accommodate multiple family units, if needed.

1028.6.1 DEPARTMENT LIAISON
The Department Liaison should be a Deputy Director or of sufficient rank to effectively coordinate department resources, and should serve as a facilitator between the deceased member’s survivors and the Department. The Department Liaison reports directly to the Director of Public Safety. The Department Liaison’s responsibilities include, but are not limited to:

(a) Directing the other liaisons and coordinators in fulfilling survivors’ needs and requests. Consideration should be given to organizing the effort using the National Incident Management System (NIMS).
(b) Establishing contact with survivors within 24 hours of the incident and providing them contact information.
(c) Advising survivors of the other liaison and coordinator positions and their roles and responsibilities.
(d) Identifying locations that will accommodate a law enforcement funeral and presenting the options to the appropriate survivors, who will select the location.
(e) Coordinating all official law enforcement notifications and arrangements.
(f) Making necessary contacts for authorization to display flags at half-mast.
(g) Ensuring that department members are reminded of appropriate information-sharing restrictions regarding the release of information that could undermine future legal proceedings.
Line-of-Duty Deaths

(h) Coordinating security checks of the member’s residence as necessary and reasonable.

(i) Serving as a liaison with visiting law enforcement agencies during memorial and funeral services.

1028.6.2 HOSPITAL LIAISON
The Hospital Liaison should work with hospital personnel to:

(a) Arrange for appropriate and separate waiting areas for:
   1. The survivors and others whose presence is requested by the survivors.
   2. Department members and friends of the deceased member.
   3. Media personnel.

(b) Ensure, as much as practicable, that any suspects who are in the hospital and their families or friends are not in close proximity to the member’s survivors or New Brighton Department of Public Safety members (except for members who may be guarding the suspect).

(c) Ensure that survivors receive timely updates regarding the member before information is released to others.

(d) Arrange for survivors to have private time with the member, if requested.

   2. The Hospital Liaison should accompany the survivors into the room, if requested.

(e) Stay with survivors and ensure that they are provided with other assistance as needed at the hospital.

(f) If applicable, explain to the survivors why an autopsy may be needed.

(g) Ensure hospital bills are directed to the Department, that the survivors are not asked to sign as guarantor of payment for any hospital treatment and that the member’s residence address, insurance information and next of kin are not included on hospital paperwork.

Other responsibilities of the Hospital Liaison include, but are not limited to:

• Arranging transportation for the survivors back to their residence.
• Working with investigators to gather and preserve the deceased member’s equipment and other items that may be of evidentiary value.

The Survivor Support Liaison should be selected by the deceased member’s Deputy Director and the deceased member's family. The following should be considered when selecting the Survivor Support Liaison:

- The liaison should be an individual the survivors know and with whom they are comfortable working.
- If the survivors have no preference, the selection may be made from names recommended by the deceased member’s supervisor and/or coworkers. The deceased member’s partner or close friends may not be the best selections for this assignment because the emotional connection to the member or survivors may impair their ability to conduct adequate liaison duties.
- The liaison must be willing to assume the assignment with an understanding of the emotional and time demands involved.

The responsibilities of the Survivor Support Liaison include, but are not limited to:

(a) Arranging for transportation of survivors to hospitals, places of worship, funeral homes and other locations, as appropriate.

(d) Providing assistance with travel and lodging arrangements for out-of-town survivors.

   1. Items should not be delivered to the survivors until they are ready to receive the items.
   2. Items not retained as evidence should be delivered in a clean, unmarked box.
   3. All clothing not retained as evidence should be cleaned and made presentable (e.g., items should be free of blood or other signs of the incident).
   4. The return of some personal effects may be delayed due to ongoing investigations.

(f) Assisting with the return of department-issued equipment that may be at the deceased member’s residence.

   1. Unless there are safety concerns, the return of the equipment should take place after the funeral at a time and in a manner considerate of the survivors’ wishes.

(m) Inviting survivors to department activities, memorial services or other functions as appropriate.

Survivor Support Liaisons providing services after an incident resulting in multiple members being killed should coordinate with and support each other through conference calls or meetings as necessary.

The Department recognizes that the duties of a Survivor Support Liaison will often affect regular assignments over many years, and is committed to supporting members in the assignment.

If needed, the Survivor Support Liaison should be issued a personal communication device (PCD) owned by the Department to facilitate communications necessary to the assignment. The department-issued PCD shall be used in accordance with the Personal Communication Devices Policy.

1028.6.4 CRITICAL INCIDENT STRESS MANAGEMENT COORDINATOR

Model Sexual Assault Investigation Policy.pdf
I. PURPOSE
The purpose of this policy is to provide employees with guidelines for responding to reports of sexual assault. This agency will strive:

   a) To afford maximum protection and support to victims of sexual assault or abuse through a coordinated program of law enforcement and available victim services with an emphasis on a victim centered approach;

   b) To reaffirm peace officers’ authority and responsibility to conducting thorough preliminary and follow up investigations and to make arrest decisions in accordance with established probable cause standards;

   c) To increase the opportunity for prosecution and victim services.

II. POLICY
It is the policy of the _____________ (law enforcement agency) to recognize sexual assault as a serious problem in society and to protect victims of sexual assault by ensuring its peace officers understand the laws governing this area. Sexual assault crimes are under-reported to law enforcement and the goal of this policy is in part to improve victim experience in reporting so that more people are encouraged to report.

All employees should take a professional, victim-centered approach to sexual assaults, protectively investigate these crimes, and coordinate with prosecution in a manner that helps restore the victim’s dignity and autonomy. While doing so, it shall be this agency’s goal to decrease the victim’s distress, increase the victim’s understanding of the criminal justice system and process, and promote public safety.

Peace officers will utilize this policy in response to sexual assault reported to this agency. This agency will aggressively enforce the laws without bias and prejudice based on race, marital status, sexual orientation, economic status, age, disability, gender, religion, creed, or national origin.

Minnesota Office of Justice Programs (MN OJP) can assist departments in locating their local victim advocacy agency for the purposes outlined in this policy.

H. **Victim Centered**: A victim-centered approach prioritizes the safety, privacy and well-being of the victim and aims to create a supportive environment in which the victim’s rights are respected and in which they are treated with dignity and respect.    (ii) because of the dysfunction or infirmity and the need for assistance, the individual has an impaired ability to protect the individual from maltreatment.

IV. PROCEDURES

A. Communications Personnel Response/Additional Actions by Responding Officers

Communications personnel and/or law enforcement officers should inform the victim of ways to ensure critical evidence is not lost, to include the following:
   1) Suggest that the victim not bathe, or clean him or herself if the assault took place recently.
   2) Recommend that if a victim needs to relieve themselves, they should collect urine in a clean jar for testing, and should avoid wiping after urination.
   3) Asking the victim to collect any clothing worn during or after the assault and if possible, place in a paper bag, instructing the victim not to wash the clothing (per department policy).
   4) Reassure the victim that other evidence may still be identified and recovered even if they have bathed or made other physical changes.

B. Initial Officer Response

When responding to a scene involving a sexual assault, officers shall follow standard incident response procedures. In addition, when interacting with victims, officers shall do the following:

   1) Recognize that the victim experienced a traumatic incident and may not be willing or able to immediately assist with the criminal investigation.
2) The officer shall attempt to determine the location/jurisdiction where the assault took place.

3) Explain the reporting process including the roles of the first responder, investigator, and anyone else with whom the victim will likely interact during the course of the investigation.

4) Officers are encouraged to connect the victim with local victim advocates as soon as possible. Inform the victim that there are confidential victim advocates available to address any needs they might have and to support them through the criminal justice system process. Provide the victim with contact information for the local victim advocate. Upon victim request the officer can offer to contact local victim advocate on behalf of the victim.

5) Ask about and document signs and symptoms of injury, to include strangulation. Officers shall attempt to obtain a signed medical release from the victim.

6) Ensure that the victim knows they can go to a designated facility for a forensic medical exam. Offer to arrange for transportation for the victim.

7) Identify and attempt to interview potential witnesses to the sexual assault and/or anyone the victim told about the sexual assault.

8) Request preferred contact information for the victim for follow-up.

C. Victim Interviews
This agency recognizes that victims of sexual assault due to their age or physical, mental or emotional distress, are better served by utilizing trauma informed interviewing techniques and strategies. Such interview techniques and strategies eliminate the duplication of interviews and use a question and answer interviewing format with questioning nondirective as possible to elicit spontaneous responses.

In recognizing the need for non-traditional interviewing techniques for sexual assault victims, officers should consider the following:

- Offer to have a confidential victim advocate present (if possible) if the victim would benefit from additional support during the process
- Whenever possible, conduct victim interviews in person
- Make an effort to conduct the interview in a welcoming environment
- Let the victim share the details at their own pace
- Recognize victims of trauma may have difficulty remembering incidents in a linear fashion and may remember details in days and weeks following the assault
- After the initial interview, consider reaching out to the victim within a few days, after at least one sleep cycle to ask if they remember any additional details.
• Depending on the victim, additional interviews might be needed to gather additional information. Offer support from a victim advocate to the victim to help facilitate engagement with the investigative process and healing.
• Some victims do remember details vividly and might want to be interviewed immediately.
• During initial and subsequent victim interviews, officers should note the following information as victims share it, recognizing that a victim may not be able to recall all the details of the assault during a particular interview.
  1) Whether the suspect was known to the victim
  2) How long the victim knew the suspect
  3) The circumstances of their meeting and if there is any indication of the use of drugs or alcohol to facilitate the sexual assault
  4) The extent of their previous or current relationship
  5) Any behavioral changes that led the situation from one based on consent to one of submission, coercion, fear, or force
  6) Specific actions, statements, and/or thoughts of both victim and suspect immediately prior, during, and after assault
  7) Relevant communication through social media, email, text messages, or any other forms of communication

D. Special Considerations—Minors and Vulnerable Adults/Domestic Abuse Victims
1. Minors and Vulnerable Adults
   This agency recognizes that certain victims, due to their age or a physical, mental, or emotional distress, are better served by utilizing interview techniques and strategies that eliminate the duplication of interviews and use a question and answer interviewing format with questioning as nondirective as possible to elicit spontaneous responses. Members of this agency will be alert for victims who would be best served by the use of these specialized interview techniques. Officers, in making this determination, should consider the victim’s age, level of maturity, communication skills, intellectual capacity, emotional state, and any other observable factors that would indicate specialized interview techniques would be appropriate for a particular victim. When an officer determines that a victim requires the use of these specialized interview techniques, the officer should follow the guidance below.

   a. Officers responding to reports of sexual assaults involving these sensitive population groups shall limit their actions to the following:
      (1) Ensuring the safety of the victim;
      (2) Ensuring the scene is safe;
      (3) Safeguarding evidence where appropriate;
      (4) Collecting any information necessary to identify the suspect; and
      (5) Addressing the immediate medical needs of individuals at the scene
b. Initial responding officers should not attempt to interview the victim in these situations, but should instead attempt to obtain basic information and facts about the situation, including the jurisdiction where the incident occurred and that a crime most likely occurred. Officers should seek to obtain this information from parents, caregivers, the reporting party, or other adult witnesses, unless those individuals are believed to be the perpetrators.

c. Officers responding to victims with special considerations must comply with the mandated reporting requirements of Minnesota Statute 626.556 and 626.557, as applicable. Officers investigating cases involving victims with special considerations should coordinate these investigations with the appropriate local human services agency where required. Any victim or witness interviews conducted with individuals having special considerations must be audio and video recorded whenever possible. All other interviews must be audio recorded whenever possible.

Not all sexual assaults of minor victims require a mandatory report to social services. This policy recognizes that in certain cases, notifying and/or the involvement of a parent/guardian can cause harm to the minor and/or impede the investigation. Officers responding to the sexual assault of a minor victim that does not trigger a mandated report under Minn. Stat. 626.556 should assess for the impact on the victim and the investigation if parents/guardians were notified before making a decision to involve them.

d. Officers should obtain necessary contact information for the victim’s caregiver, guardian or parents and where the victim may be located at a later time. Officers should advise the victim and/or any accompanying adult(s), guardians or caregivers that an investigating officer will follow up with information on a forensic interview.

e. The officer should advise the victim’s caregiver, guardian or parent that if the victim starts to talk about the incident they should listen to them but not question them as this may influence any future statements.

2. Victims of Domestic Abuse

Officers responding to a report of sexual assault committed against a family and household member must also follow the requirements and guidelines in this agency’s domestic abuse policy and protocol, in addition to the guidelines in this policy.
E. Protecting Victim Rights

1) Confidentiality: Officers should explain to victims the limitations of confidentiality in a criminal investigation and that the victim’s identifying information is not accessible to the public, as specified in Minn. Stat. section 13.82, subd. 17(b)

2) Crime Victim Rights: Officers must provide the following information to the victim:
   a. Crime victim rights and resource information required to be provided to all victims as specified by Minn. Stat. section 611A.02, subd. 2(b)
   b. If the suspect is a family or household member to the victim, crime victim rights and resource information required to be provided to domestic abuse victims, as specified by Minn. Stat. section 629.341, subd. 3.
   c. The victim’s right to be informed of the status of a sexual assault examination kit upon request as provided for under Minn. Stat. section 611A.27, subd. 1.
   d. Pursuant to Minn. Stat. 611A.26, subd. 1, no law enforcement agency or prosecutor shall require that a complainant of a criminal sexual conduct or sex trafficking offense submit to a polygraph examination as part of or a condition to proceeding with the investigation, charging or prosecution of such offense.

3) Other information: Officers should provide to the victim the agency’s crime report/ICR number, and contact information for the reporting officer and/or investigator or person handling the follow up.

4) Language access: All officers shall follow agency policy regarding limited English proficiency.

F. Evidence Collection

1) Considerations for Evidence Collection
   Officers shall follow this agency’s policy on crime scene response. In addition, officers may do the following:
   a. Collect evidence regarding the environment in which the assault took place, including indications of isolation and soundproofing. The agency should consider utilizing their agency or county crime lab in obtaining or processing the scene where the assault took place. This should be in accordance to any/all other policies and procedures relating to evidence collections.
   b. Document any evidence of threats or any communications made by the suspect, or made on behalf of the suspect, to include those made to individuals other than the victim.
c. In situations where it is suspected that drugs or alcohol may have facilitated the assault, officers should assess the scene for evidence such as drinking glasses, alcohol bottles or cans, or other related items.

d. If the victim has declined or a medical forensic exam will not be conducted, the officer should obtain victim consent and attempt to take photographs of visible physical injuries, including any healing or old injuries. Victim should be given directions about how to document any bruising or injury that becomes evidence later after these photographs are taken.

G. Sexual Assault Medical Forensic Examinations
   1) Prior to the sexual assault medical forensic examination the investigating officer should do the following:
      a. Ensure the victim understands the purpose of the sexual assault medical forensic exam and its importance to both their general health and wellness and to the investigation. Offer assurance to the victim that they will not incur any out-of-pocket expenses for forensic medical exams and provide information about evidence collection, storage and preservation in sexual assault cases.
      b. Provide the victim with general information about the procedure, and encourage them to seek further detail and guidance from the forensic examiner, health care professional, or a victim advocate. Officers and investigators cannot deny a victim the opportunity to have an exam.
      c. Officers should be aware and if necessary, relay to victims who do not want to undergo an exam that there might be additional treatments or medications they are entitled to even if they do not want to have an exam done or have evidence collected. Victims can seek that information from a health care provider or a victim advocate. If possible, transport or arrange transportation for the victim to the designated medical facility.
      d. Ask the victim for a signed release for access to medical records from the exam.

   2) Officers should not be present during any part of the exam, including during the medical history.
   3) Following the exam, evidence collected during the exam shall be handled according to the requirements of agency policy and Minnesota Statute 299C.106.

H. Contacting and Interviewing Suspects
   Prior to contacting the suspect, officers should consider the following:
   1) Conduct a background and criminal history check specifically looking for accusations, criminal charges, and convictions for interconnected crimes, especially crimes involving violence.
   2) Consider conducting a pretext or confrontational call or messaging depending on jurisdictional statutes. Involvement of a victim should be based on strong
consideration of the victim’s emotional and physical state. A victim advocate should be present whenever possible to offer support.

3) When possible, an attempt would be made to interview the suspect in person.

4) In situations where suspects do not deny that a sexual act occurred, but rather assert that it was with the consent of the victim, officers should do the following:
   a. Collect evidence of past communication, including but not limited to all relevant interaction (including social media) between the suspect and victim.
   b. Identify events that transpired prior to, during, and after the assault in an effort to locate additional witnesses and physical locations that might lead to additional evidence.

5) For sexual assaults involving strangers, officers should focus investigative efforts on the collection of video, DNA, and other trace evidence used for analysis to identify the perpetrator (handle evidence collection per agency policy).

I. Forensic Examination and/or the Collection of Evidence from the Suspect

Note: A suspect’s forensic examination and/or the collection of evidence from a suspect may be done by either an investigating officer/investigator, Forensic Medical Examiner, or the agency/county crime lab personnel.

1) Prior to or immediately after the preliminary suspect interview, photograph any injuries.

2) Determine whether a sexual assault medical forensic examination should be conducted.

3) Ask for the suspect’s consent to collect evidence from their body and clothing. However, officers/investigators should consider obtaining a search warrant, with specific details about what evidence will be collected, and should be prepared in advance to eliminate the opportunity for the suspect to destroy or alter evidence if consent is denied.

4) During the suspect’s sexual assault medical forensic examination, the investigator, evidence technician, or forensic examiner should do the following:
   a. Strongly consider penile swabbing, pubic hair combings, and collection of other potential DNA evidence;
   b. Collect biological and trace evidence from the suspect’s body;
   c. Document information about the suspect’s clothing, appearance, scars, tattoos, piercings, and other identifiable marks;
   d. Seize all clothing worn by the suspect during the assault, particularly any clothing touching the genital area;
   e. Document the suspect’s relevant medical condition and injuries.
J. Role of the Supervisor
Supervisors may do the following:
   1) Assist officers investigating incidents of sexual assault when possible or if requested by an officer.
   2) Provide guidance and direction as needed.
   3) Review sexual assault reports to ensure that necessary steps were taken during initial response and investigations.

K. Case Review/Case Summary
A supervisor should ensure cases are reviewed on an on-going basis. The review process should include an analysis of:
   1) Case dispositions
   2) Decisions to collect evidence
   3) Submissions of evidence for lab testing
   4) Interviewing decisions
